## INTRODUCTORY NOTE

On April 16, 2018, DST Systems, Inc., a Delaware corporation (the “Company” or “DST”), completed its previously announced merger with SS&C Technologies Holdings, Inc., a Delaware corporation (“SS&C”), pursuant to the terms of that certain Agreement and Plan of Merger, dated as of January 11, 2018 (the “Merger Agreement”), by and among the Company, SS&C and Diamond Merger Sub, Inc. a Delaware corporation and an indirect wholly owned subsidiary of SS&C (“Merger Sub”) providing for, among other things, the merger of Merger Sub with and into the Company (the “Merger”). Upon consummation of the Merger, the Company became a wholly owned indirect subsidiary of SS&C, surviving as the surviving company (the “Surviving Corporation”).

Pursuant to the Merger Agreement, at the Effective Time (as defined in the Merger Agreement), each share of common stock, par value \$0.01 per share, of the Company (the “Common Stock”) issued and outstanding immediately prior to the Effective Time (other than (i) shares to be canceled or converted into shares of the Surviving Corporation, (ii) Company Options, shares of Company RSUs and Company Performance Stock Units, in each case, as defined in the Merger Agreement, and (iii) any shares of Common Stock held by any holder who has not voted in favor of the Merger and who is entitled to demand and properly demands appraisal of such Common Stock under Delaware law and has neither failed to perfect, nor effectively withdrawn or lost rights to appraisal under Delaware law) were automatically cancelled and converted into the right to receive \$84.00 per share in cash (“Merger Consideration”), without interest.

At the Effective Time, (i) each outstanding vested DST equity award was cancelled and converted into the right to receive a cash payment equal to the product of (a) (1) for each DST equity award of options to purchase shares of Common Stock (“Option”), the excess, if any, of the Merger Consideration over the exercise price per share of Common Stock represented by such Option and (2) for each other DST equity award, the Merger Consideration, multiplied by (b) the number of shares of Common Stock subject to such DST equity award, (ii) each outstanding unvested Option and outstanding unvested award of restricted stock units was converted into an equivalent equity award with respect to common stock of SS&C (the “SS&C Stock”), subject to the same terms and conditions as generally applicable to the converted DST equity award and (iii) each outstanding unvested award of performance stock units was, according to its terms, converted into an award of time-vesting restricted stock units with respect to SS&C Stock (based on actual performance for the applicable performance period), subject to the same terms and conditions as generally applicable to the converted DST equity award.
