## **Table of Contents**

### ***Who can vote?***

The record holders of our common stock on the close of business as of May 10, 2004, the record date, are entitled to notice of and to vote at our Annual Meeting or any adjournments thereof. As of the record date, 18,231,628 shares of our common stock were issued and outstanding. As of the record date, we had approximately 400 stockholders of record. Each outstanding share of our common stock is entitled to one vote upon each matter presented. A list of stockholders entitled to vote will be available for inspection by any stockholder at our corporate headquarters at 6757 Spencer Street, Las Vegas, Nevada prior to or at our Annual Meeting.

### ***What constitutes a quorum?***

In order to conduct our annual meeting, a majority of the outstanding shares entitled to vote must be represented in person or by proxy. This is known as a quorum. Abstentions and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, referred to as broker non-votes, will count toward establishing a quorum.

### ***How do I vote?***

There are two ways to vote:

By completing and mailing the enclosed proxy card; or

By written ballot at our Annual Meeting.

If you are a beneficial owner and your broker holds your shares in its name, the broker is permitted to vote your shares on each of the proposals even if the broker does not receive voting instructions from you.

If your shares are held in the name of a broker, bank or other holder of record, you are invited to attend our annual meeting, but may not vote at our annual meeting unless you have first obtained a proxy, executed in the stockholders' favor, from the holder of record.

### ***What does it mean if I get more than one proxy?***

It means your shares are held in more than one account. Please vote all proxies to ensure all your shares are counted.

### ***Can I change my vote or revoke my proxy?***

You can change your vote or revoke your proxy at any time prior to the closing of the polls, by:

Returning a later-dated proxy card;

Voting in person at our annual meeting; or

Notifying our Secretary by written revocation letter.

Our Secretary is Gregory L. Hrcir. Any revocation should be filed with him at our corporate headquarters at 6757 Spencer Street, Las Vegas, Nevada.

Attendance at our annual meeting will not in itself constitute revocation of a proxy. All shares entitled to vote and represented by properly completed proxies timely received and not revoked will be voted as you direct. If no direction is given, the proxies will be voted as our board recommends.

**Table of Contents**

***Who conducts the proxy solicitation?***

Our board of directors is soliciting these proxies. We will bear the cost of the solicitation of proxies. Our regular employees may solicit proxies by mail, by telephone, personally or by other communications, without compensation apart from their normal salaries.

***Who will count the votes?***

Our board of directors will appoint one or more employees to serve as the inspector(s) of elections to tabulate the votes cast by proxy or in person at the annual meeting. The inspector(s) of elections will also determine whether or not a quorum is present.

***Do I have any appraisal rights in connection with any matter to be acted upon?***

No. Our shareholders do not have appraisal rights in connection with any matter to be acted upon.

***Who can help answer my questions?***

If you have any questions about the annual meeting or the proposals to be voted on at the annual meeting, or if you need additional copies of this proxy statement or copies of any of our public filings referred to in this proxy statement, you should contact our Secretary, Gregory L. Hrcir, at (702) 407-2471. Our public filings can also be accessed at the Securities and Exchange Commission's website at [www.sec.gov](http://www.sec.gov).

**Table of Contents****PROPOSAL 1 ELECTION OF DIRECTORS**

Our board of directors has proposed the re-election of each current member of the board for a one-year term expiring at the 2005 Annual Meeting of Stockholders and until their respective successors have been duly elected and qualified. Directors will be elected by the affirmative vote of the holders of a majority of our common stock present, or represented, at the Annual Meeting, as long as a quorum is present.

### **BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD**

Our business affairs are conducted under the direction of our board of directors. The role of our board of directors is to effectively govern our affairs for the benefit of our stockholders and, to the extent appropriate under governing law, of other constituencies, which include our employees, customers, suppliers and creditors. Our board strives to ensure the success and continuity of our business through the selection of a qualified management team. It is also responsible for ensuring that our activities are conducted in a responsible ethical manner.

The framework for our corporate governance is provided by: (a) Utah corporate law, (b) our articles of incorporation and our bylaws, and (c) our code of ethics. In addition, we are governed by all applicable laws, rules and regulations, including the gaming laws and rules of every jurisdiction in which we or our products are licensed, the federal securities laws and the rules of the Securities and Exchange Commission, or the Commission. Our securities are currently quoted on the Over The Counter Bulletin Board under the symbol `GMEI`. Our code of ethics, which applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, is available on our website at [www.gaming-group.com](http://www.gaming-group.com). We may revise this policy from time to time and will promptly post revisions on our website.

During fiscal year 2003, our board of directors held one special meeting and acted by unanimous written consent on two other occasions, but did not hold any regular meetings. Each director attended at least 75% of the board meetings and committee meetings during the period he served as a member. Our non-management directors did not meet during fiscal year 2003. We encourage our directors to attend our annual meetings of stockholders; however, we did not have an annual meeting of stockholders in 2003.

