Unless otherwise directed, the persons named as proxies and attorneys in the enclosed form of proxy intend to vote FOR the election of the nominees listed below as directors for the ensuing term and until their successors are duly elected and qualified. If any such nominee for any reason should not be available as a candidate for director, votes will be cast pursuant to authority granted by the enclosed proxy for such other candidate or candidates as may be nominated by management. The backgrounds of the directors with terms expiring in 2004 are summarized above.

Committees of the Board

The Company's Executive Committee is currently comprised of five directors, two of whom are current or former employees of the Company. The current members of the Executive Committee are Messrs. Fulp, Hortman, Hunnicutt, Jeter and Weltzbarker. The Executive Committee is authorized to exercise all of the powers of the Board, except the power to declare dividends, elect directors, amend the Company's Bylaws, issue stock or recommend any action to the Company's shareholders. The Executive Committee, among other things, considers and makes recommendations to the Board regarding the size and composition of the Board, recommends and nominates candidates to fill Board vacancies that occur and recommends to the Board the director nominees for whom the Board will solicit proxies.

The Company's Executive Loan Committee is currently comprised of seven members. Five members of the Executive Loan Committee are directors of the Company, and the two remaining members are non-director employees of the Company. The current members of the Executive Loan Committee are Messrs. Hortman, Hunnicutt, Jeter, Weltzbarker and Wortman, and O. Mitchell Smith, the Company's Director of Credit Administration and Jon S. Edwards, the South Regional Executive. The Executive Loan Committee is responsible for reviewing and approving all of the loan and credit requests involving principal amounts between \$2.5 million and \$5.0 million for the Company and each of the Company's eleven subsidiary banks (collectively, the Banks).

The Company's Compensation Committee is currently comprised of six directors, Messrs. Fulp, Hortman, Hunnicutt, Jeter, Weltzbarker and Welchel. Messrs. Hortman and Hunnicutt served as non-voting members of the Compensation Committee during the year ended December 31, 2003. The duties of the Compensation Committee are generally to establish the salaries, bonuses, management perquisites and other compensation of the officers of the Company and the Banks. The Compensation Committee also has the authority to administer and interpret the Company's 401(k) Profit Sharing Plan, the ABC Bancorp Omnibus Stock Ownership and Long Term Incentive Plan, and the 1997 Incentive Stock Option Plan for Mr. Hunnicutt, including the selection of eligible participants in such plans and the type, amount, duration, acceleration and vesting of individual grants and awards made thereunder.

The Company's Audit Committee is currently comprised of three members, none of whom is a current or former employee of the Company or any of its subsidiaries and all of whom are, in the opinion of the Board, free from any relationship that would interfere with the exercise of independent judgment in the discharge of the Audit Committee's duties. See Report of the Audit Committee of the Board. The current members of the Audit Committee are Messrs. Fulp, Jeter and Wortman. The Audit Committee represents the Board in discharging its responsibility relating to the accounting, reporting and financial practices of the Company and its subsidiaries and has general responsibility for surveillance of internal controls and accounting and audit activities of the Company and its subsidiaries.

The Company has an Asset Liability Management Committee currently comprised of thirteen members, four of whom are directors of the Company and the rest of whom are non-director employees of the Company. The directors who serve on the Asset Liability Management Committee are Messrs. Hortman, Hunnicutt, Jeter and Wortman. Messrs. Jeter and Wortman are non-employee directors. The Asset Liability Management Committee manages the Company's assets so as to minimize risk and maximize profits by managing the Company's mix of assets so that non-earning assets are minimized. The Asset Liability Management Committee guards against any concentration of assets (e.g., excessive amounts of loans to one borrower or excessive amounts of investment securities from the same issuer) to minimize risk and ensures that reserves against losses are adequate to prevent depletion of earnings. The Asset Liability Management Committee also approves the overall strategy of the Company's investment portfolio.

The Company also has an Investment Committee currently comprised of eight members, three of whom are directors of the Company (Messrs. Hortman, Hunnicutt and Wortman), and the rest of whom are non-director employees of the Company (Mr. Wortman is a non-employee director of the Company). The Investment Committee is responsible for overseeing the implementation of overall investment portfolio strategy approved by the Asset Liability Management Committee.

