Preliminary Note: The transactions described in this Current Report on Form 8-K relate to a business combination involving the registrant, Aleris International, Inc. (formerly known as IMCO Recycling Inc.) and Commonwealth Industries, Inc., a Delaware corporation (Commonwealth), which was completed on December 9, 2004 pursuant to the Agreement and Plan of Merger among IMCO Recycling Inc. (IMCO), Silver Fox Acquisition Company and Commonwealth dated June 16, 2004 (the Merger Agreement). In accordance with the Merger Agreement, Silver Fox Acquisition Company, an indirect wholly-owned subsidiary of IMCO, merged with and into Commonwealth, and each outstanding share of Commonwealth common stock (other than shares held in the treasury of Commonwealth or owned by IMCO or any direct or indirect wholly owned subsidiary of IMCO or Commonwealth immediately prior to the time of the merger) was converted into the right to receive 0.815 of a share of IMCO common stock (herein referred to as the Merger).

On December 9, 2004, following the completion of the Merger and the other transactions contemplated in connection with the Merger, IMCO changed its corporate name to Aleris International, Inc.

The names IMCO and Aleris as used in this Form 8-K shall both refer to the registrant.

Where applicable, the descriptions set forth below under each Item are qualified in their entirety by the full text of the respective documents to which they refer, which documents are either filed as Exhibits hereto or incorporated herein by reference.

Item 1.01. Entry into a Material Definitive Agreement

First Amended and Restated Revolving Credit and Security Agreement

On December 9, 2004, IMCO and certain of its subsidiaries entered into a First Amended and Restated Revolving Credit and Security Agreement with PNC Bank, National Association (as lender, administrative agent and syndication agent), Citicorp USA Inc. (as lender, collateral agent and co-documentation agent), and Deutsche Bank Trust Company Americas, National City Business Credit, Inc., Key Bank National Association, (as lenders and co-documentation agents), along with certain other lenders. Also on December 9, 2004, IMCO and certain of its subsidiaries and Commonwealth and its subsidiaries entered into a First Amendment to First Amended and Restated Revolving Credit and Security Agreement with these parties, whereby Commonwealth and its subsidiaries became co-borrowers under this amended and restated revolving credit facility. See Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant for a description of this amended and restated credit facility.

Certain of the lenders party to the amended and restated credit agreement, and their respective affiliates, have performed, and may in the future perform, various commercial banking, investment banking and other financial advisory services for Aleris and its predecessor entities, and their subsidiaries, for which they have received, and will receive, customary fees and expenses.

2004 Equity Incentive Plan and 2004 Annual Incentive Compensation Plan

On December 8, 2004, the stockholders of IMCO approved the adoption of IMCO's 2004 Equity Incentive Plan (the Incentive Plan) and IMCO's 2004 Annual Incentive Compensation Plan (the AIC Plan) at a special meeting of the stockholders of IMCO held that day.

The Incentive Plan provides for the grant of stock options and other stock awards to eligible employees of Aleris and its subsidiaries; 1,100,000 shares of Aleris common stock are reserved and available for issuance pursuant to awards granted under the Incentive Plan, subject to customary anti-dilution adjustments. The types of awards authorized under the Incentive Plan include incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units, stock units and performance awards. The maximum number of stock options and stock appreciation rights that may be awarded to any individual in a calendar year is 500,000. The maximum number of shares that may be issued pursuant to awards other than options or stock appreciation rights and which are settled by the issuance of shares is 500,000 shares. The maximum number of shares subject to incentive stock options that may be awarded under the Incentive Plan is 500,000 shares. No awards may be granted under the Incentive Plan after September 22, 2014.

The AIC Plan authorizes Aleris' compensation committee to provide certain key employees of Aleris with annual cash incentive compensation that is tied to the achievement of pre-established performance goals. The plan is designed to meet the performance-based exception to the limitation on deductibility of compensation in excess of \$1,000,000 under Section 162(m) of the Internal Revenue Code.

The Incentive Plan and AIC Plan are incorporated by reference into this Current Report on Form 8-K and filed as Exhibits 10.1 and 10.2, respectively.

