March 16, 2017

Dear Shareholder:

You are cordially invited to attend the 2017 Annual Meeting of Shareholders (the “Annual Meeting”) of Banco Latinoamericano de Comercio Exterior, S.A. (hereinafter called the “Bank”) to be held at the Hilton Panama Hotel, Avenida Balboa and Calle Aquilino de la Guardia, Panama City, Republic of Panama, on Wednesday, April 19, 2017, at 10:30 a.m. (Panama time).

At the Annual Meeting, the holders of the shares of all classes of the Bank’s common stock will be asked to vote:

- 1) to approve the Bank’s audited consolidated financial statements for the fiscal year ended December 31, 2016 (Proposal 1);
- 2) to ratify Deloitte (“Deloitte”) as the Bank’s independent registered public accounting firm for the fiscal year ending December 31, 2017 (Proposal 2);
- 3) to elect three directors, two directors to represent the holders of the Class A shares of the Bank’s common stock (“Class A Directors”) and one director to represent the holders of the Class E shares of the Bank’s common stock (“Class E Director”), each to serve a three-year term (Proposal 3);
- 4) to approve, on a non-binding advisory basis, the compensation of the Bank’s executive officers (Proposal 4);
- 5) to hold a non-binding advisory vote on whether an advisory vote on executive compensation should be held every one, two or three years (Proposal 5); and

- 6) to transact such other business as may properly come before the Annual Meeting.

Proposals 1, 2, 3, 4 and 5 are more fully described in the attached Proxy Statement. Also attached are a Notice of the Annual Meeting and a proxy card. Copies of the Bank's 2016 Annual Report, which includes its audited consolidated financial statements for the fiscal year ended December 31, 2016, may be obtained by writing to Mr. Christopher Schech at Torre V, Business Park, Avenida La Rotonda, Urb. Costa del Este, P.O. Box 0819-08730, Panama City, Republic of Panama, or by visiting the "Investor Relations" section of the Bank's website at <http://www.bladex.com>.

Important notice to beneficial shareholders of Class E shares who hold their shares through a broker rather than directly in their own name: In accordance with the New York Stock Exchange ("NYSE") rules, your broker will not be able to vote your shares with respect to any non-routine matters (including the election of directors) if you have not given your broker specific instructions to do so. There are two routine matters to be voted on at the Annual Meeting: the approval of the audited consolidated financial statements for the fiscal year ended December 31, 2016 and the ratification of our independent registered public accounting firm for the fiscal year ending December 31, 2017. The election of directors, the advisory vote on executive compensation, and the advisory vote on frequency of such advisory vote on executive compensation are matters considered non-routine under applicable rules.

A broker or other nominee cannot vote without instructions on non-routine matters, and therefore broker non-votes may exist in connection with such proposals. Most of our outstanding shares are held in this manner, so it is important that you submit a vote. We strongly encourage all shareholders to vote. Please vote as soon as possible, even if you plan to attend the Annual Meeting in person.

To ensure that you are properly represented at the Annual Meeting as a shareholder, we ask that you please read and complete the enclosed materials promptly, and that you duly sign and date the proxy card with your vote. Class E Shareholders (as defined below) shall have the option to use the Internet, telephone, or mail to vote their proxy in accordance with the instructions provided in their proxy cards. Should you attend the Annual Meeting in person, you will be able to vote in person if you so desire, regardless of whether you sent a proxy card.

The Board of Directors of the Bank (the "Board") requests that you vote **FOR** the proposals as set forth in the proxy card. Your vote and support are important to the Bank.

On behalf of the Board, we thank you for your cooperation and continued support, and look forward to seeing you in Panama on Wednesday, April 19, 2017.

Sincerely,

Jorge Luis Real
Secretary

BANCO LATINOAMERICANO DE COMERCIO EXTERIOR, S.A.

