This Amendment No. 6 to Schedule 13D (“Amendment No. 6”) amends and supplements the Schedule 13D filed with the Securities and Exchange Commission on January 26, 2007 (the “Original Schedule 13D”), as amended by Amendment No. 1 filed on February 23, 2007 (“Amendment No. 1”), Amendment No. 2 filed on March 15, 2007 (“Amendment No. 2”), Amendment No. 3 filed on March 30, 2007 (“Amendment No. 3”), Amendment No. 4 filed on April 10, 2007 (“Amendment No. 4”), and Amendment No. 5 filed on April 12, 2007 (“Amendment No. 5” and, together with the Original Schedule 13D, Amendment No. 1, Amendment No. 2, Amendment No. 3 and Amendment No. 4, the “Schedule 13D”), by CIG Media LLC, a Delaware limited liability company (“CM”), Citadel Limited Partnership, an Illinois limited partnership (“CLP”), Citadel Investment Group, L.L.C., a Delaware limited liability company (“CIG”), and Kenneth Griffin, a natural person (“Griffin” and, together with CM, CLP and CIG, the “Reporting Persons”), with respect to shares of Class A common stock, par value \$0.001 per share (“Class A Common Stock”), of ION Media Networks, Inc., a Delaware corporation (the “Issuer”). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Schedule 13D. As specifically amended and supplemented by this Amendment No. 6, the Schedule 13D shall remain in full force and effect.

**ITEM 4. Purpose of Transaction.**

**Item 4 of the Schedule 13D is hereby amended and supplemented by adding the following immediately after the last paragraph thereof:**

On April 30, 2007, NBCU and CLP submitted to the Board a letter (the “April 30 Proposal Letter”) addressing the remaining issues raised by the special committee of the Board with respect to certain aspects of the terms of the Proposed Transaction. The following is a summary of the changes to the prior proposal (the Letter, the Term Sheet, the Revised Proposal Letter, the Modified Proposal and the Third Proposal Letter being also amended to the extent set forth in the April 30 Proposal Letter):

·Consistent with the terms of the Third Proposal Letter, if holders of more than 50% of each of the 14¼% Preferred Stock and 9¾% Preferred Stock tender in the exchange offer, then:

- (i)holders of 14¼% Preferred Stock that choose to exchange their entire position would receive securities representing 80% of the face amount of the securities they currently hold (based on the accreted value as of May 15, 2006), consisting of Series A Convertible Subordinated Debt in a principal amount equal to 70% of the face amount of their securities, and Series A Convertible Preferred Stock in a face amount equal to 10% of the face amount of their securities, which would rank senior to all currently outstanding preferred stock of the Issuer; and
- (ii)holders of 9¾% Preferred Stock that choose to exchange their entire position would receive securities representing 50% of the face amount of the securities they currently hold (based on the accreted value as of September 30, 2006), consisting of Series A Convertible Subordinated Debt in a principal amount equal to 40% of the face amount of their securities and Series A Convertible Preferred Stock in a face amount equal to 10% of the face amount of their securities.

· However, if holders of 50% or less of either the 14<sup>1</sup>/<sub>4</sub>% Preferred Stock or the 9<sup>3</sup>/<sub>4</sub>% Preferred Stock tender in the exchange offer, then:

(i) holders of 14<sup>1</sup>/<sub>4</sub>% Preferred Stock that choose to exchange their entire position would receive securities representing 80% of the face amount of the securities they currently hold (based on the accreted value as of May 15, 2006), consisting of Series A Convertible Subordinated Debt in a principal amount equal to 75% of the face amount of their securities, and newly issued Series B Convertible Preferred Stock of the Issuer (“Series B Convertible Preferred Stock”), in a face amount equal to 5% of the face amount of their securities, which would rank *pari passu* with preferred stock of the Issuer owned by CM; and

(ii) holders of 9<sup>3</sup>/<sub>4</sub>% Preferred Stock that choose to exchange their entire position would receive securities representing 50% of the face amount of the securities they currently hold (based on the accreted value as of September 30, 2006), consisting of Series A Convertible Subordinated Debt in a principal amount equal to 45% of the face amount of their securities and Series B Convertible Preferred Stock in a face amount equal to 5% of the face amount of their securities.

· The interest rate on the Series A Convertible Subordinated Debt would be increased from 7% to 11%.

· Both the Series A Convertible Preferred Stock and Series B Convertible Preferred Stock would earn dividends at an annual rate of 12%.

· The Series A Convertible Subordinated Debt, the Series A Convertible Preferred Stock and the Series B Convertible Preferred Stock would not be callable. The securities would not be mandatorily convertible in the first year, but would be mandatorily convertible in the second year, at 102% of the conversion price and in the third year at 101% of the conversion price. Thereafter, the securities would be mandatorily convertible at 100% of the conversion price.

In addition, the revised proposal now contemplates that the Issuer would commence the exchange offer as promptly as practicable following commencement of the tender offer, and the consummation of the exchange offer is no longer conditioned upon receipt of FCC approval.

Further, in addition to the \$100 million of cash that CM had previously committed to invest in the Issuer, CM has agreed to invest additional capital in the Issuer to cover the Issuer’s transaction expenses. The revised proposal also contemplates that CM will invest the \$100 million it had previously committed to invest in the Issuer in conjunction with the commencement of the tender offer rather than following the closing of the Proposed Transaction. CM will receive newly issued Series B Convertible Subordinated Debt of the Issuer in respect of these investments.

---

With respect to expenses, each of CM and NBCU has agreed to pay for the legal and financial advisory expenses incurred on its behalf and therefore the Issuer will no longer be required to cover these expenses.

The foregoing description of the April 30 Proposal Letter is not complete and is subject to the terms of the April 30 Proposal Letter, a copy of which is attached hereto as Exhibit 99.12 and incorporated herein by reference.

Except as set forth herein, in the Schedule 13D, and in the exhibits hereto and thereto, the Reporting Persons have no present plans or proposals that would result in or relate to any of the transactions or changes listed in Items 4(a) through 4(j) of the form of Schedule 13D.