Employment and Severance Agreements

Pursuant to the terms of the Merger Agreement, IMCO agreed to appoint Steven J. Demetriou as chairman of its board of directors and chief executive officer, and Michael D. Friday as executive vice president and chief financial officer, effective upon completion of the Merger. See Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers. In connection with such appointments, IMCO and each of Messrs. Demetriou and Friday had entered into post-merger compensation agreements negotiated at the time the Merger Agreement was signed, which provide as follows:

Steven J. Demetriou. Initially, Mr. Demetriou will be entitled to an annual salary of \$800,000, which will be subject to annual review by Aleris Board of Directors. Mr. Demetriou's bonus will be targeted at 100% of his base salary, but may not exceed 200% of base salary. The options and restricted stock awards previously awarded by Commonwealth to Mr. Demetriou were assumed by IMCO and will continue to vest in accordance with their regular vesting schedule. Mr. Demetriou agreed that there would be no acceleration of vesting of his Commonwealth equity awards as a result of the change of control of Commonwealth pursuant to the Merger. Performance goals for performance-based restricted stock for Mr. Demetriou may

be re-set or adjusted by Aleris Board of Directors. Mr. Demetriou will be allowed to participate in all benefit programs of Aleris and in any perquisite program to be approved by Aleris compensation committee.

Michael D. Friday. Initially, Mr. Friday will be entitled to an annual salary of \$375,000, which will be subject to annual review by Aleris board of directors. Mr. Friday's bonus will be targeted at 75% of his base salary, but may not exceed 150% of base salary. The options and restricted stock awards previously awarded by Commonwealth to Mr. Friday were assumed by IMCO and will continue to vest in accordance with their regular vesting schedule. Mr. Friday agreed that there would be no acceleration of vesting of his Commonwealth equity awards as a result of the change of control of Commonwealth pursuant to the Merger. Performance goals for performance-based restricted stock for Mr. Friday may be re-set or adjusted by Aleris Board of Directors. Mr. Friday will be allowed to participate in all benefit programs of Aleris and in any perquisite program to be approved the Aleris compensation committee.

Mr. Demetriou, Mr. Friday and three other new Aleris officers (Sean M. Stack, Christopher R. Clegg and John J. Wasz) had each entered into an agreement with Commonwealth which provides that if he is terminated without cause (as defined in the agreement) in the absence of any future change in control (and in the case of Mr. Wasz, following certain relocation requests), he would be entitled to severance compensation as follows:

a lump sum payment in an amount equal to two times (for Mr. Demetriou) or one-and-one-half times (for Messrs. Friday, Stack, Clegg, and Wasz) the sum of his base pay plus his target bonus; and

continued welfare benefits for 24 months (for Mr. Demetriou) or 18 months (for Messrs. Friday, Stack, Clegg and Wasz) following his termination date.

Commonwealth's obligations under these agreements were assumed by IMCO effective as of the date of closing of the Merger.

In addition, Messrs. Demetriou, Friday, Stack, Clegg and Wasz are each a party to a change in control severance agreement with Commonwealth that applies to any future change in control event. These agreements were assumed by IMCO effective upon the completion of the Merger. Under these agreements, if the individual's employment is terminated by Aleris during a two-year period following such future change in control event for any reason other than for cause, death, disability or certain retirement events, or if the officer resigns for good reason (each as defined in his change in control severance agreement), the officer will be entitled to severance compensation as follows:

a lump sum payment in an amount equal to three times (for Mr. Demetriou) or two times (for Messrs. Friday, Stack, Clegg and Wasz) the sum of his base salary (at the highest rate in effect for any period within the past twelve months prior to his termination date) plus the highest of (1) the target bonus for the fiscal year in which the change in control occurs, (2) the target bonus for the fiscal year in which the termination occurs or (3) the

highest bonus earned by him in respect of the three fiscal years prior to the change in control;

a lump sum payment of a pro-rata portion of the annual bonus pay (based on the greater of (1) the target bonus for the fiscal year in which a change in control occurs and (2) the target bonus for the fiscal year in which the termination occurs) and any compensation previously deferred by the officer under any non-qualified plan;

continued welfare benefits for 36 months (for Mr. Demetriou) or 24 months (for Messrs. Friday, Stack, Clegg and Wasz) following his termination date; and

reimbursement for any excise tax liability imposed by Section 4999 of the Internal Revenue Code, or any interest or penalties incurred with respect to such excise tax in an amount such that after payment by the respective officer of all taxes, that officer retains an amount equal to the amount specified under the agreement.