The Board has fixed the close of business on March 14, 2017 as the record date for determining shareholders entitled to notice of, and to vote at, the Annual Meeting. The presence (in person or by proxy) of holders representing at least one half (1/2) of the total issued and outstanding shares of all classes of the Bank's common stock, plus one additional share of the Bank's common stock, is necessary to constitute a quorum at the Annual Meeting generally. In addition, the presence (in person or by proxy) of holders representing at least one half (1/2) of the issued and outstanding shares of each class of the Bank's common stock electing directors at the Annual Meeting, plus one additional share, of each such class is necessary to constitute a quorum at the Annual Meeting for the purpose of electing directors of such class. If a quorum is not present at the Annual Meeting scheduled to be held on Wednesday, April 19, 2017, at 10:30 a.m. (Panama time), then a second meeting will be held at 10:30 a.m. (Panama time) on Thursday, April 20, 2017, at the same location. At such second meeting, a quorum at the Annual Meeting generally will be constituted by the shareholders present (in person or by proxy) at such meeting; and for the purpose of electing directors, a quorum will be constituted by the shareholders of each separate class of shares present (in person or by proxy) at such meeting.

Class E Shareholders (as defined below) shall have the option to use the Internet, telephone or mail to vote their proxy in accordance with the instructions provided in their proxy cards. If shareholders attend the Annual Meeting, they may revoke their proxies and vote in person if they so desire, even if they have previously mailed their proxy cards.

The enclosed proxy card is being solicited by the Board. Each Proposal and the instructions for voting, in person or by proxy, are more fully described in the attached Proxy Statement.

By Order of the Board of Directors,

Jorge Luis Real
Secretary

CLASS E SHAREHOLDERS SHALL HAVE THE OPTION TO USE THE INTERNET, TELEPHONE OR MAIL TO VOTE THEIR PROXY IN ACCORDANCE WITH THE INSTRUCTIONS PROVIDED IN THEIR PROXY CARDS.

SHAREHOLDERS WHO ATTEND THE ANNUAL MEETING IN PERSON MAY REVOKE THEIR PROXIES AND VOTE IN PERSON IF THEY SO DESIRE.

BANCO LATINOAMERICANO DE COMERCIO EXTERIOR, S.A.

**PROXY STATEMENT
FOR THE 2017 ANNUAL MEETING OF SHAREHOLDERS**

TO BE HELD ON APRIL 19, 2017

This Proxy Statement is being furnished to holders of shares of common stock of Banco Latinoamericano de Comercio Exterior, S.A. (hereinafter called the “Bank”) in connection with the solicitation by the Board of Directors of the Bank (the “Board”) of proxies to be used at the 2017 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on Wednesday, April 19, 2017, at Hilton Panama Hotel, Avenida Balboa and Calle Aquilino de la Guardia, Panama City, Republic of Panama, at 10:30 a.m. (Panama time), and at any postponements or adjournments thereof. Unless the context otherwise requires, all references to the Annual Meeting in this Proxy Statement will mean the Annual Meeting and any postponements or adjournments thereof.

The Annual Meeting has been called for the following purposes:

- 1) to approve the Bank’s audited consolidated financial statements for the fiscal year ended December 31, 2016 (See Proposal 1);
- 2) to ratify Deloitte as the Bank’s independent registered public accounting firm for the fiscal year ending December 31, 2017 (See Proposal 2);
- 3) to elect three directors, two directors to represent the holders of the Class A shares of the Bank’s common stock (“Class A Directors”), and one director to represent the holders of the Class E shares of the Bank’s common stock (“Class E Director”), each to serve a three-year term (See Proposal 3);
- 4) to approve, on a non-binding advisory basis, the compensation of the Bank’s executive officers (See Proposal 4);
- 5) to hold a non-binding advisory vote on whether an advisory vote on executive compensation should be held every one, two or three years (Proposal 5); and

- 6) to transact such other business as may properly come before the Annual Meeting.

