## Edgar Filing: SMART ONLINE INC - Form SC 13D/A

Item 3 is hereby amended and restated as follows:

As of October 30, 2008, the Reporting Person has acquired, in the aggregate, 6,259,327 shares of Common Stock either from the Issuer or from other shareholders of the Issuer. The Reporting Person has paid an aggregate of \$17,606,016.19 for these shares from corporate funds, including 56,206 shares acquired from Dennis Michael Nouri (the former President, Chief Executive Officer, and President of the Issuer) pursuant to a note cancellation agreement. In exchange for the shares acquired from Mr. Nouri, the Reporting Person cancelled a note under which Mr. Nouri owed the Reporting Person principal and interest totaling \$85,117.

Item 4. Purpose of Transaction.

Item 4 is hereby amended and restated as follows:

The Reporting Person acquired the shares of Common Stock for investment purposes. Subject to, among other things, the Issuer's business prospects, prevailing prices, and market conditions, the Reporting Person may purchase additional shares of Common Stock and/or other securities of the Issuer from time to time in the open market, in privately negotiated transactions, or otherwise. In addition, one of the Reporting Person's investment goals is diversification, which may require the Reporting Person to sell shares of Common Stock. Accordingly, the Reporting Person may, from time to time, make decisions to sell shares of Common Stock based upon then-prevailing market conditions.

On February 20, 2008, the Issuer entered a new line of credit with Paragon Commercial Bank ("Paragon"). This line of credit is secured by an irrevocable standby letter of credit in the amount of \$2.5 million issued by HSBC Private Bank (Suisse) SA, with the Reporting Person as account party. In connection with the new line of credit, the Reporting Person and the Issuer agreed to an amendment to the Reimbursement Agreement, which had been entered into on November 10, 2006. Under the amended agreement, the Issuer has agreed that in the event of a default by the Issuer in the repayment of the line of credit that results in the letter of credit being drawn, the Issuer shall reimburse the Reporting Person any sums that the Reporting Person is required to pay under such letter of credit. At the sole discretion of the Issuer, these payments may be made in cash or by issuing shares of Common Stock at a set per share price of \$2.50. The Reimbursement Agreement and the amendment thereto are attached hereto as Exhibits 1 and 2, respectively, and are incorporated herein by reference.

In connection with the new line of credit, the Reporting Person and the Issuer also agreed to an amendment of the Stock Purchase Warrant and Agreement, which had been entered into on January 15, 2007. Under the terms of the amended agreement, the Reporting Person may elect to purchase up to 444,444 shares of Common Stock at \$2.70 per share upon termination of, or if the Issuer is in breach under the terms of, the Issuer's line of credit with Paragon. The original Stock Purchase Warrant and Agreement and the amendment thereto are attached hereto as Exhibits 3 and 4, respectively, and are incorporated herein by reference.

On November 14, 2007, in an initial closing, the Issuer sold \$3.3 million aggregate principal amount of secured subordinated convertible notes due November 14, 2010 to noteholders, including the Reporting Person (the "Noteholders"). In addition, the Noteholders committed to purchase on a pro rata basis up to \$5.2 million aggregate principal of secured subordinated notes upon approval and call by the Issuer's Board of Directors in future closings. The Issuer is obligated to pay interest on the notes at an annualized rate of 8% payable in quarterly installments commencing on February 14, 2008. On August 12, 2008, the Issuer exercised its option to sell \$1.5 million aggregate principal amount of additional secured subordinated convertible notes due November 14, 2010, with substantially the same terms and conditions as the initial notes sold

## Edgar Filing: SMART ONLINE INC - Form SC 13D/A

on November 14, 2007. The Issuer is obligated pay interest on the additional notes at an annualized rate of 8% payable in quarterly installments commencing on November 12, 2008. In connection with the sale of the additional notes, the Noteholders holding a majority of the aggregate principal amount of the notes outstanding agreed to increase the aggregate principal amount of secured subordinated convertible notes that they are committed to purchase from \$8.5 million to \$15.3 million, of which \$4.8 million is currently outstanding.

The Issuer does not have the ability to prepay the notes without the approval of Noteholders holding at least a majority of the principal amount of the notes then outstanding.

On the earlier of the maturity date of November 14, 2010 or a merger or acquisition or other transaction pursuant to which the Issuer's existing stockholders hold less than 50% of the surviving entity, or the sale of all or substantially all of the Issuer's assets, or similar transaction, or event of default, each Noteholder in its sole discretion shall have the option to:

- o convert the principal then outstanding on its note into shares of Common Stock, or
- o receive immediate repayment in cash of the note, including any accrued and unpaid interest.

If a Noteholder elects to convert its note under these circumstances, the conversion price for notes:

- o issued in the initial closing on November 14, 2007 shall be \$3.05; and
- o issued on August 12, 2008 shall be the lower of \$3.05 and the average of the closing bid and asked prices of shares of the Common Stock quoted in the Over-The-Counter Market Summary (or, if the Issuer's shares are traded on the Nasdaq Stock Market or another exchange, the closing price of shares of the Common Stock quoted on such exchange) averaged over five trading days prior to the closing date of the sale of the additional notes.

Payment of the notes will be automatically accelerated if the Issuer enters voluntary or involuntary bankruptcy or insolvency proceedings.

The notes and Common Stock into which they may be converted have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state, local, or foreign securities laws. As a result, offers and sales of the notes were made pursuant to Regulation D under the Securities Act and only to accredited investors that were existing stockholders of the Issuer.

In addition, if the Issuer proposes to file a registration statement to register any of its Common Stock under the Securities Act in connection with the public offering of such securities solely for cash, subject to certain limitations, the Issuer must give each Noteholder who has converted its notes into Common Stock the opportunity to include such shares of converted Common Stock in the registration. The Issuer has agreed to bear the expenses for any of these registrations, exclusive of any stock transfer taxes, underwriting discounts, and commissions.

The Convertible Secured Subordinated Note Purchase Agreement, the Form of Convertible Secured Subordinated Promissory Note, the Registration Rights Agreement, the Security Agreement, and the First Amendment to Convertible Secured Subordinated Note Purchase Agreement are attached hereto as Exhibits 5,
