### **Item 2.03 Creation of a Direct Financial Obligation**

On March 7, 2006, MCF Corporation completed a \$7.5 million private placement of a variable rate secured convertible debenture. The issue was placed with Midsummer Investment, Ltd. MCF Corporation will invest the proceeds in the proprietary funds managed by MCF Asset Management, LLC. Interest on the debenture will be based on the annual investment performance of the funds.

The debenture is convertible into MCF Corporation's common stock at a conversion price of \$1.41 per share. Midsummer may elect to convert the debenture into common stock of the company at the conversion price at any time following the closing date. The maturity date of the notes is December 31, 2010. Stock warrants to purchase 1,875,000 shares of common stock at \$1.41 per share were also issued to the investor. The stock warrants have a six year term. Merriman Curhan Ford & Co. acted as the sole placement agent for the transaction.

MCF Corporation is contractually obligated to file a registration statement covering the shares issued to the investor, and the shares issuable upon exercise of the stock warrant issued to the investor, within 120 days of March 7, 2006, and to use commercially reasonable efforts to ensure that such registration statement is effective within 365 days of March 7, 2006.

### **Item 3.02 Unregistered Sales of Equity Securities**

On March 7, 2006, MCF Corporation sold a Variable Rate Secured Convertible Debenture, together with Warrants to purchase 1,875,000 shares of MCF Corporation common stock, for aggregate consideration of \$7.5 million. The Variable Rate Secured Convertible Debenture and Warrants were issued in reliance on the exemption from registration provided for in Regulation D of the Securities Act of 1933, as amended, based on offers and sales of such securities being made without any form of general solicitation or general advertising and only to "accredited investors" within the meaning of Rule 501 under the Regulation D.

The Variable Rate Secured Convertible Debenture is convertible into MCF Corporation common stock at any time, initially at the conversion rate of \$1.41 per share, subject to adjustment in the event of stock splits or stock dividends, issuance of MCF Corporation common stock at prices below \$1.41 per share, and in certain other circumstances as provided in the Variable Rate Secured Convertible Debenture Due December 31, 2010, attached hereto as Exhibit 4.4.

The warrants are exercisable for shares of MCF Corporation common stock at any time, subject to certain limitations on the total number of shares owned by Midsummer Investment, Ltd., as provided in the Common Stock Purchase Warrant attached hereto as Exhibit 4.5. The warrants are initially exercisable at the price of \$1.41 per share, subject to adjustment in the event of stock splits or stock dividends, issuance of MCF Corporation common stock at prices below \$1.41 per share, and in certain other circumstances as provided in the Common Stock Purchase Warrant, attached hereto as Exhibit 4.5.
