Ancora Advisors LLC is the investment advisor to the Ancora Trust, which includes the Ancora Income Fund, Ancora Equity Fund, Ancora Special Opportunity Fund, Ancora/Thelen Small-Mid Cap Fund, and Ancora MicroCap Fund (Ancora Family of Mutual Funds), which are registered with the SEC as investment companies under the Investment Company Act, as amended.

Ancora Advisors LLC has the power to dispose of the shares owned by the investment clients for which it acts as advisor, including Merlin Partners, the Ancora Merger Arbitrage Fund LP, and the Ancora Greater China Fund LP for which it is also the General Partner, and the Ancora Family of Mutual Funds. Ancora Advisors disclaims beneficial ownership of such shares, except to the extent of its pecuniary interest therein.

Item 3.

Source and Amount of Funds or Other Consideration

Ancora Advisors owns no Shares directly but Ancora Advisors may be deemed to own (within the meaning of Rule 13(d)(3) of the Securities Exchange Act of 1934) Shares purchased for or transferred to the accounts of investment management clients. Ancora Advisors disclaims beneficial ownership of such shares, except to the extent of its pecuniary interest therein.

Merlin Partners, Ancora Merger Arbitrage Fund LP, Ancora Greater China Fund LP, Ancora Family of Mutual Funds, Employees of Ancora Advisors LLC and Owners of Ancora Advisors LLC. have used available and uncommitted cash to purchase shares of the Issuer.

Item 4.

Purpose of Transaction

The shares of Common Stock covered by this Schedule 13D were acquired in recent months by Ancora Advisors, LLC for investment purposes in the ordinary course of business. Ancora Advisors, LLC reserves the right to take any and all actions that they may deem appropriate to maximize the value of their investments, including, among other things, purchasing or otherwise acquiring additional securities of the Issuer, selling or otherwise disposing of any securities of the Issuer beneficially owned by them. In each case in the open market or in privately negotiated transactions or formulating other plans or proposals regarding the Issuer or its securities to the extent deemed advisable by Ancora Advisors, LLC in light of their general investment policies, market conditions, subsequent developments affecting the Issuer and the general business and future prospects of the Issuer. Ancora Advisors, LLC may take any other action with respect to the Issuer or any of the Issuer's debt or equity securities in any manner permitted by applicable law.

Ancora is sympathetic to some of the elements in the recent proxy statement filed by Furlong Partners. However, we believe accelerating the proxy contest to April would be counterproductive and would prefer to see the annual meeting

scheduled for late-June or early July. Additionally, we believe that management has done a good job of generating cash flow and resolving liabilities. As a result, Ancora would prefer to see a middle ground reached rather than have the company go through a costly proxy fight. If the Board of Directors were to take the following steps prior to a June meeting we would be willing to vote for management's slate of directors:

- Pay out a \$1.50-\$2.00 special dividend to shareholders prior to the meeting. This will leave the Company with approximately \$3-\$4 million in cash by mid-year (assuming 1H cash flow similar to the last several years), allowing for a significant operating cushion and the ability to make bolt-on acquisitions;
- Outline the types of acquisitions management is considering and the pro forma impact of the use of NOLs;
- In addition to the slate of three directors we expect to be proposed, include an outside shareholder representative on the board. We believe a number of outside investors with sizable positions in the Company would be interested in taking a board seat. We would encourage management to reach out to some larger investors to see if they are interested.

These simple steps would help management's relations with shareholders going forward by meeting shareholder's interest in a return of capital (which we believe the vast majority of shareholders would support), transparency in terms of future capital allocation and ensuring that public shareholders know an outside board member with significant equity ownership in the company is sitting at the table aiding in determining the future course of the company.

If management were to take these simple and reasonable steps, we believe a proxy contest would be a non-issue. Without an outcome similar to the above, Ancora will consider a vote for the dissident shareholders.