Additionally, on December 8, 2004, J. Tomas Barrett, Senior Vice President and Assistant Chief Financial Officer of IMCO, entered into an employment agreement with IMCO. The employment agreement expires by its terms on December 31, 2005, but either Mr. Barrett or Aleris may sooner terminate the agreement on 60 days' prior written notice. In the event during the term of the agreement

Aleris terminates Mr. Barrett's employment without cause, or

either party gives written notice to the other of the termination of the agreement and the parties have not agreed by the 60th day following such written notice of termination to the terms of any continuing employment of Mr. Barrett with Aleris,

then Mr. Barrett will be entitled to receive a \$315,000 cash lump sum severance payment, up to 18 months' participation under Aleris' welfare benefit plans, up to \$20,000 for outplacement services and reimbursement for costs of an annual physical examination in 2005. In consideration, Mr. Barrett will be subject to certain ongoing confidentiality and non-disparagement obligations, an 18-month covenant not to compete, and a covenant not to solicit Aleris' employees.

Commonwealth Stock Incentive Plans.

Following completion of the Merger, Aleris assumed, by action of its Board of Directors, Commonwealth's obligations under Commonwealth's 1995 Stock Incentive Plan and its 1997 Stock Incentive Plan. Aleris has also amended the terms of those plans to (1) provide that Aleris will assume sponsorship of both of the plans, (2) provide that Aleris common stock will be issued upon the exercise of any options or the payment of any other stock-based awards under those plans, (3) appropriately adjust the number of shares available for grants under the Commonwealth stock incentive plans to reflect the terms of the merger, (4) provide that the term of each Commonwealth stock incentive plan during which shares are available for grant under such plan will not be extended beyond its present expiration date, (5) provide that no option or other award granted under the Commonwealth stock incentive plans shall be granted to individuals who were employed, immediately before the merger, by IMCO or any subsidiary of IMCO immediately before the merger, and (6) otherwise appropriately reflect the substitution of Aleris common stock for Commonwealth common stock under the plans and the related option or award agreements.

Supplemental Indenture and Assumption Agreement for IMCO 9% Senior Notes due 2014.

Edgar Filing: IMCO RECYCLING INC - Form 8-K

In connection with the completion of the Merger, IMCO and its wholly-owned domestic subsidiaries and Commonwealth and its subsidiaries executed and delivered a Supplemental Indenture dated as of December 9, 2004 to the Indenture dated as of November 4, 2004 between IMCO Recycling Escrow Inc. (Escrow Corp) and LaSalle Bank National Association as Trustee, relating to the \$125 million outstanding 9% Senior Notes due 2014 issued by Escrow Corp in November 2004. In addition, IMCO and its wholly-owned domestic subsidiaries and Commonwealth and its subsidiaries entered into an Assumption Agreement dated as of December 9, 2004. Escrow Corp merged with and into IMCO effective December 9, 2004 pursuant to a certificate of ownership and merger filed on that date with the Secretary of State of the State of Delaware. As a result, IMCO became the successor obligor under the Indenture and the Senior Notes, IMCO s wholly-owned domestic subsidiaries and Commonwealth and its subsidiaries

became guarantors under the Indenture and the Senior Notes, and the obligations of Escrow Corp under the Indenture and the Senior Notes were assumed by IMCO and guaranteed by IMCO's wholly-owned domestic subsidiaries and Commonwealth and its subsidiaries.

In addition, \$125,000,000, representing the gross proceeds from the offering and sale of the Senior Notes in November 2004 that had been held in escrow since then, were released from escrow and applied in the manner set forth in Section 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant below in this Current Report on Form 8-K.

