Item 1.01- Entry Into a Material Definitive Agreement.

On November 16, 2011, Park National Corporation (“Park”) and its wholly-owned subsidiary, Vision Bank, a Florida state-chartered bank (“Vision”), entered into a Purchase and Assumption Agreement (the “Purchase Agreement”) with Home BancShares, Inc. (“Home”) and its wholly-owned subsidiary, Centennial Bank, an Arkansas state-chartered bank (“Centennial”), to sell substantially all of the operating assets and liabilities associated with Vision to Centennial for a purchase price of \$27.9 million. The Purchase Agreement, which was approved by the Board of Directors of each of Park, Vision, Home and Centennial, is included as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference. The following description of the material terms of the Purchase Agreement is qualified in its entirety by reference to the full text of the Purchase Agreement.

Under the terms of the Purchase Agreement, Centennial will purchase the real estate and other assets described in the Purchase Agreement which are used in and/or relate to the business conducted by Vision at its eight offices in Baldwin County, Alabama and nine offices in the Florida panhandle counties of Bay, Gulf, Okaloosa, Santa Rosa and Walton. In addition to the real estate owned by Vision, Centennial will acquire the fixed assets located within the Vision offices, the safe deposit business conducted at the Vision offices, cash on hand, prepaid expenses and Vision’s rights under contracts related to the Vision offices. Centennial will assume Vision’s obligations relating to substantially all of Vision’s deposit accounts, which had a balance of \$535 million as of October 31, 2011. In addition, Centennial will assume the liabilities and obligations of Vision with respect to the safe deposit business, the assumed contracts, third-party leases for the real estate leased by Vision and equipment and operating leases related to the Vision offices.

Centennial will purchase performing loans, which had an unpaid principal balance of \$378.6 million as of October 31, 2011. The loans being acquired by Centennial will be sold by Vision at an aggregate discount of \$13.1 million. Vision will retain non-performing loans, which had a book balance as of October 31, 2011, of \$100.8 million and a specific loan loss reserve of \$14.3 million (\$86.5 million carrying amount net of the specific reserve) and an additional \$56.5 million of loans, which Centennial did not wish to purchase as a result of their credit due diligence. This group of loans consists of approximately \$12.7 million which were “Pass” rated and another \$43.8 million that were considered to be “criticized” credits, as of October 31, 2011, under Park’s commercial loan classification process.

The Purchase Agreement also includes a put option, whereby Centennial will be entitled to put back to Vision up to \$7.5 million in the aggregate of purchased loans for a period of up to six months after the closing date.

Centennial and Home have provided Vision and Park with a \$3.0 million good faith deposit. In turn, Vision and Park have agreed that prior to the closing of the transactions contemplated by the Purchase Agreement, they will not enter into any contract, agreement or understanding providing for the sale, transfer or assignment to any third party of any assets or liabilities which are the subject of the Purchase Agreement without the prior written consent of Centennial and Home.

The closing of the transactions contemplated by the Purchase Agreement is expected to occur in early 2012 and is subject to the satisfaction of the customary conditions in the Purchase Agreement and the approval of appropriate regulatory authorities.

#### Cautionary Statement

The Purchase Agreement, which has been included to provide investors with information regarding its terms, contains representations and warranties of each of the parties thereto. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties delivered in connection with the execution of the Purchase Agreement. In addition, certain representations and warranties were made as of a specific date, may be subject to a contractual standard of materiality different from those generally applicable to shareholders, or may have been used for purposes of allocating risk between the respective parties rather than establishing matters as facts. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts, or for any other purpose, at the time they were made or otherwise.

#### Item 7.01 – Regulation FD Disclosure

The transactions contemplated by the Purchase Agreement are expected to result in a pre-tax gain to Park of approximately \$10 to \$12 million. The following table summarizes the historical performance of Vision Bank for the nine months ended September 30, 2011 and the previous three fiscal years:

#### Vision Bank – Summary Statement of Operations

(in thousands)	Nine Months Ended September 30,		Year Ended December 31,	
	2011	2010	2009	2008
Net interest income	\$ 20,248	\$27,867	\$25,634	\$27,065
Provision for loan losses	35,400	39,229	44,430	46,963
Total other income (loss)	(4,337 )	(3,407 )	(2,047 )	3,014
Goodwill impairment	-	-	-	54,986
Gain on sale of securities	1,828	-	-	-
Total other expense	22,866	31,623	28,091	27,149
Loss before taxes	\$ (40,527 )	\$ (46,392 )	\$ (48,934 )	\$ (99,019 )
Income tax credits	(14,271 )	(17,095 )	(18,824 )	(17,832 )
Net loss	\$ (26,256 )	\$ (29,297 )	\$ (30,110 )	\$ (81,187 )

The projected results for Vision for the fourth quarter of 2011 and the years ended December 31, 2011 and 2012 (if the transactions contemplated by the Purchase Agreement were to not take place) are as follows:

## Vision Bank - Projected Operating Results

	Q4		
	2011	2011	2012
Net interest income	\$ 6,193	\$ 26,441	\$ 23,866
Provision for loan losses	6,000	41,400	13,000
Total other income (loss)	737	(3,600 )	4,662
Gain on sale of securities	-	1,828	-
Total other expense	7,558	30,424	26,416
Loss before taxes	\$ (6,628 )	\$ (47,155 )	\$ (10,888 )
Income tax credits	(2,320 )	(16,591 )	(3,811 )
Net loss	\$ (4,308 )	\$ (30,564 )	\$ (7,077 )

As demonstrated from the above tables, Vision had a net loss of \$30.1 million and \$29.3 million for 2009 and 2010, respectively, and has a projected net loss for 2011 of \$30.6 million. Park has projected net interest income for Vision of \$23.9 million for 2012 compared to projected total other expense of \$26.4 million, in each case if the transactions contemplated by the Purchase Agreement were to not take place.

Park expects that the reduction in net interest income resulting from the sale of assets from Vision to Centennial will be more than offset by the decline in provision for loan loss and operating expenses. In addition, management believes the interest income to be received from the performing loans Vision will retain will largely offset expenses expected to be incurred for servicing those loans.

This transaction is expected to result in higher pro forma capital ratios for Park as demonstrated by the following table:

As of September 30, 2011	Leverage		Tier-1		Total Risk-Based	
Reported Capital Ratios	9.73	%	14.04	%	16.52	%
Pro Forma Capital Ratios	10.68	%	15.28	%	17.84	%
Hypothetical Capital Raise	\$ 67,909		\$ 61,277		\$ 65,463	

The approximate 100 basis point increase in capital ratios is equivalent to raising over \$60 million in capital.
