**Item 8.01 Other Events.**

**Background**

In May 2004, Moody's provided Radian Asset Assurance Inc. with an initial insurance financial strength rating of Aa3. Concurrently, and in anticipation of the merger of Radian Reinsurance Inc. with and into Radian Asset Assurance Inc., Moody's downgraded the insurance financial strength rating of Radian Reinsurance Inc. from Aa2 to Aa3. As a result of this downgrade, two of the primary insurer customers of our financial guaranty reinsurance business had the right to recapture previously written business ceded to our financial guaranty reinsurance business. One of these customers agreed, without cost to or concessions by us, to waive its recapture rights. On November 8, 2004, the remaining primary insurer customer with recapture rights notified us of its intent to recapture, effective February 28, 2005, approximately \$6.4 billion of par in force that it had ceded to Financial Guaranty through December 31, 2004, including \$50.6 million of written premiums as of December 31, 2004, \$3.9 million of which already had been treated as earned under accounting principles generally accepted in the United States of America and would be recorded as an immediate reduction of earned premiums at the time of the recapture. This return of unearned premiums would also require an increase in policy acquisition costs of \$0.9 million. The aggregate result would be a reduction in pre-tax income of \$4.8 million, or approximately \$0.03 per share after tax. The amount of future lost premiums due to this recapture is expected to be approximately \$129.7 million, which is made up of the unearned premium balance and the value of future installment premiums. The total approximate reduction in pre-tax income for 2005 including the immediate impact is expected to be \$12.3 million or approximately \$0.08 per share after tax. Despite the recapture, the primary insurer customer also informally advised us that, going forward, the customer intends to continue its reinsurance relationship with us on the same terms as before the May 2004 downgrade. This customer also had the right to recapture an additional \$5.2 billion of par in force that it had ceded to our financial guaranty reinsurance business through December 31, 2004.

**Update**

By letter dated March 8, 2005, the primary insurer customer with the right to recapture \$5.2 billion of par in force that it had ceded to our financial guaranty reinsurance business through December 31, 2004 agreed to waive those recapture rights without cost to or concessions by us. There are no remaining recapture rights with respect to the May 2004 Moody's downgrade.