The Board recommends that all shareholders vote **FOR** each of Proposal 1 and Proposal 2. With respect to Proposal 3, the Board recommends that (i) all holders of the Class A shares (“Class A Shareholders”) vote **FOR** granting proxy holders the discretion to vote, in accordance with their best judgment, for any Class A Directors nominated at the Annual Meeting, and (ii) all holders of the Class E shares (“Class E Shareholders”) vote **FOR** Mario Covo as director to represent Class E Shareholders. With respect to Proposal 4, the Board recommends that all shareholders vote **FOR** the approval, on a non-binding advisory basis, of the compensation of the Bank’s named executive officers as disclosed in “Compensation of Executive Officers and Directors” and the related narrative disclosure included elsewhere in this Proxy Statement. With respect to Proposal 5, the Board recommends that all shareholders vote, on a non-binding advisory basis, **FOR** the option of “1 year” for future advisory votes on executive compensation. This Proxy Statement is being mailed to shareholders entitled to vote at the Annual Meeting on or about March 16, 2017. If the enclosed proxy card is properly executed and returned to the Bank in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. Class E Shareholders shall have the option to use the Internet, telephone or mail to vote their proxy in accordance with the instructions provided in their proxy cards. The presence of a shareholder at the Annual Meeting will not automatically revoke that shareholder’s proxy. Shareholders may, however, revoke a proxy at any time prior to its exercise by delivering to the Bank a duly executed proxy bearing a later date, by attending the Annual Meeting and voting in person, or by providing written notice of revocation to the Secretary of the Bank at Torre V, Business Park, Avenida La Rotonda, Urb. Costa del Este, P.O. Box 0819-08730, Panama City, Republic of Panama. Unless revoked or unless contrary instructions are given (either by vote in person or by subsequent proxy), if a proxy is duly signed, dated and returned, but has no indication of how the applicable shareholder wants to vote with respect to any of the proposals set forth in such proxy, then such proxy will be deemed to grant authorization to vote as follows: (1) **FOR** Proposal 1 to approve the Bank’s audited consolidated financial statements for the fiscal year ended December 31, 2016; (2) **FOR** Proposal 2 to ratify Deloitte as the Bank’s independent registered public accounting firm for the fiscal year ending December 31, 2017; (3) **FOR** Proposal 3 to grant proxy holders the discretion to vote, in accordance with their best judgment, to elect two directors to represent the Class A Shareholders, and to elect Mario Covo as director to represent the Class E Shareholders of the Bank’s common stock; (4) **FOR** Proposal 4 to approve, on a non-binding advisory basis, the compensation of the Bank’s named executive officers as disclosed in “Compensation of Executive Officers and Directors” and the related narrative disclosure; (5) **FOR** Proposal 5 to select the option of “1 year” for future advisory votes on executive compensation; and (6) in accordance with the best judgment of the proxy holders with respect to any other matters which may properly come before the Annual Meeting.

To reduce the expense of delivering duplicate proxy materials to our shareholders, we will be delivering only one set of proxy materials to multiple shareholders who share an address unless we receive contrary instructions from any shareholder at that address. This practice, known as “householding,” reduces duplicate mailings, saving printing and postage costs as well as natural resources. Each shareholder retains a separate right to vote on all matters presented at the Annual Meeting. If such a shareholder wishes to receive a separate set of proxy materials, the additional copy can be requested by contacting the Secretary of the Bank at Torre V, Business Park, Avenida La Rotonda, Urbanización Costa del Este, P.O. Box 0819-08730, Panama City, Republic of Panama. A separate set of proxy materials will be sent promptly following receipt of the request. If such shareholder wishes to receive a separate set of proxy materials in the future, the request may be made at the same address provided above.

Solicitation

The cost of soliciting proxies will be borne by the Bank. In addition to the solicitation of proxies by mail, the Bank, through its directors, officers and other employees, may solicit proxies in person or by telephone, fax or e-mail. The Bank will also request persons, firms and corporations holding shares in their names or in the names of nominees, which are beneficially owned by others, to send the proxy material to, and obtain proxies from, such beneficial owners, and will reimburse such holders for their reasonable expenses in doing so. The Bank may engage a proxy soliciting firm to assist in the solicitation of proxies. The cost of the services provided by such firm is not expected to exceed \$9,000, plus out-of-pocket expenses.

Voting, Outstanding Shares and Quorum

The Board of Directors established March 14, 2017 as our record date. Therefore, only shareholders of record of our common stock at the close of business on March 14, 2017 (the “Record Date”), may vote, either in person or by proxy, at the Annual Meeting. The shares of the Bank that entitle the holders of such shares to vote at the Annual Meeting consist of the Class A shares, Class B shares, and Class E shares, with each share entitling its owner to one vote per share at meetings of the shareholders of the Bank, except with respect to the election of directors.

For the election of directors, the votes of the holders of each class of shares of the Bank's common stock will be counted separately as a class to elect the director(s) that represent such class. The holders of each class of common stock have cumulative voting rights with respect to the election of directors, which means that the shareholders of each class have a number of votes equal to the number of shares of such class held by each shareholder, multiplied by the number of directors to be elected by such class. A shareholder can cast all of its votes in favor of one candidate, or distribute them among the directors to be elected, as the shareholder may decide. The candidates who receive the most favorable votes are elected as directors.

