GENERAL INFORMATION

General Information

This Proxy Statement is furnished to the stockholders of IDT Corporation, a Delaware corporation (the "Company" or "IDT"), in connection with the solicitation by the Company's Board of Directors (the "Board of Directors") of proxies for use in voting at the Company's Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held on Wednesday, December 15, 2004 at 11:00 a.m., local time, at the Company's headquarters located at 520 Broad Street, Newark, New Jersey 07102. The shares of the Company's common stock, par value \$0.01 per share ("Common Stock"), Class A common stock, par value \$0.01 per share ("Class A Common Stock"), and Class B common stock, par value \$0.01 per share ("Class B Common Stock"), present at the Annual Meeting or represented by the proxies received by telephone, Internet or mail (properly marked, dated and executed) and not revoked will be voted at the Annual Meeting. This Proxy Statement is being mailed to the Company's stockholders on or about November 12, 2004.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised by delivering to the Company (to the attention of Joyce J. Mason, Esq., Senior Vice President, General Counsel and Corporate Secretary) a written notice of revocation or by executing a later-dated proxy by telephone, Internet or mail, or by attending the Annual Meeting and voting in person.

Solicitation and Voting Procedures

This solicitation of proxies is being made by the Company. The solicitation is being conducted by mail, and the Company will bear all attendant costs. These costs will include the expense of preparing and mailing proxy materials for the Annual Meeting and any reimbursements paid to brokerage firms and others for their expenses incurred in forwarding the solicitation materials regarding the Annual Meeting to the beneficial owners of Common Stock, Class A Common Stock and Class B Common Stock. The Company may conduct further solicitations personally, by telephone or by facsimile through its officers, directors and employees, none of whom will receive additional compensation for assisting with the solicitation.

The close of business on Thursday, October 21, 2004 has been fixed as the record date (the "Record Date") for determining the holders of shares of Common Stock, Class A Common Stock and Class B Common Stock entitled to notice of and to vote at the Annual Meeting. As of the close of business on the Record Date, the Company had 104,267,178 shares outstanding, of which 96,429,961 shares are entitled to vote at the Annual Meeting, consisting of 18,845,933 shares of Common Stock, 9,816,988 shares of Class A Common Stock and 67,767,040 shares of Class B Common Stock. The remaining 7,837,217 shares outstanding, consisting of 6,228,927 shares of Common Stock and 1,608,290 shares of Class B Common Stock, are beneficially owned by the Company, and are not entitled to vote or be counted as present at the Annual Meeting for purposes of determining whether a quorum is present.

Edgar Filing: IDT CORP - Form DEF 14A

Stockholders are entitled to one vote for each share of Common Stock held by them, three votes for each share of Class A Common Stock held by them and one-tenth of one vote for each share of Class B Common Stock held by them. The holders of Common Stock, Class A Common Stock and Class B Common Stock will vote as a single body on all matters presented to the stockholders.

Holders of record of Common Stock, Class A Common Stock and Class B Common Stock as of the Record Date can vote by telephone, on the Internet, by mail or by attending the Annual Meeting and voting by ballot. To vote by phone, call the toll-free telephone number on the proxy card (1-800-PROXIES), and to vote by Internet visit www.voteproxy.com. To vote by mail, mark, date and sign the enclosed proxy card and return it in the postage-paid envelope provided.

Beneficial holders of Common Stock, Class A Common Stock and Class B Common Stock as of the Record Date will receive voting instructions from their bank, broker or other holder of record.

Voting by telephone, Internet or mail will not limit the right of a stockholder of record as of the Record Date to vote in person at the Annual Meeting. If a stockholder's shares are held in the name of a bank, broker or other holder of record, such stockholder must obtain a proxy, executed in his, her or its favor, from the holder of record to be able to vote at the Annual Meeting. All shares for which a proxy has been duly executed and delivered (by telephone, Internet or mail) and not revoked will be voted at the Annual Meeting. If a stockholder of record signs and returns a proxy card but does not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors.

The presence at the Annual Meeting of a majority of the voting power of the outstanding Common Stock, Class A Common Stock and Class B Common Stock (voting together), either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

If a broker holds shares of Common Stock, Class A Common Stock or Class B Common Stock in the name of a beneficial owner, the broker is permitted to vote such shares on the election of directors (Proposal No. 1) and the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors (Proposal No. 3). Under the New York Stock Exchange rules, brokers may not vote shares on the amendment to the 1996 Stock Option and Incentive Plan (Proposal No. 2) absent instructions from the beneficial owner.

A plurality of the votes cast at the Annual Meeting will be required for the election of each candidate to the Board of Directors. This means that the director nominee with the most votes for a particular slot is elected for that slot. Only votes voted for or withheld affect the outcome. Abstentions are not counted for the purposes of the election of directors.

The affirmative vote of a majority of the voting power present at the Annual Meeting will be required for the approval of all other matters, including Proposal Nos. 2 and 3, submitted to the vote of the Company's stockholders. Abstentions are counted as present at the Annual Meeting for purposes of determining a quorum and have the effect of a vote against any matter as to which they are specified. Broker non-votes are not considered shares present and will not affect the outcome of the vote. A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Electronic Delivery

This Notice of Annual Meeting and Proxy Statement and the Company's Annual Report (the proxy materials) are available on the Company's web site www.idt.net/ir. Instead of receiving future copies by mail, stockholders can elect to receive an e-mail that will provide electronic links to the proxy materials and instructions on how to vote. Opting to receive proxy materials online will save the Company the cost of producing and mailing documents.

Stockholders of record can enroll for electronic delivery by visiting www.amstock.com and clicking on Shareholder Account Access. Complete instructions are set forth on the proxy card.

Edgar Filing: IDT CORP - Form DEF 14A

Beneficial stockholders may also have the opportunity to receive copies of the proxy materials electronically. Beneficial stockholders should check the information provided in the proxy materials mailed to them by their brokers and banks.

References to Fiscal Years

The Company's fiscal year ends on July 31 of each calendar year. Each reference to a Fiscal Year refers to the Fiscal Year ending in the calendar year indicated (e.g., Fiscal 2004 refers to the Fiscal Year ended July 31, 2004).

CORPORATE GOVERNANCE

Introduction

The Company has in place a comprehensive corporate governance framework that reflects the corporate governance requirements of the Sarbanes-Oxley Act of 2002, the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended, and the corporate governance listing requirements of the New York Stock Exchange. Consistent with the Company's commitment to strong corporate governance, the Company does not rely, except as described below with regard to the Nominating Committee, on the exceptions from the New York Stock Exchange's corporate governance listing requirements available to it because it is a controlled company.

In accordance with Sections 303A.09 and 303A.10 of the New York Stock Exchange Listed Company Manual, the Company has adopted a set of Corporate Governance Guidelines and a Code of Business Conduct and Ethics, the full texts of which are available for your review in the Governance section of our website at www.idt.net/ir and which also are available in print to any stockholder upon request to the Corporate Secretary.

The Company qualifies as a controlled company as defined in Section 303A of the New York Stock Exchange Listed Company Manual, because more than 50% of the voting power of the Company is held by one individual, Howard S. Jonas, the Chairman of the Board of Directors. Notwithstanding that being a controlled company entitles the Company to exempt itself from the requirement that a majority of its directors be independent directors and that the Compensation Committee and Corporate Governance Committee be comprised entirely of independent directors, the Board of Directors has affirmatively determined that a majority of the members of the Board of Directors are independent in accordance with Section 303A.02 of the New York Stock Exchange Listed Company Manual and that the Compensation Committee and Corporate Governance Committee are in fact comprised entirely of independent directors. As a controlled company, the Company may, and has chosen to, exempt itself from the New York Stock Exchange requirement that it have a single Nominating/Corporate Governance Committee composed entirely of independent directors. As noted above, and discussed in greater detail below, the Board of Directors maintains a separate Corporate Governance Committee comprised entirely of independent directors, and a Nominating Committee comprised of two management directors.

Director Independence

In addition to the other independence standards of the New York Stock Exchange Listed Company Manual, the Board of Directors uses the following categorical standards in determining the independence of its directors:

1. During the past five years, the Company shall not have employed the director, or, except in a non-officer capacity, any of the director's immediate family members;
2. During the past five years, neither the director nor any immediate family member of the director (except in a non-officer capacity not involving the Company) shall have been employed or affiliated with the present or former outside auditors of the Company;
3. During the past five years, neither the director, nor any of his or her immediate family members, shall have been part of an interlocking directorate in which a director or executive officer of the Company serves on the compensation (or equivalent) committee of another company

that employs the director;

4. The director shall not (directly or indirectly as a partner, stockholder or officer of another company) provide significant consulting, legal or financial advisory services to the Company; provided that, for the purposes of this categorical standard, services shall be considered significant if the consideration therefore represents more than (a) five percent of the revenues of the provider or (b) five percent of the revenues of the Company;

5. The director shall not be employed by (or affiliated with) a significant supplier or customer of the Company; provided that, for the purposes of this categorical standard, a supplier or customer shall be

considered significant if its sales to, or purchases from, the Company represent more than (a) five percent of the sales of the customer or supplier or (b) five percent of the revenues of the Company;

6. During the past five years, the director shall not have had a personal services contract with the Company, the Chairman of the Board, the Chief Executive Officer, any other executive officer or any affiliate of the Company;

7. The director shall not be an employee, officer or director of a foundation, university or other nonprofit organization to which the Company gives directly, or indirectly through the provision of services, more than the lesser of (a) \$100,000 per annum and (b) five percent of the total annual donations received by such nonprofit organization; and

8. The director shall not, either directly or indirectly as a partner, stockholder or officer of another company, own more than five percent of any class of equity securities of the Company.

The Board of Directors has determined that each of J. Warren Blaker, Rudy Boschwitz, Saul K. Fenster, James S. Gilmore, III, Jack Kemp, Jeane J. Kirkpatrick, Michael J. Levitt and William F. Weld is independent in accordance with the above specified categorical standards and in accordance with the independence requirements of Section 303A.02(b) of the New York Stock Exchange Listed Company Manual.