The Company does not have a standing nominating committee or a charter with respect to the nominating process. The Board is of the view that such a committee is unnecessary given the relatively small number of directors elected each year and the fact that all directors are considered and recommended to the shareholders by the full Board, a majority of which is comprised of independent directors. If the Board appointed such a committee, its membership would consist of the independent directors or a subset of them. To date, all director nominees have been identified by current directors or management. The Company has never engaged a third party to identify director candidates, and the Company has never received a proposed director candidate from a source outside of the Company. However, the Board would consider any director candidate proposed in good faith by a shareholder of the Company. To do so, a shareholder should send the director candidate's name, credentials, contact information and his or her consent to be considered as a candidate to the Secretary of the Company. The proposing shareholder should also include his or her contact information and a statement of his or her share ownership (how many shares owned and for how long). The Board will evaluate candidates based on financial literacy, knowledge of the Company's industry or other background relevant to the Company's needs, status as a stakeholder in the Company, independence for purposes of compliance with the rules of the Securities and Exchange Commission (the SEC) and National Association of Securities Dealers, Inc. (the NASD), and willingness, ability and availability for service.

In 2003, the Board held 12 meetings and acted once by unanimous written consent in lieu of a meeting, the Executive Committee held 12 meetings, the Executive Loan Committee held 30 meetings, the Compensation Committee held six meetings, the Audit Committee held four meetings, and the Asset Liability Management Committee and the Investment Committee each held 12 meetings. Each director attended at least 75% of all meetings of the full Board and of those committees on which he served and was eligible to attend in 2003.

Nine Board members attended the 2003 Annual Meeting of Shareholders, and all members of the Board are being requested to attend the Annual Meeting.

No other member of the Compensation Committee is a current or former employee of the Company or any of its subsidiaries.

The Company and the Banks have had, and expect to have in the future, banking transactions in the ordinary course of business with members of the Compensation Committee, including corporations, partnerships and other organizations in which such members have an interest. The Board believes that the terms of such loans (including interest rates, collateral and repayment terms) are fair and equitable and are substantially the same as terms that were prevailing at the time such loans were made with respect to comparable transactions with unrelated parties. Such transactions do not involve more than the normal risk of collectibility or present other unfavorable features.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD

The Company's executive compensation programs are administered by the Compensation Committee. During 2003, the Compensation Committee was composed of Messrs. Fulp, Hortman, Hunnicutt, Jeter, Weltzbarker and Whelchel.

The Company's executive compensation is designed to attract and retain highly qualified executives and to motivate them to maximize shareholder returns. The base salary for executives is determined in relation to their level of responsibility. Salary ranges are reviewed on an annual basis, taking into consideration, among other things, the financial performance of the Company, and are adjusted as necessary. Salaries are reviewed on an annual basis, and salary changes are based primarily upon individual performance.

In reviewing the performance of Mr. Hunnicutt, the Compensation Committee took into account the Hunnicutt Employment Agreement, which establishes Mr. Hunnicutt's base compensation from year to year. In determining Mr. Hunnicutt's compensation, the Compensation Committee considered the effects of inflation, adjustments to the salaries of other senior management personnel, Mr. Hunnicutt's past performance and the contribution which he made to the business and profits of the Company during fiscal year 2003. The Company's performance in 2003 reflected net income of \$12.0 million, or \$1.23 per basic share of the Common Stock, an increase of 17% from net income for 2002 of \$10.4 million. The Company's total assets were \$1.2 billion as of December 31, 2003 and 2002. The Company experienced an increase in total loans of 2% from \$813 million in 2002 to \$826 million in 2003, and a decrease in total average deposits of 1% from \$894 million in 2002 to \$890 million in 2003. Mr. Hunnicutt's base salary did not change for 2003 at his request.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD

The Board has established a separately-designated standing Audit Committee and adopted an amended and restated charter for the Audit Committee, a copy of which is attached as Exhibit A to this Proxy Statement. The Audit Committee is comprised solely of independent directors, as defined by the listing standards of the NASDAQ, one of which, Daniel B. Jeter, is an audit committee financial expert, as defined by the rules of the SEC. The primary purpose of the Audit Committee is to assist the Board in its general oversight of the Company's financial reporting, internal controls and audit functions.

