PROXY STATEMENT

SPECIAL MEETING OF STOCKHOLDERS

TO BE HELD ON SEPTEMBER 2, 2011

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING OF STOCKHOLDERS

WHY AM I RECEIVING THESE MATERIALS?

The board of directors of Business Outsourcing Services Inc. ("we", "us", or "our") is soliciting proxies for use at the special meeting of stockholders to be held on SEPTEMBER 2, 2011, at 10:00 AM (Pacific Time) at 800-885 West Georgia Street, Vancouver, BC Canada V6C 3H1 or at any adjournment of the special meeting. These materials are expected to be first sent or given to our stockholders on or about AUGUST 23, 2011.

WHAT IS INCLUDED IN THESE MATERIALS?

These materials include:

- * the notice of the special meeting of stockholders;
- * this proxy statement for the special meeting of stockholders; and
- * the proxy card.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR
THE STOCKHOLDER MEETING TO BE HELD ON SEPTEMBER 2, 2011

WHAT ITEMS WILL BE VOTED ON AT THE SPECIAL MEETING?

Our stockholders will vote on:

- * the approval of the filing of a Certificate of Amendment to the Articles of Incorporation; and
- * the approval of Amended and Restated Bylaws.

WHAT DO I NEED TO DO NOW?

We urge you to carefully read and consider the information contained in this proxy statement. We request that you cast your vote on each of the proposals described in this proxy statement. You are invited to attend the special meeting, but you do not need to attend the special meeting in person to vote your shares. Even if you do not plan to attend the special meeting, please complete, sign and return your proxy card.

WHO CAN VOTE AT THE SPECIAL MEETING?

Our board of directors (the "Board") has fixed the close of business on July 27, 2011 as the record date for the determination of the stockholders entitled to notice of, and to vote at, the special meeting or any adjournment. If you were a stockholder of record on the record date, you are entitled to vote at the special meeting.

As of the record date, 2,300,000 shares of our common stock were issued and outstanding and, therefore, a total of 2,300,000 votes are entitled to be cast at the special meeting.

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

HOW MANY VOTES DO I HAVE?

On each proposal to be voted upon, you have one vote for each share of our common stock that you owned on the record date. There is no cumulative voting.

HOW DO I VOTE MY SHARES?

If you are a stockholder of record, you may vote in person at the special meeting or by proxy.

- * To vote in person, come to the special meeting and we will give you a ballot when you arrive.
- * If you do not wish to vote in person or you will not be attending the special meeting, you may vote by proxy. Please complete, date, sign, and return by mail the enclosed proxy card to the offices of our transfer agent, Routh Stock Transfer, Inc., at 6860 North Dallas Parkway, Suite 200, Plano, Texas 75024. To be represented at the special meeting, the enclosed proxy must be deposited at the offices of our transfer agent at least 48 hours (excluding Saturdays, Sundays, and holidays) before the special meeting or be presented at the special meeting.

If you hold your shares in "street name", you may vote in person at the special meeting or by proxy, in the manner prescribed by your broker, bank or other nominee.

- * You wish to vote in person at the special meeting, you must obtain a valid proxy from your broker, bank, or other nominee that holds your shares giving you the right to vote the shares at the special meeting.
- * If you do not wish to vote in person or if you will not be attending the special meeting, you must vote your shares in the manner prescribed by your broker, bank or other nominee. Your broker, bank or other nominee should have enclosed or otherwise provided a voting instruction card for you to use in directing the broker, bank or nominee how to vote your shares.

WHAT IS THE DIFFERENCE BETWEEN A STOCKHOLDER OF RECORD AND A "STREET NAME" HOLDER?

If your shares are registered directly in your name with our transfer agent, Routh Stock Transfer, Inc., then you are a stockholder of record with respect to those shares.

If your shares are held in a stock brokerage account or by a bank, or other nominee, then the broker, bank, or other nominee is the stockholder of record with respect to those shares. However, you still are the beneficial owner of those shares, and your shares are said to be held in "street name." Street name holders generally cannot vote their shares directly and must instead instruct the broker, bank, or other nominee how to vote their shares. Street name holders are also invited to attend the special meeting.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

If you receive more than one proxy card, it means that you hold shares registered in more than one name or in different accounts. To ensure that all of your shares are voted, complete, date, sign, and return each proxy card. If some of your shares are held in "street name," you should have received voting instruction with these materials from your broker, bank or other nominee. Please follow the voting instruction provided to ensure that your vote is counted.

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

WHAT VOTE IS REQUIRED FOR THE ELECTION OF DIRECTORS OR FOR THE APPROVAL OF A PROPOSAL?

The vote of the holders of a majority of our issued and outstanding stock is required to approve the Certificate of Amendment to the Articles of Incorporation and Amended and Restated Bylaws. Our directors and officers collectively own approximately 55.7% of the outstanding shares of our common stock. We anticipate that our directors and officers will vote in favor of the resolutions and that the resolutions will pass.

2

HOW ARE VOTES COUNTED?

For the amendment to our Articles of Incorporation you may vote "For", "Against", or "Abstain" for the proposal. Votes that are abstained will be counted towards the vote total for the proposal and thus have the same effect as "Against" votes. Broker non-votes, if any, will not be counted towards the vote total for the proposal and thus have no effect on the outcome of the vote on this proposal.

