On July 16, 2008, the Company's lead bank, First National Bank ("First National"), entered into an informal Memorandum of Understanding with the Office of the Comptroller of the Currency ("OCC") regarding First National's commercial real estate loan portfolio, including actions to be taken with respect to commercial real estate risk management procedures, credit underwriting and administration, appraisal and evaluation processes, problem loan management, credit risk ratings recognition and loan review procedures. Since entering into the Memorandum, management has been actively pursuing the corrective actions required by the Memorandum in an effort to address the deficiencies noted in administration of its commercial real estate loan portfolio.