Under a registration rights agreement dated as of November 4, 2004 between IMCO and the initial purchasers of the Senior Notes, Aleris and the guarantors under the Senior Notes are required to use their reasonable best efforts to (i) file with the Securities and Exchange Commission on or before February 7, 2005 a registration statement to enable holders of Senior Notes to exchange their unregistered notes for publicly registered senior notes having substantially identical terms, (ii) cause the registration statement to become effective under the Securities Act of 1933 before May 8, 2005 and (iii) effect the exchange offer on or before June 22, 2005. If Aleris is not permitted to effect an exchange offer under certain circumstances, it may be required to file a shelf registration with the SEC for the resale of the Senior Notes. Failure to timely fulfill these obligations will result in Aleris being required to pay, as liquidated damages, additional interest on the senior notes.

The supplemental indenture and assumption agreement referred to above are filed with this Current Report on Form 8-K as Exhibits 4.1 and 10.5, respectively.

In connection with the completion of the Merger, IMCO and its wholly-owned domestic subsidiaries and Commonwealth and its subsidiaries will execute and deliver a Supplemental Indenture to the Indenture dated as of October 6, 2003 by and among IMCO, the subsidiary guarantors and JPMorgan Chase Bank, as Trustee. As a result of this supplemental indenture, Commonwealth and its subsidiaries will become additional subsidiary guarantors under this indenture and Aleris 100% Senior Secured Notes.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 9, 2004, IMCO and Commonwealth completed the Merger. Under the Merger, each share of common stock, par value \$0.01 per share, of Commonwealth was converted into the right to receive 0.815 of a share of common stock, par value \$0.10 per share, of IMCO. As a result of the Merger, Commonwealth became an indirect wholly-owned subsidiary of IMCO. Immediately following the Merger, a wholly-owned subsidiary of IMCO merged with

and into IMCO, and IMCO changed its corporate name to Aleris International, Inc. The Merger Agreement was adopted and the issuance of the IMCO common stock thereunder was approved by the stockholders of Commonwealth and IMCO at separate special meetings of stockholders held on December 8, 2004. See Item 8.01 Other Events. A copy of the Merger Agreement is incorporated by reference hereto as Exhibit 2.1 to IMCO's Current Report on Form 8-K filed on June 18, 2004.

IMCO has been a supplier of molten aluminum and aluminum ingot to Commonwealth's Uhrichsville facility since 1992.

Under the Merger, all outstanding shares of Commonwealth common stock were converted to the right to receive a total of approximately 13,247,334 shares of IMCO common stock.

In addition, under the Merger Agreement, at the effective time of the Merger, all Commonwealth stock options and other stock awards were assumed by IMCO. Each former Commonwealth stock option is now exercisable for a number of shares of IMCO common stock equal to the number of shares of Commonwealth common stock subject to that option immediately prior to the effective time of the Merger, multiplied by 0.815. The exercise price per share will be an amount equal to the exercise price per share of Commonwealth common stock subject to the option in effect immediately prior to the effective time of the Merger, divided by 0.815. From and after the effective time of the merger, each option will be exercisable, except as described above, on the same terms and conditions as were applicable under the applicable Commonwealth stock incentive plan and applicable agreement immediately prior to the effective time of the Merger. Aleris estimates that 1,118,203 shares of Aleris common stock are issuable under outstanding Commonwealth stock options and other awards assumed by IMCO.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

In connection with the closing of the Merger, IMCO and certain of its domestic wholly-owned subsidiaries entered into and executed a First Amended and Restated Revolving Credit and Security Agreement dated as of December 9, 2004 and a First Amendment to Revolving Credit and Security Agreement dated as of December 9, 2004 described in Item 1.01 of this Current Report on Form 8-K. These agreements, along with the documents and instruments executed and delivered contemporaneously therewith, amended and restated the terms of IMCO's revolving credit facility to, among other things:

increase from \$125 million to \$325 million the aggregate maximum commitment amount available under the credit facility, with an option to further increase the maximum

commitment amount available to \$375 million (all subject to borrowing base limitations);

provide for a sublimit of \$30.0 million for letters of credit;

extend the termination date of the credit facility to December 9, 2008;

add Commonwealth and its subsidiaries as co-borrowers and guarantors under the facility;

provide for the pledge of stock of certain subsidiaries as additional collateral for indebtedness under the facility; and

provide for the pledge of eligible inventory and receivables of Commonwealth and its subsidiaries as additional collateral for indebtedness under the facility.