Our board of directors does not have any standing committees, including an audit, nominating, or compensation committee. As we recently completed our reorganization transaction on January 12, 2004, our board feels that it is appropriate not to have a nominating committee at this time as we are focusing our resources on integrating and expanding the business operations of Gaming & Entertainment Group, Inc. At such time, as we strengthen our core business, we expect to conduct a search for independent persons to serve on our board who can perform the functions contemplated by the various committees. We anticipate that all of the members of our board of directors will participate in the consideration of our director nominees and new director candidates. We have not adopted a formal policy with regard to the consideration of director candidates recommended by stockholders.

### **COMPENSATION OF DIRECTORS**

Directors who are also employees will not be compensated for their services as directors. Upon adoption of the 2004 Plan, each non-employee director is automatically granted a nonstatutory option to purchase 25,000 shares of our common stock upon their appointment as a non-employee director. In addition, upon the conclusion of each regular annual meeting of our stockholders occurring, and following the meeting at which they were appointed, each non-employee director who continues serving as a member of our board will receive a nonstatutory option to purchase 25,000 shares. All such nonstatutory options shall vest and become exercisable at the date of grant. In addition to the foregoing, since the reorganization on January 12, 2004, we issued options to purchase 25,000 shares of common stock to our non-employee director. We intend to reimburse non-employee directors for their reasonable expenses incurred in attending each directors meeting along with a cash fee of \$500 for each board and committee meeting attended.

### **RECOMMENDATION OF THE BOARD OF DIRECTORS**

Our board of directors recommends that you vote FOR all the director nominees.

**PROPOSAL 2 APPROVAL OF OUR 2004 STOCK OPTION AND INCENTIVE PLAN**

**INTRODUCTION**

On April 1, 2004, our board of directors approved the 2004 Stock Option and Incentive Plan, or the 2004 Plan. The 2004 Plan, as adopted, authorized the grant of options for 3,500,000 shares of our common stock. As of May 10, 2004, options to purchase 818,104 shares are available under the 2004 Plan.

The following summary of the principal features of the 2004 Plan is not intended to be complete and is qualified in its entirety by reference to the 2004 Plan. A copy of the 2004 Plan is attached as **Appendix A** to this proxy statement.

**SUMMARY OF THE 2004 PLAN**

*Purpose.* The 2004 Plan is intended to promote the interests of Gaming & Entertainment Group, Inc. and our stockholders by offering our employees, directors, independent contractors and advisors, upon whose judgment, initiative and effort we are largely dependent for the successful conduct of our business, the opportunity to participate in a stock option and incentive plan designed to reward them for their services and to encourage them to continue in the employ of, or to provide services to, us.

*Administration.* The 2004 Plan is administered by our board of directors. Our board of directors, at its discretion, shall approve each grant of options (nonstatutory and incentive) and shall determine the number of shares, whether the option is nonstatutory or incentive, the exercise price, and the date when all or any installment of the option is to become exercisable. Upon the creation of a compensation committee, our board of directors will delegate the responsibility for administration of the 2004 Plan to the compensation committee. We propose to form a compensation committee that shall be composed solely of two or more non-employee directors or otherwise have such composition that enables the options or other rights granted under the 2004 Plan to qualify for exemption under Rule 16b-3 of the Securities Exchange Act of 1934 with respect to persons who are subject to Section 16 of the Securities Exchange Act of 1934.

*Eligibility.* Nonstatutory options may be granted to any individual who is an employee, is a member of our board, or is an independent contractor or advisor who performs services for us or a subsidiary. Each non-employee director is automatically granted a nonstatutory option to purchase 25,000 shares of our common stock upon their appointment as a non-employee director. In addition, upon the conclusion of each regular annual meeting of our stockholders occurring, and following the meeting at which they were appointed, each non-employee director who continues serving as a member of our board will receive a nonstatutory option to purchase 25,000 shares. All such nonstatutory options shall vest and become exercisable at the date of grant. Incentive options may be granted to any employee or an employee of a subsidiary.

*Option Price and Option Term.* Options granted under the 2004 Plan will have an exercise price equal to not less than 100% of the fair market value of a share of our common stock on the date of grant. Subject to the preceding sentence, the exercise price under any option shall be determined by the compensation committee at its sole discretion. Options may be exercised by payment of the option price in full either in cash or by certified or cashier's check payable to the order of Gaming & Entertainment Group, Inc., at the discretion of our board of directors, in common stock acquired by the optionee in the open market or which have already been owned for more than six months, or at the discretion of the compensation committee, as consideration of services rendered to us or a subsidiary.