For the Amended and Restated Bylaws you may vote "For", "Against", or "Abstain" for the proposal. Votes that are abstained will be counted towards the vote total for the proposal and thus have the same effect as "Against" votes. Broker non-votes, if any, will not be counted towards the vote total for the proposal and thus have no effect on the outcome of the vote on this proposal.

A "broker non-vote" occurs when a broker, bank, or other nominee holding shares for a beneficial owner in street name does not vote on a particular proposal because it does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner of those shares, despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions.

WHAT HAPPENS IF I DO NOT MAKE SPECIFIC VOTING CHOICES?

If you are a stockholder of record and you submit a signed proxy card without specifying how you want to vote your shares, the proxy holders will vote your shares in the manner recommended by our Board on all proposals.

If you hold your shares in the street name and you do not give instructions to your broker, bank or other nominee to vote your shares, under the rules that govern brokers, banks, and other nominees who are the stockholders of record of the shares held in street name, it generally has the discretion to vote uninstructed shares on routine matters but have no discretion to vote them on non-routine matters.

WHAT IS THE QUORUM REQUIREMENT?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if holders of at least a majority of the stock issued and outstanding and entitled to vote at the special meeting as of the record date are present in person or represented by proxy. Your shares will be counted towards the quorum requirement only if you or the registered holder of your shares, properly submit a valid proxy card by mail or present in person at the special meeting. Votes that are abstained and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the stockholders entitled to vote at the special meeting, present in person or represented by proxy will have power to adjourn the special meeting from time to time until a quorum will be present.

HOW DOES THE BOARD OF DIRECTORS RECOMMEND THAT I VOTE?

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

Our Board recommends that you vote your shares:

- * "For" the filing of a Certificate of Amendment to the Articles of Incorporation; and
- * "For" the adoption of the Amended and Restated Bylaws.

CAN I CHANGE MY VOTE AFTER SUBMITTING MY PROXY?

Yes. You may revoke your proxy and change your vote at any time before the final vote at the special meeting. If you are a stockholder of record, after revoking your proxy, you may vote again on a later date by signing and returning a new proxy card with a later date or by attending the special meeting in person. YOUR ATTENDANCE AT THE SPECIAL MEETING WILL NOT AUTOMATICALLY REVOKE YOUR PROXY UNLESS YOU VOTE AGAIN AT THE SPECIAL MEETING OR SPECIFICALLY REQUEST IN WRITING THAT YOUR PRIOR PROXY BE revoked. If you are a stockholder of record, you may revoke your proxy by doing any one of the following:

3

- * You may submit another proxy card with a later date;
- * You may send a written notice that you are revoking your proxy to us at Business Outsourcing Services Inc., 1001 SW 5th Avenue, Suite 1100, Portland, OR 97204, Attention: President before the date of the special meeting; or
- * You may attend the special meeting and vote in person.

If you hold your shares in the street name, you will need to follow the voting instruction provided by your broker, bank or other nominee regarding how to revoke or change your vote.

HOW CAN I ATTEND THE SPECIAL MEETING?

You may call us at 503-206-0935 if you want to obtain information or directions to be able to attend the special meeting and vote in person.

You may be asked to present valid picture identification, such as a driver's license or passport, before being admitted to the special meeting. If you hold your shares in street name, you also will need proof of ownership to be admitted to the special meeting. A recent brokerage statement or letter from your broker, bank or other nominee is an example of proof of ownership.

WHO PAYS FOR THE COST OF PROXY PREPARATION AND SOLICITATION?

We pay for the cost of proxy preparation and solicitation, including the reasonable charges and expenses of brokers, banks or other nominees for forwarding proxy materials to street name holders.

We are soliciting proxies primarily by mail. In addition, our directors, officers and regular employees may solicit proxies by telephone, facsimile, mail, other means of communication or personally. These individuals will receive no additional compensation for their services other than their regular salaries.

We will ask brokers, banks, and other nominees to forward the proxy materials to their principals and to obtain their authority to execute proxies and voting instructions. We will reimburse them for their reasonable expenses.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The following tables set forth, as of JULY 27, 2011, certain information with respect to the beneficial ownership of our common stock by each stockholder known by us to be the beneficial owner of more than 5% of our common stock, by each of our current directors and executive officers. Each person has sole voting and investment power with respect to the shares of common stock, except as otherwise indicated. Beneficial ownership consists of a direct interest in the shares of common stock, except as otherwise indicated.

In the following tables, we have determined the number and percentage of shares beneficially owned in accordance with Rule 13d-3 of the SECURITIES EXCHANGE ACT OF 1934 based on information provided to us by our controlling stockholder, executive officers and directors, and this information does not necessarily indicate beneficial ownership for any other purpose. In determining the number of shares of our common stock beneficially owned by a person and the percentage ownership of that person, we include any shares as to which the person has sole or shared voting power or investment power, as well as any shares subject to warrants or options held by that person that are currently exercisable or exercisable within 60 days.

1. Percentage of ownership is based on 2,300,000 shares of our common stock issued and outstanding as of July 27, 2011. Except as otherwise indicated, we believe that the beneficial owners of the common stock listed above, based on information furnished by such owners, have sole investment and voting power with respect to such shares, subject to community property laws where applicable. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission and generally includes voting or investment power with respect to securities. Shares of common stock subject to options or warrants currently exercisable, or exercisable within 60 days, are deemed outstanding for purposes of computing the percentage ownership of the person holding such option or warrants, but are not deemed outstanding for purposes of computing the percentage ownership of any other person.
 2. The Company does not know who holds the voting and dispositive control over these shares.