Borrowings under the amended and restated facility will be limited to the sum of (i) up to 85% of eligible billed accounts receivable, (ii) up to 75% of eligible unbilled accounts receivable, and (iii) up to 75% of eligible inventory. Inventory advances may not exceed 85% of the net orderly liquidation value of the inventory as determined by an independent appraisal, less certain reserves that the lenders may impose. The inventory portion of the borrowing base is limited to 50% of the borrowing base.

Borrowings under the amended and restated facility will bear interest, at Aleris' option, at rates per annum equal to (1) the greater of (x) a base rate equal to PNC Bank's prime rate or (y) a federal funds rate plus ½%, in each case plus an applicable margin spread; or (2) a LIBOR-based rate plus an applicable margin spread. Commitment fees based on facility usage are due quarterly. The applicable margin spread and the per annum percentage used to calculate the unused commitment fee are determined by reference to a pricing schedule, which is based on the sum of undrawn availability under the amended and restated facility and the unrestricted cash of the borrowers. The applicable margin spread will range (a) for base rate and federal funds rate loans, from 100 to 175 basis points, and (b) for LIBOR-based loans, from 200 to 275 basis points. Loans may be prepaid at any time without premium or penalty, other than costs associated with prepayments of Eurodollar advances.

This facility is to be secured by a first priority lien on (a) all of Aleris' and Aleris' domestic wholly owned subsidiaries' (including Commonwealth's and its subsidiaries') receivables, inventory, cash and cash equivalents, and certain general intangibles, contract rights, rights to payment of money, instruments, documents, chattel paper and investment property related thereto, (b) all common and/or voting stock of Aleris' domestic direct or indirect wholly owned subsidiaries and 65% of the common and/or voting stock of first-tier foreign subsidiaries, each of the foregoing only to the extent permitted by the terms of the IMCO 10³/₈% senior secured notes due 2010, and (c) all proceeds and products thereof. Future domestic wholly owned subsidiaries created or acquired by Aleris will be required to guarantee or be jointly and severally liable for the indebtedness under the amended and restated facility.

The terms of the amended and restated senior credit facility require Aleris and its subsidiaries to comply with various affirmative and negative covenants including, among other items, restrictions on their ability to (1) incur new debt, (2) make certain investments or acquisitions, (3) pay dividends or repurchase shares of capital stock, (4) make capital expenditures, (5) sell assets, and (6) grant liens. Under the terms of the facility, Aleris will be subject to a fixed charge

coverage ratio of 1.1x to 1 (calculated based on the combined operations of Aleris and its wholly owned domestic subsidiaries). if, at any time during specified periods, the undrawn availability under the facility falls below \$50.0 million.

Additionally, pursuant to the merger of Escrow Corp with and into IMCO, IMCO executed a supplemental indenture dated December 9, 2004, to assume all obligations under Escrow Corp's previously issued 9% Senior Notes due 2014. See Item 1.01 Supplemental Indenture and Assumption Agreement for IMCO's 9% Senior Notes due 2014 .

In connection with the closing of the Merger, gross proceeds of \$125,000,000 from the sale of IMCO's 9% Senior Notes due 2014 along with sums borrowed under the amended and restated credit facility were applied as follows:

refinance all amounts outstanding under IMCO's revolving credit facility,

purchase certain assets from Commonwealth, the proceeds of which were used by Commonwealth to purchase or redeem its senior subordinated notes and to purchase all outstanding receivables previously sold under its receivables purchase agreement, and

pay fees and expenses related to these transactions and the Merger.

Copies of the First Amended and Restated Revolving Credit and Security Agreement and the First Amendment to Revolving Credit and Security Agreement are filed with this Current Report on Form 8-K as Exhibits 10.3 and 10.4 , and are incorporated by reference herein.

