Item 2.04. Triggering Events that Accelerate or Increase a Direct Financial Obligation.

On February 21, 2006, Citadel Broadcasting Corporation (the "Company") received a letter (the "Letter") from an attorney claiming to represent holders of approximately 31% of the principal amount of the Company's 1.875% Convertible Subordinated Notes due 2011 (the "Notes"). The Letter purported to be a Notice of Default under the Indenture dated February 18, 2004, between the Company and The Bank of New York as Trustee (the "Indenture").

The Letter alleges that events of default have arisen and continue to arise from the Merger Agreement, dated February 6, 2006, by and among The Walt Disney Company ("TWDC"), ABC Chicago FM Radio, Inc., Alphabet Acquisition Corp. and the Company (the "Merger Agreement"). Specifically, the Letter alleges that certain transactions and agreements contemplated by the Merger Agreement will or do constitute a "Fundamental Change" under the Indenture. The Letter also alleges that the Company has repudiated its obligations under the Indenture and that such repudiation constitutes an event of default under the Indenture. The Letter includes a demand that the Company cure immediately the purported events of default referenced therein.

The Company does not believe that any of the transactions or agreements contemplated by the Merger Agreement will or do constitute a "Fundamental Change" under the Indenture. In the event of a "Fundamental Change," subject to the terms and conditions of the Indenture, holders of Notes would have the right to require the Company to repurchase all or a portion of such holder's Notes at a repurchase price of 100% of the principal amount of such Notes plus accrued interest. In addition, the Company does not believe that any "Event of Default," as defined in the Indenture, has occurred. If any of the events described in the Letter were to be an "Event of Default" and were to be continuing, subject to the terms and conditions of the Indenture, the Trustee or holders of at least 25% in aggregate principal amount of the outstanding Notes could declare the principal of and accrued interest on all Notes to be due and payable, and there could be an event of default under the Credit Agreement ("Credit Agreement") dated August 17, 2004, among the Company, Citadel Broadcasting Company, JPMorgan Chase Bank as Administrative Agent and certain other agents and lenders. The Company intends to vigorously defend itself against the claims in the Letter.