Board of Directors and Committees

The Board of Directors held nine meetings in Fiscal 2004. In Fiscal 2004, each of the Company's directors attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board of Directors held during the period in which each such director served as a director and (ii) the total number of meetings held by all committees of the Board of Directors during the period in which each such director served on such committee.

Directors are encouraged to attend the Company's annual meetings of stockholders, and the Company generally schedules a meeting of the Board of Directors on the same date and at the same place as the annual meeting of stockholders to encourage director attendance. All of the directors constituting the Board of Directors at the time of the annual meeting of stockholders for Fiscal 2003 attended the 2003 annual meeting of stockholders.

Section 303A.03 of the New York Stock Exchange Listed Company Manual requires that the non-management directors of the Company meet at regularly scheduled executive sessions without management. These executive sessions are held at every regularly scheduled meeting of the Board of Directors. Mr. Levitt, a non-management director and the lead independent director, has been appointed the Presiding Director of these executive sessions.

The Board of Directors has established an Audit Committee, a Nominating Committee, a Compensation Committee, a Corporate Governance Committee, a Technology Committee, an IDT-Net2Phone Dispute Resolution Committee, an IDT-Net2Phone Committee on Inter-Company Matters and a Special Real Estate Committee. The membership, duties and obligations of each of these committees are as follows:

All candidates, including those recommended by stockholders, are evaluated on the same basis in light of the entirety of their credentials and the need of the Board of Directors and the Company. Of particular importance are the candidate's integrity and judgment, professional achievements and experience relevant to the Company's business and strategic challenges, his or her potential contribution to the diversity of the Board of Directors and his or her willingness to devote adequate time to fulfill duties as a director. The Nominating Committee held three meetings in Fiscal 2004.

The Board of Directors has determined that all of the members of the Compensation Committee are independent within the meaning of Section 303A.02 of the New York Stock Exchange Listed Company Manual.

The Corporate Governance Committee is responsible for making recommendations regarding the size and composition of the Board of Directors, based to a large extent upon the information and advice provided by senior management and independent advisors. The Corporate Governance Committee also (i) reviews and reports to the Board of Directors on matters involving relationships among the Board of Directors, the stockholders and senior management, and (ii) reviews the corporate governance guidelines of the Company and recommends revisions as appropriate. The Corporate Governance Committee currently consists of Ambassador Kirkpatrick and Messrs. Boschwitz, Kemp and Weld. In addition, each non-employee director who serves as a member of one or more committees of the Board of Directors as of the annual grant date will receive an additional annual automatic grant consisting of an option to purchase 3,333 shares of Class B Common Stock and 2,666 restricted shares of Class B Common Stock. In 2004, the annual grant date was March 12, 2004. Beginning in 2005, the automatic grant date will be January 5th (or the next business day thereafter). New non-employee directors receive an automatic grant on the date that they become a director in the amount specified above, pro rated based on the calendar quarter in which such person became a director.

All such grants of options to non-employee directors are subject to certain terms and conditions (including, without limitation, a term of ten years and limitations on exercisability following cessation of service with the Company as a director) described in the Company's 1996 Stock Option and Incentive Plan. Employment Agreements

The Company has entered into employment agreements with Messrs. Jonas and Courter. Mr. Jonas's employment agreement, dated as of April 1, 2002, provides for a minimum base salary of \$250,000, which may be increased, but not decreased, during the term of the agreement. The Company may terminate Mr. Jonas's employment only for cause (as defined in the agreement). If the agreement is terminated without cause, the Company is obligated to pay to Mr. Jonas an amount equal to the sum of his base salary for the remainder of his term. The agreement has a five year term, but is automatically extendable for additional one year periods unless the Board of Directors or Mr. Jonas notifies the other, within ninety days of the anniversary of such period, that the agreement will not be extended. Pursuant to the agreement, Mr. Jonas has agreed not to compete with the Company for a period of one year following the termination of the agreement.

During Fiscal 2002, Mr. Courter was employed as the Chief Executive Officer of the Company pursuant to an employment agreement, dated as of April 1, 1999 and amended as of August 1, 2001, and subsequently amended as of October 22, 2001. Such employment agreement, as amended, provides for a minimum base salary of \$250,000, which may not be decreased, but must be increased from time to time to match the base salary of the highest paid employee of the Company or of any entity controlled by the Company, during the term of the agreement. The Company may terminate Mr. Courter's employment only for cause (as defined in the agreement). In the event of termination without cause or in the event Mr. Courter terminates his employment for good reason (as defined in the employment agreement), any and all unvested options shall vest automatically and Mr. Courter shall be permitted to exercise any and all options which are outstanding as of the date of his termination within two (2) years from such date. If the agreement is terminated without cause, the Company is obligated to pay to Mr. Courter all due and unpaid amounts to which Mr. Courter was then entitled and Mr. Courter's minimum base salary for the remainder of the employment term but in no event less than twelve months. The amended agreement has a five year term commencing from October 2001, and is automatically extendable for additional one-year periods unless the Board of Directors or Mr. Courter notifies the other, within ninety days of the anniversary of such period, that the agreement will not be extended. Pursuant to the agreement, Mr. Courter has agreed not to compete with the Company for a period of one year following the termination of the agreement. In addition, Mr. Courter was granted options to purchase 300,000 shares of Class B

Common Stock which vest over a three-year period under the original terms of the agreement and, pursuant to the October 2001 amendment, was granted options to purchase an additional 1,000,000 shares of Class B Common Stock which will vest over a five-year period.

Employee Stock Option Program

The Company previously maintained an informal stock option program whereby selected key employees were granted options to purchase shares of Common Stock. The primary purpose of this program was to provide long-term incentives to the Company's key employees and to further align their interests with those of the Company. Options granted under such program have a term of ten years and are subject to all other reasonable terms and conditions as the Company deems necessary and appropriate. The selection of the participants and the determination of the number of options to be granted to each participant were made by the Compensation Committee of the Board of Directors. The Company does not anticipate that any additional options will be granted under this program. In addition to this program, the Company also has adopted the 1996 Stock Option and Incentive Plan, as Amended and Restated, which is described further in Proposal No. 2 below.

Compensation Committee Interlocks and Insider Participation

During Fiscal 2004, each of Messrs. Blaker, Fenster, Gilmore, Oppenheimer and Admiral Owens served as a member of the Compensation Committee. Mr. Oppenheimer and Admiral Owens resigned from the Board of Directors and the Compensation Committee during Fiscal 2004, and Messrs. Blaker and Fenster were named to the Compensation Committee in their stead. None of the members of the Compensation Committee were employees of the Company or any of its subsidiaries during Fiscal 2004 or at any other time, nor were any such persons a party to any transaction that was required to be disclosed under the heading Certain Relationships and Related Transactions.

Reports of the Compensation Committee and the Audit Committee of the Board of Directors

Report of the Compensation Committee

Philosophy

The compensation philosophy of the Company is to develop and implement policies that will attract and retain executive officers who bring valuable experience and skills to the Company and motivate them to contribute to the Company's long-term success. By maintaining competitive compensation levels, the Company is able to attract and retain those individuals who are instrumental in helping the Company achieve its business objectives, thereby increasing long-term shareholder value.

Edgar Filing: IDT CORP - Form DEF 14A

The Compensation Committee believes that the development of compensation policies and the review of compensation programs is an evolving process that must take into account significant corporate developments and market dynamics. To that end, the Compensation Committee met 11 times during Fiscal 2004 to discuss and review bonuses, grants of stock options and restricted stock, and, when necessary, severance arrangements for executive officers. In Fiscal 2005, the Compensation Committee intends to continue to reassess the Company's existing compensation policies and to review outstanding executive officer pay packages and agreements.

Evaluation of Executive Performance in Fiscal 2004

When assessing executive performance, the Compensation Committee considered each executive's overall contributions to the Company, including:

- increasing revenues and telecom minutes of use;
- improving operating margins and successful cost reduction efforts;
- maintaining a strong balance sheet;
- expanding the network;
- expanding the number of geographic markets served;
- rolling out new products and programs, such as America Unlimited ;
- developing new products, such as stored value cards;
- acquiring and integrating entertainment-related businesses and content;
- restructuring IDT Solutions; and
- developing leadership talent throughout the Company.

The Compensation Committee also considers management responses to the significant changes in the global telecom market and the trends in the entertainment industry. It is the Compensation Committee's opinion that management has developed and implemented effective strategies to address the significant challenges of the global telecommunications market and the trends in the entertainment industry. The success of these efforts and their benefits to the Company cannot always be quantified, but the Compensation Committee believes that these efforts are critical to the Company's on-going success.

Structure of Compensation Programs

The Company's compensation programs provide executives with incentives to advance both the short-term and long-term interests of the Company. Accordingly, the Company's compensation programs of both cash-based and equity-based compensation consist of base salary, annual cash bonuses, stock options and restricted stock awards.

Base Salaries and Bonuses. Salaries and bonuses for the Company's executive officers are determined primarily on the basis of each executive officer's responsibility, the general salary practices of companies with which the Company competes and each officer's individual qualifications and experience. Bonuses for the Company's executive officers are based on various financial and non-financial results of the Company and its non-public, majority-owned subsidiaries as described above. A significant portion of bonuses are related to the performance of the Company's telecom segment, as that is the area that currently generates the bulk of the Company's revenues and operating profits. Bonuses are paid quarterly and an annual portion is paid as well. The Compensation Committee believes that paying bonuses on a quarterly basis provides the executives with a greater sense of urgency to meet short-term goals. By providing an annual bonus, the Compensation Committee believes that it also provides management with incentives to also focus on long-term goals and not merely quarter to quarter objectives.

Stock Option and Restricted Stock Grants. Stock options and restricted stock are granted to executive officers and other employees. Stock options provide value to the executive only when the Company's stock price increases above the stock option exercise price, which is equal to the closing price of the stock on the date that the stock option is granted. Accordingly, the Compensation Committee believes that the appreciation of stock value underlying stock options provides a strong incentive for recipients of awards to manage the Company in accordance with the interests of the Company's stockholders. Grants of restricted stock further a sense of stock

ownership by executive officers and better align their interests with those of the stockholders. In order to enhance the retention of executives, stock options and restricted stock grants generally vest in approximately equal portions over a three-year period. The Compensation Committee determines the number of options or restricted stock to be granted based on the executive's level of responsibility, prior performance, and other compensation.

