Item 1.01 Entry into a Material Definitive Agreement

As of the date of this current report on Form 8-K, Patient Safety Technologies, Inc. (the “Company”) and each of its current directors and executive officers have agreed to enter into an indemnification agreement (the “Indemnification Agreement”) effective as of June 1, 2010. It is anticipated that future directors and executive officers of the Company will enter into an indemnification agreement with the Company in substantially similar form. The Indemnification Agreement provides, among other things, that the Company will indemnify and hold harmless each person subject to an Indemnification Agreement (each, an “Indemnified Party”) to the fullest extent permitted by applicable law from and against all losses, costs, liabilities, judgments, penalties, fines, expenses and other matters that may result or arise in connection with such Indemnified Party serving in his or her capacity as a director, officer, employee, agent or fiduciary of the Company or serving at the request of the Company as a director, officer, employee, fiduciary or agent of another entity. The Indemnification Agreement further provides that, upon an Indemnified Party’s request, the Company will advance expenses to the Indemnified Party to the fullest extent permitted by applicable law. Pursuant to the Indemnification Agreement, an Indemnified Party is presumed to be entitled to indemnification and the Company has the burden of proving otherwise. The Indemnification Agreement also requires the Company to maintain in full force and effect directors’ liability insurance on the terms described in the Indemnification Agreement. If indemnification under the Indemnification Agreement is unavailable to an Indemnified Party for any reason, the Company, in lieu of indemnifying the Indemnified Party, will contribute to any amounts incurred by the Indemnified Party in connection with any claim relating to an indemnifiable event in such proportion as is deemed fair and reasonable in light of all of the circumstances to reflect the relative benefits received or relative fault of the parties in connection with such event.

The foregoing summary of the Indemnification Agreement does not purport to be complete and is qualified in its entirety by reference to the form of Indemnification Agreement attached as Exhibit 10.1 to this current report on Form 8-K and incorporated herein by reference.
