**Item 9. Regulation FD Disclosure.**

On February 2, 2004, Quality Distribution, Inc. (the Company) issued a press release announcing that it had discovered irregularities at Power Purchasing, Inc. (PPI), a non-core subsidiary. PPI primarily assists independent contractors in obtaining various lines of insurance for which PPI derives fees as an insurance broker. The Company said that its investigation to date indicates that the irregularities resulted from unauthorized actions by PPI's former manager. The Company stated in the press release that the results of the investigation conducted to date also indicate various accounting irregularities at PPI, all related to the activities of the same former manager.

In addition, the Company announced guidance for its expected 2004 revenue growth (before fuel charges) and diluted earnings per share. A copy of the Company's press release is attached hereto as Exhibit 99.1 and hereby incorporated by reference.

**Item 12. Results of Operations and Financial Condition.**

In addition, the same press release issued by the Company on February 2, 2004 announced that the accounting and insurance issues will result in a restatement in the Company's unaudited financial statements for the nine months ended September 30, 2003 and its audited financial statements for the years ended December 31, 2002 and 2001. The Company stated in the press release that the total reduction to operating income is expected to be approximately \$10 million for the time period prior to 2003 and approximately \$6 million for the nine months ended September 30, 2003. The Company also announced certain information regarding financial results for the fourth quarter ended December 31, 2003. A copy of the Company's press release is attached hereto as Exhibit 99.1 and is hereby incorporated by reference.
