The following descriptions are qualified, in their entirety, by the terms of the agreement described below.

Item 1.01. Entry Into a Material Definitive Agreement.

On May 30, 2006, Perficient, Inc. (the “Company”) entered into an Agreement and Plan of Merger by and among the Company, PFT MergeCo II, Inc., a Delaware corporation and wholly owned subsidiary of the Company (the “Merger Sub”), Insolexen Corp., Inc., a Michigan corporation (“Insolexen”), HSU Investors, LLC, a Delaware limited liability company (the “Sole Stockholder”), and Hari Madamalla, Steve Haglund and Uday Yallapragada (each a “Principal” and collectively, the “Principals”), and Hari Madamalla (the “Representative”) (the “Merger Agreement”) pursuant to which Merger Sub merged with and into Insolexen (the “Merger”), with Insolexen surviving the Merger as a wholly owned subsidiary of the Company. A copy of the Merger Agreement is filed as Exhibit 2.1 to this Current Report on Form 8-K. The descriptions of the Merger Agreement included in this Current Report on Form 8-K are qualified, in their entirety, by the terms of the Merger Agreement.

Immediately following the Merger, the Company effected the merger of Insolexen with and into Perficient Insolexen, LLC, a Delaware limited liability company and wholly owned subsidiary of the Company.

Consummation of the Merger is subject to various closing conditions, including, among others, the requisite approval by the Sole Stockholder, the effectiveness of a Non-Competition Agreement with the Sole Stockholder, and the effectiveness of Stock Restriction and Non-Compete Agreements with each Principal in connection with the Merger Agreement, as well as other customary closing conditions. The Non-Competition Agreements restrict the ability of the Sole Stockholder and each Principal, among other things, to provide competitive products or services for a period of five years in any geographic area where the Company or Insolexen provide competitive products or services.

The information set forth in Item 2.01 of this Current Report on Form 8-K is incorporated by reference into this Item 1.01.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On May 31, 2006, the transactions contemplated by the Merger Agreement were consummated. The total consideration paid to the stockholders of Insolexen in connection with the Merger was approximately \$13.4 million, which included approximately \$6.9 million in cash and approximately \$6.5 million worth of the Company’s common stock as calculated on the average closing price of the Company’s common stock for the thirty trading days immediately preceding the closing date of the Merger. The total consideration paid excludes transaction costs and is subject to certain post-closing adjustments.

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.01.

Item 3.02 Unregistered Sales of Equity Securities.

As described under Item 2.01 of this Current Report on Form 8-K, on May 31, 2006, the Company issued 522,945 shares of the Company’s Common Stock (or approximately \$6.5 million based on the average closing price of the Company’ common stock for the thirty trading days immediately preceding the closing date of the Merger) to the Sole Stockholder as part of the total consideration for the Merger. The shares were issued in reliance on an exemption from the registration requirements of the Securities Act of 1933 (the “Securities Act”) provided by Section 4(2) of the Securities Act and/or Regulation D promulgated thereunder.