Chief Executive Officer Compensation

The Company has entered into an employment agreement with Mr. James A. Courter, dated as of April 1, 1999 and amended on August 1, 2001 and October 22, 2001, pursuant to which Mr. Courter became Chief Executive Officer of the Company, effective August 2001. The employment agreement, as amended, provides for a minimum annual base salary of \$250,000, which, during the term of the agreement, may not be decreased, but must be increased from time to time to match the base salary of the highest paid employee of the Company or of any entity controlled by the Company. Pursuant to the agreement, as amended, Mr. Courter was paid a base salary of \$259,615 during Fiscal 2004. Mr. Courter was also granted options during Fiscal 2004 to purchase 66,666 shares of Class B Common Stock and 26,667 shares of restricted Class B Common Stock, which options and shares of restricted stock vest in equal installments over a three-year period. Mr. Courter also received a bonus of \$750,000, which included \$187,500 of deferred compensation, in Fiscal 2004. In determining Mr. Courter's bonus, the Compensation Committee took into account Mr. Courter's continued demonstration of vision and leadership, which helped enable the Company to increase its revenues, particularly in its calling card business, to develop its entertainment business and to maintain its strong balance sheet.

Report of the Audit Committee

The primary purpose of the Audit Committee is to assist the Board of Directors in its general oversight of the Company's financial reporting process. The Audit Committee's function is more fully described in its charter which was amended by the Board of Directors on September 16, 2003. The Committee reviews the charter on an annual basis. The Board of Directors annually reviews the NYSE listing standards' definition of independence for audit committee members and has determined that each member of the Committee meets that standard. The Board of Directors has also determined that Michael J. Levitt qualifies as an audit committee financial expert within the meaning of Item 401(h) of Regulation S-K.

Management is responsible for the preparation, presentation, and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. The Company's independent auditors, Ernst & Young LLP, are responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

The Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended July 31, 2004 with the Company's management and has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards Board Standard No. 61, as amended, Communication with Audit Committees. In addition, Ernst & Young LLP has provided the Audit Committee with the written disclosures and the letter required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the Audit Committee has discussed with Ernst & Young LLP their independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended July 31, 2004, for filing with the Securities and Exchange Commission.

PROPOSAL NO. 2

APPROVAL OF AMENDMENTS TO THE COMPANY'S

1996 STOCK OPTION AND INCENTIVE PLAN,

AS AMENDED AND RESTATED

The Company's stockholders are being asked to approve an amendment to the Company's 1996 Stock Option and Incentive Plan, as amended and restated, that will increase the number of shares of Class B Common Stock available for award grants under the Plan by 2,500,000 shares. The Board of Directors adopted the proposed amendments on September 21, 2004, subject to stockholder approval at the Annual Meeting.

The Board of Directors believes that the proposed amendment is necessary in order to provide the Company with a sufficient reserve of shares of Class B Common Stock for future award grants needed to attract and retain the services of key employees, directors and consultants of the Company essential to the Company's long-term success. As of October 21, 2004, 1,559,774 shares of Class B Common Stock remained available for future award grants under the Plan.

The proposed amendment is being submitted for a stockholder vote in order to enable the Company to grant options which are incentive stock options (ISOs) within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Code), and because such approval may be required or advisable in connection with (i) the provisions set forth in Section 162(m) of the Code relating to the deductibility of certain compensation and (ii) the rules and regulations applicable to New York Stock Exchange-listed companies.

The following description of the Plan, as proposed to be amended by this Proposal, is a summary, does not purport to be complete and is qualified in its entirety by the full text of the Plan, as proposed to be amended. A copy of the Plan, as proposed to be amended, is attached hereto as Exhibit A and has been filed with the SEC with this Proxy Statement.

DESCRIPTION OF THE PLAN

Pursuant to the Plan, employees, directors and consultants of the Company and certain of its non-public, majority-owned subsidiaries are eligible to receive awards of stock options, stock appreciation rights, limited stock appreciation rights, restricted stock and deferred stock units. Options granted under the Plan may be ISOs, or non-qualified stock options (NQSOs). Stock appreciation rights (SARs) and limited stock appreciation rights (LSARs) may be granted either alone or simultaneously with the grant of an option. Restricted stock and deferred stock units may be granted in addition to or in lieu of any other award made under the Plan.

The maximum number of shares of Class B Common Stock reserved for the grant of awards under the Plan is 19,455,109 (including the 2,500,000 shares of Class B Common Stock reserved subject to approval by the stockholders of this Proposal). Such share reserves are subject to further adjustment in the event of specified changes to the capital structure of the Company. The shares may be made available either from the Company's authorized but unissued capital stock or from capital stock reacquired by the Company.

Edgar Filing: IDT CORP - Form DEF 14A

The Plan is administered by the Compensation Committee of the Board of Directors. Subject to the provisions of the Plan, the Compensation Committee will determine the type of awards, when and to which executives awards will be granted, the number of shares covered by each award and the terms, provisions and kind of consideration payable (if any), with respect to awards. The Compensation Committee may interpret the Plan and may at any time adopt such rules and regulations for the Plan as it deems advisable, including the delegation of certain of its authority. In determining the executives to whom awards shall be granted and the number of shares covered by each award, the Compensation Committee takes into account the duties of the respective persons, their present and potential contributions to the success of the Company and such other factors as the Compensation Committee deems relevant.

An option may be granted on such terms and conditions as the Compensation Committee may approve, and generally may be exercised for a period of up to ten years from the date of grant. Generally, ISOs will be granted with an exercise price equal to the Fair Market Value (as defined in the Plan) on the date of grant. In the case of ISOs, certain limitations will apply with respect to the aggregate value of option shares which can become exercisable for the first time during any one calendar year, and certain additional limitations will apply to ISOs granted to Ten Percent Stockholders of the Company (as defined in the Plan). The Compensation Committee may provide for the payment of the option price in cash, by delivery of Common Stock or Class B Common Stock having a Fair Market Value equal to such option price, by a combination thereof or by any other method. Options granted under the Plan will become exercisable at such times and under such conditions as the Compensation Committee shall determine, subject to acceleration of the exercisability of options in the event of, among other things, a Change in Control, a Corporate Transaction or a Related Entity Disposition (in each case, as defined in the Plan).

The Plan provides for automatic formula option and restricted stock grants to eligible non-employee directors of the Company and its non-public, majority-owned subsidiaries. Options to purchase 10,000 shares of Common Stock were granted to each non-employee director upon the consummation of the Company's initial public offering in March 1996 (the IPO) or upon such later date of a non-employee director's initial election to the Board of Directors. Effective December 31, 2002 until March 12, 2004, options to purchase 10,000 shares of Class B Common Stock were granted to each new non-employee director upon such director's initial election and qualification for the Board of Directors or the Board of Directors of certain of the Company's non-public, majority-owned subsidiaries and options to purchase an additional 10,000 shares of Class B Common Stock were granted to each such director for serving on a committee of the Board of Directors of the Company. In addition, until March 12, 2004, options to purchase 10,000 shares of Class B Common Stock were granted annually to each non-employee director on the anniversary date of each such director's election to the Board of Directors or, if such director was elected to the Board of Directors prior to the IPO, on the anniversary date of the IPO. Effective March 12, 2004, once per year, each non-employee director will receive an option to purchase 3,333 shares of Class B Common Stock and 2,666 shares of restricted stock and each non-employee director who serves as a member of one or more committees of the Board of Directors of the Company as of such grant date shall receive an additional grant of an option to purchase 3,333 shares of Class B Common Stock and 2,666 shares of restricted stock (without duplicate grants for serving on multiple Board committees). New non-employee directors will receive a pro-rata amount (based on projected entire quarters of service following the grant date) of such annual grants on his or her date of initial election and qualification as a non-employee director. The grant date for such annual non-employee director grants was March 12, 2004 and will be each January 5 (or the next business day following January 5) thereafter. Each such option will have an exercise price equal to (or in certain cases, no less than) the Fair Market Value of a share of Class B Common Stock on the date of grant and will be immediately exercisable. All options held by non-employee directors, to the extent not exercised, unless otherwise agreed to by the Company, expire on the earliest of (i) the tenth anniversary of the date of grant, (ii) the first anniversary of the non-employee director's termination of directorship other than for Cause (as defined in the Plan) or (iii) three months following the non-employee director's termination of directorship for Cause.

The Plan also permits the Compensation Committee to grant SARs and/or LSARS. Generally, SARs may be exercised at such time or times and only to the extent determined by the Compensation Committee and LSARS may be exercised only (i) during the 90 days immediately following a Change in Control or (ii) immediately prior to the effective date of a Corporate Transaction (as defined in the Plan). LSARS will be exercisable at such time or times and only to the extent determined by the Compensation Committee. An LSAR granted in connection with an ISO is exercisable only if the Fair Market Value per share of Common Stock or Class B Common Stock, as applicable, on the date of grant exceeds the purchase price specified in the related ISO.

Upon exercise of an SAR, a grantee will receive for each share for which an SAR is exercised, an amount in cash or Class B Common Stock, as determined by the Compensation Committee, equal to the excess, if any, of (i) the Fair Market Value of a share of Class B Common Stock on the date the SAR is exercised, over (ii) the exercise or other base price of the SAR or, if applicable, the exercise price per share of the option to which the SAR relates.

