If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition
period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the
Exchange Act. []

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective January 1, 2018, the Board of Directors of Chemung Financial Corporation (the "Corporation") appointed Daniel D. Fariello, 41, as President of the Capital Bank Division of Chemung Canal Trust Company (the "Bank"), with offices in Albany, Saratoga and Schenectady counties of New York State. Prior to becoming President, Mr. Fariello was Senior Vice President, Commercial Loan Manager and Market Executive of the Bank for the Capital Region.

Material components of Mr. Fariello's annual compensation are as follows: (1) base salary of \$190,000; (2) eligible to earn up to a 30% cash bonus of base salary, depending on performance to targets set by the Board of Directors; (3) eligible to earn up to a 30% restricted stock bonus of base salary, depending on performance to targets set by the Board of Directors; (4) club memberships in Albany, New York; (5) an annual car allowance; (6) certain health, life, and disability insurance benefits, on the same terms as other employees of the Bank; (7) eligibility to participate in the Bank's 401(k) Plan, on the same terms as other employees of the Bank; and (8) eligibility to participate in the Bank's defined contribution supplemental employee retirement plan with annual contributions of 20% of base salary.

The Bank and Mr. Fariello also executed a Change of Control Agreement (the "Agreement"). The Agreement provides that if, during the 12 month period after the occurrence of a Change of Control, as defined in the Agreement: i) Mr. Fariello's employment is terminated by the Bank without Cause (also as defined in the Agreement); or ii) Mr. Fariello terminates his employment with the Bank for any reason, the Bank shall pay to Mr. Fariello, in addition to any other compensation or benefits due to him, an amount equal to 2.00 times the highest annual compensation (salary and bonuses) paid by the Bank to Mr. Fariello for any of the two (2) calendar years ending with the year in which his employment is terminated. The severance payments would be paid in equal monthly installments for the 24 months immediately following the effective date of the termination of Mr. Fariello's employment. The Agreement provides further that it is subject to all applicable laws and regulations and that the amount payable to Mr. Fariello is subject to reduction to the extent necessary to ensure that such payment is not an "excess parachute payment" as defined in Section 280-g of the Internal Revenue Code.

The Agreement is furnished as Exhibit 10.1 to this report.
