### **Item 8.01 Other Events.**

On August 9, 2016, Repros Therapeutics Inc. (the “Company”) entered into an equity distribution agreement (the “Agreement”) with Ladenburg Thalmann & Co. Inc. (the “Agent”), under which the Company may, from time to time, offer and sell shares of the Company’s common stock, par value \$0.001 per share (the “Common Stock”), having an aggregate offering price of up to \$10,000,000 (the “Shares”) through an “at the market” equity offering program.

The Company may sell the Shares in amounts and at times to be determined by the Company from time to time, although the Company has no obligation to sell any of the Shares. Sales of the Shares, if any, made through the Agent, as sales agent, may be made from time to time directly on or through the Nasdaq Capital Market, on any other existing trading market for the Common Stock, to or through a market maker other than on an exchange or otherwise, in negotiated transactions at market prices prevailing at the time of sale or at prices related to such prevailing market prices, and/or in any other method permitted by law. The Agent will act as sales agent on a commercially reasonable efforts basis consistent with its normal trading and sales practices. There is no arrangement for funds to be received in any escrow, trust or similar arrangement. The Company will pay compensation to the Agent at a fixed commission rate equal to three percent (3.0%) of the gross proceeds per share of all shares sold through such Agent under the Agreement. The Company or the Agent may at any time suspend the offering or terminate the Agreement pursuant to the terms thereof.

The Company intends to use the net proceeds from sales of the Shares for general corporate purposes, including for research and development, sales and marketing initiatives, general and administrative expenses, working capital and capital expenditures.

The Shares will be issued pursuant to the Company’s shelf registration statement on Form S-3 (File No. 333-197253), first filed with the Securities and Exchange Commission (the “Commission”) on July 3, 2014, and amended thereafter, including by Post-Effective Amendment No. 1 thereto filed with the Commission on June 14, 2016, and a prospectus supplement, dated August 9, 2016, filed with the Commission pursuant to Rule 424(b) under the Securities Act of 1933, as amended. This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

The Agreement is filed as Exhibit 1.1 to this Current Report. The description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement filed as an exhibit hereto and incorporated by reference herein.
