Through joint venture partnerships, we operate four LNG carriers and, beginning in 2010, two Floating Storage and Offloading service vessels. Dedicated chartering and commercial personnel manage specific fleets while our technical ship management operations and corporate departments support our global operations.

We were incorporated in the State of Delaware in July, 1969. Our headquarters are located at 666 Third Avenue, New York, NY 10017, and our phone number is (212) 953-4100. DIVIDEND POLICY

In June 2008, we increased our annual dividend by 40% to \$1.75 per share from \$1.25 per share of common stock. Subsequent thereto, we paid six regular quarterly dividends of \$0.4375 per share of common stock. Prior to the above change, we paid regular quarterly dividends of \$0.3125 per share of common stock subsequent to June 2007, regular quarterly dividends of \$0.25 per share of common stock between April 2006 and June 2007 and \$0.175 per share of common stock prior to April 2006.

On February 5, 2010, our board of directors declared a quarterly dividend of \$0.4375 per share, the same dividend we paid in the previous six quarters. The dividend is payable March 9, 2010 to stockholders of record on February 25, 2010.

The payment of cash dividends in the future will depend upon our operating results, cash flow, working capital requirements and other factors deemed pertinent by the our board of directors.

RISK FACTORS

Investing in securities involves a risk of loss. Before investing in our securities, you should carefully consider the risk factors described in “Risk Factors” in our Annual Report on Form 10-K filed with the SEC for the fiscal year ended December 31, 2009 and subsequent filings containing updated disclosures of such factors, together with all of the other information included in this prospectus and any prospectus supplement and the other information that we have incorporated by reference. These risks are not the only ones facing us. Additional risks not currently known to us or that we currently deem immaterial also may impair or harm our business and financial results. Statements in or portions of a future document incorporated by reference in this prospectus, including, without limitation, those relating to risk factors, may update and supersede statements in and portions of this prospectus or such incorporated documents.

USE OF PROCEEDS

Except as otherwise described in the applicable prospectus supplement, we intend to use the net proceeds from the sale of the securities offered by this prospectus for general corporate purposes, including, without limitation, capital expenditures and working capital. We may use a portion of the net proceeds from an offering to pay down certain of our existing debt, including our revolving credit facility. We have not yet determined the amount of net proceeds, if any, to be used for such purpose. The prospectus supplement relating to an offering may contain a more detailed description of the use of proceeds.

DESCRIPTION OF COMMON STOCK

The following description of our common stock is only a summary of the detailed provisions of our certificate of incorporation, as amended (the "Certificate of Incorporation"), and by-laws, as amended (the "By-Laws"). These statements do not purport to be complete, or to give full effect to the provisions of statutory or common law, and are subject to, and are qualified in their entirety by reference to, the terms of the Certificate of Incorporation and the By-Laws. The Certificate of Incorporation was filed as Exhibit 3(i) to our Quarterly Report on Form 10-Q for the quarter ended June 30, 2006 and the By-Laws were filed as Exhibit 3.1 to the Current Report on Form 8-K dated April 12, 2006. We encourage you to read our Certificate of Incorporation and By-Laws which have been filed with the SEC and are incorporated by reference into this prospectus for a more complete description.

General

Our Certificate of Incorporation authorizes the issuance of a total of 120,000,000 shares of common stock, \$1.00 par value. At March 1, 2010, 26,903,262 shares of common stock were outstanding. Stock certificates for our common stock are issuable in two series, designated respectively Domestic Share Certificates and Foreign Share Certificates. Except as stated below under "Qualifications for Ownership and Transfer of Shares," the rights of the holders of Domestic Share Certificates and Foreign Share Certificates are identical in all respects.

Qualifications for Ownership and Transfer of Shares

Our By-Laws provide that the outstanding shares must at all times be owned by citizens of the United States to such extent as will in the judgment of the Board of Directors reasonably assure the preservation of our status as a United States citizen within the provisions of 46 U.S.C §50501, the Shipping Act, and related laws, rules and regulations applicable to the business we conduct. Since some of our vessels are engaged in the United States coastwise trade, the Shipping Act requires that at least 75% of the shares be owned by United States citizens, as defined by the Shipping Act. In order to provide a reasonable margin the Board of Directors has determined that until further action by the Board at least 77% of the outstanding shares must be owned by persons who are citizens of the United States. Shares owned of record or beneficially by foreign citizens are evidenced by Foreign Share Certificates and are freely transferable both to United States and foreign citizens. Shares owned of record and beneficially by United States citizens are evidenced by Domestic Share Certificates and may be transferred to United States citizens at any time. Such shares may be transferred to foreign citizens only if at the time the certificate is presented to our transfer agent, the transfer will not reduce share holdings of United States citizens below the then permissible percentage of the total outstanding shares, as determined by the Board of Directors. Any purported transfer to foreign citizens of shares or of a beneficial interest in shares evidenced by Domestic Share Certificates in violation of this limitation will be ineffective for all purposes (including transfer of voting rights), the shares will not be transferred on our books, and we may regard the share certificate, whether or not validly issued, as having been invalidly issued. Subject to the above limitation, upon surrender of any share certificate for transfer, the transferee will receive Domestic Share Certificates or Foreign Share Certificates, as the case may be, for shares of the series appropriate to such person.

