**Item 1.01. Entry into a Material Definitive Agreement.**

On September 30, 2013, Harris & Harris Group, Inc. (the “Company”) entered into a \$20,000,000 Multi-Draw Term Loan Facility Credit Agreement, by and among the Company, as borrower, Orix Corporate Capital, Inc., as administrative agent and the other lenders party thereto from time to time, which provides for a multi-draw credit facility (the “Loan Facility”) that may be used by the Company to fund investments in portfolio companies. The Loan Facility replaces the Company’s current credit facility with TD Bank, NA, as discussed in more detail below. The Loan Facility, among other things, matures on September 30, 2017, and bears interest at 10% per annum in cash. The Company has the option to have interest accrue at a rate of 13.5% per annum if the Company decides not to pay interest in cash when due. The Company currently plans to pay interest in cash if and when any borrowings are outstanding. The Loan Facility also requires payment of a draw fee on each borrowing equal to 1.0% of such borrowing and an unused commitment fee of 1.0% per annum. Interest and fee payments under the Loan Facility are made quarterly in arrears. The Company may prepay the loans or reduce the aggregate commitments under the Loan Facility at any time prior to the maturity date, as long as certain conditions are met, including payment of required prepayment or termination fees. The Loan Facility is secured by all of the assets of the Company and its wholly owned subsidiaries, subject to certain customary exclusions. The Loan Facility contains certain affirmative and negative covenants, including without limitation: (a) maintenance of certain minimum liquidity requirements; (b) maintenance of an eligible asset leverage ratio of not less than 4.0:1.0; (c) limitations on liens; (d) limitations on the incurrence of additional indebtedness; and (e) limitations on structural changes, mergers and disposition of assets (other than in the normal course of our business activities). There were no borrowings at closing.

The description above is only a summary of the material provisions of the Loan Facility, does not purport to be complete, and is qualified in its entirety by reference to the provisions in such Loan Facility, which is attached hereto as Exhibit 10.1.

**Item 1.02. Termination of a Material Definitive Agreement.**

On September 30, 2013, the Company terminated the Revolving Loan Agreement by and between the Company and TD Bank, N.A., dated February 24, 2011, as amended, its existing \$10 million three-year revolving credit facility (the “Prior Credit Facility”), a copy of which was filed as Exhibit 10.1 to the Company’s Form 8-K dated February 24, 2011. As of September 30, 2013, there was no principal outstanding under the Prior Credit Facility and no termination fees were incurred in connection with terminating the Prior Credit Facility.
