-

Item 4.01 Changes In Registrant's Certifying Accountant.

On June 15, 2005, the Registrant received a letter from Rosenberg Rich Baker Berman & Company, the independent certified public accountants previously engaged since 2001 as the principal accountants to audit the Registrant's financial statements (RRBB), wherein RRBB advised the Registrant that it was resigning as the Registrant's independent accountants.

The audit reports of RRBB on the Registrant's financial statements as of December 31, 2004 and 2003, for each of the respective years then ended and for the interim period through June 15, 2005 resignation date of RRBB (the Audit Period) did not contain any adverse opinion or disclaimer of opinion; and except for a going concern qualification, the same were not qualified or modified as to uncertainty, audit scope or accounting principles. During the Audit Period, the Registrant is not aware of any disagreements with RRBB on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of RRBB, would have caused it to make reference to the subject matter of the disagreements in connection with its report for the year ended December 31, 2004 or which led to RRBB's resignation.

The Registrant does not have an audit or similar committee of its Board of Directors. Accordingly, the resignation of RRBB was acknowledged and accepted by the Registrant's Board of Directors. Any decision concerning the engagement of replacement independent certified public accountants to audit the Registrant's financial statements will also be approved by the Registrant's Board of Directors.

The Registrant has provided a copy of this disclosure to RRBB and has requested that it furnish the Registrant with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the statements made herein, and, if not, stating the respects in which it does not agree. A copy of the letter was previously filed as Exhibit 16.2. By letter dated July 5, 2005, RRBB responded to the Registrant's June 30, 2005 letter indicating the absence of any disagreement. A copy of RRBB's response is annexed hereto as Exhibit 16.3
