The common stock of Kraton Performance Polymers, Inc. (“Kraton”) is listed for trading on the New York Stock Exchange (“NYSE”). Section 303A.07(a) of the NYSE Listed Company Manual provides that if an audit committee member simultaneously serves on the audit committees of more than three public companies, the board of directors of the listed company must determine that such simultaneous service would not impair the ability of such member to effectively serve on the listed company’s audit committee and must disclose such determination either on the listed company’s website or in its proxy statement for its annual meeting of stockholders. Mr. Francis S. Kalman, a director of Kraton who serves on the Kraton audit committee, is a director and serves on the audit committees of CHC Group Ltd., Ensco plc, and Weatherford International, Inc. The Kraton board of directors affirmatively determined that such simultaneous service on the audit committees of more than three public companies would not impair the ability of Mr. Kalman to continue to serve on the Kraton audit committee. Please see “Director Biographies,” which is located in the Board of Directors subsection in the *Our Company* section on Kraton’s website, [www.kraton.com](http://www.kraton.com) for a brief biography of Mr. Kalman.