CHANGES IN CONTROL

We are unaware of any contract or other arrangement the operation of which may at a subsequent date result in a change of control of our company.

5

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person who has been a director or executive officer of our company at any time since the beginning of our fiscal year ended November 30, 2010 and no associate of any of the foregoing persons has any substantial interest, direct or indirect, by security holding or otherwise, in any matter to be acted upon.

PROPOSAL 1

APPROVAL OF AN AMENDMENT TO THE ARTICLES OF INCORPORATION

Our Board is asking our stockholders to approve the Certificate of Amendment to Articles of Incorporation.

The following discussion summarizes the amendments to the current Articles of Incorporation:

SECTION 4 BOARD OF DIRECTORS

On Articles of Incorporation was filed in the Nevada Secretary of State's office with incorrect information relating to the names of our directors and officers. Clifford Belgica is listed on our Articles of Incorporation as a director. Mr. Belgica was never intended to be appointed to our Board. We would like to

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

correct this information and add supplemental information to our Articles of Incorporation. Section 4 of our Articles of Incorporation would be amended to read as follows:

Names and Addresses of the Board of Directors/Trustees are: (1) Guilbert Cuison of Block 616 Bedrock Reservoir Road, Singapore, 470616 and (2) Jerome Golez of Block 117 Bishan St., Singapore, 570117

Also, the following provisions will be added to Section 4:

4.1 Number of Directors.

The number of the directors constituting the entire Board will be not less than one (1) nor more than fifteen (15) as fixed from time to time by vote of the majority of the entire Board, provided, however, that the number of directors will not be reduced so as to shorten the term of any director at the time in office.

4.2 Vacancies.

Any vacancies in the Board of Directors for any reason, and any directorships resulting from any increase in the number of directors, may be filled by the Board of Directors, acting by a majority of the directors then in office, although less than a quorum, and any directors so chosen will hold office during the remainder of the term of office of the resigning director.

NARRATIVE DISCUSSION OF SECTION 4

This section would give our Board the ability to set the number of directors of the Board, provided such number is no more than fifteen. Further, this section would give our Board the ability to fill any vacancies that result from such an increase. This section will give our Board the flexibility to alter the Board as needed. The Board requires such flexibility as it is expensive to call a meeting of the shareholders of the Company to change the Board. This may discourage our shareholders from calling a meeting to remove the existing directors, as our Board could increase the size of our Board and fill the vacancy. The shareholders who called the meeting would not obtain control over a majority of our Board.

Appendix

The following sections would be added as an appendix to our Articles of Incorporation:

6

SECTION 8 ACQUISITION OF CONTROLLING INTEREST

The Corporation elects not to be governed by NRS 78.378 to 78.3793, inclusive.

NARRATIVE DISCUSSION OF SECTION 8

This section would add a clause opting out of the acquisition of controlling interest provisions of the Nevada Revised Statutes to our articles of incorporation. The Nevada Revised Statutes contain provisions governing acquisition of controlling interest of a Nevada corporation with at least 200 stockholders, including at least 100 stockholders of record who are Nevada residents, and which conducts business directly or indirectly in Nevada.

These provisions provide generally that any person or entity that acquires

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

certain percentage of the outstanding voting shares of a Nevada corporation may be denied voting rights with respect to the acquired shares, unless the holders of a majority of the voting power of the corporation, excluding shares as to which any of such acquiring person or entity, an officer or a director of the corporation, and an employee of the corporation exercises voting rights, elect to restore such voting rights in whole or in part. These provisions apply whenever a person or entity acquires shares that, but for the operation of these provisions, would bring voting power of such person or entity in the election of directors within any of the following three ranges:

- * 20% or more but less than 33 1/3%;
- * 33 1/3% or more but less than or equal to 50%; or
- * more than 50%.

The stockholders of a corporation may elect to exempt the stock of the corporation from these acquisition of controlling interest provisions through adoption of a clause to that effect in the articles of incorporation or bylaws of the corporation. Our articles of incorporation and bylaws do not exempt our common stock from these acquisition of controlling interest provisions.

As of JULY 27, 2011, we only have approximately six stockholders of record, so we do not believe that we are subject to these acquisition of controlling interest provisions, although there can be no assurance that in the future these provisions will not apply to us. Our Board has determined that, should we become subject to these provisions, it would place unnecessary burdens on our company in connection with the completion of third party financings, and has thus decided to amend our articles of incorporation to specifically forego these provisions.

We do not believe that opting out of these provisions will affect our majority stockholder and minority stockholders differently. In addition, even if we subsequently become subject to these acquisition of controlling interest provisions, we do not believe that opting out of these provisions will have any impact on our current majority shareholders because these provisions do not apply to any person or entity which already has a majority or more of all the voting power of our company in the election of directors.

We have no intentions, plans, proposals or arrangements at this time with regard to transactions that would be effected by this proposal.

SECTION 9 COMBINATIONS WITH INTEREST STOCKHOLDERS

The Corporation elects not to be governed by NRS 78.411 to 78.444, inclusive.

NARRATIVE DISCUSSION OF SECTION 9

This section would add a clause opting out of the combinations with interested stockholders provisions of the Nevada Revised Statutes. The Nevada Revised Statutes contain provisions governing combination of a Nevada corporation that has 200 or more stockholders of record with an interested stockholder. These provisions may have effect of delaying or making it more difficult to effect a change in control of our company.