The presence (in person or by proxy) of the holders of at least one half ($\frac{1}{2}$) of the total issued and outstanding shares of all classes of the Bank's common stock, plus one additional share of the Bank's common stock, is necessary to constitute a quorum at the Annual Meeting. The presence (in person or by proxy) of the holders of at least one half ($\frac{1}{2}$) of the issued and outstanding shares of each class of the Bank's common stock electing directors at the Annual Meeting, plus one additional share of each such class, is necessary to constitute a quorum at the Annual Meeting for the purpose of electing such directors. If a quorum is not present at the Annual Meeting on Wednesday, April 19, 2017, at 10:30 a.m. (Panama time), then a second meeting will be held at 10:30 a.m. (Panama time) on Thursday, April 20, 2017, at the same location, with the shareholders present (in person or by proxy) at such second meeting. At such second meeting, a quorum will be constituted by the shareholders present (in person or by proxy) at such meeting; and for the purpose of electing directors, a quorum will be constituted by the shareholders of each separate class of shares present (in person or by proxy) at such meeting.

As of December 31, 2016, there were issued and outstanding an aggregate of 39,160,048 shares of all classes of the Bank's common stock. Set forth below is the number of shares of each class of the Bank's common stock issued and outstanding as of December 31, 2016:

PROPOSAL 1

TO APPROVE THE BANK'S AUDITED CONSOLIDATED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED DECEMBER 31, 2016

The Bank's audited consolidated financial statements for the fiscal year ended December 31, 2016 were prepared by the Bank in accordance with International Financial Reporting Standards (IFRS), and were audited by the Bank's independent registered public accounting firm, Deloitte, which expressed an unqualified opinion, in accordance with International Standards on Auditing. The Bank has applied the provisions of International Accounting Standard 1 (IAS 1) in presenting its financial results. At the Annual Meeting, the shareholders will vote to approve the Bank's annual audited consolidated financial statements; however, the audited consolidated financial statements are not subject to change as a result of such vote. As has been customary at prior annual meetings of the Bank's shareholders, officers of the Bank will be available to answer any questions that may be posed by shareholders of the Bank attending the Annual Meeting regarding the Bank's audited consolidated financial results.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE BANK'S AUDITED CONSOLIDATED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED DECEMBER 31, 2016.

PROPOSAL 2

TO RATIFY DELOITTE AS THE BANK'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017

The shareholders will vote to ratify Deloitte as independent registered public accounting firm for the fiscal year ending December 31, 2017, as auditors of the Bank, to report on the Bank's audited consolidated financial statements and to perform such other appropriate audit related services as may be required. The Bank has been advised by Deloitte that neither that firm nor any of its affiliates has any relationship with the Bank or its subsidiaries, other than the relationship that typically exists between independent auditors and their clients. Deloitte will have representatives present at the Annual Meeting who will have an opportunity to make a statement, if they so desire, and who will be available to respond to questions that may be posed by shareholders of the Bank attending the Annual Meeting.

THE BOARD OF DIRECTORS AND THE AUDIT AND COMPLIANCE COMMITTEE OF THE BOARD, WHICH IS RESPONSIBLE FOR THE FINAL RECOMMENDATION OF THE BANK'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF DELOITTE AS THE BANK'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017.

PROPOSAL 3

ELECTION OF DIRECTORS

The Board consists of ten directors, in accordance with the Bank's Articles of Incorporation. Three directors are elected by the Class A Shareholders, five directors are elected by the Class E Shareholders, and two directors are elected by the holders of all classes of the Bank's common stock. In the event the number of issued and outstanding Class F shares is equal to or greater than 15% of the total issued and outstanding shares of all classes of the Bank's common stock, the Class F shareholders shall have the right to elect one director, and the total number of directors shall be increased from 10 to 11. As of the Record Date, there are no issued or outstanding Class F shares. Except for the Bank's Chief Executive Officer, Mr. Rubens V. Amaral Jr. and Director, Mr. Ricardo Manuel Arango, all current members of the Board are independent under the terms defined by applicable laws and regulations, including rules promulgated by the U.S. Securities and Exchange Commission (the "SEC") under the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"), Section 303A of the New York Stock Exchange Listed Company Manual, and Rules No. 05-2011 and No. 05-2014 of the Superintendency of Banks of Panama. Information regarding the independence determination of directors is included on the Bank's website at <http://www.bladex.com/investors/corporate-governance>.

