SECTION 5 - CORPORATE GOVERNANCE AND MANAGEMENT

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Amendment to Bylaws

In conjunction with the Company's previous application for the listing of its common stock on the American Stock Exchange ("AMEX"), the Company's Board of Directors previously finalized (on August 15, 2007) and, effective on October 21, 2007, recently ratified and confirmed, the rescission and replacement of Bylaw 2.9 of the Company's Amended and Restated Bylaws (the "Bylaws") in order to ensure, in accordance with the Rules of AMEX, that the Company's Bylaws not be interpreted so as to in any manner restrict or allow the closing of the Company's transfer book for any reason, including, without limitation, in connection with the determination of the record date for any stockholders' meeting. As such, the Company's Bylaw 2.9 has been rescinded and replaced in its entirety with the following new Bylaw 2.9:

"2.9 Record Date. For the purpose of determining stockholders entitled to notice of or to vote at any meeting of stockholders, or any adjournment thereof, or stockholders entitled to receive payment of any dividend, or in order to make a determination of stockholders for any other proper purpose, the Board of Directors may fix a date not less than ten (10) days and not more than sixty (60) days prior to the holding of any such meeting as the day as of which stockholders entitled to notice and to vote at such meeting shall be determined; and only stockholders of record on such day shall be entitled to notice or to vote at such meeting. When a determination of stockholders entitled to vote at any meeting of stockholders has been made as provided in this section, such determination shall apply to any adjournment thereof."

Change in Fiscal Year

Effective also on October 21, 2007, the Company's Board of Directors ratified, confirmed and approved the changing of the Company's fiscal year end from December 31st to July 31st. The Company's Form 10-KSB for the fiscal year ended July 31, 2007 will cover the transition period created as a result of this change in the Company's fiscal year end.

SECTION 7 - REGULATION FD

Item 7.01 Regulation FD Disclosure.

As previously disclosed by the Company in a Current Report on Form 8-K as filed with the Securities and Exchange Commission (the "SEC") on June 7, 2007, the British Columbia Securities Commission (the "BCSC") issued a cease trade order with respect to the Company's securities (the "CTO"), which CTO was limited to the Province of British Columbia, as a consequence for the Company's failure to file a technical report under Canadian National Instrument 43-101 *Standards of Disclosure for Mineral Projects* ("NI 43-101") respecting its material property interests and for not disclosing historical mineral resources in its annual report. Under SEC rules disclosure of historical resources in an annual or other report is prohibited. The Company entered into a series of discussions with the BCSC in order to determine the appropriate manner to satisfy the concerns of the BCSC in order to have the CTO revoked.

As a result of such discussions the Company filed NI 43-101 technical reports for each of its Goliad and Cebolleta Projects and has issued a clarifying news release, dated October 19, 2007 (such new release as set forth in the Company's Current Report on Form 8-K as filed with the SEC on October 22, 2007). As a result the BCSC has now issued a Revocation Order, dated October 22, 2007, whereby the CTO is revoked and trading of the Company's securities may resume.

A copy of the BCSC's Revocation Order is attached to this Current Report on Form 8-K as Exhibit 99.1.
