(1) Pursuant to Rule 416(a) under the Securities Act of 1933, as amended, this registration statement also covers any additional Class A common shares which may be issued under the Ingersoll-Rand Company Employee Savings Plan (the "I-R Employee Savings Plan"), the Ingersoll-Rand Company Limited Incentive Stock Plan of 1995, as amended, and the Ingersoll-Rand Company Limited Amended and Restated Incentive Stock Plan of 1998, to prevent dilution resulting from any stock split, stock dividend or similar transaction. (2) Estimated pursuant to Rule 457(h) and 457(c) under the Securities Act, solely for the purpose of computing the registration fee, based on the average of the high and low prices of the Class A common shares being registered hereby on the New York Stock Exchange on November 28, 2005.

(3) Preference share purchase rights to purchase Series A preference shares currently are attached to and trade with the Class A common shares of the registrant. Accordingly, there is no offering price for the rights and no registration fee is required.

This registration statement relates to the registration of Class A common shares, the attached preference share purchase rights to purchase Series A preference shares and an indeterminate amount of plan interests to be offered or sold under the Ingersoll-Rand Company Employee Savings Plan (the "I-R Employee Savings Plan") of Ingersoll-Rand Company, a wholly-owned subsidiary of Ingersoll-Rand Company Limited (the "Company"). Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act.

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; or

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered hereby which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
