To be held on Tuesday, June 23, 2009

General Information

The Board of Directors of Wuhan General Group (China), Inc., a Nevada corporation, is furnishing this Proxy Statement to the holders of its Common Stock, in connection with its solicitation of proxies for use at the Annual Meeting of Stockholders to be held at the Wuhan East Lake Hotel, No. 142 East Lake Road, Wuhan, Hubei 430077, People's Republic of China, at 9:00 a.m., local time, on Tuesday, June 23, 2009, and at any and all adjournments thereof. You may obtain directions to the location of the Annual Meeting by visiting www.wuhangeneral.com/2009AnnualMeeting.

A proxy delivered pursuant to this solicitation is revocable at the option of the person giving it at any time before it is exercised. A proxy may be revoked, prior to its exercise, by executing and delivering a later dated proxy, by delivering written notice of the revocation of the proxy to the Secretary of Wuhan General prior to the Annual Meeting or by attending and voting at the Annual Meeting. Attendance at the Annual Meeting, in and of itself, will not constitute a revocation of a proxy. Unless previously revoked, the shares represented by the enclosed proxy will be voted in accordance with the stockholder's directions if the proxy card is duly executed and returned prior to the Annual Meeting. If no directions are specified, the shares will be voted "FOR" the election of the director nominees recommended by the Board of Directors and in accordance with the discretion of the named proxies on other matters brought before the Annual Meeting.

Wuhan General will bear the expense of preparing, printing and mailing this Proxy Statement and soliciting the proxies it is seeking. In addition to the use of the mails, proxies may be solicited by officers, directors and employees of Wuhan General, in person or by telephone, e-mail or facsimile transmission. Wuhan General also will request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of the underlying shares as of the Record Date and will reimburse the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly completing, signing and returning the enclosed proxy card will help to avoid additional expense.

This Proxy Statement and the enclosed proxy card are first being mailed to stockholders on or about May 14, 2009. A copy of the 2008 Annual Report to Stockholders, including the Annual Report on Form 10-K for the fiscal year ended December 31, 2008, as filed with the Securities and Exchange Commission (the "SEC"), is being mailed with this Proxy Statement.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting To Be Held on June 23, 2009:

This Proxy Statement and the 2008 Annual Report to Stockholders are available at www.wuhangeneral.com/2009AnnualMeeting.

Voting Rights

Wuhan General's Common Stock is the only class of securities entitled to vote at the Annual Meeting. The close of business on May 5, 2009 has been fixed as the Record Date for the determination of our stockholders entitled to notice of, and to vote at, the 2009 Annual Meeting. Only stockholders of record at the close of business on the Record Date will be entitled to notice of, and to vote at, the Annual Meeting. As of April 28, 2009, we had outstanding 25,600,133 shares of Common Stock. Each outstanding share of Common Stock entitles the holder to one vote on all matters submitted to the stockholders.

Quorum and Voting Requirements

For each proposal to be considered at the Annual Meeting, the holders of a majority of the number of votes entitled to vote on such matter at the meeting, present in person or by proxy, will constitute a quorum. Both abstentions and "broker non-votes" will be treated as present for purposes of determining a quorum. A "broker non-vote," however, does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. "Broker non-votes" are votes that brokers holding shares of record for their customers (i.e., in "street name") are not permitted to cast under applicable stock market regulations because the brokers have not received instructions (or have received incomplete instructions) from their customers as to certain proposals, and, therefore, the brokers have advised us that they lack voting authority.

With regard to Proposal One (Election of Directors), votes may be cast for the nominees or may be withheld. Each director nominee was recommended by the Board of Directors, and all nominees are current directors, standing for re-election. The election of directors requires a plurality of the votes cast, and the seven nominees receiving the greatest number of votes will be elected. Votes that are withheld, abstentions and broker non-votes are not considered "votes cast" and therefore will have no effect on the outcome of Proposal One.

Proposal One:

Election of Directors

Action will be taken at the Annual Meeting for the election of seven directors. Each director elected at the Annual Meeting will serve until the 2010 Annual Meeting or until his successor is elected and qualified. Proxies can be voted for only seven nominees.