As more fully described in its charter, the Audit Committee reviews the Company's financial reporting process on behalf of the Board. The Company's management has the primary responsibility for the financial statements and the reporting process, and Mauldin & Jenkins, Certified Public Accountants and Consultants, LLC (Mauldin & Jenkins), the Company's independent auditors and accountants, are responsible for performing an audit in accordance with generally accepted auditing standards to obtain reasonable assurance that the Company's consolidated financial statements are free from material misstatement and expressing an opinion on the conformity of the financial statements with generally accepted accounting principles. The Company's internal auditors are responsible to the Audit Committee and the Board for testing the integrity of the financial accounting and reporting control systems and such other matters as the Audit Committee and Board determine.

In this context, the Audit Committee has met and held discussions with management, the Company's internal auditors and Mauldin & Jenkins concerning the consolidated financial statements for the fiscal year ended December 31, 2003. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management, the internal auditors and Mauldin & Jenkins. The Audit Committee discussed with Mauldin & Jenkins the matters required to be discussed by Statement on Auditing Standards No. 61, as amended by Statement of Auditing Standards No. 90 (Audit Committee Communications).

In addition, the Audit Committee has discussed with Mauldin & Jenkins their independence from the Company and its management, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

Based on the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the SEC.

Representatives of Mauldin & Jenkins will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions by shareholders.

All services provided by Mauldin & Jenkins are subject to pre-approval by the Audit Committee. The Audit Committee may authorize any member of the Audit Committee to approve services by Mauldin & Jenkins in the event there is a need for such approval prior to the next full Audit Committee meeting. However, the next Audit Committee must review the decisions made by such authorized member of the Audit Committee at its next scheduled meeting. Before granting any approval, the Audit Committee gives due consideration to whether approval of the proposed service will have a detrimental impact on Mauldin & Jenkins' independence.

Ratification of the appointment of Mauldin & Jenkins as the Company's independent accountants for the fiscal year ended December 31, 2003 requires the affirmative vote of a majority of the outstanding shares of Common Stock which are entitled to vote at the Annual Meeting. Unless otherwise specified, the proxy holders designated in the proxy will vote the shares covered thereby at the Annual Meeting FOR ratification of the appointment of Mauldin & Jenkins. In the event that the shareholders do not ratify the appointment of Mauldin & Jenkins, the appointment will be reconsidered by the Audit Committee and the Board.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF PROPOSAL II.

CERTAIN TRANSACTIONS

The Company and the Banks have engaged in, and in the future expect to engage in, banking transactions in the ordinary course of business with directors and officers of the Company and the Banks and their associates, including corporations, partnerships and other organizations in which such directors and officers have an interest. At December 31, 2003, certain executive officers and directors, and companies in which, as of such date, such executive officers and directors had a ten percent (10%) or more beneficial interest, were indebted to the Banks in the aggregate amount of approximately \$7 million. The Board believes that the terms of such loans (including interest rates, collateral and repayment terms) are fair and equitable and contain substantially the same terms as those prevailing at the time such loans were made for comparable transactions with unrelated parties. Such transactions do not involve more than the normal risk of collectibility or present other unfavorable features.

Since November 1, 1991, the Company has leased a building from Mr. Hunnicutt and Lynn Jones, who serves as a director of one of the Banks, that is used as the Company's operations center in Moultrie, Georgia. On August 1, 2003 the Company renewed the lease, increasing the rent payments from \$5,667 to \$6,500 per month. Rent payments for 2003 under the extended lease, which expires on July 31, 2008, totaled \$72,167.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and persons who own more than 10% of the Common Stock to file with the SEC initial reports of ownership and reports of changes in ownership of the Common Stock. They are also required to furnish the Company with copies of all Section 16(a) forms they file with the SEC.

To the Company's knowledge, based solely on its review of the copies of such reports furnished to it and written representations that no other reports were required, during the fiscal year ended December 31, 2003, all of the Company's officers, directors and greater than 10% shareholders complied with all applicable Section 16(a) filing requirements, except that Mitchell Smith, who was promoted to the position of Director of Credit Administration in July 2003, did not file a Form 3 until August 2003, reporting that he did not beneficially own any shares of Common Stock.

OTHER MATTERS

The Board does not contemplate bringing before the Annual Meeting any matter other than those specified in the accompanying Notice of Annual Meeting of Shareholders, nor does it have information that other matters will be presented at the Annual Meeting. If other matters come before the Annual Meeting, signed proxies will be voted upon such questions in accordance with the best judgment of the persons acting under the proxies.