A corporation affected by these provisions may not engage in a combination within three years after the interested stockholder acquires his, her or its shares unless the combination or purchase is approved by the Board before the interested stockholder acquired such shares. Generally, if approval is not

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

obtained, then after the expiration of the three-year period, the business combination may be consummated with the approval of the Board before the person became an interested stockholder or a majority of the voting power held by disinterested stockholders, or if the consideration to be received per share by disinterested stockholders is at least equal to the highest of:

- * the highest price per share paid by the interested stockholder within the three years immediately preceding the date of the announcement of the combination or within three years immediately before, or in, the transaction in which he, she or it became an interested stockholder, whichever is higher;
- * the market value per share on the date of announcement of the combination or the date the person became an interested stockholder, whichever is higher; or
- * if higher for the holders of preferred stock, the highest liquidation value of the preferred stock, if any.

Generally, these provisions define an interested stockholder as a person who is the beneficial owner, directly or indirectly of 10% or more of the voting power of the outstanding voting shares of a corporation. Generally, these provisions define combination to include any merger or consolidation with an interested stockholder, or any sale, lease, exchange, mortgage, pledge, transfer or other disposition, in one transaction or a series of transactions with an interested stockholder of assets of the corporation having:

- * an aggregate market value equal to 5% or more of the aggregate market value of the assets of the corporation;
- * an aggregate market value equal to 5% or more of the aggregate market value of all outstanding shares of the corporation; or
- * representing 10% or more of the earning power or net income of the corporation.

These business combination provisions apply only to a corporation that has 200 or more stockholders of record. These provisions do not apply if articles of incorporation of a corporation are amended to contain a clause expressly electing not to be governed by these provisions before the date the corporation has 200 or more stockholders of record. Our current articles of incorporation do not contain such a clause.

Although we do not believe that we are currently subject to these business combination provisions since we only have approximately six stockholders of record as of JULY 27, 2011, there can be no assurance that in the future these provisions will not apply to us. Should we become subject to these provisions, it could prohibit or delay mergers or other takeover or change in control attempts and, accordingly, may discourage attempts to acquire our company even though such a transaction may offer our stockholders the opportunity to sell their stock at a price above the prevailing market price. As such, the application of these provisions may limit the ability of our stockholders to approve a transaction that they may deem to be in their interests. Our Board has determined that, should we become subject to these provisions, it would place unnecessary burdens on our company in connection with the completion of beneficial business transactions with interested stockholders, and has therefore decided to amend our articles of incorporation to specifically forego these provisions.

We do not believe that opting out of these provisions will affect our majority stockholder and minority stockholders differently. In addition, even if we subsequently become subject to these business combination provisions, we do not

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

believe that opting out of these provisions will have any impact on any transactions between our company and our current majority shareholders because these provisions are inapplicable to any interested stockholder who first became an interested stockholder on the date we first have 200 or more stockholders of record solely as a result of our having 200 or more stockholders of record.

8

We have no intentions, plans, proposals or arrangements at this time with regard to transactions that would be effected by this proposal.

SECTION 10 LIABILITY

To the fullest extent permitted by NRS 78, a director or officer of the Corporation will not be personally liable to the Corporation or its stockholders for damages for breach of fiduciary duty as a director or officer, provided that this article will not eliminate or limit the liability of a director or officer for:

- (a) acts or omissions which involve intentional misconduct, fraud or a knowing violation of law; or
- (b) the payment of distributions in violation of NRS 78.300, as amended.

Any amendment or repeal of this Section 11 will not adversely affect any right or protection of a director of the Corporation existing immediately prior to such amendment or repeal.

NARRATIVE DISCUSSION OF SECTION 10

This section would add a clause to our articles of incorporation stating that, to the fullest extent permitted by Chapter 78 of the Nevada Revised Statutes, our director or officer will not be personally liable to our company or our stockholders for damages for breach of fiduciary duty as a director or officer unless acts or omissions of such director or officer involve intentional misconduct, fraud or a knowing violation of law or such director makes the payment of distributions to our stockholders in violation of the Nevada law.

While this type of limitation of liabilities is already permitted in the Nevada Revised Statutes, we believe it is advisable to set forth our intentions in our articles of incorporation and clarify the scope of the protection against personal liability. We believe that this amendment will clarify that the protection against personal liability extends to our officers.

The additional certainty provided by this amendment may help us attract and retain directors and officers and to allow directors and officers to perform their duties without being concerned about frivolous lawsuits.

We are not aware of any pending, threatened or possible matters that may be impacted by this proposal.

SECTION 11. INDEMNIFICATION

11.1 Right to Indemnification.

The Corporation will indemnify to the fullest extent permitted by law any person (the "Indemnitee") made or threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative (whether or not by or in the right of the Corporation) by reason of the fact that he or she is or was a director of the Corporation or is or was serving as a director, officer, employee or agent of another entity at the request of the Corporation or

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

any predecessor of the Corporation against judgments, fines, penalties, excise taxes, amounts paid in settlement and costs, charges and expenses (including attorneys' fees and disbursements) that he or she incurs in connection with such action or proceeding.