The Board of Directors has no reason to believe that any of the nominees for director will not be available to stand for election as director. However, if some unexpected occurrence should require the substitution by the Board of Directors of some other person or persons for any one or more of the nominees, the proxies may be voted in accordance with the discretion of the named proxies "FOR" such substitute nominees.

Corporate Governance

We have established corporate governance practices designed to serve the best interests of Wuhan General and our stockholders. We are in compliance with the current corporate governance requirements imposed by the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC and the listing standards of The Nasdaq Stock Market. Our current Code of Business Conduct and Ethics and charters for certain committees of the Board of Directors are available on our corporate website at www.wuhangeneral.com under the heading “Investor Relations.”

Set forth below is information regarding the meetings of the Board of Directors during 2008, a description of the Board’s standing committees and additional highlights of our corporate governance policies and procedures.

Committees and Meetings of the Board of Directors

Board Composition. The Board of Directors presently consists of seven members. The current members of the Board of Directors are Ge Zengke, Huang Zhaoqi, David K. Karnes, Brian Lin, Shi Yu, Xu Jie and Zheng Qingsong. The Board has determined that the following directors, who constitute a majority of the Board (four), are independent in accordance with the Nasdaq and SEC rules governing director independence: David K. Karnes, Brian Lin, Shi Yu and Zheng Qingsong.

Meetings of the Board of Directors. During fiscal year 2008, the Board of Directors met one time. During that period, each of the incumbent directors attended at least 75% of the aggregate number of meetings held by the Board and by each of the committees on which such director served.

Board Committees. Our Board of Directors currently has two standing committees: the Audit Committee and the Compensation Committee. The principal functions and the names of the directors currently serving as members of each of those committees are set forth below. In accordance with applicable Nasdaq and SEC requirements, the Board of Directors has determined that each director serving on the Audit and Compensation committees is an independent director.

Audit Committee. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to our financial matters. The Audit Committee operates under a written charter, a copy of which is available on our website at www.wuhangeneral.com under the heading "Investor Relations." Under the charter, the committee's principal responsibilities include reviewing our financial statements, reports and releases; reviewing with the independent auditor all critical accounting policies and alternative treatments of financial information under generally accepted accounting principles; appointing, compensating, and retaining and overseeing the work of the independent auditor.

The Audit Committee met five times during 2008. The current members of the Audit Committee are Brian Lin (Chairman), David K. Karnes and Shi Yu. The Board of Directors has determined that Mr. Lin is an "audit committee financial expert," as that term is defined in SEC rules.

Compensation Committee. The Compensation Committee has the primary authority to determine our compensation philosophy and to establish compensation for our executive officers. The Compensation Committee operates under a written charter, a copy of which is available on our website at www.wuhangeneral.com under the heading "Investor Relations." Under the charter, the committee's principal responsibilities include making recommendations to the Board on the Company's compensation policies, determining the compensation of senior management, making recommendations to the Board on the compensation of independent directors and approving performance-based compensation. The Compensation Committee is in the process of developing procedures for determining executive and director compensation.

The Compensation Committee did not meet during 2008. The current members of the Compensation Committee are Shi Yu (Chairman), David K. Karnes and Brian Lin.

Director Nominations

We do not have a formally constituted nominating committee or charter. Instead, our Board of Directors adopted a Director Nomination Policy, which provides for the nomination of persons to serve on our Board upon the approval of a majority of our independent directors. The qualifications of recommended candidates also will be reviewed and approved by the full Board. Our Board, through the adoption of the Director Nomination Policy, has indicated its preference for this approach. Under the Director Nomination Policy, the independent directors consider the following factors when qualifying candidates: current composition of the Board and the characteristics of each candidate under consideration, including that candidate's competencies, experience, reputation, integrity, independence, potential for conflicts of interest and other appropriate qualities. When considering a director standing for re-election, in addition to the factors described above, the independent directors consider that individual's past contribution and future commitment to the Company. The independent directors evaluate all candidates, regardless of the source from which the candidate was first identified, based upon the totality of the merits of each candidate and not based upon minimum qualifications or attributes. For information regarding director nominations by security holders, see the "Corporate Governance—Corporate Governance Policies—Policy for Consideration of Director Candidates Recommended by Security Holders."

