*re: **RoboGroup T.E.K. Ltd** **Immediate Disclosure***

RoboGroup T.E.K. Ltd. (the Company or RoboGroup ) announced as follows:

RoboGroup's board of directors determined today, December 29, 2003, to substantially limit its future investment in its subsidiaries, MemCall LLC and MemCall Ltd. ( MemCall ). MemCall's contacts with third parties have not resulted in any agreements to date, and MemCall's board of directors believes, following answers received in the last few days, that it is not close to signing any agreements in the near future. Memcall has exhausted substantially all of the approximately \$ 4.5 million invested by RoboGroup.

MemCall will release most of its employees and will continue to employ the others on a limited basis, primarily to maintain MemCall's intellectual property rights and to continue efforts to find investors and strategic partners, as well as potential customers and potential buyers for its technology.

Mr. Rafael Aravot, RoboGroup's CEO will be nominated as the Chairman of MemCall. Mr. Bill Eichen will continue in his role as CEO of MemCall.

Very truly yours

RoboGroup T.E.K Ltd
