Item 5.05. Amendments to the Registrant’s Code of Ethics, or Waiver of a Provision of the Code of Ethics.

On March 22, 2012, the Board of Directors of Franklin Financial Services Corporation (the “Corporation”) adopted an amended and restated Supplemental Code of Business Ethics and Conduct for Directors and Officers (the “Supplemental Code”) and a Code of Ethics Applicable to Senior Executives (the “Senior Executives Code”).

The Supplemental Code supplements the Corporation’s Code of Business Ethics and Conduct applicable to all employees, officers and directors of the Corporation by providing for annual disclosures by executive officers and directors of related interests of such persons that could present a conflict of interest for such persons if the Corporation would do business with a related interest. The amendments to the Supplemental Code adopted by the Board of Directors are intended to clarify the related interests that executive officers and directors are intended to disclose.

The Senior Executives Code also supplements the Code of Business Ethics and Conduct applicable to all employees, officers and directors by requiring the chief executive officer, chief financial officer, principal accounting officer, controller or other positions performing similar functions to assure full, fair, accurate, timely and understandable disclosure in reports and documents the Corporation files with or submits to the Securities and Exchange Commission, as required by the Sarbanes-Oxley Act, and in all other regulatory filings and communications with the Corporation’s stockholders or the general public. The Senior Executives Code breaks out as to such officers and with more specificity the general policy with respect to such matters applicable to all employees, officers and directors set forth in the Code of Business Ethics and Conduct.

The Supplemental Code and the Senior Executives Code are attached to this report as Exhibits 14.1 and 14.2.