SHAREHOLDER PROPOSALS

Any shareholder proposal intended to be presented at the Company's annual meeting of shareholders to be held in 2005 and to be included in the Company's proxy statement and form of proxy for that meeting must be in writing and must be received by the Company, directed to the attention of the Secretary, not later than November 12, 2004. Any such proposal must comply in all respects with the rules and regulations of the SEC.

ANNUAL REPORT

A copy of the Company's Annual Report to Shareholders is enclosed with this Proxy Statement. The Annual Report to Shareholders is not a part of the proxy soliciting material enclosed herewith. The Company's Annual Report to the SEC on Form 10-K for the fiscal year ended December 31, 2003, will be filed with the SEC prior to the Annual Meeting. Upon receipt of a written request, the Company will, without charge, furnish any owner of its Common Stock a copy of its Annual Report to the SEC on Form 10-K for the fiscal year ended December 31, 2003, including financial statements and the footnotes thereto. Such request should be directed to the Secretary of the Company at the address indicated on the first page of this Proxy Statement.

I. PURPOSE

The primary function of the audit committee (the **Audit Committee**) of the Board of Directors (the **Board**) of ABC Bancorp (the **Corporation**) is to assist the Board in fulfilling its oversight responsibilities relating to the accounting, legal and reporting practices of the Corporation. The Audit Committee shall provide assistance to the directors in fulfilling their responsibility to the shareholders of the Corporation, relating to corporate accounting, reporting practices of the Corporation and the quality and integrity of the financial reports of the Corporation. Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Corporation's policies, procedures and practices. The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter.

II. COMPOSITION

The Audit Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be independent directors and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee. All members of the Audit Committee shall meet the independence, experience and expertise requirements of the National Association of Securities Dealers, Inc. (the **NASD**), the Sarbanes-Oxley Act of 2002 and applicable rules and regulations of the Securities and Exchange Commission (the **SEC**). At all times at least one member of the Audit Committee shall be an audit committee financial expert within the meaning of Section 407 of the Sarbanes-Oxley Act of 2002 and applicable rules and regulations of the SEC. The Board shall elect members of the Audit Committee each year at a regular or special meeting of the Board or until their successors shall be duly elected and qualified. Unless the full Board elects a Chairman, the members of the Audit Committee may designate a Chairman by majority vote of the full Audit Committee membership.

III. MEETINGS

Regular meetings of the Audit Committee may be held without notice at such time and at such place as shall from time to time be determined by the Chairman of the Audit Committee, the President or the Secretary of the Corporation. Special meetings of the Audit Committee may be called by or at the request of any member of the Audit Committee, any of the Corporation's executive officers, the Secretary, the director of Corporation's internal auditing department, if any, or the Corporation's independent auditors, in each case on at least twenty-four hours notice to each member.

Edgar Filing: ABC BANCORP - Form DEF 14A

A majority of the Audit Committee members shall constitute a quorum for the transaction of the Audit Committee's business. Unless otherwise required by applicable law, the Corporation's Articles of Incorporation

A-1

Any action of the Audit Committee may be taken by a written instrument signed by all of the members of the Audit Committee. Meetings of the Audit Committee may be held at such place or places as the Audit Committee shall determine or as may be specified or fixed in the respective notices or waivers of meetings. Members of the Audit Committee may participate in Audit Committee proceedings by means of conference telephone or similar communications equipment by means of which all persons participating in the proceedings can hear each other, and such participation shall constitute presence in person at such proceedings

As part of its job to foster open communication, the Audit Committee should meet at least annually with management, the director of the Corporation's internal auditing department, if any, and the Corporation's independent accountants in separate executive sessions to discuss any matters that the Audit Committee or each of these groups believe should be discussed privately.

1. Be directly responsible for the selection, appointment, compensation, oversight and, where appropriate, authorization of the replacement of the auditors. The Audit Committee shall determine compensation for the auditors on an annual basis and approve, in advance, all audit services to be performed by the auditors. 2. The Audit Committee may delegate pre-approval authority to a member of the Audit Committee. The decisions of any Audit Committee member to whom pre-approval authority is delegated must be presented to the full Audit Committee at its next scheduled meeting.
3.
