On December 5, 2007, the Board of Directors of the Company approved amendments to Article V of the Company's bylaws to allow for the issuance of uncertificated shares of the Company's stock, in order to comply with rules adopted by the New York Stock Exchange that require listed companies to be eligible for a direct registration system ("DRS") by January 1, 2008. A DRS permits a stockholder's ownership to be recorded and maintained on the books of the issuer or its transfer agent without issuance of a physical stock certificate. In addition, the Board approved amendments to Article III of the Company's bylaws to reflect the current composition and duties and responsibilities of the Corporate Governance/Nominating Committee of the Board. A copy of the Company's amended and restated bylaws is attached as Exhibit 3.1 to this report.