ITEM 3.03 Material Modification to Rights of Security Holders

See Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant above regarding certain working capital restrictions on dividends and Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year below regarding certain amendments to the certificate of incorporation and bylaws of IMCO.

ITEM 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

Pursuant to the terms of the Merger Agreement, IMCO agreed to take necessary action to appoint four members of Commonwealth's Board of Directors and Steven Demetriou (formerly Commonwealth's president, chief executive officer and chairman) as additional members of IMCO's Board of Directors to be effective as of the closing of the Merger. Effective December 9, 2004, IMCO's Board of Directors increased the size of the IMCO Board to nine, and following the Merger appointed Mr. Demetriou as well as C. Frederick Fetterolf, Larry E. Kittelberger, Paul E. Lego and John E. Merow, to serve as members of the IMCO Board of Directors along with the four current IMCO Board members.

As provided under the terms of the Merger Agreement, effective as of December 9, 2004, IMCO's Board of Directors appointed Mr. Demetriou and Mr. Lego as class I directors (term

expiring 2007), Mr. Fetterolf and Mr. Merow as class II directors (term expiring 2006), and Larry Kittelberger as a class III director (term expiring 2005). Additionally, John E. Grimes, formerly a class I director on the IMCO board, resigned from that class and was re-appointed as a class III director. Catherine G. Burke, a director of Commonwealth, resigned from the Commonwealth Board of Directors effective as of December 9, 2004. The Merger Agreement requires that at least three of the directors designated by IMCO and three of the directors designated by Commonwealth will be independent for purposes of the rules and regulations of the New York Stock Exchange.

The Merger Agreement describes the directors of IMCO and Commonwealth (and their successors) who will constitute the Board of Directors of Aleris after the completion of the Merger. Continuing IMCO Directors are defined as the directors of IMCO selected by the IMCO board of directors before the closing date of the merger to be directors of IMCO immediately following the effectiveness of the merger, and their successors who are designated by a majority of the Continuing IMCO Directors. Continuing Commonwealth Directors are defined as the directors of Commonwealth who were selected by the Commonwealth board of directors before the closing date of the merger to be directors of IMCO immediately following the effectiveness of the merger, and their successors who are designated by a majority of the Continuing Commonwealth Directors. Under this definition, Mr. Demetriou is not a Continuing Commonwealth Director.

As contemplated under the Merger Agreement, IMCO reconstituted its four standing committees of its board of directors so that (1) each committee would be comprised of four members, with two members being Continuing IMCO Directors and two members being Continuing Commonwealth Directors, and (2) the chairmen of the compensation committee and the nominating and governance committee would be Continuing IMCO Directors, and the chairmen of the audit committee and the environmental committee would be Continuing Commonwealth Directors. As a result, effective December 9, 2004, the standing committees of the board of directors of Aleris were as follows:

Compensation Committee John E. Balkcom (Chair); Paul E. Lego; Larry E. Kittelberger; Hugh G. Robinson;

Nominating and Governance Committee John E. Grimes (Chair); Paul E. Lego; Larry E. Kittelberger; Hugh G. Robinson;

Audit Committee C. Frederick Fetterolf (Chair); John E. Balkcom; Dale V. Kesler; John E. Merow; and

Environmental Committee John E. Merow (Chair); C. Frederick Fetterolf; John E. Grimes; Dale V. Kesler.

Additionally, effective December 9, 2004, Dale V. Kesler was elected lead independent director.

Effective December 9, 2004, IMCO's Bylaws also were amended to enable many of these corporate governance structures. See Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Edgar Filing: IMCO RECYCLING INC - Form 8-K

In accordance with the terms of separation agreements previously executed and delivered by them to IMCO, Richard L. Kerr resigned as chief executive officer of IMCO, and Paul V. Dufour resigned as chief financial officer of IMCO, effective December 9, 2004.

Wasz as executive vice president and president of the rolled products business, Joseph M. Byers as senior vice president and president of the aluminum recycling business, and Sean M.