Corporate Governance Policies

In addition to corporate governance matters described throughout this Proxy Statement, some additional highlights of our corporate governance policies and procedures are set forth below:

Code of Ethics. Our Code of Business Conduct and Ethics (the "Code of Ethics") applies to all of our directors, executive officers and employees. The Code of Ethics is available on our website at www.wuhangeneral.com under the heading "Investor Relations." We intend to disclose any amendments to our Code of Ethics, and any waiver from a provision of the Code of Ethics granted to our Chief Executive Officer, Chief Financial Officer or Controller, on our website within four business days following such amendment or waiver.

Executive Sessions of Independent Directors. The Board of Directors is responsible for scheduling regular executive sessions of our independent directors. At executive sessions, our independent directors meet without management or any non-independent directors present. The independent directors are responsible for establishing the agenda at executive sessions. The Board believes that executive sessions foster open and frank communication among the independent directors, which will ultimately add to the effectiveness of the Board, as a whole.

Committee Authority to Retain Independent Advisors. Each of the Audit Committee and the Compensation Committee has the authority to retain independent advisors and consultants, with all fees and expenses to be paid by Wuhan General.

Accounting Complaint Policy. The Audit Committee has established procedures for the treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for confidential and anonymous submission by our employees of concerns regarding questionable accounting, internal accounting controls or auditing matters.

No Executive Loans. We do not extend loans to executive officers or directors, and we have no such loans outstanding.

Policy for Director Attendance at Annual Meetings. It is the policy of Wuhan General and our Board of Directors that all directors attend the Annual Meeting of Stockholders and be available for questions from stockholders, except in the case of unavoidable conflicts. Wuhan General did not hold an Annual Meeting of Stockholders in 2008.

Process for Security Holders to Send Communications to the Board. We encourage security holder communication with the Board of Directors. Any security holder who wishes to communicate with the Board or with any particular director, including any independent director, may send a letter to the Secretary of Wuhan General at our principal executive offices. Any communication should indicate that you are a Wuhan General security holder and clearly specify whether it is intended to be made to the entire Board or to one or more particular director(s).

Policy for Consideration of Director Candidates Recommended by Security Holders. We welcome recommendations for director candidates from security holders. In order to make a recommendation, a security holder should submit the following information to the Board of Directors:

- a resume for the candidate detailing the candidate's work experience and academic credentials;
- written confirmation from the candidate that he or she (1) would like to be considered as a candidate and would serve if nominated and elected, (2) consents to the disclosure of his or her name, (3) has read our Code of Ethics and that during the prior three years has not engaged in any conduct that, had he or she been a director, would have violated the Code of Ethics or required a waiver, (4) is, or is not, "independent" as that term is defined by Nasdaq and SEC rules, and (5) has no plans to change or influence the control of Wuhan General;
- the name of the recommending stockholder as it appears in our books, the number of shares of Common Stock that is owned by the stockholder and written confirmation that the stockholder consents to the disclosure of his or her name (if the recommending person is not a stockholder of record, he or she should provide proof of share ownership);
- personal and professional references, including contact information; and
- any other information relating to the candidate required to be disclosed in a proxy statement for election of directors under Regulation 14A of the Securities Exchange Act of 1934, as amended.

This information should be sent to the Board of Directors, c/o Xu Jie, Secretary at our principal executive offices, who will forward it to the Board of Directors. The committee does not necessarily respond to security holder recommendations.

Report of Audit Committee

Notwithstanding anything to the contrary set forth in any of Wuhan General's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate by reference this Proxy Statement, in whole or in part, the following report shall not be incorporated by reference into any such filings.

The Audit Committee of the Board of Directors is composed of three directors and operates under a written charter adopted by the Board of Directors, a copy of which is available on our website at www.wuhangeneral.com under the heading "Investor Relations." The members of the committee meet the independence requirements of SEC rules and Nasdaq listing standards.