11.2 Inurement

The right to indemnification will inure whether or not the claim asserted is based on matters that predate the adoption of this Section 12, will continue as to an Indemnitee who has ceased to hold the position by virtue of which he or she was entitled to indemnification, and will inure to the benefit of his or her heirs and personal representatives.

9

11.3 Non-exclusivity of Rights

The right to indemnification and to the advancement of expenses conferred by this Section 12 are not exclusive of any other rights that an Indemnitee may have or acquire under any statute, bylaw, agreement, vote of stockholders or disinterested directors, these Articles of Incorporation or otherwise.

11.4 Other Sources

The Corporation's obligation, if any, to indemnify or to advance expenses to any Indemnitee who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or other entity will be reduced by any amount such Indemnitee may collect as indemnification or advancement of expenses from such other entity.

11.5 Advancement of Expenses

The Corporation will, from time to time, reimburse or advance to any Indemnitee the funds necessary for payment of expenses, including attorneys' fees and disbursements, incurred in connection with defending any proceeding for which he or she is indemnified by the Corporation, in advance of the final disposition of such proceeding; provided that the Corporation has received the undertaking of such director or officer to repay any such amount so advanced if it is ultimately determined by a final and unappealable judicial decision that the director or officer is not entitled to be indemnified for such expenses.

NARRATIVE DISCUSSION OF SECTION 11

This section would add a clause stating that, we will indemnify to the fullest extent permitted by law any person made or threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative (whether or not by or in the right of our company) by reason of the fact that he or she is or was a director or officer of our company or is or was serving as a director or officer of another entity at the request of our company or any predecessor of our company against judgments, fines, penalties, excise taxes, amounts paid in settlement and costs, charges and expenses (including attorneys' fees and disbursements) that he or she incur in connection with such action or proceeding. In addition, the clause provides that we will, from time to time, reimburse or advance the funds necessary for payments of expenses, including attorneys' fees and disbursements, incurred in connection with defending any proceeding such director or officer is indemnified by our company, in advance of the final disposition of such proceeding; provided that we have received the undertaking of such person to repay any such amount so advanced if it is ultimately determined by a final and unappealable judicial

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

decision that he or she is not entitled to be indemnified for such expenses.

While this type of indemnification is already permitted in the Nevada Revised Statutes, we believe it is advisable to set forth our intentions in our articles of incorporation. Also our Board believes that the amendment clarifies and enhances the operation of indemnification and advancement of expenses.

The additional certainty and comfort provided by the amendment may help us attract and retain directors and officers. There is currently no pending litigation or proceeding involving any of our director or officer for which indemnification is being sought.

We are not aware of any pending, threatened or possible matters that may be impacted by this proposal.

SECTION 12. BYLAWS

The Board of Directors is expressly authorized to make, alter and repeal the Bylaws of the corporation, subject to the power of the shareholders of the corporation to change or repeal the Bylaws.

10

NARRATIVE DISCUSSION OF SECTION 12

This section would add a clause stating that our Board is authorized to alter and repeal our Bylaws. Our current articles and bylaws require the vote of a majority of our shareholders to alter or repeal our Bylaws. Our Board believes that providing the directors with the ability to alter our Bylaws will make the administration of the future operations of the Company more efficient and provide more flexibility for the management of the Company within the limits of applicable law. Our Board is not currently contemplating any changes to our bylaws, other than as set forth in the Proxy Statement.

Our Board recommends that you vote FOR the approval of the Certificate of Amendment to Articles of Incorporation.

The full text of the Certificate of Amendment to Articles of Incorporation are attached hereto as Exhibit A. The Board encourages shareholders to review Exhibit A in its entirety.

PROPOSAL 2

TO AMEND AND RESTATE THE COMPANY'S BYLAWS

Our Board requests the approval of the holders of a majority of our outstanding common stock of the amendment and restatement of our Bylaws (the "Amended and Restated Bylaws"). Our Board believes the Amended and Restated Bylaws are in the best interests of our company as they provide our company with the flexibility necessary to carry out our business plan and attract potential strategic partners.

The Amended and Restated Bylaws will also be more consistent with Nevada law as it relates to actions which are permissible by the Board and which do not customarily require shareholder approval.

Therefore, the Board believes that the Amended and Restated Bylaws will make the administration of the future operations of the Company more efficient and provide more flexibility for the management of the Company within the limits of applicable law, including, allowing the Board to set the number of Directors, fill vacancies in the Board or amend the bylaws, without the time or expense required to call for a meeting of shareholders, and providing for a majority,

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

rather than unanimous, consent of shareholders to take action on a matter in writing in lieu of a shareholders meeting. The adoption of the Amended and Restated Bylaws will not alter the directors' fiduciary obligations to the Company. The adoption of the Amended and Restated Bylaws will provide our Directors with more authority. As such, actions that previously required the approval of shareholders can be undertaken by our Board. As our management owns a majority of our common shares, they will be able to sign a consent resolution approving of corporate actions. We will be required to notify our shareholders of any corporate action undertaken by consent resolution by sending every shareholder that was not solicited a Schedule 14C Information Statement. The Information Statement must be sent to the shareholders at least 20 days before any corporate action is taken pursuant to a written consent. Further, these amendments will make it more difficult for a dissent group of shareholders to takeover our company.

The following discussion briefly summarizes the significant differences between the current Bylaws of the Company (the "Old Bylaws") and the Amended and Restated Bylaws.