Upon exercise of an LSAR, a grantee will receive for each share for which an LSAR is exercised, an amount in cash equal to the excess, if any, of (i) the greater of (x) the highest Fair Market Value of a share of Class B Common Stock during the 90-day period ending on the date the LSAR is exercised, and (y) whichever of the following is applicable: (1) the highest per share price paid in any tender or exchange offer which is in effect at any time during the 90 days ending on the date of exercise of the LSAR; (2) the fixed or formula price for the acquisition of shares of Class B Common Stock in a merger in which the Company will not continue as the surviving corporation, or upon a consolidation, or a sale, exchange or disposition of all or substantially all of the Company's assets, approved by the Company's stockholders (if such price is determinable on the date of exercise); and (3) the highest price per share of Class B Common Stock shown on Schedule 13D, or any amendment thereto, filed by the holder of the specified percentage of Common Stock or Class B Common Stock, as applicable, the acquisition of which gives rise to the exercisability of the LSAR over (ii) the exercise or other base price of the LSAR or, if applicable, the exercise price per share of the option to which the LSAR relates. In no event, however, may the holder of an LSAR granted in connection with an ISO receive an amount in excess of the maximum amount which will enable the option to continue to qualify as an ISO.

When an SAR or LSAR is exercised, the option to which it relates, if any, will cease to be exercisable to the extent of the number of shares with respect to which the SAR or LSAR is exercised, but will be deemed to have been exercised for purposes of determining the number of shares available for the future grant of awards under the Plan.

The Plan also provides for the granting of restricted stock awards, which are awards of Class B Common Stock which may not be disposed of, except by will or the laws of descent and distribution, for such period as the Compensation Committee determines (the restricted period). The Compensation Committee may also impose such other conditions and restrictions, if any, on the shares as it deems appropriate, including the satisfaction of performance criteria. All restrictions affecting the awarded shares lapse in the event of a Change in Control, a Corporate Transaction or a Related Entity Disposition.

During the restricted period for a restricted stock award, the grantee will be entitled to receive dividends with respect to, and to vote, the shares of restricted stock awarded to him or her. If, during the restricted period, the grantee's service with the Company terminates for any reason, any shares remaining subject to restrictions will be forfeited. The Compensation Committee has the authority to cancel any or all outstanding restrictions prior to the end of the restricted period, including cancellation of restrictions in connection with certain types of termination of service.

The Plan further provides for the granting of deferred stock units, which are awards providing a right to receive shares of Class B Common Stock on a deferred basis, subject to such restrictions and a restricted period as the Compensation Committee determines. The Compensation Committee may also impose such other conditions and restrictions, if any, on the payment of shares as it deems appropriate, including the satisfaction of performance criteria. All deferred stock awards become fully vested in the event of a Change of Control, a Corporate Transaction or a Related Entity Disposition.

The grantee of a deferred stock unit will not be entitled to receive dividends or vote the underlying shares until the underlying shares are delivered to the grantee. The Compensation Committee has the authority to cancel any or all outstanding restrictions prior to the end of the restricted period, including cancellation of restrictions in connection with certain types of termination of service.

During any one calendar year, no grantee may be granted options to acquire more than an aggregate of 2,000,000 shares of Common Stock and Class B Common Stock or be awarded more than 2,000,000 shares of restricted stock or deferred stock units (in each case subject to further adjustment as provided in the Plan).

The Board of Directors may at any time and from time to time suspend, amend, modify or terminate the Plan; provided, however, that, to the extent required by any other law, regulation or stock exchange rule, no such change shall be effective without the requisite approval of the

Edgar Filing: IDT CORP - Form DEF 14A

Company's stockholders. In addition, no such change may adversely affect an award previously granted, except with the written consent of the grantee.

No awards may be granted under the Plan after the tenth anniversary of its initial adoption.

ISOs (and any related SARs) are not assignable or transferable except by the laws of descent and distribution. Non-qualified stock options (and any SARs or LSARs related thereto) may be transferred to the extent permitted by the Compensation Committee. Holders of NQSOs (and any SARs or LSARs related thereto) granted after October 31, 2000 are permitted to transfer such NQSOs for no consideration to such holder's family members (as defined in Form S-8) with the prior approval of the Compensation Committee.

Except as set forth in the table below, the Company cannot now determine the number of options or other awards to be granted in the future under the Plan to officers, directors, employees and consultants.

NEW PLAN BENEFITS

Name and Principal Position	Number of Shares of Class B Common Stock Underlying Options and Restricted Stock
Non-Employee Director Group	167,972(1)

- (1) Each non-employee director of the Company and certain of its non-public, majority-owned subsidiaries receives an annual grant of 2,666 shares of restricted stock and options to purchase 3,333 shares of Class B Common Stock for being a director and an additional 2,666 shares of restricted stock and options to purchase an additional 3,333 shares of Class B Common Stock for serving on a committee of the Board of Directors of the Company. In Fiscal 2005, this automatic grant will be made on January 5, 2005.

Federal Income Tax Consequences of Awards Granted under the Plan

The Company believes that, under present law, the following are the U.S. federal income tax consequences generally arising with respect to awards under the Plan.

Incentive Stock Options. ISOs granted under the Plan are intended to meet the definitional requirements of Section 422(b) of the Code for incentive stock options. A participant who receives an ISO does not recognize any taxable income upon the grant of such ISO. Similarly, the exercise of an ISO generally does not give rise to federal taxable income to the participant, provided that (i) the federal alternative minimum tax, which depends on the participant's particular tax situation, does not apply and (ii) the participant is employed by the Company from the date of grant of the option until three months prior to the exercise thereof, except where such employment or service terminates by reason of disability or death (where the three month period is extended to one year).

Further, if after exercising an ISO, a participant disposes of the Class B Common Stock so acquired more than two years from the date of grant and more than one year from the date of transfer of the Class B Common Stock pursuant to the exercise of such ISO (the applicable holding period), the participant will normally recognize a long-term capital gain or loss equal to the difference, if any, between the amount received for the shares and the exercise price. If, however, the participant does not hold the shares so acquired for the applicable holding period thereby

Edgar Filing: IDT CORP - Form DEF 14A

making a disqualifying disposition the participant would realize ordinary income on the excess of the fair market value of the shares at the time the ISO was exercised over the exercise price, and the balance of income, if any, would be long-term capital gain (provided the holding period for the shares exceeded one year and the participant held such shares as a capital asset at such time).

A participant who exercises an ISO by delivering Class B Common Stock previously acquired pursuant to the exercise of another ISO is treated as making a disqualifying disposition of such Class B Common Stock if such shares are delivered before the expiration of their applicable holding period. Upon the exercise of an ISO with previously acquired shares as to which no disqualifying disposition occurs, the participant would not

recognize gain or loss with respect to such previously acquired shares. The Company will not be allowed a federal income tax deduction upon the grant or exercise of an ISO or the disposition, after the applicable holding period, of the Class B Common Stock acquired upon exercise of an ISO. In the event of a disqualifying disposition, the Company generally will be entitled to a deduction in an amount equal to the ordinary income recognized by the participant, provided that such amount constitutes an ordinary and necessary business expense to the Company and is reasonable and the limitations of Sections 280G and 162(m) of the Code (discussed below) do not apply.

Non-Qualified Stock Options and Stock Appreciation Rights. Non-qualified stock options granted under the Plan are options that do not qualify as ISOs. A participant who receives an NQSO or an SAR (including an LSAR) will not recognize any taxable income upon the grant of such NQSO or SAR. However, the participant generally will recognize ordinary income upon exercise of an NQSO in an amount equal to the excess of (i) the fair market value of the shares of Class B Common Stock at the time of exercise over (ii) the exercise price. Similarly, upon the receipt of cash or shares pursuant to the exercise of an SAR, the individual generally will recognize ordinary income in an amount equal to the sum of the cash and the fair market value of the shares received.

The ordinary income recognized with respect to the receipt of shares or cash upon exercise of a NQSO or an SAR will be subject to both wage withholding and other employment taxes. In addition to the customary methods of satisfying the withholding tax liabilities that arise upon the exercise of an SAR for shares or upon the exercise of a NQSO, the Company may satisfy the liability in whole or in part by withholding shares of Class B Common Stock from those that otherwise would be issuable to the participant or by the participant tendering other shares owned by him or her, valued at their fair market value as of the date that the tax withholding obligation arises.

A federal income tax deduction generally will be allowed to the Company in an amount equal to the ordinary income recognized by the individual with respect to his or her NQSO or SAR, provided that such amount constitutes an ordinary and necessary business expense to the Company and is reasonable and the limitations of Sections 280G and 162(m) of the Code do not apply.

If a participant exercises an NQSO by delivering shares of Common Stock or Class B Common Stock to the Company, other than shares previously acquired pursuant to the exercise of an ISO which is treated as a disqualifying disposition as described above, the participant will not recognize gain or loss with respect to the exchange of such shares, even if their then fair market value is different from the participant's tax basis. The participant, however, will be taxed as described above with respect to the exercise of the NQSO as if he or she had paid the exercise price in cash, and the Company likewise generally will be entitled to an equivalent tax deduction.

Other Awards. With respect to other awards under the Plan that are settled either in cash or in shares of Class B Common Stock that are either transferable or not subject to a substantial risk of forfeiture (as defined in the Code and the regulations thereunder), participants generally will recognize ordinary income equal to the amount of cash or the fair market value of the Class B Common Stock received. Participants also will not recognize income upon the grant of a deferred stock unit, and will instead recognize ordinary income when shares of Class B Common Stock are delivered in satisfaction of such award.

With respect to restricted stock awards under the Plan that are settled in shares of Class B Common Stock that are restricted to transferability and subject to a substantial risk of forfeiture - absent a written election pursuant to Section 83(b) of the Code filed with the Internal Revenue Service within 30 days after the date of transfer of such shares pursuant to the award (a Section 83(b) election) - a participant will recognize ordinary income at the earlier of the time at which (i) the shares become transferable or (ii) the restrictions that impose a substantial risk of forfeiture of such shares (the Restrictions) lapse, in an amount equal to the excess of the fair market value (on such date) of such shares over the price paid for the award, if any. If a Section 83(b) election is made, the participant will recognize ordinary income, as of the transfer date, in an amount equal to the excess of the fair market value of the Class B Common Stock as of that date over the price paid for such award, if any.

The ordinary income recognized with respect to the receipt of cash, shares of Class B Common Stock or other property under the Plan will be subject to both wage withholding and other employment taxes. In addition to the customary methods of satisfying withholding tax liabilities that arise with respect to the delivery of cash or property (or vesting thereof), the Company may satisfy the liability in whole or in part by withholding shares of Class B Common Stock from those that would otherwise be issuable to the participant or by the participant tendering other shares owned by him or her, valued at their fair market value as of the date that the tax withholding obligation arises.