Members of the Board are elected at annual meetings of shareholders of the Bank, and each director serves a term of three years. Directors can be re-elected multiple times. For the election of directors representing a class of shares of the Bank's common stock, the votes of the holders of such class of shares are counted separately as a class.

The holders of each class of common stock have cumulative voting rights with respect to the election of directors representing such class. This means that a shareholder of each class has the number of votes equal to the number of shares of such class held by the shareholder multiplied by the number of directors to be elected by such class, and the shareholder can cast all of his, her or its votes in favor of one candidate or distribute such votes among all of the directors to be elected, or among two or more of them, as the shareholder may decide. The candidates who receive the most favorable votes are elected as directors.

At the Annual Meeting, Class A Shareholders will be asked to elect two Class A Directors to the Board and Class E Shareholders will be asked to elect one Class E Director to the Board, each to serve a three-year term. The votes of the Class A Shareholders and the votes of the Class E Shareholders will be counted separately as a class for the purpose of electing the directors to represent the Class A Shareholders and the Class E Shareholders, respectively. Qualified candidates for the Class A directorships will be nominated at the Annual Meeting by the Class A Shareholders. The Board has nominated Mario Covo as director to represent the Class E Shareholders.

Two Class A Directors to be Nominated for Election

At the Annual Meeting, the Class A Shareholders will have an opportunity to nominate qualified candidates for the election of two directors to represent the Class A Shareholders.

One Class E Director Nominated for Election

With the recommendation of the Bank's Nomination and Compensation Committee, the Board has nominated **Mario Covo** for election as a Class E Director.

Mario Covo has served as a Director of the Board since 1999. Dr. Covo is the Founding Partner of DanaMar LLC in New York, a financial consulting firm established in 2013. He was Founding Partner of Helios Advisors in 2003, Founding Partner of Finaccess International, Inc. in 2000 and of Columbus Advisors in 1995, in New York. Dr. Covo worked at Merrill Lynch from 1989 to 1995, where he was Head of Emerging Markets-Capital Markets. Prior to working for Merrill Lynch, Dr. Covo worked at Bankers Trust Company of New York from 1985 to 1989 as Vice President in the Latin American Merchant Banking Group, focusing on corporate finance and debt-for-equity swaps. Prior to that Dr. Covo was an International Economist for Chase Econometrics from 1984 to 1985, focusing primarily on Latin America. Dr. Covo holds a Ph.D. in Economics from Rice University and a B.A. with honors from Instituto Tecnológico Autónomo de México. Dr. Covo's extensive background and experience in the financial services industry, and his exposure to the markets in which the Bank operates qualify him to serve on the Board.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE CLASS E SHAREHOLDERS VOTE FOR THE RE-ELECTION OF MARIO COVO AS A CLASS E DIRECTOR.

PROPOSAL 4

TO APPROVE, ON A NON-BINDING ADVISORY BASIS, THE COMPENSATION OF THE BANK'S EXECUTIVE OFFICERS

While we are not subject to the Dodd-Frank Wall Street Reform and Consumer Protection Act's (the "Dodd-Frank Act") rules governing say-on-pay and say-on-frequency, an advisory vote on the frequency of stockholders votes on executive officers' compensation was first conducted in connection with the 2011 Annual Meeting of Shareholders in conformity thereunder. In 2011, when the last say-on-frequency non-binding advisory vote was conducted, the Board recommended, and the Bank's shareholders agreed, that the advisory vote on executive compensation be held on an annual basis. Accordingly, the Bank is providing shareholders with an advisory vote on compensation programs for the Bank's executive officers (sometimes referred to as "say-on-pay"). This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Bank's executive officers as described in this Proxy Statement.