ANNUAL MEETINGS

The Old Bylaws require an annual meeting each year. The Amended and Restated Bylaws remove this requirement as holding an annual general meeting is not a requirement under the Nevada Revised Statutes.

QUORUM

The Old Bylaws set quorum for a shareholders' meeting at a majority of the outstanding shares of the Company entitled to vote to at the meeting. The Amended and Restated Bylaws set quorum for a shareholders' meeting at ten percent of the outstanding shares of the Company entitled to vote at the meeting.

11

SPECIAL MEETINGS OF STOCKHOLDERS

The Old Bylaws provide that special meetings of the stockholders may be called by the Board, the President, or by the holders of not less than one-tenth (1/10) of all of the shares of the Company entitled to vote at such meeting. The Amended and Restated Bylaws provide that special meetings of the stockholders may be called by the President or the Secretary by resolution of the Board or at the request in writing of stockholders owning a majority entitled to vote.

PROXY

The Old Bylaws provide that proxies shall not be valid after the expiration of eleven (11) months of the date thereof, unless provided otherwise in the proxy. The Amended and Restated Bylaws remove this section.

ACTION BY SHAREHOLDERS IN LIEU OF MEETING

The Old Bylaws require unanimous written consent in order for the Company's shareholders to take action without a meeting of shareholders. The Amended and Restated Bylaws reduce this requirement to provide that shareholders may take action without a meeting if such action is approved by the written consent of shareholders holding a majority of the voting power of the Company, thereby allowing our shareholders to take action by written consent, with the same approval thresholds as required for meetings, without the necessity of calling a special meeting.

NUMBER OF DIRECTORS

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

The Old Bylaws provide that the number of directors of the Company shall be established by resolution of the shareholders of the Company. The Amended and Restated Bylaws state that the number of directors of the Company shall be established by resolution of the Board or shareholders of the Company.

BOARD VACANCIES

The Old Bylaws require that vacancies on the Board may be filled by the affirmative vote of the majority of shareholders of the Company. The Amended and Restated Bylaws allow vacancies to be filled by either the affirmative vote of the majority of shareholders or a majority of the remaining directors, thereby allowing the Company to more timely and efficiently bolster and complement the current slate of directors with additional qualified persons whose background and skills will benefit the Company and its operations.

REMOVAL OF DIRECTORS

Under the Old Bylaws, any director may be removed with or without cause by the vote of holders of a majority of the shares entitled to vote at an election of directors. The Amended and Restated Bylaws increase this requirement by providing that any director may be removed from office by the vote of holders of two-thirds (2/3) of the voting power of the Company. This will make it more difficult for our shareholders to remove our directors.

INDEMNIFICATION

Although both the Old Bylaws and Amended and Restated Bylaws provide for the indemnification of directors or officers of the Company to the full extent permitted by law, the Amended and Restated Bylaws also provide additional detail with respect to the types of claims for which such individuals may be indemnified, exceptions to the Company's indemnification requirements, expense reimbursement, determination that indemnification is proper, and insurance.

12

AMENDMENT

The Old Bylaws provide that the bylaws may be amended by the vote of a majority of the shareholders of the Company, while the Amended and Restated Bylaws state that the bylaws may be amended by shareholders or the Board. We are also requesting an amendment to our articles to allow our Amended and Restated Bylaws to be amended by our Board.

ANTI-TAKEOVER EFFECTS

These changes may also have anti-takeover effects, making it more difficult for or preventing a third-party from acquiring control of our company or changing our Board and management. These provisions may also have the effect of deterring hostile takeovers or delaying changes in our control or in our management. One common method for a shareholder to takeover a company is for the shareholder to call a meeting. Shareholders owning 10% of our issued and outstanding common shares will no longer be permitted to call a meeting of our shareholders. Only shareholders owning a majority of our issued and outstanding common shares are permitted to call a meeting of our shareholders. This may discourage a third party from acquiring shares for the purpose of calling a shareholders' meeting. Further, we now require shareholders owning two-thirds (2/3) of the voting power of the Company to remove directors. This may discourage a third party from acquiring shares for the purpose of removing our directors. Further our directors may increase the size of the Board. This may discourage our shareholders from calling a meeting to remove the existing directors, as our Board could increase the size of the Board and fill the vacancy. The

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

shareholders who called the meeting would not obtain control over a majority of our Board.

The Amended and Restated Bylaws also include administrative and stylistic changes which have not been detailed herein. The full text of the Amended and Restated Bylaws are attached hereto as Exhibit B. The Board encourages shareholders to review Exhibit B in its entirety.

The Board unanimously recommends a vote "FOR" the approval of The Amended and Restated Bylaws.

"HOUSEHOLDING" OF PROXY MATERIALS

The Securities and Exchange Commission permits companies and intermediaries such as brokers to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement or annual report, as applicable, addressed to those stockholders. This process, which is commonly referred to as "householding", potentially provides extra conveniences for stockholders and cost savings for companies.

Although we do not intend to household for our stockholders of record, some brokers household our proxy materials and annual reports, delivering a single proxy statement annual report to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or annual report, or if you are receiving multiple copies of either document and wish to receive only one, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker.

STOCKHOLDER PROPOSALS

We have historically not held annual meetings of stockholders and if we decide to hold an annual meeting of stockholders, the deadline for submitting stockholder proposals for inclusion in our proxy statement and form of proxy for the next annual meeting of stockholders is a reasonable time before we begin to print and send our proxy materials. Proposals received after such time will be considered untimely. In addition, the acceptance of such proposals is subject to the Securities and Exchange Commission guidelines.