*Termination of Options.* The term of any option grant of nonstatutory or incentive options shall not exceed ten years from the date of grant. If an optionee ceases to be employed by us or a subsidiary, except by reason of death or permanent disability, any options granted to him will terminate 90 days from the date on which his relationship with us terminates. During the 90-day period, the optionee may exercise any option granted to him but only to the extent such option was exercisable on the date of termination of his

## **Table of Contents**

relationship and provided that such option has not previously expired by its own terms or otherwise terminated under the 2004 Plan. However, pursuant to the terms of the executive employment agreements entered into with Tibor N. Vertes and Gregory L. Hrnecir, each of the vested options held by them may be exercised through the expiration date set forth on the face of the relevant option grant.

*Awards or Sales.* Under the 2004 Plan, as our board of directors deems appropriate, our board of directors may also award various awards or sales subject to the applicable terms and conditions of the 2004 Plan. Any right to acquire shares of our common stock under the 2004 Plan (other than an option) shall automatically expire if not exercised by the offeree within thirty days after the grant of such right was communicated to the offeree by our board of directors.

*Change in Control.* In the event of a change in control, as defined under the 2004 Plan, all restrictions on all awards or sales of shares of our common stock will lapse and vesting on all unexercised stock options will accelerate to the change of control date.

*Term and Amendment of Plan.* The 2004 Plan shall expire on March 31, 2014, except with respect to options outstanding on that date. Our board may amend, suspend or terminate the 2004 Plan in any respect, at any time, subject to the approval of our stockholders only to the extent required by applicable laws.

## **FEDERAL TAX CONSEQUENCES**

Optionees of incentive stock options will not recognize taxable income upon the exercise of the options, if certain conditions are met, including the employee status of the optionees, the manner in which the options are granted and exercised, and the holding periods applicable to the optionees. The remaining condition pertains to the holding periods. Thus, if the optionee does not dispose of the stock transferred to the optionee within two years from the date of the grant and within one year after the stock is transferred to the optionee, then any gain or loss recognized on the disposition of the stock will be a long-term capital gain or loss equal to the difference between the amount realized by the optionee and the option exercise price. However, the difference between the option exercise price and the amount realized on the option exercise date will be treated as a tax preference item subject to alternative minimum tax. We will not be entitled to any deduction under Internal Revenue Code Section 162 (relating to trade or business expenses) in connection with the grant or exercise of any incentive stock option. However, if stock acquired pursuant to an incentive stock option is disposed of before the expiration of the holding periods, then the excess of fair market value (but not in excess of the amount realized) of such stock on the option exercise date over the option exercise price will be treated as compensation income to the optionee in the year in which such disposition occurs and we will be entitled to a commensurate tax deduction. Any difference between the amount realized and the fair market value of the stock on the option exercise date will be treated as a long-term capital gain or loss if the stock was held more than one year after the option exercise date.

The optionee of a non-statutory stock option, upon exercise or when the option is not subject to a substantial risk of forfeiture, must include in ordinary income subject to federal taxation an amount equal to the excess of the fair market value of the stock acquired at date of exercise over the aggregate price paid pursuant to the option for such stock. Accordingly, we may, as a condition at the exercise of a non-statutory stock option, deduct from payments otherwise due to the optionee the amount of taxes to be withheld by virtue of such exercise or require that the optionee pay such withholding to us or make other arrangements satisfactory to us regarding the payment of such taxes.

When an optionee is granted a non-statutory stock option, no income is recognized for federal income tax purposes at that time because the option is subject to a substantial risk of forfeiture. The optionee, however, may make an appropriate election within thirty days after the date of grant, in which case the optionee would include in the optionee's gross income, for the taxable year in which such option was granted, the excess of the fair market value of the option at the time of the grant over the amount paid for the option. If such an election is not made, the optionee

## Edgar Filing: GAMING & ENTERTAINMENT GROUP INC - Form DEF 14A

will recognize ordinary income on the date that the option is not subject to a substantial risk of forfeiture or the date the options become transferable (generally exercisable), whichever occurs earlier. The ordinary income recognized will be the excess, if any, of the fair market value of the shares on such later date over the option exercise price, and our tax deduction will also be deferred until such later date.

- 7 -

**Table of Contents**

Optionees should consult their own tax counsel as to the consequences under federal, state and local tax laws upon the grant and exercise of the options on the subsequent sale of the stock.

