An URGENT MESSAGE from

The Concerned Shareholders of HealthWarehouse.com:

HELP US SAVE OUR COMPANY!

HELP US STOP THE IMPROPER DEALINGS!

Who allows a company to lend an employee and son of a large shareholder almost FOUR HUNDRED THOUSAND DOLLARS (\$400,000.00)? Who allows a company to lend this kind of money TO AN INSIDER when it is borrowing THREE MILLION DOLLARS (\$3,000,000.00) so it can continue its operations? **Who was asleep as these loans were approved? *The Current Board of Directors!!***

VOTE TO REPLACE THEM!

VOTE THE GOLD CARD!

HELP US STOP THE CORPORATE WASTE!

The media reported that the Current Board of Directors allowed a convicted felon to charge TWENTY FIVE THOUSAND DOLLARS (\$25,000.00) to Company credit cards!

The Company's SEC filings state that the Company paid for credit cards used by *the convicted felon's wife!* And all of this happened while the Company's outside auditor stated that they were unable to complete an audit and deliver financial reports to the shareholders.

Who is enabling this waste? Who authorizes these payments when the Company needs to borrow large sums just to remain in business? ***The Current Board of Directors!!***

VOTE TO REPLACE THEM!

VOTE THE GOLD CARD!

HELP US STOP SHAREHOLDER ABUSE!

Who allows a company to delay its SEC filing obligations?

How does a company not hold shareholder meetings for five years in a row – and then only after a lawsuit was filed by the Concerned Shareholders? Who allows a company to pay a Director almost ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) to lead an internal investigation? *The Current Board of Directors!!*

VOTE TO REPLACE THEM!

VOTE THE GOLD CARD!

It is obvious from the Company's filings and media reports that the Current Board of Directors has not been protecting their shareholders or overseeing management.

The question all of us should be asking is:

What else don't we know about this Board and the Company's Management?

A CHANGE IS NEEDED!

We know this Board and Management have eroded shareholder value. It has wasted corporate assets. Michael Peppel, apparently a key advisor to current management, has been CONVICTED AND SENTENCED to two years in jail, beginning NOW. The media reports that one of the reasons for his INCREASED SENTENCE is due to his IMPROPER DEALINGS WITH THE COMPANY!
