**Item 1.01. Entry into a Material Definitive Agreement.**

On November 22, 2004, The Northern Trust Company, a subsidiary of the registrant, and its wholly-owned subsidiary, The Northern Trust International Banking Corporation (the Purchaser), entered into an agreement with Baring Asset Management Holdings Limited (the Seller) and its parent, ING Bank NV, for the Purchaser to purchase from the Seller the entire issued share capital of Financial Services Group Limited (FSG) for approximately 260 million pounds Sterling in cash (approximately \$480 million at current exchange rates). FSG is a fund services group that offers institutional fund administration, custody and trust services from offices in London, Dublin, Guernsey, Jersey and the Isle of Man. FSG currently has approximately \$63 billion in funds under administration, \$28 billion in custody and \$32 billion in trust assets, based on market values as of September 30, 2004. The purchase price is subject to adjustment to reflect changes in net assets, revenues and other stipulations.

The agreement also contains the Seller's covenants, on behalf of the ING Group, not to compete with FSG by providing certain fund administration and related services in the territories in which FSG currently operates and not to solicit FSG employees. In connection with the sale, FSG will enter into a multi-year agreement to continue to provide administrative services to Baring Asset Management Limited, another subsidiary of the Seller that is being sold in an independent transaction. Baring Asset Management represents approximately 20% of the current revenues of FSG.

The purchase, which is expected to close in the first four months of 2005, is subject to customary closing conditions, including the approval of the Federal Reserve Board, the Illinois Department of Financial and Professional Regulation and regulatory authorities in the jurisdictions in which FSG's offices are located.

In the ordinary course of their businesses, the registrant and its affiliates, including the Purchaser, maintain various relationships with the Seller, ING Bank and other members of the ING Group, including correspondent banking transactions, securities lending and custodial services. The registrant does not consider any of these relationships to be material.

A copy of the registrant's press release announcing the agreement is filed as Exhibit 99.1 to this report and is incorporated herein by reference.