This vote is nonbinding. The Board and the Nomination and Compensation Committee, which pursuant to its Charter is comprised solely of independent directors (see below), expects to take into account the outcome of the vote when considering future executive officers' compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

As described in detail under "Compensation of Executive Officers and Directors," included elsewhere in this Proxy Statement, the Bank's compensation programs are designed to attract, motivate and retain highly qualified executive officers who are able to achieve corporate objectives and create stockholder value. Equity compensation in the form of stock options and restricted stock units that are subject to further time-based vesting is a significant component of executive compensation. We believe that our compensation programs, with their balance of short-term incentives (including cash bonus awards) and long-term incentives (including equity awards that vest between three and four years) reward sustained performance that is aligned with long-term shareholder interests. Shareholders are encouraged to read "Compensation of Executive Officers and Directors" and the related narrative disclosure included elsewhere in this Proxy Statement for a more detailed description of the Bank's compensation programs and plans.

For the reasons outlined above, and further described and explained elsewhere in this Proxy Statement, we believe that our executive compensation program is well-designed, appropriately aligns executive pay with the Bank's performance, and incentivizes desirable behavior. Accordingly, we are asking you to endorse our executive officers' compensation program by voting for the following resolution:

“Resolved, that the shareholders approve, on an advisory basis, the compensation of the Bank’s executive officers as disclosed in the “Compensation of Executive Officers and Directors” section in this Proxy Statement.”

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE FOREGOING RESOLUTION FOR THE REASONS OUTLINED ABOVE.

PROPOSAL 5

NON-BINDING ADVISORY VOTE ON THE FREQUENCY OF A NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

While the Bank is not subject to the Dodd-Frank Act rules governing say-on-frequency, the Bank provides shareholders with the opportunity to cast a non-binding advisory say-on-pay vote every one, two or three years, as determined by a separate advisory stockholder vote held at least once every six years. As approved at the 2011 Annual Meeting of Shareholders, the Bank currently conducts say-on-pay votes once every year. Accordingly, the Bank is providing shareholders with this non-binding advisory vote on the frequency of a non-binding advisory vote on executive compensation.

The Board believes that an advisory vote on executive compensation that occurs every year is an appropriate frequency for conducting and responding to a say-on-pay vote.

Although the Board recommends a say-on-pay vote every year, shareholders will have the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, shareholders will not be voting to approve or disapprove the Board's recommendation.

Although this advisory vote on the frequency of the say-on-pay vote is non-binding, the Board and the Nomination and Compensation Committee will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE OPTION OF "1 year" FOR FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION.

The Nomination and Compensation Committee will consider qualified director candidates recommended by shareholders. All director candidates will be evaluated in the same manner regardless of how they are recommended, including recommendations by shareholders. For the current director nominees, the committee considers candidate qualifications and other factors, including, but not limited to, diversity in background and experience, industry knowledge, educational level and the needs of the Bank. Shareholders can mail any recommendations and an explanation of the qualifications of the candidates to the Secretary of the Bank at Torre V, Business Park, P.O. Box 0819-08730, Panama City, Republic of Panama.

Although the Bank does not have a formal policy or specific guidelines for the consideration of diversity by the Nomination and Compensation Committee in identifying nominees for director, diversity is one of the factors the Nomination and Compensation Committee considers. The Nomination and Compensation Committee generally views and values diversity from the perspective of professional and life experiences, and recognizes that diversity in professional and life experiences may include considerations of gender, race, national origin or other characteristics in identifying individuals who possess the qualifications that the Committee believes are important to be represented on the Board. Compensation of Executive Officers and Directors

The Nomination and Compensation Committee has reviewed and discussed the below “Compensation of Executive Officers and Directors” section with the Bank’s management, and based on this review and discussion, the Nomination and Compensation Committee has recommended to the Board that the following “Compensation of Executive Officers and Directors” discussion be included in the Bank’s Proxy Statement for 2017.

Compensation Consultant

The Nomination and Compensation Committee has authority to retain compensation consulting firms to assist it in the evaluation of executive officer and employee compensation and benefit programs. During 2016, the Nomination and Compensation Committee did not retain or obtain the advice of any compensation consultant.

Executive Officers Compensation

Annually, in order to incentivize the alignment and collaboration of all areas of the Bank, the Bank pays to its executive officers variable compensation, based on the extent to which each officer meets certain individual and corporate objectives which are defined by the Board of Directors. This variable compensation is paid in both cash and in stock options and/or restricted stock units.