The Company generally will be allowed a deduction for federal income tax purposes in an amount equal to the ordinary income recognized by the participant, provided that such amount constitutes an ordinary and necessary business expense and is reasonable and the limitations of Sections 280G and 162(m) of the Code do not apply.

Change in Control. In general, if the total amount of payments to a participant that are contingent upon a change of control of the Company (as defined in Section 280G of the Code), including awards under the Plan that vest upon a change in control, equals or exceeds three times the individual's base amount (generally, such participant's average annual compensation for the five calendar years preceding the change in control), then, subject to certain exceptions, the payments may be treated as parachute payments under the Code, in which case a portion of such payments would be non-deductible to the Company and the participant would be subject to a 20% excise tax on such portion of the payments.

Certain Limitations on Deductibility of Executive Compensation. With certain exceptions, Section 162(m) of the Code denies a deduction to publicly held corporations for compensation paid to certain executive officers in excess of \$1 million per executive per taxable year (including any deduction with respect to the exercise of an NQSO or SAR or the disqualifying disposition of stock purchased pursuant to an ISO). One such exception applies to certain performance-based compensation provided that such compensation has been approved by stockholders in a separate vote and certain other requirements are met. The Company believes that Stock Options, SARs and LSARs granted under the Plan should qualify for the performance-based compensation exception to Section 162(m).

On October 21, 2004, the last reported sale price of the Class B Common Stock on the New York Stock Exchange was \$13.71 per share.

PROPOSAL NO. 3

**RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP
AS INDEPENDENT AUDITORS**

The Company's stockholders are being asked to ratify the Board of Directors' appointment of Ernst & Young LLP as the Company's independent auditors for Fiscal 2005.

In the event that the ratification of this selection of auditors is not approved by a majority of the votes cast by holders of shares of Common Stock, Class A Common Stock and Class B Common Stock voting at the Annual Meeting in person or by proxy, management will review its future selection of auditors.

Ernst & Young LLP has served as the Company's independent auditors since 1993. Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

The Audit Committee is responsible for appointing, setting compensation, and overseeing the work of the independent auditors. The Audit Committee has established a policy regarding pre-approval of all audit and permissible non-audit services provided by the independent auditors.

The Audit Committee assesses requests for services by the independent auditors using several factors. The Audit Committee will consider whether such services are consistent with the SEC's rules on auditor independence. In addition, the Audit Committee will determine whether the independent auditors are best

positioned to provide the most effective and efficient service based upon their familiarity with the Company's business, people, culture, accounting systems, risk profile and whether the service might enhance the Company's ability to manage or control risk or improve audit quality.

Based on material provided to the Company, the Company believes that all such required reports were filed on a timely basis in Fiscal 2004, except that a Form 4 was not filed on a timely basis by each of J. Warren Blaker, a director of the Company (with respect to a gift of shares of Class B Common Stock) and Michael J. Such shares may, in whole or in part, be authorized but unissued shares or shares that shall have been or may be reacquired by the Company. (c) *TYPE OF OPTION.* Each Option Agreement shall specifically state that the Option constitutes an Incentive Stock Option or a Nonqualified Stock Option. In the absence of such designation, the Option will be deemed to be a Nonqualified Stock Option.

(d) *OPTION PRICE.* Each Option Agreement shall state the Option Price, which, in the case of an Incentive Stock Option, shall not be less than one hundred percent (100%) of the Fair Market Value of the shares of Class B Common Stock covered by the Option on the date of grant. The Option Price shall be subject to adjustment as provided in Section 12 hereof.

Edgar Filing: IDT CORP - Form DEF 14A

(f) *TERM AND EXERCISABILITY OF OPTIONS.* Each Option Agreement shall provide the exercise schedule for the Option as determined by the Committee, provided, that, the Committee shall have the authority to accelerate the exercisability of any outstanding option at such time and under such circumstances as it, in its sole discretion, deems appropriate. The exercise period will be ten (10) years from the date of the grant of the option unless otherwise determined by the Committee; provided, however, that in the case of an Incentive Stock Option, such exercise period shall not exceed ten (10) years from the date of grant of such Option. The exercise period shall be subject to earlier termination as provided in Sections 6(g) and 6(h) hereof. An Option may be exercised, as to any or all full shares of Class B Common Stock as to which the Option has become exercisable, by written notice delivered in person or by mail to the Company's transfer agent or other administrator designated by the Company, specifying the number of shares of Class B Common Stock with respect to which the Option is being exercised.

A-5

(g) *TERMINATION*. Except as provided in this Section 6(g) and in Section 6(h) hereof, an Option may not be exercised unless the Grantee is then in the employ of or maintaining a director or consultant relationship with the Company or a Subsidiary thereof (or a company or a Parent or Subsidiary of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), and unless the Grantee has remained continuously so employed or in the director or consultant relationship since the date of grant of the Option. In the event that the employment or consultant relationship of a Grantee shall terminate (other than by reason of death, Disability or Retirement), all Options of such Grantee that are exercisable at the time of Grantee's termination may, unless earlier terminated in accordance with their terms, be exercised within thirty (30) days after the date of such termination (or such different period as the Committee shall prescribe); provided, however, that Options granted after November 17, 1998 and on or prior to October 22, 2001 may be exercised within three (3) months after the date of termination (or such different period as the Committee shall prescribe), and Options granted after October 22, 2001 may be exercised within 180 days after the date of termination (or such different period as the Committee shall prescribe).

(h) *DEATH, DISABILITY OR RETIREMENT OF GRANTEE*. If a Grantee shall die while employed by, or maintaining a director or consultant relationship with, the Company or a Subsidiary thereof, or within thirty (30) days after the date of termination of such Grantee's employment, director or consultant relationship (or within such different period as the Committee may have provided pursuant to Section 6(g) hereof), or if the Grantee's employment, director or consultant relationship shall terminate by reason of Disability, all Options theretofore granted to such Grantee (to the extent otherwise exercisable) may, unless earlier terminated in accordance with their terms, be exercised by the Grantee or by the Grantee's estate or by a person who acquired the right to exercise such Options by bequest or inheritance or otherwise by result of death or Disability of the Grantee, at any time within 180 days after the death or Disability of the Grantee (or such different period as the Committee shall prescribe). In the event that an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Grantee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option. In the event that the employment or consultant relationship of a Grantee shall terminate on account of such Grantee's Retirement, all Options of such Grantee that are exercisable at the time of such Retirement may, unless earlier terminated in accordance with their terms, be exercised at any time within one hundred eighty (180) days after the date of such Retirement (or such different period as the Committee shall prescribe).

(i) *OTHER PROVISIONS*. The Option Agreements evidencing awards under the Plan shall contain such other terms and conditions not inconsistent with the Plan as the Committee may determine.

7. *Nonqualified Stock Options.*

Options granted pursuant to this Section 7 are intended to constitute Nonqualified Stock Options and shall be subject only to the general terms and conditions specified in Section 6 hereof.

8. *Incentive Stock Options.*

Options granted pursuant to this Section 8 are intended to constitute Incentive Stock Options and shall be subject to the following special terms and conditions, in addition to the general terms and conditions specified in Section 6 hereof:

(a) *LIMITATION ON VALUE OF SHARES*. To the extent that the aggregate Fair Market Value of shares of Class B Common Stock subject to Options designated as Incentive Stock Options which become exercisable for the first time by a Grantee during any calendar year (under all plans of the Company or any Subsidiary) exceeds \$100,000, such excess Options, to the extent of the shares covered thereby in excess of the foregoing limitation, shall be treated as Nonqualified Stock Options. For this purpose, Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the shares of Class B Common Stock shall be determined as of the date that the Option with respect to such shares was granted.

A-6

(b) *TEN PERCENT STOCKHOLDER*. In the case of an Incentive Stock Option granted to a Ten Percent Stockholder, (i) the Option Price shall not be less than one hundred ten percent (110%) of the Fair Market Value of the shares of Class B Common Stock on the date of grant of such Incentive Stock Option, and (ii) the exercise period shall not exceed five (5) years from the date of grant of such Incentive Stock Option.

9. *Stock Appreciation Rights*.

The Committee shall have authority to grant a Stock Appreciation Right, either alone or in tandem with any Option. A Stock Appreciation Right granted in tandem with an Option shall, except as provided in this Section 9 or as may be determined by the Committee, be subject to the same terms and conditions as the related Option. Each Stock Appreciation Right granted pursuant to the Plan shall be evidenced by a written Agreement between the Company and the Grantee in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) *TIME OF GRANT*. A Stock Appreciation Right may be granted at such time or times as may be determined by the Committee.

(b) *PAYMENT*. A Stock Appreciation Right shall entitle the holder thereof, upon exercise of the Stock Appreciation Right or any portion thereof, to receive payment of an amount computed pursuant to Section 9(d).

(c) *EXERCISE*. A Stock Appreciation Right shall be exercisable at such time or times and only to the extent determined by the Committee, and will not be transferable except to the extent any related Option is transferable or as otherwise determined by the Committee. A Stock Appreciation Right granted in connection with an Incentive Stock Option shall be exercisable only if the Fair Market Value of a share of Class B Common Stock on the date of exercise exceeds the purchase price specified in the related Incentive Stock Option. Unless otherwise approved by the Committee, no Grantee shall be permitted to exercise any Stock Appreciation Right during the period beginning two weeks prior to the end of each of the Company's fiscal quarters and ending on the second business day following the day on which the Company releases to the public a summary of its fiscal results for such period.

(d) *AMOUNT PAYABLE*. Upon the exercise of a Stock Appreciation Right, the Optionee shall be entitled to receive an amount determined by multiplying (i) the excess of the Fair Market Value of a share of Class B Common Stock on the date of exercise of such Stock Appreciation Right over the exercise or other base price of the Stock Appreciation Right or, if applicable, the Option Price of the related Option, by (ii) the number of shares of Class B Common Stock as to which such Stock Appreciation Right is being exercised.