All stockholder proposals, notices and requests should be made in writing and sent via registered, certified or express mail to Business Outsourcing Services Inc., 1001 SW 5th Avenue, Suite 1100, Portland OR 97204 , Attention: President.

The Corporation will indemnify to the fullest extent permitted by law any person (the "Indemnitee") made or threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative (whether or not by or in the right of the Corporation) by reason of the fact that he or she is or was a director of the

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

time, at which annual meeting the stockholders shall elect by vote a Board of Directors and transact such other business as may properly be brought before the meeting.

SECTION 2 SPECIAL MEETINGS

Special meetings of the stockholders for any purpose or purposes, unless otherwise prescribed by statute or by the Articles of Incorporation, may be called by the President or the Secretary by resolution of the Board of Directors or at the request in writing of stockholders owning a majority in amount of the entire capital stock of the Corporation issued and outstanding and entitled to vote. Such request shall state the purpose of the proposed meeting.

SECTION 3 PLACE OF MEETINGS

All annual meetings of the stockholders shall be held at the registered office of the Corporation or at such other place within or outside the State of Nevada as the Board of Directors shall determine. Special meetings of the stockholders may be held at such time and place within or outside the State of Nevada as shall be stated in the notice of the meeting, or in a duly executed waiver of notice thereof.

SECTION 4 QUORUM; ADJOURNED MEETINGS

The holders of at least ten percent (10%) of the stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business except as otherwise provided by statute or by the Articles of Incorporation. If, however, such quorum shall not be present or represented at any meeting of the stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified.

SECTION 5 VOTING

Each stockholder of record of the Corporation holding stock which is entitled to vote at a meeting shall be entitled at each meeting of stockholders to one vote for each share of stock standing in their name on the books of the Corporation. Upon the demand of any stockholder, the vote for members of the Board of Directors and the vote upon any question before the meeting shall be by ballot.

When a quorum is present or represented at any meeting, the vote of the holders of a majority of the stock having voting power present in person or represented by proxy shall be sufficient to elect members of the Board of Directors or to decide any question brought before such meeting, unless the question is one upon which by express provision of the statutes or of the Articles of Incorporation, a different vote is required in which case such express provision shall govern and control the decision of such question.

SECTION 6 PROXIES

At any meeting of the stockholders, any stockholder may be represented and vote by a proxy or proxies appointed by an instrument in writing. In the event that any such instrument in writing shall designate two or more persons to act as proxies, a majority of such persons present at the meeting, or, if only one shall be present, then that one shall have and may exercise all of the powers conferred by such written instrument upon all of the persons so designated unless the instrument shall otherwise provide. No proxy or power of attorney to

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

vote shall be used to vote at a meeting of the stockholders unless it shall have been filed with the secretary of the meeting. All questions regarding the qualification of voters, the validity of proxies and the acceptance or rejection of votes shall be decided by the inspectors of election who shall be appointed by the Board of Directors, or if not so appointed, then by the presiding officer of the meeting.

SECTION 7 ACTION - WITHOUT MEETING

Any action which may be taken by the vote of the stockholders at a meeting may be taken without a meeting if authorized by the written consent of stockholders holding at least a majority of the voting power, unless the provisions of the statutes or of the Articles of Incorporation require a greater proportion of voting power to authorize such action in which case such greater proportion of written consents shall be required.

ARTICLE 2 DIRECTORS

SECTION 1 MANAGEMENT OF CORPORATION

The business of the Corporation shall be managed by its Board of Directors which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Articles of Incorporation or by these Bylaws directed or required to be exercised or done by the stockholders.

SECTION 2 NUMBER, TENURE, AND QUALIFICATIONS

The number of directors which shall constitute the whole board shall be at least one. The number of directors may from time to time be increased or decreased by resolution of the Board of Directors to not less than one nor more than fifteen. The Board of Directors shall be elected at the annual meeting of the stockholders and except as provided in Section 2 of this Article, each director elected shall hold office until his successor is elected and qualified. Directors need not be stockholders.

SECTION 3 VACANCIES

Vacancies in the Board of Directors including those caused by an increase in the number of directors, may be filled by a majority of the remaining Board of Directors, though not less than a quorum, or by a sole remaining director, and each director so elected shall hold office until his successor is elected at an annual or a special meeting of the stockholders. The holders of two-thirds of the outstanding shares of stock entitled to vote may at any time peremptorily terminate the term of office of all or any of the members of the Board of Directors by vote at a meeting called for such purpose or by a written statement filed with the secretary or, in his absence, with any other officer. Such removal shall be effective immediately, even if successors are not elected simultaneously.

A vacancy or vacancies in the Board of Directors shall be deemed to exist in case of the death, resignation or removal of any directors, or if the authorized number of directors be increased, or if the stockholders fail at any annual or special meeting of stockholders at which any director or directors are elected to elect the full authorized number of directors to be voted for at that meeting.

If the Board of Directors accepts the resignation of a director tendered to take effect at a future time, the Board of Directors or the stockholders shall have power to elect a successor to take office when the resignation is to become effective.

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

No reduction of the authorized number of directors shall have the effect of removing any director prior to the expiration of his term of office.