In the case of transferees that are corporations, partnerships, associations or trusts, the transferee will be deemed a citizen of the United States if the following conditions are satisfied: (1) at least 75% of the shares or interest and voting power in the transferee is vested in United States citizens, free from any trust or fiduciary obligation in favor of any non-United States citizen; (2) there is no contract or understanding by which more than 25% of the voting power in the transferee may be exercised directly or indirectly on behalf of a non-United States citizen; (3) control of more than 25% of the interests in the transferee is not by any other means conferred on or permitted to be exercised by non-United States citizens; (4) in the case of a corporation or association, its chief executive officer, by whatever title, and the chairman of the Board of Directors (or any officer authorized to act in his absence) are citizens of the United States, no more of its directors than a minority of the number necessary to constitute a quorum are non-United States citizens, and the corporation is organized under the laws of the United States or a State; (5) in the case of a partnership or association, each general partner or member, as the case may be, is a United States citizen, at least 75% (100% in the case of a general partnership or association) of the interests are owned by United States citizens free of any trust or fiduciary obligation in favor of a non-citizen and the partnership or association is organized under the laws of the United States or a State; and (6) in the case of a trust, the trustee and each beneficiary with an enforceable interest in the trust is a United States citizen.

Shares represented by both Domestic Share Certificates and Foreign Share Certificates are traded on the New York Stock Exchange at the same price.

Should the percentage of foreign ownership more closely approach the permitted maximum, the New York Stock Exchange may institute trading on a dual basis, depending on the circumstances at the time.

Transfer Procedures

The Board of Directors is authorized to establish procedures with respect to the transfer of shares to enforce the limitations referred to above. Procedures established by the Board of Directors require that, in connection with each transfer of shares, the transferee complete and file with our transfer agent an application for transfer of the shares. Such application calls for information about the transferee's citizenship status and the citizenship status of any person who may have a beneficial interest in the shares being acquired by the transferee. Such an application for transfer must also be completed by each person who purchases shares from any of the Underwriters.

Voting Rights

Each holder of common stock is entitled to one vote for each share registered in such holder's name on our books on all matters submitted to a vote of stockholders. Except as otherwise provided by law, the holders of common stock do not have cumulative voting rights. As a result, the holders of common Stock entitled to exercise more than 50% of the voting rights in an election of directors can elect 100% of the directors to be elected if they choose to do so. In such event, the holders of the remaining common stock voting for the election of directors will not be able to elect any persons to the Board of Directors.

Dividend Rights

Holders of common stock are entitled to such dividends as the Board of Directors may declare out of funds legally available therefore. Certain of our debt agreements contain restrictions on certain payments by us including dividends and purchases of common stock.

Delaware General Corporation Law Section 203

As a corporation organized under the laws of the State of Delaware, we are subject to Section 203 of the Delaware General Corporation Law (the "DGCL") which restricts certain business combinations between us and an "interested stockholder" (in general, a stockholder owning 15% or more of our outstanding voting stock) or its affiliates or associates for a period of three years following the date on which the stockholder becomes an "interested stockholder." The restrictions do not apply if (i) prior to an interested stockholder becoming such, the Board of Directors approves either the business combination or the transaction in which the stockholder becomes an interested stockholder, (ii) upon consummation of the transaction in which any person becomes an interested stockholder, such interested stockholder owns at least 85% of our voting stock outstanding at the time the transaction commences (excluding shares owned by certain employee stock ownership plans and persons who are both directors and officers of us) or (iii) on or subsequent to the date an interested stockholder becomes such, the business combination is both approved by the Board of Directors and authorized at an annual or special meeting of our stockholders, not by written consent, by the affirmative vote of at least 66-2/3% of the outstanding voting stock not owned by the interested stockholder.

Liquidation Rights and Other Preferences

Subject to the prior rights of creditors, the holders of the common stock are entitled in the event of liquidation, dissolution or winding up to share pro rata in the distribution of all remaining assets. There are no preemptive or conversion rights or redemption or sinking fund provisions in respect of the common stock. The outstanding shares of common stock are, and the shares of common stock offered hereby upon delivery and payment will be, fully paid and non-assessable.

Our Certificate of Incorporation provides that none of our directors shall be personally liable to us or our shareholders for monetary damages for breach of fiduciary duty as a director, except to the extent the exemption from or limitation of liability is not permitted under the DGCL. The DGCL presently does not permit exemption from or limitation of liability (i) for any breach of the director's duty of loyalty to us or our shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL or (iv) for any transaction from which the director derived an improper personal benefit. Section 174 of the DGCL specifies conditions under which directors of Delaware corporations may be liable for unlawful dividends or unlawful stock purchases or redemptions.

Transfer Agent and Registrar

The Transfer Agent and Registrar for the common stock is BNY Mellon Shareholder Services.

