"The Company has experienced delays in receiving certain information relating to a recent insolvency filing of its 2002 sold UK subsidiary, Tiger Telematics, Ltd., and related to the sold assets of its discontinued operations flooring subsidiary, Floor Decor, LLC which information is essential for filing the Company's report. The acquirer of the flooring assets filed for Chapter 11 bankruptcy on April 9, 2003 and subsequently held a liquidation sale of April 17, 2003. The flooring acquirer ceased operations as of April 30, 2002.

Although the Company believes its reserves are adequate, the Company needs the results of these transaction in order to verify that its reserves as of year end 2002 properly reflect the contingent liabilities that might arise from this liquidation of the acquirer of the flooring unit."