(e) *TREATMENT OF RELATED OPTIONS AND STOCK APPRECIATION RIGHTS UPON EXERCISE*. Upon the exercise of a Stock Appreciation Right, the related Option, if any, shall be canceled to the extent of the number of shares of Class B Common Stock as to which the Stock Appreciation Right is exercised. Upon the exercise or surrender of an option granted in connection with a Stock Appreciation Right, the Stock Appreciation Right shall be canceled to the extent of the number of shares of Class B Common Stock as to which the Option is exercised or surrendered.

(f) *METHOD OF EXERCISE*. Stock Appreciation Rights shall be exercised by a Grantee only by a written notice delivered to the Company in accordance with procedures specified by the Company from time to time. Such notice shall state the number of shares of Class B Common Stock with respect to which the Stock Appreciation Right is being exercised. A Grantee may also be required to deliver to the Company the underlying Agreement evidencing the Stock Appreciation Right being exercised and any related Option Agreement so that a notation of such exercise may be made thereon, and such Agreements shall then be returned to the Grantee.

(g) *FORM OF PAYMENT.* Payment of the amount determined under Section 9(d) may be made solely in whole shares of Class B Common Stock in a number based upon their Fair Market Value on the date of

A-7

exercise of the Stock Appreciation Right or, alternatively, at the sole discretion of the Committee, solely in cash, or in a combination of cash and shares of Class B Common Stock as the Committee deems advisable. If the Committee decides to make full payment in shares of Class B Common Stock, and the amount payable results in a fractional share, payment for the fractional share will be made in cash.

10. Limited Stock Appreciation Rights.

The Committee shall have authority to grant a Limited Right, either alone or in tandem with any Option. Each Limited Right granted pursuant to the Plan shall be evidenced by a written Agreement between the Company and the Grantee in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) *TIME OF GRANT.* A Limited Right may be granted at such time or times as may be determined by the Committee.

(b) *EXERCISE.* A Limited Right may be exercised only (i) during the ninety-day period following the occurrence of a Change in Control or (ii) immediately prior to the effective date of a Corporate Transaction. A Limited Right shall be exercisable at such time or times and only to the extent determined by the Committee, and will not be transferable except to the extent any related Option is transferable or as otherwise determined by the Committee. A Limited Right granted in connection with an Incentive Stock Option shall be exercisable only if the Fair Market Value of a share of Class B Common Stock on the date of exercise exceeds the purchase price specified in the related Incentive Stock Option.

(c) *AMOUNT PAYABLE.* Upon the exercise of a Limited Right, the Grantee thereof shall receive in cash whichever of the following amounts is applicable:

(i) in the case of the realization of Limited Rights by reason of an acquisition of common stock described in clause (i) of the definition of Change in Control (Section 2(c) above), an amount equal to the Acquisition Spread as defined in Section 10(d)(ii) below; or

(ii) in the case of the realization of Limited Rights by reason of stockholder approval of an agreement or plan described in clause (i) of the definition of Corporate Transaction (Section 2(j) above), an amount equal to the Merger Spread as defined in Section 10(d)(iv) below; or

(iii) in the case of the realization of Limited Rights by reason of the change in composition of the Board described in clause (ii) of the definition of Change in Control or stockholder approval of a plan or agreement described in clause (ii) of the definition of Corporate Transaction, an amount equal to the Spread as defined in Section 10(d)(v) below.

Notwithstanding the foregoing provisions of this Section 10(c) (or unless otherwise approved by the Committee), in the case of a Limited Right granted in respect of an Incentive Stock Option, the Grantee may not receive an amount in excess of the maximum amount that will enable such option to continue to qualify under the Code as an Incentive Stock Option.

(iv) The term *Merger Spread* as used herein shall mean an amount equal to the product, computed by multiplying (A) the excess of (1) the Merger Price per Share over (2) the exercise or other base price of the Limited Right or, if applicable, the Option Price per share of common stock at which the related Option is exercisable, by (B) the number of shares of common stock with respect to which such Limited Right is being exercised.

(v) The term *Spread* as used herein shall mean, with respect to the exercise of any Limited Right by reason of a change in the composition of the Board described in clause (ii) of the definition of Change in Control or stockholder approval of a plan or agreement described in clause (ii) of the definition of Corporate Transaction, an amount equal to the product computed by multiplying (i) the excess of (A) the greater of (1) the highest price paid in any tender or exchange offer which is in effect at any time during the ninety-day period ending on the date of exercise of the Limited Right or (2) the highest Fair Market Value per share of common stock during the ninety day period ending on the date the Limited Right is exercised over (B) the exercise or other base price of the Limited Right or, if applicable, the Option Price per share of common stock at which the related Option is exercisable, by (ii) the number of shares of common stock with respect to which the Limited Right is being exercised.

(e) *TREATMENT OF RELATED OPTIONS AND LIMITED RIGHTS UPON EXERCISE.* Upon the exercise of a Limited Right, the related Option, if any, shall cease to be exercisable to the extent of the shares of Class B Common Stock with respect to which such Limited Right is exercised but shall be considered to have been exercised to that extent for purposes of determining the number of shares of Class B Common Stock available for the grant of future awards pursuant to this Plan. Upon the exercise or termination of a related Option, if any, the Limited Right with respect to such related Option shall terminate to the extent of the shares of Class B Common Stock with respect to which the related Option was exercised or terminated.

(f) *METHOD OF EXERCISE.* To exercise a Limited Right, the Grantee shall (i) deliver written notice to the Company specifying the number of shares of Class B Common Stock with respect to which the Limited Right is being exercised, and (ii) if requested by the Committee, deliver to the Company the Agreement evidencing the Limited Rights being exercised and, if applicable, the Option Agreement evidencing the related Option; the Company shall endorse thereon a notation of such exercise and return such Agreements to the Grantee. The date of exercise of a Limited Right that is validly exercised shall be deemed to be the date on which there shall have been delivered the instruments referred to in the first sentence of this paragraph (f).

11. Restricted Stock.

The Committee may award shares of Restricted Stock to any eligible employee, director or consultant. Each award of Restricted Stock under the Plan shall be evidenced by a written Agreement between the Company and the Grantee, in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) *NUMBER OF SHARES*. Each Agreement shall state the number of shares of Restricted Stock to be subject to an award.

A-9

(b) *RESTRICTIONS*. Shares of Restricted Stock may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, except by will or the laws of descent and distribution, for such period as the Committee shall determine from the date on which the award is granted (the Restricted Period). The Committee may also impose such additional or alternative restrictions and conditions on the shares as it deems appropriate including the satisfaction of performance criteria. Such performance criteria may include sales, earnings before interest and taxes, return on investment, earnings per share, any combination of the foregoing or rate of growth of any of the foregoing, as determined by the Committee. Certificates for shares of stock issued pursuant to Restricted Stock awards shall bear an appropriate legend referring to such restrictions, and any attempt to dispose of any such shares of stock in contravention of such restrictions shall be null and void and without effect. During the Restricted Period, such certificates shall be held in escrow by an escrow agent appointed by the Committee. In determining the Restricted Period of an award, the Committee may provide that the foregoing restrictions shall lapse with respect to specified percentages of the awarded shares on successive anniversaries of the date of such award.

(c) *FORFEITURE*. Subject to such exceptions as may be determined by the Committee, if the Grantee's continuous employment or consultant relationship with the Company or any Subsidiary shall terminate for any reason prior to the expiration of the Restricted Period of an award, any shares remaining subject to restrictions (after taking into account the provisions of Subsection (e) of this Section 11) shall thereupon be forfeited by the Grantee and transferred to, and retired by, the Company without cost to the Company or such Subsidiary.

(d) *OWNERSHIP*. During the Restricted Period the Grantee shall possess all incidents of ownership of such shares, subject to Subsection (b) of this Section 11, including the right to receive dividends with respect to such shares and to vote such shares.

(e) *ACCELERATED LAPSE OF RESTRICTIONS*. Upon the occurrence of any of the events specified in Section 13 (and subject to the conditions set forth therein), all restrictions then outstanding on any shares of Restricted Stock awarded under the Plan shall lapse as of the applicable date set forth in Section 13. The Committee shall have the authority (and the Agreement may so provide) to cancel all or any portion of any outstanding restrictions prior to the expiration of the Restricted Period with respect to any or all of the shares of Restricted Stock awarded on such terms and conditions as the Committee shall deem appropriate.

11A. Deferred Stock Units.

The Committee may award Deferred Stock Units to any outside director, eligible employee or consultant. Each award of Deferred Stock Units under the Plan shall be evidenced by a written Agreement between the Company and the Grantee, in such form as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Agreement:

(a) *NUMBER OF SHARES*. Each Agreement for Deferred Stock Units shall state the number of shares of Class B Common Stock to be subject to an award.

(b) *RESTRICTIONS*. Deferred Stock Units may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, except by will or the laws of descent and distribution, until shares of Class B Common Stock are payable with respect to an award. The Committee may impose such vesting restrictions and conditions on the payment of shares as it deems appropriate including the satisfaction of performance criteria. Such performance criteria may include sales, earnings before interest and taxes, return on investment, earnings per share, any combination of the foregoing or rate of growth of any of the foregoing, as determined by the Committee.

Edgar Filing: IDT CORP - Form DEF 14A

(c) *FORFEITURE*. Subject to such exceptions as may be determined by the Committee, if the Grantee's continuous employment or consulting relationship with the Company or any Subsidiary shall terminate for any reason prior to the Grantee becoming fully vested in the award, then the Grantee's rights under any unvested Deferred Stock Units shall be forfeited without cost to the Company or such Subsidiary.

A-10

(d) *OWNERSHIP*. Until shares are delivered with respect to Deferred Stock Units, the Grantee shall not possess any incidents of ownership of such shares, including the right to receive dividends with respect to such shares and to vote such shares.

