### OTHER EVENTS

#### 1. Reorganization Agreement

CYI has been advised by Guangxi Yuchai Machinery Company Limited ("Yuchai") that continued implementation of the April 2005 Reorganization Agreement has been delayed pending receipt of governmental approvals from the relevant Chinese authorities. These approvals relate to the payment of US\$20.0 million due to CYI from Yuchai pursuant to clause 1.8 of the Reorganization Agreement, as well as the spin-off of Yuchai contemplated in the Reorganization Agreement. Yuchai has also advised CYI that the amendments to Yuchai's Articles of Association (which have been approved by Yuchai's board of directors and shareholders) and corporate governance guidelines (which have been implemented and ratified by Yuchai) have been approved by the Yulin municipal and Nanning provincial authorities but approval of the Beijing governmental authorities has not yet been received. CYI and the Chinese stakeholders in Yuchai have entered into discussions with respect to amending the Reorganization Agreement to extend the anticipated completion date of the restructuring contemplated therein and the termination date of the Reorganization Agreement.

No assurance can be given that any agreement will be reached with respect to such extension, or that governmental approval for the continued implementation of the Reorganization Agreement will be forthcoming. Accordingly, no assurance can be given that the provisions of the Reorganization Agreement remaining to be fulfilled can be fully implemented on the terms contemplated therein. (See also the cautionary statements contained in the first and second risk factors under "Item 3. Key Information - Risk Factors" in CYI's Annual Report on Form 20-F filed with the SEC on July 15, 2005.)