**NEW PLAN BENEFITS**

Because grants and awards under the 2004 Plan are discretionary, we cannot determine the number of options and shares that may be granted or awarded under the 2004 Plan. Notwithstanding the foregoing, we will have our currently outstanding options governed by the 2004 Plan. As of May 10, 2004, we had outstanding options to purchase 2,681,896 shares of common stock. Although new options will not be granted as a result of the approval of the 2004 Plan, the options currently held by the following persons will be subject to, and governed by, the 2004 Plan:

**Table of Contents****ADDITIONAL INFORMATION****BENEFICIAL OWNERSHIP**

The table below sets forth the beneficial ownership of our common stock as of March 31, 2004, by:

All of our directors and executive officers, individually;

All of our directors and executive officers, as a group; and

All persons who beneficially own more than five percent of our outstanding common stock.

The beneficial ownership of each person was calculated based on 17,778,628 shares of our common stock outstanding as of March 31, 2004, according to the record ownership listings as of that date and the verifications we solicited and received from each director, executive officer and five percent holder. The Commission has defined beneficial ownership to mean more than ownership in the usual sense. For example, a person has beneficial ownership of a share not only if the person owns it in the usual sense, but also if he has the power to vote, sell or otherwise dispose of the share. Beneficial ownership also includes the number of shares that a person has the right to acquire within 60 days of March 31, 2004 pursuant to the exercise of options or warrants or the conversion of notes, debentures or other indebtedness, but excludes stock appreciation rights. Two or more persons might count as beneficial owners of the same share. ### **EQUITY COMPENSATION PLAN INFORMATION**

With respect to equity compensation plans, on April 17, 2000, our board of directors authorized a stock option plan for the issuance to key personnel options to purchase up to 2,000,000 shares of common stock (approximately 80,474 shares on a post-reverse split basis). Since the stock option plan was not submitted to our stockholders for approval and since no options had been issued pursuant to the stock option plan, we have elected to terminate the stock option plan as of December 31, 2003. Accordingly, we did not have any options outstanding as of December 31, 2003.

Subsequent to December 31, 2003, we consummated the transactions contemplated by our reorganization transaction with G&EG Nevada. As a result, all of the outstanding options issued by G&EG Nevada were converted into options to purchase shares of our common stock on a one-for-one basis. As of May 10, 2004, we have outstanding options to purchase 2,681,896 shares of common stock with a weighted average exercise price of \$0.78 per underlying share. The conversion of the options was approved by our stockholders as part of the reorganization.

In terms of salary, the employment agreement for Mr. Vertes provides for an annual salary of \$185,000, which may be increased by the board of directors, and an annual cash bonus of \$35,000 to \$100,000 if certain performance goals are met. of all acts or omissions that the Committee may consider as grounds for Termination for Cause.

**3. ADMINISTRATION**

3.1. *Committee Procedures.* The Board shall designate one of the members of the Committee as chairman. The Committee may hold meetings at such times and places as it shall determine. The acts of a majority of the Committee members present at meetings at which a quorum exists, or acts reduced to or approved in writing by all Committee members, shall be valid acts of the Committee.

3.2.2. To adopt, amend or rescind rules, procedures and forms relating to this Plan;

3.2.3. To authorize any person to execute, on behalf of the Company, any instrument required to carry out the purposes of this Plan;

3.2.4. To determine when Shares are to be awarded or offered for sale and when Options are to be granted under this Plan;

3.2.5. To select the Offerees and Optionees;

3.2.6. To determine the number of Shares to be offered to each Offeree or to be made subject to each Option;

3.2.7. To prescribe the terms, restrictions and conditions of each award or sale of Shares, including, without limitation, the Purchase Price and the vesting of the award (including accelerating the vesting of awards);

3.2.8. To prescribe the terms, restrictions and conditions of each Option, including, without limitation, the Exercise Price and the vesting or duration of the Option (including accelerating the vesting of the Option), and to determine whether such Option is to be classified as an Incentive Option or as a Nonstatutory Option;

3.2.11. To take any other actions or make any other determinations or interpretations deemed necessary or advisable for the administration of this Plan.

3.3. *Indemnification.* No member of the Committee shall be liable for any action that he has taken or has failed to take in good faith with respect to this Plan, any Option, or any right to acquire Shares under this Plan. Service on the Committee shall constitute service as a director of the Company so that a member of the Committee shall be entitled to indemnification and reimbursement as a director of the Company to the full extent allowable under its governing instruments and applicable law.

3.4. *Other.* Subject to the requirements of applicable law, the Committee may designate persons other than members of the Committee to carry out its responsibilities and may prescribe such conditions and limitations as it may deem appropriate, except that the Committee may not delegate its authority with regard to the selection for participation of or the granting of Options or other rights under this Plan to persons subject to Section 16 of the Exchange Act. All decisions, interpretations and other actions of the Committee shall be final and binding on all Offerees, all Optionees, and all persons deriving their rights from an Offeree or Optionee.

### **4. ELIGIBILITY**

4.1. *General Rule.* Nonstatutory Options may be granted to any individual who has a Relationship with the Company or a Subsidiary. Incentive Options may be granted to any Employee of the Company or a Subsidiary.