12. *Effect of Certain Changes.*

(a) *ADJUSTMENTS UPON CHANGES IN CAPITALIZATION*. In the event of any extraordinary dividend, stock dividend, recapitalization, merger, consolidation, stock split, warrant or rights issuance, or combination or exchange of such shares, or other similar transactions, the Committee shall equitably adjust (i) the maximum number of Options or shares of Restricted Stock that may be awarded to a Grantee in any calendar year (as provided in Section 5 hereof), (ii) the number of shares of Class B Common Stock available for awards under the Plan, (iii) the number and/or kind of shares covered by outstanding awards and (iv) the price per share of Options or the applicable market value of Stock Appreciation Rights or Limited Rights, in each such case so as to reflect such event and preserve the value of such awards; provided, however, that any fractional shares resulting from such adjustment shall be eliminated.

(b) *CHANGE IN CLASS B COMMON STOCK*. In the event of a change in the Class B Common Stock of the Company as presently constituted that is limited to a change of all of its authorized shares of Class B Common Stock into the same number of shares with a different par value or without par value, the shares resulting from any such change shall be deemed to be the Class B Common Stock within the meaning of the Plan.

13. *Corporate Transaction; Change in Control; Related Entity Disposition.*

(a) *CORPORATE TRANSACTION*. In the event of a Corporate Transaction, each award which is at the time outstanding under the Plan shall automatically become fully vested and exercisable and, in the case of an award of Restricted Stock, shall be released from any restrictions on transfer and repurchase or forfeiture rights, immediately prior to the specified effective date of such Corporate Transaction. Effective upon the consummation of the Corporate Transaction, all outstanding awards of Options, Stock Appreciation Rights and Limited Rights under the Plan shall terminate. However, all such awards shall not terminate if the awards are, in connection with the Corporate Transaction, assumed by the successor corporation or Parent thereof.

(b) *CHANGE IN CONTROL*. In the event of a Change in Control (other than a Change in Control which is also a Corporate Transaction), each award which is at the time outstanding under the Plan automatically shall become fully vested and exercisable and, in the case of an award of Restricted Stock, shall be released from any restrictions on transfer and repurchase or forfeiture rights, immediately prior to the specified effective date of such Change in Control.

(c) *RELATED ENTITY DISPOSITION*. With respect only to awards granted under the Plan after November 17, 1998, the Continuous Service of each Grantee (who is primarily engaged in service to a Related Entity at the time it is involved in a Related Entity Disposition) shall terminate effective upon the consummation of such Related Entity Disposition, and each outstanding award of such Grantee under the Plan shall become fully vested and exercisable and, in the case of an award of Restricted Stock, shall be released from any restrictions on transfer; provided, however, that no such award shall vest pursuant to this Section 13(c) in connection with a Related Entity Disposition consummated prior to November 17, 2000, if such vesting would defeat the ability to account for such transaction as a pooling under generally accepted accounting principles. The Continuous Service of a Grantee shall not be deemed to terminate (and each outstanding award of such Grantee under the Plan shall not become fully vested and exercisable and, in the case of an award of Restricted Stock, shall not be released from any restrictions on transfer) if (i) a Related Entity Disposition involves the spin-off of a Related Entity, for so long as such Grantee continues to remain in the service of such entity that constituted the Related Entity immediately prior to the consummation of such Related Entity Disposition (SpinCo) in any capacity of officer, employee, director or consultant or (ii) an outstanding award is assumed by the surviving corporation (whether SpinCo or otherwise) or its parent entity in connection with a Related Entity Disposition.

A-11

(d) *SUBSTITUTE AWARDS*. The Committee may grant awards under the Plan in substitution of stock-based incentive awards held by employees of another entity who become employees of the Company or any Subsidiary by reason of a merger or consolidation of the employing entity with the Company or any Subsidiary, or the acquisition by the Company or a Subsidiary of property or equity of the employing entity, upon such terms and conditions as the Committee may determine, and such awards shall not count against the share limitation set forth in Section 5 hereof.

14. Non-Employee Director Options and Restricted Stock.

The provisions of this Section 14 shall apply only to certain grants of Options and Restricted Stock to Non-Employee Directors, as provided below. Except as set forth in this Section 14, the other provisions of the Plan shall apply to grants of Options and Restricted Stock to Non-Employee Directors to the extent not inconsistent with this Section. For purposes of interpreting Section 6 of the Plan and paragraph (f) of this Section 14, a Non-Employee Director's service as a member of the Board or the board of directors of any Subsidiary shall be deemed to be employment with the Company.

(a) *GENERAL*. Non-Employee Directors shall receive Nonqualified Stock Options and Restricted Stock in accordance with this Section 14. The Option Price per share of Class B Common Stock purchasable under Options granted to Non-Employee Directors shall be the Fair Market Value of a share on the date of grant. Options and Restricted Stock granted pursuant to this Section 14 shall be subject to the terms of such section and shall not be subject to discretionary acceleration of vesting by the Committee. Non-Employee Directors shall receive separate and additional grants hereunder for being a Non-Employee Director of the Company and each Subsidiary.

(b) *INITIAL GRANTS*. On the date of the Initial Public Offering, each Non-Employee Director was granted automatically, without action by the Committee, an Option to purchase 10,000 shares of Common Stock. The Option Price was equal to the offering price of the Common Stock in connection with the Initial Public Offering.

(c) *SUBSEQUENT GRANTS BEFORE MARCH 12, 2004*. Before March 12, 2004, each person who, after the Initial Public Offering, became a Non-Employee Director for the first time, at the time such director was elected and duly qualified, was granted automatically, without action by the Committee, an Option to purchase 10,000 shares of Class B Common Stock (or Common Stock prior to May 31, 2001); provided, however, that (i) each person who first became a Non-Employee Director of the Company after May 31, 2001 and before October 22, 2001 was granted an additional Option to purchase 10,000 shares of Class B Common Stock as of their date of election and qualification (for a total of 20,000 shares), (ii) each person who first became a Non-Employee Director of a Subsidiary after May 31, 2001 and before October 22, 2001 received an Option to purchase 20,000 shares of Class B Common Stock as of October 22, 2001 (in lieu of an Option for 10,000 shares), and (iii) each person who first became a Non-Employee Director on or after October 22, 2001 and before December 31, 2002 was granted an Option to purchase 20,000 shares of Class B Common Stock as of their date of election and qualification. The Option Price was equal to the Fair Market Value of the Class B Common Stock as of the date of grant.

(d) *ANNUAL GRANTS BEFORE MARCH 12, 2004*. Before March 12, 2004, each Non-Employee Director who was initially elected to the Board prior to the Initial Public Offering was automatically granted an Option to purchase 20,000 shares of Class B Common Stock on each anniversary date of the Initial Public Offering occurring on or before December 31, 2002, and an Option to purchase 10,000 shares of Class B Common Stock on each such anniversary occurring on or after January 1, 2003 and before March 12, 2004. Also prior to March 12, 2004, each Non-Employee Director who was initially elected to the Board or the board of directors of any Subsidiary after the Initial Public Offering was automatically granted an Option to purchase 20,000 shares of Class B Common Stock on each anniversary of their election to the Board or the board of directors of such Subsidiary, as applicable, occurring on or before December 31, 2002, and an Option to purchase 10,000 shares of Class B Common Stock on each such anniversary occurring on or after January 1, 2003 and before March 12, 2004. On each anniversary date grant described

above occurring on or after January 1, 2003 and prior to March 12, 2004, a Non-Employee Director also received an additional annual grant of an Option to purchase 10,000 shares of Class B Common Stock if the Non-Employee Director was a member of a committee of the Board. The Options granted under this paragraph were granted without action by the Committee. The Option Price was equal to the Fair Market Value of the Class B Common Stock as of the date of grant.

(e) *INITIAL GRANTS AND ANNUAL GRANTS ON AND AFTER MARCH 12, 2004.* On each Non-Employee Director Grant Date, each Non-Employee Director shall receive both (i) an Option to purchase 3,333 shares of Class B Common Stock, and (ii) 2,666 shares of Restricted Stock; provided, however, that a Non-Employee Director who first becomes a Non-Employee Director after March 12, 2004 shall receive a pro-rata amount (based on projected entire quarters of service to the following Non-Employee Director Grant Date) of such annual grants on his date of appointment as a Non-Employee Director. Also on each Non-Employee Director Grant Date, each Non-Employee Director who serves as a member of one or more committees of the Board as of such date shall receive an additional grant of both (i) an Option to purchase 3,333 shares of Class B Common Stock and (ii) 2,666 shares of Restricted Stock (without duplicate grants for serving on multiple Board committees); provided, however, that a Non-Employee Director who first becomes a member of such a committee after March 12, 2004 shall receive a pro-rata amount (based on projected whole quarters of service to the following Non-Employee Director Grant Date) of such annual grants on his date of appointment to a committee (without duplication). Options under this Section 14(e) shall have an Option Price equal to the Fair Market Value of the Class B Common Stock as of the date of grant. Restricted Stock granted under this Section 14(e) shall be issued after payment of the par value of such shares.

(f) *VESTING OF OPTIONS AND RESTRICTED STOCK.* Each Option granted under this Section 14 shall be fully exercisable on the date of grant. Sections 6 (f), 6(g) and 6(h) of this Plan shall not apply to Options granted to Non-Employee Directors. Restricted Stock granted under this Section 14 shall be fully vested on the date of grant.

(g) *DURATION OF OPTIONS.* Each Option granted to a Non-Employee Director shall expire on the first to occur of (i) the tenth anniversary of the date of grant of the Option, (ii) the first anniversary of the Non-Employee Director's termination of service as a member of the Board or the board of directors of any Subsidiary, as applicable, other than for Cause or (iii) three months following the Non-Employee Director's removal from the Board or the board of directors of any Subsidiary, as applicable, for Cause. The Committee may not provide for an extended exercise period beyond the periods set forth in this Section 14.

(h) *DEFINITION OF CAUSE.* For purposes of this Section 14, cause shall mean the termination of service as a member of the Board or the board of directors of any Subsidiary, as applicable, by a Non-Employee Director due to any act of (i) fraud or intentional misrepresentation, or (ii) embezzlement, misappropriation or conversion of assets or opportunities of the Company or any Subsidiary.

15. Period During which Awards May Be Granted.

Awards may be granted pursuant to the Plan from time to time within a period of ten (10) years from February 7, 1996, the date the Plan was initially adopted by the Board.