SECTION 4 ANNUAL AND REGULAR MEETINGS

Regular meetings of the Board of Directors shall be held at any place within or outside the State which has been designated from time to time by resolution of the Board of Directors or by written consent of all members of the Board of Directors. In the absence of such designation, regular meetings shall be held at the registered office of the Corporation. Special meetings of the Board of Directors may be held either at a place so designated or at the registered office.

Regular meetings of the Board of Directors may be held without call or notice at such time and at such place as shall from time to time be fixed and determined by the Board of Directors.

SECTION 5 FIRST MEETING

The first meeting of each newly elected Board of Directors shall be held immediately following the adjournment of the meeting of stockholders and at the place thereof. No notice of such meeting shall be necessary to the Board of Directors in order to legally constitute the meeting, provided a quorum be present. In the event such meeting is not so held, the meeting may be held at such time and place as shall be specified in a notice given as hereinafter provided for special meetings of the Board of Directors.

SECTION 6 SPECIAL MEETINGS

Special meetings of the Board of Directors may be called by the Chairman or the President or by any Vice President or by any two directors.

Written notice of the time and place of special meetings shall be delivered personally to each director, or sent to each director by mail, facsimile transmission, electronic mail or by other form of written communication, charges prepaid, addressed to him at his address as it is shown upon the records or if such address is not readily ascertainable, at the place in which the meetings of the Board of Directors are regularly held. In case such notice is mailed, it shall be deposited in the United States mail at least five (5) days prior to the time of the holding of the meeting. In case such notice is hand delivered, faxed or emailed as above provided, it shall be so delivered at least twenty-four (24) hours prior to the time of the holding of the meeting. Such mailing, faxing, emailing or delivery as above provided shall be due, legal and personal notice to such director.

SECTION 7 BUSINESS OF MEETINGS

The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though held at a meeting duly held after regular call and notice, if a quorum be present, and if, either before or after the meeting, each of the directors not present signs a written waiver of notice, or a consent to holding such meeting, or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

SECTION 8 QUORUM, ADJOURNED MEETINGS

A majority of the authorized number of directors shall be necessary to constitute a quorum for the transaction of business, except to adjourn as hereinafter provided. Every act or decision made by a majority of the directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board of Directors, unless a greater number be required by law or

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

by the Articles of Incorporation. Any action of a majority, although not at a regularly called meeting, and the record thereof, if assented to in writing by all of the other members of the Board of Directors shall be as valid and effective in all respects as if passed by the Board of Directors in regular meeting.

A quorum of the Board of Directors may adjourn any meeting of the Board of Directors to meet again at a stated day and hour-provided, however, that in the absence of a quorum, a majority of the directors present at any meeting of the Board of Directors, either regular or special, may adjourn from time to time until the time fixed for the next regular meeting of the Board of Directors.

Notice of the time and place of holding an adjourned meeting need not be given to the absent directors if the time and place be fixed at the meeting adjourned.

SECTION 9 COMMITTEES

The Board of Directors may, by resolution adopted by a majority of the Board of Directors, designate one or more committees of the Board of Directors, each committee to consist of at least one or more of the members of the Board of Directors which, to the extent provided in the resolution, shall have and may exercise the power of the Board of Directors in the management of the business and affairs of the Corporation and may have power to authorize the seal of the Corporation to be affixed to all papers which may require it. Such committee or committees shall have such name or names as may be determined from time to time by the Board of Directors. The members of any such committee present at any meeting and not disqualified from voting may, whether or not they constitute a quorum, unanimously appoint another member of the Board of Directors to act at the meeting in the place of any absent or disqualified member. At meetings of such committees, a majority of the members or alternate members shall constitute a quorum for the transaction of business, and the act of a majority of the members or alternate members at any meeting at which there is a quorum shall be the act of the committee.

The committees shall keep regular minutes of their proceedings and report the same to the Board of Directors.

SECTION 10 ACTION WITHOUT MEETING

Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting if a written consent thereto is signed by all members of the Board of Directors or of such committee, as the case may be, and such written consent is filed with the minutes of proceedings of the Board of Directors or committee.

SECTION 11 SPECIAL COMPENSATION

The directors may be paid their expenses of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like reimbursement and compensation for attending committee meetings.

ARTICLE 3 NOTICES

SECTION 1 NOTICE OF MEETINGS

Notices of meetings of stockholders shall be in writing and signed by the President or a Vice President or the Secretary or an Assistant Secretary or by such other person or persons as the Board of Directors shall designate. Such

Edgar Filing: Business Outsourcing Service, Inc. - Form DEF 14A

notice shall state the purpose or purposes for which the meeting of stockholders is called and the time and the place, which may be within or without this State, where it is to be held. A copy of such notice shall be delivered personally to, sent by facsimile transmission or electronic mail or shall be mailed, postage prepaid, to each stockholder of record entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before such meeting. If mailed, it shall be directed to a stockholder at his address as it appears upon the records of the Corporation and upon such mailing of any such notice, the service thereof shall be complete and the time of the notice shall begin to run from the date upon which such notice is deposited in the mail for transmission to such stockholder. Personal delivery of any such notice to any officer of a Corporation or association, or to any member of a partnership shall constitute delivery of such notice to such Corporation, association or partnership. In the event of the transfer of stock after delivery of such notice of and prior to the holding of the meeting it shall not be necessary to deliver or mail notice of the meeting to the transferee.

SECTION 2 EFFECT OF IRREGULARLY CALLED MEETINGS