4.2. *Non-Employee Directors.* Notwithstanding any provision of this Plan to the contrary, Non-Employee Directors shall only be eligible for the grant of Nonstatutory Options as described in this Section 4.2.

4.3. Reserved.

4.4. *Ten-Percent Stockholders.* An Employee who owns more than 10% of the total combined voting power of all classes of outstanding stock of the Company or any of its Subsidiaries shall not be eligible for the grant of an Incentive Option unless such grant satisfies the requirements of Section 422(c)(6) of the Code.

4.5. *Attribution Rules.* For purposes of Section 4.4 above, in determining stock ownership, an Employee shall be deemed to own the stock owned, directly or indirectly, by or for his brothers, sisters, spouse, ancestors and lineal descendants. Stock owned, directly or indirectly, by or for a company, corporation, partnership, estate or trust shall be deemed to be owned proportionately by or for its members, shareholders, partners or beneficiaries.

4.6. *Outstanding Stock.* For purposes of Section 4.4 above, outstanding stock shall include all stock actually issued and outstanding immediately after the grant. Outstanding stock shall not include shares authorized for issuance under outstanding options or similar rights held by the Employee or by any other person.

### **5. STOCK SUBJECT TO THIS PLAN**

5.1. *Basic Limitation.* Shares offered under this Plan shall be authorized but unissued Shares or treasury Shares. Three million five hundred thousand (3,500,000.0) Shares have been reserved for issuance under this Plan (upon exercise of Options or other rights to acquire Shares). The aggregate number of Shares which may be issued under this Plan shall at all times be subject to adjustment pursuant to Section 9. The number of Shares which are subject to Options or other rights outstanding at any time under this Plan shall not exceed the number of Shares which then remain available for issuance under this Plan. The Company, during the term of this Plan, shall at all times reserve and keep available sufficient Shares to satisfy the requirements of this Plan.

5.2. *Additional Shares.* In the event that any outstanding Option or other right for any reason expires or is canceled or otherwise terminated, the Shares allocable to the unexercised portion of such Option or other right shall again be available for the purposes of this Plan. If Shares are forfeited before any dividends have been paid with respect to the Shares, then such Shares shall again be available for award or sale under this Plan.

**6. TERMS AND CONDITIONS OF OPTIONS**

6.1. *Option Grant.* Each grant of an Option under this Plan shall be evidenced by an Option Grant approved by the Committee. Such Option shall be subject to all applicable terms and conditions of this Plan and may be subject to any other terms and conditions which are not inconsistent with this Plan and which the Committee deems appropriate for inclusion in an Option Grant. The provisions of the

A-6

## **Table of Contents**

various Option Grants entered into under this Plan need not be identical. In no event shall the aggregate fair market value (determined as of the time the Incentive Option is granted) of the Shares with respect to which Incentive Options (granted under this Plan or any other plans of the Company) are exercisable for the first time by an Optionee in any calendar year exceed \$100,000. No Incentive Option shall be granted pursuant to this Plan after ten years from the earlier of the date of adoption of this Plan by the Board or the date of approval of this Plan by the Company's stockholders.

6.2. *Number of Shares.* Each Option Grant shall specify the number of Shares that are subject to the Option. The Option Grant shall also specify whether the Option is a Nonstatutory Option or an Incentive Option.

6.3. *Exercise Price.* Each Option Grant shall specify the Exercise Price. The Exercise Price of an Incentive Option shall not be less than 100% of the Fair Market Value of a Share on the date of grant, except as otherwise provided in Section 4.4. The Exercise Price of a Nonstatutory Option shall not be less than 85% of the Fair Market Value of a Share on the date of grant. Subject to the preceding two sentences, the Exercise Price under any Option shall be determined by the Committee at its sole discretion. The Exercise Price shall be payable in one of the forms described in Sections 8.1 and 8.2.

6.4. *Withholding Taxes.* As a condition to the exercise of an Option, the Optionee shall make such arrangements as the Committee may require for the satisfaction of any federal, state or local withholding tax obligations that may arise in connection with such exercise. The Optionee shall also make such arrangements as the Committee may require for the satisfaction of any federal, state or local withholding tax obligations that may arise in connection with the disposition of Shares acquired by exercising an Option.