During the fiscal year ended December 31, 2016, the aggregate amount of cash compensation paid by the Bank to the executive officers employed in the Bank's Corporate Headquarters for their services was \$2,591,800.

In February 2008, the Board approved the 2008 Stock Incentive Plan (as amended, the "2008 Plan"), which allows the Bank, from time to time, to grant restricted shares, restricted stock units, stock options and/or other stock-based awards to the directors, executive officers and non-executive employees of the Bank. This plan was revised in October 2015, and amended and restated as the 2015 Stock Incentive Plan ("2015 Plan").

On February 16, 2016, the Bank granted to current executive officers 80,775 restricted stock units corresponding to 2015 performance. These restricted stock units vest 25% of the amount granted per year, measured from the award date, on each anniversary of the award date. As of December 31, 2016, the compensation cost charged against the Bank's 2016 income in connection with these restricted stock units was \$694,428. The total remaining compensation cost of \$780,572 will be charged over a period of 3.1 years.

The Bank sponsors a defined contribution plan for its expatriate officers. The Bank's contributions are determined as a percentage of the eligible officer's annual salary, with each officer contributing an additional amount withheld from his salary. All contributions are administered by a trust through an independent third party. During 2016, the Bank charged to salaries expense \$121,399 with respect to the contribution plan. As of December 31, 2016, the total amount set aside or accrued by the Bank under this plan amounted to \$340,738.

2016 Chief Executive Officer Compensation

The compensation corresponding to 2016 of the Bank's Chief Executive Officer included an annual base salary of \$350,000, and a performance-based restricted stock units grant with a value of \$400,000, an aggregate of \$14,000 from the Bank to the Chief Executive Officer's contribution plan, and limited perquisites and other benefits amounting to \$13,750. In addition, the Chief Executive Officer has a contractual severance payment of \$350,000 in the event of his termination without cause.

Results of the 2016 Advisory Vote on Compensation of Executive Officers

At the Company's annual meeting of shareholders held on April 13, 2016, our shareholders were asked to approve, on an advisory basis, the Bank's fiscal 2015 executive officers' compensation programs (commonly referred to as "say on pay" proposal). A substantial majority (93.92%) of the votes cast on the say-on-pay proposal at that meeting were

voted in favor of the proposal. The Nomination and Compensation Committee believes that these results affirm our shareholders' support for the Bank's approach to executive compensation, and therefore did not change its approach in 2016. The Nomination and Compensation Committee will continue working to ensure that the design of the Bank's executive officers' compensation program is focused on long-term shareholder value creation and emphasizes pay for performance.

Compensation and Risk

The Bank reviews and monitors the extent to which compensation practices and programs for senior executives and employees whose activities, individually or as a group, may create incentives for excessive risk taking.

In light of the actions referred to above, the Bank and the Board have not identified any risks arising from the Bank's compensation policies and practices that are reasonably likely to have a material adverse effect on the Bank. Furthermore, certain aspects of the Bank's executive compensation programs, such as the combination of performance-based short-term cash bonuses and performance-based long-term equity awards, reduce the likelihood of excessive risk-taking, and instead create incentives for senior executives to work for long-term growth of the Bank.

Board of Directors Compensation

Each non-employee director of the Bank receives an annual cash retainer of \$85,000 for his or her services as a director and the Chairman of the Board receives an annual cash retainer in the amount of \$135,000.

The Chairman of the Audit and Compliance Committee receives an additional annual retainer of \$8,500 and the Chairmen of each of the Nomination and Compensation Committee, Risk Policy and Assessment Committee, and Finance and Business Committee each receives an additional annual retainer of \$5,000. The non-Chairman members of the Audit and Compliance Committee receive an additional annual retainer of \$3,000.

The aggregate amount of cash compensation paid by the Bank during the year ended December 31, 2016 to the directors of the Bank as a group for their services as directors was \$879,512.

As approved by the Board of Directors on December 9, 2014, each non-employee director of the Bank receives an annual equity compensation of 6,000 restricted shares and the Chairman of the Board receives an annual equity compensation of 9,000 restricted shares, granted once a year under the 2015 Plan.