Management is responsible for Wuhan General's internal controls, financial reporting process and compliance with laws, regulations and ethical business standards. The independent auditors are responsible for performing an independent audit of Wuhan General's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to report its findings to the Board of Directors. The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the committee certify that the independent auditor is "independent" under applicable rules. The committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the committee's members in business, financial and accounting matters.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that Wuhan General's audited consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications).

Wuhan General's independent auditors also provided to the Audit Committee the written disclosures and letter required by applicable requirements of the Public Company Accounting Oversight Board, and the Audit Committee discussed with the independent auditors that firm's independence.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representation of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in Wuhan General's Annual Report on Form 10-K for the year ended December 31, 2008, filed with the SEC.

Auditor Fees

The Audit Committee has selected Samuel H. Wong & Co., LLP ("SHW") to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2009. We first engaged SHW in March 2007, and it has served as our principal accounting firm since that time. The amounts shown below for 2007 do not include any fees prior to March of that year. A representative of SHW is expected to be present at the 2009 Annual Meeting of Stockholders and will be available to respond to appropriate questions. The representative also will have an opportunity to make a statement if he or she desires to do so. Approval of our accounting firm is not a matter required to be submitted to the stockholders.

Audit Fees. The aggregate fees billed by SHW for professional services rendered for the audit of our annual financial statements included in our Annual Report on Form 10-K and the reviews of the financial statements included in our quarterly reports on Form 10-Q totaled \$145,000 for the fiscal year ended December 31, 2008 and \$160,000 for the fiscal year ended December 31, 2007.

Audit-Related Fees. The aggregate fees billed by SHW related to assurance and similar services totaled \$7,343 for the fiscal year ended December 31, 2008 and \$20,980 for the fiscal year ended December 31, 2007. These fees were principally related to various reimbursable expenses such as travel and telephone costs.

Tax Fees. The aggregate fees billed by SHW for professional services rendered for tax compliance, tax advice or tax planning totaled \$0 for the fiscal year ended December 31, 2008 and \$0 for the fiscal year ended December 31, 2007.

All Other Fees. The aggregate of all other fees for services provided by SHW were \$0 for the fiscal year ended December 31, 2008 and \$0 for the fiscal year ended December 31, 2007.

The Audit Committee Charter provides that the Audit Committee has sole authority and responsibility to approve in advance the retention of independent auditors for the performance of all audit and lawfully permitted non-audit services and the fees paid for such services. Pre-approval of non-audit services is not required if it falls within an exception established by the SEC. The policy authorizes the committee to delegate to one or more of its members pre-approval authority with respect to permitted services.

Stock Option Plan

On November 30, 2007, our Board of Directors adopted the Wuhan General Group (China), Inc. 2007 Stock Option Plan, which we refer to as the “2007 Plan.” The 2007 Plan, which became effective on November 30, 2007, is intended to assist us in recruiting and retaining individuals with ability and initiative by enabling such persons to participate in our future success by aligning their interests with those of the Company and its stockholders. The 2007 Plan provides that the maximum number of shares of the Company’s common stock that may be issued under the 2007 Plan is 3,000,000 shares. The 2007 Plan will expire on November 30, 2017. The above description is qualified in its entirety by reference to the Wuhan General Group (China), Inc. 2007 Stock Option Plan, a copy of which was filed as Exhibit 10.1 to our 8-K filed on December 6, 2007.

No stock options or other equity compensation awards were awarded to executive officers during the fiscal years ended December 31, 2008 and 2007. Our independent directors - Messrs. Karnes, Ku and Lin - received stock options in accordance with our director compensation package, which is described under “Executive Compensation—Director Compensation.”

Director Compensation

On November 30, 2007, our Board of Directors approved a new compensation package for outside directors who are independent in accordance with the Nasdaq and SEC rules governing director independence. The compensation package, which was deemed effective January 1, 2007, provides for the following:

- Each eligible director will receive an annual \$20,000 cash retainer.
- Each eligible director residing in Wuhan, China will receive a \$1,000 fee for each board or committee meeting attended. Each eligible director who resides outside of Wuhan, China, will receive a \$1,000 fee for each board or committee meeting attended by telephone and \$5,000 for each board or committee meeting attended in person.
- Each eligible director will receive the option to purchase 20,000 shares of our common stock per year. The stock options will vest in four equal quarterly installments over one year.
- The Chairman of our Audit Committee will receive an additional annual fee of \$5,000.
- All directors will be reimbursed for out-of-pocket expenses associated with their service to the Company.