6.5. *Exercisability and Term.* Each Option Grant shall specify the date when all or any installment of the Option is to become exercisable. An Option may be exercised only by delivery to the Company of a written notice of exercise signed by the proper person together with payment in full for the number of Shares which the Option is exercised. The Option Grant shall also specify the term of the Option. The term shall not exceed ten years from the date of grant (five years for Employees described in Section 4.2). Subject to the preceding three sentences, the Committee at its sole discretion shall determine when all or any installment of an Option is to become exercisable and when an Option is to expire. Notwithstanding anything to the contrary herein, no Option will be exercisable (and any attempted exercise will be deemed null and void) if such exercise would create a right of recovery for short-swing profits under Section 16(b) of the Exchange Act. This Section 6.5 is intended to protect persons subject to Section 16(b) against inadvertent violations of Section 16(b) and shall not apply with respect to any particular exercise of an Option if the limitation in the preceding sentence of this Section 6.5 is expressly waived in writing by the Optionee at the time of such exercise.

6.6. *Termination of Relationship.* Except as the Committee may otherwise determine at any time with respect to any particular Nonstatutory Option granted hereunder:

6.6.1. If an Optionee ceases to have a Relationship for any reason other than his death or Permanent Disability, any Options granted to him shall terminate 90 days from the date on which such Relationship terminates. During the ninety day period, the Optionee may exercise any Option granted to him but only to the extent such Option was exercisable on the date of termination of his Relationship and provided that such Option has not previously expired by its own terms or otherwise terminated as provided herein. A leave of absence approved in writing by the Committee shall not be deemed a termination of Relationship for purposes of this Section 6.6, but no Option may be exercised during any such leave of absence, except during the first 90 days thereof.

**Table of Contents**

6.6.2. For purposes hereof, termination of an Optionee's Relationship for reasons other than death or Permanent Disability shall be deemed to take place upon the earliest to occur of the following: (i) the date of the Optionee's retirement from employment under the normal retirement policies of the Company; (ii) the date of the Optionee's retirement from employment with the approval of the Committee because of disability (other than Permanent Disability); (iii) the date the Optionee receives notice or advice that his employment or other Relationship is terminated; or (iv) the date the Optionee ceases to render the services which he was employed, engaged or retained to render to the Company (absences for temporary illness, emergencies and vacations or leaves of absence approved in writing by the Committee excepted). The fact that the Optionee may receive payment from the Company after termination for vacation pay, for services rendered prior to termination, for salary in lieu of notice or for other benefits shall not affect the termination date.

6.6.3. Notwithstanding anything in this Plan to the contrary, no Option may be exercised or claimed by Optionee following the termination of his Relationship as a result of a Termination for Cause, and no Option may be exercised or claimed while the Optionee is being investigated for a Termination for Cause.

6.7. *Death or Permanent Disability of Optionee.* Except as the Committee may otherwise determine at any time with respect to any particular Nonstatutory Option granted hereunder, if an Optionee shall die at a time when he is in a Relationship or if the Optionee shall cease to have a Relationship by reason of Permanent Disability, any Options granted to him shall terminate one year after the date of his death or termination of Relationship due to Permanent Disability unless by its terms it shall expire before such date or otherwise terminate earlier as provided herein, and shall only be exercisable to the extent that it would have been exercisable on the date of his death or his termination of Relationship due to Permanent Disability. In the case of death, the Option may be exercised by the person or persons to whom the Optionee's rights under the Option shall pass by will or by the laws of descent and distribution.

6.8. *Privileges of Stock Ownership.* No person entitled to exercise any Option granted under this Plan shall have any of the rights or privileges of a stockholder of the Company with respect to any Shares issuable upon exercise of such Option until such person has become the holder of record of such Shares. No adjustment shall be made for dividends or distributions of rights in respect of such Shares if the record date is prior to the date on which such person becomes the holder of record, except as provided in Section 9 hereof.

6.9. *Amendment of Options.* The Committee may amend, modify, extend, renew or terminate outstanding Options or may accept the cancellation of outstanding Options (to the extent not previously exercised), whether or not granted hereunder, in return for the grant of new Options at the same or a different price. The Committee may shorten the vesting period, extend the exercise period, remove any or all restrictions or convert an Incentive Option to a Nonstatutory Option, if, in its sole discretion, the Committee determines that such action is in the best interests of the Company. The foregoing notwithstanding, the Optionee's consent to any such action shall be required unless the Board determines that the action, taking into account any related action, would not materially and adversely affect the Optionee.

6.10. *Restrictions on Transfer of Shares.* Any Shares issued upon exercise of an Option shall be subject to such special forfeiture conditions, rights of repurchase, rights of first refusal and other transfer restrictions as the Committee may determine. Such restrictions shall be set forth in the applicable Option Grant and shall apply in addition to any general restrictions that may apply to all holders of Shares. Each certificate representing any Shares issued upon exercise of an Option shall bear a legend making appropriate reference to the restrictions imposed on the Shares.