During the fiscal year ended December 31, 2016, the aggregate number of restricted shares awarded to non-employee directors of the Bank as a group under the 2015 Plan was 57,000 Class E shares. These restricted shares vest 35% on the first and second anniversary of the award date, and 30% on the third anniversary of the award date. As of December 31, 2016, the total cost for these restricted shares amounted to \$1,375,980, of which \$617,306 was registered during 2016, and the remaining compensation cost of \$758,674 for these restricted shares will be charged against income over a period of 2.3 years.

Beneficial Ownership

As of December 31, 2016, the Bank's executive officers and directors, as a group, beneficially owned an aggregate of 596,426 Class E shares, representing approximately 1.96% (based on 30,343,390 Class E shares outstanding as of December 31, 2016) of all issued and outstanding Class E shares as of such date. "Beneficial ownership", as the term is used in this section, means the sole or shared power to vote or direct the voting or to dispose or direct the disposition of any security. A person is deemed to be the beneficial owner of securities that can be acquired within 60 days from December 31, 2016 through the exercise of any option or through the vesting of any restricted stock or restricted stock units. Ordinary shares subject to options that are currently exercisable or exercisable within 60 days, or that constitute

restricted stock or restricted stock units that will vest within 60 days, are deemed outstanding for computing the beneficial ownership percentage of the person holding such options, restricted stock or restricted stock units, but are not deemed outstanding for computing the ownership percentage of any other person.

The following table sets forth information regarding beneficial ownership of the Bank's Class E shares, including stock options and restricted stock units and holdings of unvested stock options and unvested restricted stock units by the Bank's executive officers as of December 31, 2016. Stock Ownership Policy for Directors and Executive Officers

Since October 2013, the Board of Directors has adopted share ownership guidelines for directors and executive officers. This policy enables the Bank to meet its objective of aligning directors' and executives' interests with those of the shareholders.

Under these guidelines, each director within three years of joining the Board, is required to accumulate 9,000 shares (13,500 for the Chairman of the Board), and to maintain at least this ownership level while serving as a member of the Board. Presently, all Board members are in compliance with the guidelines as they apply to them.

The Chief Executive Officer is required to own shares of the Bank's common stock worth at least two and a half times his annual base salary. Other executive officers are required to own stock equal to one time their annual base salary. These executive officers have up to seven years to comply with this share ownership requirement, measured from the later of the date of adoption of these guidelines or the date that they became subject to the guidelines. All executive officers named in the Beneficial Ownership table in this Proxy Statement are in compliance with the guidelines as they apply to them.

The following elements are included in determining the directors' and executive officers' share ownership for purposes of these guidelines: shares owned individually and by minor dependents or spouses; unvested restricted shares and restricted stock units; and vested or unvested stock options.

Corporate Governance Practices

The Board has decided not to establish a corporate governance committee. Given the importance that corporate governance has for the Bank, the Board decided to address all matters related to corporate governance at the Board level. Further, the Audit and Compliance Committee is responsible for promoting continued improvement in the Bank's corporate governance and verifying compliance with all applicable policies.

The Bank has included the information regarding its corporate governance practices necessary to comply with Section 303A of the NYSE's Listed Company Manual/Corporate Governance Rules on "Investors Relations / Corporate Governance" section of the Bank's website at <http://www.bladex.com/en/investors>.

The Bank's management has presented to the Audit and Compliance Committee that the Bank's audited consolidated financial statements were prepared in accordance with International Financial Reporting Standards. Also, the Audit and Compliance Committee met with the independent registered public accounting firm and has discussed the results of the audit performed and evaluation of the internal control over financial reporting. The Audit and Compliance Committee also has discussed with Deloitte the matters that independent registered public accounting firms must communicate to audit committees under Public Company Accounting Oversight Board ("PCAOB") rules.

The Audit and Compliance Committee also has received from Deloitte the written disclosures and the letter required by the PCAOB's Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*, and has discussed with Deloitte the independence of Deloitte from the Bank, and has determined that Deloitte remains independent from the Bank. The Audit Committee also has considered whether the provision of audit-related services to the Bank is compatible with Deloitte's independence, and has determined that the provision of such audit-related services to the Bank is compatible with Deloitte's independence from the Bank.

Based on the review and discussions referred to above, the Audit and Compliance Committee recommended to the Board that the December 31, 2016 audited consolidated financial statements be included in the Bank's Annual Report on Form 20-F for the year ended December 31, 2016.