16. Transferability of Awards.

(a) Incentive Stock Options (and any Stock Appreciation Rights related thereto) may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by the laws of descent and distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee or his or her guardian or legal representative.

(b) Nonqualified Stock Options (together with any Stock Appreciation Rights or Limited Rights related thereto) shall be transferable in the manner and to the extent acceptable to the Committee, as evidenced by a writing signed by the Company and the Grantee. Nonqualified Stock Options (together with any Stock

A-13

Appreciation Rights or Limited Rights related thereto) granted after October 31, 2000 shall be transferable by a Grantee as a gift to the Grantee's family members (as defined in Form S-8) under such terms and conditions as may be established by the Committee; provided that the Grantee receives no consideration for the transfer. Notwithstanding the transfer by a Grantee of a Nonqualified Stock Option, the transferred Nonqualified Stock Option shall continue to be subject to the same terms and conditions as were applicable to the Nonqualified Stock Option immediately before the transfer and the Grantee will continue to remain subject to the withholding tax requirements set forth in Section 17 hereof.

(c) The terms of any award granted under the Plan, including the transferability of any such award, shall be binding upon the executors, administrators, heirs and successors of the Grantee.

17. Agreement by Grantee regarding Withholding Taxes.

If the Committee shall so require, as a condition of exercise of an Option, Stock Appreciation Right or Limited Right or the expiration of a Restricted Period (each, a Tax Event), each Grantee shall agree that no later than the date of the Tax Event, the Grantee will pay to the Company or make arrangements satisfactory to the Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the Tax Event. Alternatively, the Committee may provide that a Grantee may elect, to the extent permitted or required by law, to have the Company deduct federal, state and local taxes of any kind required by law to be withheld upon the Tax Event from any payment of any kind due to the Grantee. The withholding obligation may be satisfied by the withholding or delivery of Class B Common Stock.

18. Rights as a Stockholder.

Except as provided in Section 11(d) hereof, a Grantee or a transferee of an award shall have no rights as a stockholder with respect to any shares covered by the award until the date of the issuance of a stock certificate to him or her for such shares. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distribution of other rights for which the record date is prior to the date such stock certificate is issued, except as provided in Section 12(a) hereof.

19. No Rights to Employment; Forfeiture of Option Gains.

Nothing in the Plan or in any award granted or Agreement entered into pursuant hereto shall confer upon any Grantee the right to continue in the employ of, or in a consultant relationship with, the Company or any Subsidiary or to be entitled to any remuneration or benefits not set forth in the Plan or such Agreement or to interfere with or limit in any way the right of the Company or any such Subsidiary to terminate such Grantee's employment. Awards granted under the Plan shall not be affected by any change in duties or position of a Grantee as long as such Grantee continues to be employed by, or in a consultant relationship with, the Company or any Subsidiary. The Agreement for any award under the Plan may require the Grantee to pay to the Company any financial gain realized from the prior exercise or vesting of the award in the event that the Grantee engages in conduct that violates any non-compete, non-solicitation or non-disclosure obligation of the Grantee under any agreement with the Company or any Subsidiary, including, without limitation, any such obligations provided in the Agreement.

20. Beneficiary.

Edgar Filing: IDT CORP - Form DEF 14A

A Grantee may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Grantee, the executor or administrator of the Grantee's estate shall be deemed to be the Grantee's beneficiary.

21. Authorized Share Approval; Amendment and Termination of the Plan.

(a) *AUTHORIZED SHARE APPROVAL.* The Plan initially became effective when adopted by the Board on February 7, 1996 and shall terminate on the tenth anniversary of such date. The Plan was ratified

A-14

by the Company's stockholders on February 27, 1997. In December 1997, the Board submitted to the Company's stockholders for approval an amendment authorizing an additional 1,000,000 shares of common stock for awards under the Plan, making a total of 3,300,000 shares of common stock authorized for awards. On September 28, 1998, the Board authorized an additional 1,000,000 shares of common stock for awards under the Plan, on November 20, 1998, the Board approved the Plan, as amended and restated herein, and on November 23, 1998 the Executive Committee approved the further increase of 500,000 shares of common stock, bringing the total number of shares authorized for issuance under the Plan to 4,800,000 shares of common stock. The Company's stockholders approved the September and November 1998 increases in December 1998 and an additional increase of 1,500,000 shares of common stock in December 1999. On May 24, 2000, the Board authorized 300,000 shares of the Company's Class B Common Stock for awards under the Plan, and on September 12, 2000, the Board authorized an additional 3,000,000 shares of the Company's Class B Common Stock for awards under the Plan; each of these increases was approved by the Company's stockholders on December 13, 2001. On or about September 18, 2002, the Board authorized an additional 3,000,000 shares of the Company's Class B Common Stock for awards under the Plan, which increase was approved by the Company's stockholders on December 11, 2002. On April 25, 2003, the Board amended the Plan to remove the remaining authorized shares of Common Stock, and authorized for issuance under the Plan 3,501,903 shares of the Company's Class B Common Stock held by the Company as treasury shares; the amendment also provided that all outstanding Options to purchase Common Stock as of April 25, 2003 shall thereafter be exercisable to purchase a share of Class B Common Stock in lieu of each share of Common Stock otherwise subject to such Option (the "Option Conversion"). On June 3, 2003, the Board removed the authorization of 2,146,794 shares of the Company's Class B Common Stock for awards under the Plan. On or about September 16, 2003, the Board authorized an additional 3,000,000 shares of the Company's Class B Common Stock for awards under the Plan, subject to approval by the stockholders of the Company.

(b) *AMENDMENT AND TERMINATION OF THE PLAN.* The Board at any time and from time to time may suspend, terminate, modify or amend the Plan; however, unless otherwise determined by the Board, an amendment that requires stockholder approval in order for the Plan to continue to comply with any law, regulation or stock exchange requirement shall not be effective unless approved by the requisite vote of stockholders. Except as provided in Section 12(a) hereof, no suspension, termination, modification or amendment of the Plan may adversely affect any award previously granted, unless the written consent of the Grantee is obtained. The amendment of Section 6(g) (extending the post-termination exercise period of Options from thirty (30) days to three (3) months) and the addition of Section 13(c) in respect of Related Entity Dispositions shall apply prospectively only to Options granted after November 17, 1998, the date that the Plan, as amended and restated herein, was adopted by the Board.

22. *Governing Law.*

The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Delaware.

2. *Grant of Options.* The Employee is hereby granted non-qualified stock options (the Options) to purchase an aggregate of _____ shares of Stock, pursuant to the terms of this Agreement.

3. *Term.* The term of the Options (the Option Term) shall be for ten (10) years commencing on _____ and terminating on _____.

4. *Option Price.* The initial exercise price per share of the Options shall be \$ _____, subject to adjustment as provided herein.

5. *Conditions to Exercisability.* The Options shall vest and become exercisable as follows: _____ [vesting dates], if the Employee continues to be employed by or acts as a Consultant to or a Director of the Company or any of its subsidiaries on such date or dates.

6. *Method of Exercise.* An Option may be exercised, as to any or all full shares of the Stock as to which the Option has become exercisable, by written notice delivered in person or by mail to the Company's transfer agent or other administrator designated by the Company, specifying the number of shares of Stock with respect to which the Option is being exercised.

7. *Medium and Time of Payment.* The Option Price shall be paid in full, at the time of exercise, in cash or in shares of Stock (whether then owned by the Employee or issuable upon exercise of the Option) having a Fair Market Value equal to such Option Price or in a combination of cash and Stock, including a cashless exercise procedure through a broker dealer.

8. *Termination.* Except as provided in this Section 8 and in Section 9 hereof, an Option may not be exercised unless the Employee is then in the employ of or maintaining a director or consultant relationship with the Company or a Subsidiary thereof (or a company or a Parent or Subsidiary of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), and unless the Employee has remained continuously so employed or in the director or consultant relationship since the date of grant of the Option. granted to the Employee (to the extent otherwise exercisable) may, unless earlier terminated in accordance with their terms, be exercised by the Employee or by the Employee's estate or by a person who acquired the right to exercise such Options by bequest or inheritance or otherwise by result of death or Disability of the Employee, at any time within 180 days after the death or Disability of the Employee (or such different period as the Committee shall prescribe). In the event that an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Employee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option. In the event that the employment or consultant relationship of a Employee shall terminate on account of such Employee's Retirement, all Options of the Employee that are exercisable at the time of such Retirement may, unless earlier terminated in accordance with their terms, be exercised at any time within one hundred eighty (180) days after the date of such Retirement (or such different period as the Committee shall prescribe).

10. *Withholding Taxes.* No later than the date of exercise of an Option, the Employee will pay to the Company or make arrangements satisfactory to the Company regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the exercise of an Option. Alternatively, solely to the extent permitted or required by law, the Company may deduct the amount of any federal, state or local taxes of any kind required by law to be withheld upon the exercise of an Option from any payment of any kind due to the Employee. The withholding obligation may be satisfied by the withholding or delivery of the Stock.

11. *Terms Incorporated by Reference Herein.* Each of the terms of the Company's 1996 Stock Option and Incentive Plan, as Amended and Restated (*Plan*), as in effect as of the date hereof, shall be deemed to govern the Options granted hereunder, as if the Options had been granted pursuant to the Plan. To the extent that there is any inconsistency between this Agreement and the terms of the Plan, the terms of this Agreement shall govern.

12. *Transferability of Options.* Stock Options may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than to an immediate family member of Employee or to a trust or other estate planning entity created for the benefit of the Employee or one or more members of his immediate family as provided for under the Plan, provided that, in all cases, such transferee executes a written consent to be bound by the terms of this Agreement.

13. *Entire Agreement.* This Agreement contains all of the understandings between the parties hereto pertaining to the matters referred to herein, and supersedes all undertakings and agreements, whether oral or in writing, previously entered into by them with respect thereto. The Employee represents that, in executing this Agreement, he does not rely and has not relied upon any representation or statement not set forth herein made by the Company with regard to the subject matter of this Agreement or otherwise.
