(Address of principal executive offices, including zip code)

**(801) 805-2400**

(Registrant's Telephone Number, including area code)

---

**Securities registered pursuant to Section 12(b) of the Act: None**

**Securities Registered Pursuant to Section 12(g) of the Act: Common Stock, \$0.0001 par value**

Indicate by check mark whether the Registrant (1) has filed all reports required to be filed by Section 13 or 15(d) of the Securities Exchange Act of 1934 during the preceding 12 months (or for such shorter period that the registrant was required to file such reports) and (2) has been subject to such requirements for the past 90 days. Yes  No

Indicate by check mark if disclosure of delinquent filers pursuant to Item 405 of Regulation S-K is not contained herein, and will not be contained, to the best of registrant's knowledge, in definitive proxy or information statements incorporated by reference in Part III of the Form 10-K or any amendment to this Form 10-K.

Indicate by check mark if the registrant is an accelerated filer (as defined in Rule 12b-2 of the Securities Exchange Act of 1934, as amended).

The aggregate market value of the voting and non-voting stock held by non-affiliates of the Registrant, based on the closing sale price of the Registrant's common stock on June 30, 2004, as reported on the Nasdaq National Market, was approximately \$592,503,753. Shares of common stock held by each executive officer and director and by each person who may be deemed to be an affiliate of the Registrant have been excluded from this computation. The determination of affiliate status for this purpose is not necessarily a conclusive determination for other purposes. As of June 30, 2004, the Registrant had 26,536,433 shares of its common stock, \$0.0001 par value, issued and outstanding.

There were 27,387,801 shares of the Registrant's common stock, \$0.0001 par value, outstanding on March 14, 2005.

**EXPLANATORY NOTE**

Altiris, Inc. (the "Company") is filing this Amendment No. 1 on Form 10-K/A (the "Amendment") to the Company's Annual Report on Form 10-K for the year ended December 31, 2004 (which was filed with the Securities and Exchange Commission (the "SEC") on March 16, 2005) pursuant to an exemptive order issued by the SEC (SEC Release No. 34-50754). In accordance with the exemptive order, the Company may include management's annual report on the Company's internal control over financial reporting and the required attestation report of the Company's independent registered public accounting firm in an amendment to its Annual Report on Form 10-K not later than 45 days after the prescribed period for filing such Annual Report on Form 10-K. In compliance with the exemptive order, the Company is filing this Amendment to:

include management's annual report on the Company's internal control over financial reporting;

include a Report of the independent registered public accounting firm relating to the Company's assessment of internal control over financial reporting and effectiveness of internal control over financial reporting; and

include a consent of the Company's independent registered public accounting firm required as a result of the items listed above.

As a result of this Amendment, (1) the certifications pursuant to Sections 302 and 906 of the Sarbanes-Oxley Act of 2002, filed and furnished, respectively, as exhibits to the original filing, have been re-executed and re-filed as of the date of this Amendment No. 1; and (2) a consent of the Company's independent registered public accounting firm dated April 29, 2005 is being filed.

Except for the amendments described above, this Amendment No. 1 does not modify or update the Company's previously reported financial statements and other financial disclosures in, or exhibits to, the original filing. Unaffected items have not been repeated in this Amendment No. 1.

**Item 9A. CONTROLS AND PROCEDURES**

We maintain disclosure controls and procedures within the meaning of Rule 13a-14(c) of the Securities Exchange Act of 1934, as amended, or the Exchange Act. Our disclosure controls and procedures, or Disclosure Controls, are designed to ensure that information required to be disclosed by Altiris in the reports filed under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms. Our Disclosure Controls are also designed to ensure that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. In designing and evaluating our Disclosure Controls, management recognized that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives, and management necessarily was required to apply its judgment in evaluating and implementing possible controls and procedures.

***Evaluation of Disclosure Controls and Procedures***

As of the end of the period covered by this report, or the Evaluation Date (December 31, 2004), we evaluated the effectiveness of the design and operation of our Disclosure Controls, which was done under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer. Based on the controls evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that, as of the Evaluation Date, our Disclosure Controls were effective to ensure that material information relating to the Company

and its consolidated subsidiaries would be made known to them by others within those entities.