PLAN OF DISTRIBUTION

We may sell the offered securities in and outside the United States (1) through underwriters or dealers, (2) directly to purchasers or a single purchaser, (3) through agents or (4) through a combination of any of these methods. The prospectus supplement will include the following information:

- the terms of the offering;
- the names of any underwriters or agents;
- the name or names of any managing underwriter or underwriters;
- the purchase price of the securities from us;
- the net proceeds to us from the sale of the securities;
- any delayed delivery arrangements;
- any underwriting discounts, commissions and other items constituting underwriters' compensation;
- any initial public offering price;
- any discounts or concessions allowed or reallocated or paid to dealers; and
- any commissions paid to agents.

Sale Through Underwriters or Dealers

If we use underwriters in the sale, the underwriters will acquire the securities for their own account. The underwriters may resell the securities from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. Underwriters may offer securities to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more firms acting as underwriters. If indicated in a prospectus supplement, the obligations of the underwriters to purchase the securities will be subject to certain conditions and the underwriters will be obligated to purchase all the offered securities if they purchase any of them. The underwriters may change from time to time any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers. Prospectus supplements relating to underwritten offerings of securities will also describe: (1) the discounts, commissions or agents' fees to be allowed or paid to the underwriters or agents, as the case may be; (2) all other items constituting underwriting compensation; (3) the discounts and commissions to be allowed or paid to dealers, if any; and (4) the exchanges, if any, on which the securities will be listed.

During and after an offering through underwriters, the underwriters may purchase and sell the securities in the open market. These transactions may include overallotment and stabilizing transactions and purchases to cover syndicate short positions created in connection with the offering. The underwriters may also impose a penalty bid, which means that selling concessions allowed to syndicate members or other broker-dealers for the offered securities sold for their account may be reclaimed by the syndicate if the offered securities are repurchased by the syndicate in stabilizing or covering transactions. These activities may stabilize, maintain or otherwise affect the market price of the offered securities, which may be higher than the price that might otherwise prevail in the open market. If commenced, the underwriters may discontinue these activities at any time.

If we use dealers in the sale of securities, we will sell the securities to them as principals. They may then resell those securities to the public at varying prices determined by the dealers at the time of resale. The dealers participating in any sale of the securities may be deemed to be underwriters within the meaning of the Securities Act, with respect to any sale of those securities. We will include in the prospectus supplement the names of the dealers and the terms of the transaction.

Direct Sales and Sales Through Agents

We may sell the securities directly. In that event, no underwriters or agents would be involved. We may also sell the securities through agents we designate from time to time. In the prospectus supplement, we will name any agent involved in the offer or sale of the offered securities, and we will describe any commissions payable by us to the agent. Unless we inform you otherwise in the prospectus supplement, any agent will agree to use its reasonable best efforts to solicit purchases for the period of its appointment.

General Information

We may have agreements with the remarketing firms, agents, dealers and underwriters to indemnify them against certain civil liabilities, including liabilities under the Securities Act, or to contribute with respect to payments that the agents, dealers or underwriters may be required to make. Such firms, agents, dealers and underwriters may be customers of, engage in transactions with or perform services for us in the ordinary course of their businesses.

LEGAL MATTERS

The validity of the securities offered hereby has been passed upon for us by Proskauer Rose LLP in New York, New York. Any underwriters will be advised about issues related to any offering by their own legal counsel.

The foregoing sets forth the general categories of expenses (other than underwriting discounts and commissions) that we anticipate we will incur in connection with the offering of securities under this registration statement. An estimate of the aggregate expenses in connection with the issuance and distribution of securities being offered will be included in the applicable prospectus supplement.

Item 15. Indemnification of Directors and Officers.

We are incorporated in Delaware. Under Section 145 of the Delaware General Corporation Law, or the DGCL, a corporation has the power, under specified circumstances, to indemnify its directors, officers, employees and agents in connection with actions, suits or proceedings brought against them by a third party or in the right of the corporation, by reason of the fact that they were or are such directors, officers, employees or agents, against expenses incurred in any action, suit or proceeding. Article Sixth of our Certificate of Incorporation provides for indemnification of directors and officers to the fullest extent permitted by the DGCL.

Section 102(b)(7) of the DGCL provides that a certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director:

- (i) for any breach of the director's duty of loyalty to the corporation or its stockholders;
- (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

- (iii) under Section 174 (relating to liability for unauthorized acquisitions or redemptions of, or dividends on, capital stock) of the DGCL; or
- (iv) for any transactions from which the director derived an improper personal benefit.

Article Tenth of our Certificate of Incorporation contains such a provision.

We have entered into indemnification agreements with certain of our directors and officers. In addition, the employment agreements of certain of our officers provide for indemnification to such officers by us to the fullest extent permitted by its bylaws or applicable law.

We have also obtained directors and officers liability insurance policies.

Item 16. Exhibits.

The exhibit index at the end of this registration statement identifies the exhibits which are included in this registration statement and are incorporated herein by reference (the "Exhibit Index").

Item 17. Undertakings.

- (a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by section 10(a)(3) of the Securities Act;

- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That for the purpose of determining liability under the Securities Act to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), 424(b)(5), or 424(b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), 415(a)(1)(vii), or 415(a)(1)(x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of the securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities: the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby further undertakes that, for the purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the undersigned registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