We do not currently provide our non-independent directors with any additional compensation, including grants of stock options, for their services on the Board of Directors, except for reasonable out-of-pocket expenses incurred in connection with their attendance at meetings of the Board of Directors.

The following table sets forth information concerning the compensation of our non-management directors for the year ended December 31, 2008.

Related Party Transactions

In connection with our February 2007 private placement, Wuhan General and Fame Good International Limited (“Fame Good”), the Company’s controlling stockholder, entered into a securities escrow agreement with the private placement investors in which Fame Good agreed to certain “make good” provisions. In the securities escrow agreement, the parties established a minimum performance threshold of \$22,000,000 in net income for the 12 months ended December 31, 2008. Fame Good deposited into escrow a total of 9,000,000 shares of our common stock. If we do not achieve the 2008 performance threshold, some or all of the escrowed shares will be delivered pro rata to the private placement investors, with the amount distributed dependent upon the amount by which we fail to achieve the performance threshold. If we meet or exceed the performance threshold, the escrowed shares will be returned to Fame Good. Only those private placement investors who hold Series A preferred stock at the time the escrow shares become deliverable are entitled to their pro rata portion of such escrow shares. The foregoing is only a summary of the “make good” arrangements and is qualified by the exact terms of those provisions contained in the securities escrow agreement which was filed as Exhibit 10.4 to our Form 8-K filed on February 13, 2007.

Also in connection with the private placement, we entered into a lock-up agreement with Fame Good. Under the terms of the lock-up agreement, Fame Good agreed not to sell any shares of our common stock until February 5, 2011, unless permitted by the February 2007 private placement investors. The lock-up agreement contains a limited exception for bona fide gifts.

- (1) Applicable percentage ownership is based on 25,600,133 shares of Common Stock outstanding as of April 28, 2009. Beneficial ownership is determined in accordance with the rules of the SEC and generally includes voting or investment power with respect to securities. Shares of Common Stock that are currently issuable upon conversion or exercisable within 60 days of April 28, 2009, are deemed to be beneficially owned by the person holding such convertible securities or warrants for the purpose of computing the percentage of ownership of such person, but are not treated as outstanding for the purpose of computing the percentage ownership of any other person.
- (2) These holders received shares of our Series A Convertible Preferred Stock and Series A, Series B and Series J Warrants to purchase shares of our Common Stock in a private placement transaction on February 7, 2007. In addition, we issued Series B Convertible Preferred Stock to certain of these holders in connection with the exercise of Series J Warrants, which expired on November 7, 2008. Until the preferred stock is converted or the warrants exercised, these holders have only limited voting rights with respect to the preferred stock and no voting rights with respect to the warrants. Because the preferred stock and warrants are presently convertible into or exercisable for shares of Common Stock, the holders are deemed to beneficially own such shares of Common Stock. It is for this reason that the percentages shown add to more than 100%.

In addition, Vision holds Series A and B Warrants, which entitle it to purchase 1,931,330 and 1,802,575 shares of our Common Stock, respectively. The preferred stock and warrants are not convertible or exercisable, however, to the extent that the number of shares of Common Stock to be issued pursuant to such conversion or exercise would exceed, when aggregated with all other shares of Common Stock owned by Vision at such time, the number of shares of Common Stock which would result in Vision beneficially owning in excess of 9.9% of the then issued and outstanding shares of our Common Stock. Vision may waive this ownership cap on 61 days' prior notice to us. As a result of this ownership cap, Vision beneficially owns 2,541,969 shares of our Common Stock. If Vision waived this ownership cap, it would beneficially own 11,174,966 shares of our Common Stock or approximately 43.7% of our outstanding Common Stock.
