Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On September 4, 2009, the Board of Directors of Sanswire Corp. (the "Company"), in consultation with its independent accounting firm, determined that the Company will restate its financial statements for the years ended 2007 and 2008, as reported on Form 10-K for the year ended December 31, 2008 and for the corresponding interim periods in fiscal 2008 and the first fiscal quarter of 2009 for which the Company filed reports on Form 10-Q.

The Company reviewed its previously filed financials and determined that certain of its convertible debentures and warrants should have been treated as derivatives pursuant to EITF 00-19. The Company did treat these instruments as derivatives in 2009 pursuant to EITF 07-05, which the Company adopted in 2009. These are non-cash adjustments.

Accordingly, the Company's prior financial statements for such periods should no longer be relied upon.
