Item 1.01. Entry into a Material Definitive Agreement

Edgar Filing: AMERICAN RETIREMENT CORP - Form 8-K

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On December 12, 2005, we entered into a transaction with ASF of Green Hills, LLC, an affiliate of American Seniors Foundation, Inc., a non-profit entity ("ASF"), pursuant to which we sold land to, and entered into an agreement with, ASF to develop a rental assisted living residence in Nashville, Tennessee. The community, The Cumberland at Green Hills, will have 93 assisted living units, and 17 Alzheimer's units.

The total development cost of the project is estimated to be approximately \$32.3 million. We will develop the project pursuant to a development agreement and will manage the project pursuant to a long-term management agreement.

In order to finance the development of the project, on December 12, 2005, we obtained a \$26.25 million construction loan from Bank of America, N.A. The loan matures on December 12, 2010 and bears interest at a variable rate equal to one month LIBOR plus 225 basis points. The loan is evidenced by a construction loan agreement and promissory note. Under this loan, we are required to make monthly payments of interest only through the scheduled maturity date.

As part of the transaction, we conveyed our interest in the land and our architectural, engineering and development plans, approvals and entitlements to ASF.

On December 12, 2005, we, in turn, provided a \$32.3 million construction loan to ASF which will include the land purchase and construction costs. The loan is evidenced by a construction loan agreement and two promissory notes and is secured by a first mortgage lien. The \$26.25 million promissory note matures on December 12, 2010 and bears interest at a variable rate equal to one month LIBOR plus 250 basis points. The \$6.05 million promissory note matures on December 12, 2015 and bears interest at 10.5%. Under the promissory notes, ASF is required to make monthly payments of interest only through the scheduled maturity dates. The loan from Bank of America, N.A. is secured by a collateral assignment of the ASF loan documents.

We expect that ASF will be able to put in place permanent tax-exempt financing once the community is stabilized.