### **7. TERMS AND CONDITIONS OF AWARDS OR SALES**

7.1. *Share Award.* Each award or sale of Shares under this Plan (other than upon exercise of an Option) shall be evidenced by a Share Award approved by the Committee. Such award or sale shall be subject to all applicable terms and conditions of this Plan and may be subject to any other terms and conditions which are not inconsistent with this Plan and which the Committee deems appropriate for inclusion in a Share Award. The provisions of the various Share Awards entered into under this Plan need not be identical.

7.2. *Duration of Offers and Nontransferability of Rights.* Any right to acquire Shares under this Plan (other than an Option) shall automatically expire if not exercised by the Offeree within thirty days after the grant of such right was communicated to the Offeree by the Committee. Such right shall not be transferable and shall be exercisable only by the Offeree to whom such right was granted.

7.3. *Purchase Price.* The Purchase Price shall be determined by the Committee at its sole discretion. The Purchase Price shall be payable in one of the forms described in Sections 8.1, 8.2 or 8.3.

7.4. *Withholding Taxes.* As a condition to the receipt or purchase of Shares, the Offeree shall make such arrangements as the Committee may require for the satisfaction of any federal, state or local withholding tax obligations that may arise in connection with a recognition of income from such Shares (either on the date of grant or the date the restrictions lapse).

7.5. *Amendment of Share Awards.* The Committee may amend, modify or terminate any outstanding Share Awards. The Committee may shorten the vesting period or remove any or all restrictions if, in its sole discretion, the Committee determines that such action is in the best interests of the Company. The foregoing notwithstanding, the Offeree's consent to any such action shall be required unless the Board determines that the action, taking into account any related action, would not materially and adversely affect the Offeree.

7.6. *Restrictions on Transfer of Shares.* Any Shares awarded or sold under this Plan shall be subject to such special forfeiture conditions, rights of repurchase, rights of first refusal and other transfer restrictions as the Committee may determine. Such restrictions shall be set forth in the applicable Stock Purchase Agreement and shall apply in addition to any general restrictions that may apply to all holders of Shares. Each certificate representing any Shares awarded or sold under this Plan will bear a legend making appropriate reference to the restrictions imposed on the Shares.

### **8. PAYMENT FOR SHARES**

8.1. *General Rule.* The entire Purchase Price or Exercise Price for the number of Shares being purchased and, if applicable, any federal, state or local withholding taxes required to be paid in accordance with Section 6.4 or 7.4 hereof, shall be payable in full, by cash or by certified or cashier's check payable to the order of the Company or equivalent thereof acceptable to the Company, at the time when such Shares are purchased, except as provided in Sections 8.2, 8.3 and 8.4 below. Notwithstanding the foregoing, the Company shall have the right to postpone the time of delivery of the Shares for such period as may be required for it to comply, with reasonable diligence, with any applicable listing requirements of any national securities exchange (including the Nasdaq Stock Market) or any federal, state or local law. If an Optionee or Offeree fails to accept delivery of or fails to pay for all or any portion of the Shares requested, the Committee shall have the right to terminate his Option (or other right to acquire Shares) with respect to the number of such Shares requested.

## **Table of Contents**

8.2. *Surrender of Stock; Cashless Exercise.* At the discretion of the Committee, payment may be made in whole or in part with Shares which were acquired by the Optionee in the open market or which have already been owned by the Optionee or his representative for more than six months, and which certificate(s) representing the Shares is surrendered to the Company duly endorsed and in good form for transfer. Such Shares shall be valued at their Fair Market Value on the date when the new Shares are purchased under this Plan.

8.3. *Services Rendered.* At the discretion of the Committee, Shares may be awarded under this Plan in consideration of services rendered to the Company or a Subsidiary prior to the award. If Shares are awarded without the payment of a Purchase Price in cash, the Committee shall make a determination (at the time of the award) of the value of the services rendered by the Offeree and the sufficiency of the consideration to meet the requirements of this Section 8.3.

## **9. ADJUSTMENT OF SHARES**

9.1. *General.* In the event of a subdivision of the outstanding Common Stock, a declaration of a dividend payable in Shares, a declaration of a dividend payable in a form other than Shares in an amount that has a material effect on the value of Shares, a combination or consolidation of the outstanding Common Stock (by reclassification or otherwise) into a lesser number of Shares, a recapitalization or a similar occurrence, the Committee shall make at its sole discretion appropriate adjustments in one or more of: (i) the number of Shares available for future grants under Section 5; (ii) the number of Shares covered by each outstanding Option; (iii) the Exercise Price under each outstanding Option; (iv) the number of Shares covered by each outstanding award; or (v) the Purchase Price of each outstanding award.

9.2. *Reorganization.* In the event that the Company is a party to a merger or other reorganization, outstanding Options shall be subject to the agreement of merger or reorganization. Such agreement may provide for the assumption of outstanding Options by the surviving corporation or its parent or for their continuation by the Company (if the Company is a surviving corporation); *provided, however,* that if assumption or continuation of the outstanding Options is not provided by such agreement then the Committee shall have the option of offering the payment of a cash settlement equal to the difference between the amount to be paid for one Share under such agreement and the Exercise Price, in all cases without the Optionees' consent.