*Management's Report on Internal Control Over Financial Reporting*

Our management is responsible for establishing and maintaining adequate internal control over financial reporting. Our system of internal control over financial reporting within the meaning of Rules 13a-15(f) and 15d through 15(f) of the Securities Exchange Act of 1934, was designed to provide reasonable assurance to our management and board of directors regarding the preparation and fair presentation of our published financial statements in accordance with U.S. generally accepted accounting principles. Because of inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that the controls may become inadequate because of changes in conditions, or that the degree of compliance with policies and procedures may deteriorate.

Our management assessed the effectiveness of our system of internal control over financial reporting as of December 31, 2004. In making this assessment, our management used the criteria set forth in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission ( COSO ). Based on our assessment we believe that, as of December 31, 2004, our system of internal control over financial reporting is effective to provide reasonable assurance regarding the reliability of financial reporting and the preparation of our published financial statements in accordance with U.S. generally accepted accounting principles.

The Company acquired Tonic Software, Inc. on December 30, 2004. The acquired assets represented \$5.9 million of total consolidated assets as of December 31, 2004 and \$0 of 2004 consolidated net sales. The Company did not conduct an assessment of the effectiveness of internal control over financial reporting for Tonic Software, Inc. as permitted by the rules and regulations of the SEC due to the proximity of their acquisition dates to our 2004 year-end.

The Company's independent registered public accounting firm, KPMG LLP, has issued an audit report on the management's assessment of the effectiveness of the Company's internal control over financial reporting as of December 31, 2004, which appears below.

The Board of Directors and Stockholders

Altiris, Inc.:

We have audited management's assessment, included in the accompanying Management's Report on Internal Control over Financial Reporting appearing under Item 9a, that Altiris, Inc. maintained effective internal control over financial reporting as of December 31, 2004, based on criteria established in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Altiris, Inc.'s management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting. Our responsibility is to express an opinion on management's assessment and an opinion on the effectiveness of the Company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, evaluating management's assessment, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

## Edgar Filing: ALTIRIS INC - Form 10-K/A

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in

accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assessment that Altiris, Inc. maintained effective internal control over financial reporting as of December 31, 2004, is fairly stated, in all material respects, based on criteria established in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Also, in our opinion, Altiris, Inc. maintained, in all material respects, effective internal control over financial reporting as of December 31, 2004, based on criteria established in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

Altiris, Inc. acquired Tonic Software, Inc. on December 30, 2004 and management excluded from its assessment of the effectiveness of Altiris, Inc.'s internal control over financial reporting as of December 31, 2004, Tonic Software's internal control over financial reporting associated with total assets of approximately \$5.9 million and total revenues of approximately \$0 included in the consolidated financial statements of Altiris, Inc. as of and for the year ended December 31, 2004. Our audit of internal control over financial reporting of Altiris, Inc. also excluded an evaluation of the internal control over financial reporting of Tonic Software, Inc.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheets of Altiris, Inc. and subsidiaries as of December 31, 2004 and 2003, and the related consolidated statements of operations and comprehensive income, stockholders' equity (deficit), and cash flows for each of the years in the three-year period ended December 31, 2004, and our report dated March 16, 2005 expressed an unqualified opinion on those consolidated financial statements.

Salt Lake City, Utah

April 29, 2005

#### ***Changes in Internal Control Over Financial Reporting***

In our ongoing effort to improve business and operational processes, we developed a new license management portal ( LMP ) that automates the generation and delivery of license keys based on orders received and processed. The LMP went into production during the quarter ended September 30, 2004. The implementation of the LMP during that quarter led to internal systems errors that delayed the shipping of license keys on orders received late in that quarter, which resulted in a deferral of license revenue to the following quarter. In the process of investigating the systems errors, management identified certain control deficiencies in our internal control over financial reporting relating to the systems errors,

Edgar Filing: ALTIRIS INC - Form 10-K/A

including control deficiencies involving the lack of: (i) restrictions on access to effect development level changes to our financial systems and applications in a

production environment, and (ii) limitations on user access into our financial systems, applications and data. During the quarter ended December 31, 2004, management implemented controls to correct these deficiencies. These controls included: (i) limiting access to the production environment for development level changes, and (ii) establishing limitations on access into our financial systems, applications and data.