9.3. *Reservation of Rights.* Except as provided in this Section 9, an Optionee or Offeree shall have no rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend or any other increase or decrease in the number of shares of stock of any class. Any issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or Exercise Price of Shares subject to an Option. The grant of an Option pursuant to this Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, to merge or consolidate or to dissolve, liquidate, sell or transfer all or any part of its business or assets.

### **10. CHANGE OF CONTROL**

Notwithstanding any other section this Plan, in the event of a Change in Control, all restrictions on all awards or sales of Shares will lapse and vesting on all unexercised Options will accelerate to the Change in Control date.

### **11. LEGAL AND REGULATORY REQUIREMENTS**

Shares shall not be issued under this Plan unless the issuance and delivery of such Shares complies with (or is exempt from) all applicable requirements of law, including (without limitation) the Securities Act of 1933, as amended, the rules and regulations promulgated thereunder, state securities laws and regulations and the regulations of any stock exchange on which the Company's securities may then be listed.

### **12. NO EMPLOYMENT RIGHTS**

Nothing contained in this Plan or in any right or Option granted under this Plan shall confer upon any Offeree or Optionee any right with respect to the continuation of his employment by or other Relationship with the Company or a Subsidiary. The Company and its Subsidiaries reserve the right to terminate any person's employment and/or Relationship at any time and for any reason, with or without notice.

### **13. DURATION AND AMENDMENTS**

13.1. *Term of this Plan.* This Plan shall terminate automatically on March 31, 2014 and may be terminated on any earlier date pursuant to Section 13.2 below.

13.2. *Right to Amend, Suspend or Terminate this Plan.* The Board of Directors may amend, suspend or terminate this Plan at any time and from time to time. An amendment of this Plan shall be subject to the approval of the Company's stockholders only to the extent required by applicable laws, regulations or rules.

13.3. *Effect of Termination.* No Shares shall be issued or sold under this Plan after the termination thereof, except upon exercise of an Option granted prior to such termination. The termination of this Plan shall not affect any Share previously issued or any Option previously granted under this Plan.

### **14. PLAN NOT A TRUST**

Nothing contained in this Plan and no action taken pursuant to this Plan shall create or be construed to create a trust of any kind, or a fiduciary relationship, between the Company and any Offeree or Optionee, the executor, administrator or other personal representative, or designated beneficiary of such Offeree or Optionee, or any other persons. If and to the extent that any Offeree or Optionee or such Offeree's or Optionee's executor, administrator or other personal representative, as the case may be, acquires a right to receive any payment from the Company pursuant to this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company.

**15. NOTICES**

Each Offeree or Optionee shall be responsible for furnishing the Committee with the current and proper address for the mailing of notices and delivery of agreements, Common Stock and cash pursuant to this Plan. Any notices required or permitted to be given shall be deemed given if directed to the person to

whom addressed at such address and mailed by regular United States mail, first-class and prepaid. If any item mailed to such address is returned as undeliverable to the addressee, mailing will be suspended until the Offeree or Optionee furnishes the proper address. This provision shall not be construed as requiring the mailing of any notice or notification if such notice is not required under the terms of this Plan or any applicable law.

### **16. SEVERABILITY OF PROVISIONS**

If any provision of this Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof, and this Plan shall be construed and enforced as if such provisions had not been included.

### **17. PAYMENT TO MINORS, ETC.**

Any benefit payable to or for the benefit of a minor, an incompetent person or other person incapable of receipting therefor shall be deemed paid when paid to such person's guardian or to the party providing or reasonably appearing to provide for the care of such person, and such payment shall fully discharge the Committee, the Company and other parties with respect thereto.

### **18. HEADINGS AND CAPTIONS**

The headings and captions herein are provided for reference and convenience only, shall not be considered part of this Plan, and shall not be employed in the construction of this Plan.

### **19. CONTROLLING LAW**

This Plan shall be construed and enforced according to the laws of the State of Nevada to the extent not preempted by federal law, which shall otherwise control.

### **20. STOCKHOLDER APPROVAL**

The grant of Options under this Plan shall be subject to approval of this Plan by the stockholders of the Company within twelve months after the date this Plan was adopted by the Board. Such stockholder approval shall be obtained in the degree and manner required under applicable law. The Committee may grant Options under this Plan prior to approval by the stockholders, but until such approval is obtained, no such Option shall be exercisable.

### **21. EXECUTION**

To record the adoption of this Plan by the Board effective as of April 1, 2004, the Company has caused its authorized officer to execute the same.
