**EXPLANATORY NOTE**

This Form 10-K/A (Amendment No. 1) amends the annual report of Old Dominion Freight Line, Inc. on Form 10-K for the year ended December 31, 2004, referred to as the 2004 Form 10-K, filed with the Securities and Exchange Commission (the SEC) on March 16, 2005. The purpose of this amendment is to provide a revised independent auditor's report from Ernst & Young LLP stating that they conducted their audits in accordance with the standards of the Public Company Accounting Oversight Board (United States) instead of in accordance with auditing standards generally accepted in the United States as originally reported.

This revision had no effect on the Company's consolidated statements of operations, statements of cash flows or balance sheets.

This Amendment No. 1 is limited in scope to the portion of the 2004 Form 10-K set forth above and does not amend, update or change any other items or disclosures contained in the original 2004 Form 10-K. This Amendment No. 1 continues to speak as of the date of the 2004 Form 10-K, and we have not updated the disclosures in either this Amendment No. 1 or the 2004 Form 10-K to reflect events that occurred subsequent to the filing of the 2004 Form 10-K, other than with respect to the revised independent auditor's report from Ernst & Young LLP that is included as part of this Amendment No. 1.

**Report of Independent Registered Public Accounting Firm**

**The Board of Directors and Shareholders**

**Old Dominion Freight Line, Inc.**

We have audited the accompanying consolidated balance sheets of Old Dominion Freight Line, Inc. (the Company) as of December 31, 2004 and 2003 and the related consolidated statements of operations, changes in shareholders' equity, and cash flows for each of the three years in the period ended December 31, 2004. Our audits also include the financial statement schedule of Old Dominion Freight Line, Inc. listed in Item 15(a). These financial statements and schedule are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements and schedule based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Old Dominion Freight Line, Inc. as of December 31, 2004 and 2003, and the consolidated results of its operations and its cash flows for each of the three years in the period ended December 31, 2004, in conformity with U.S. generally accepted accounting principles. Also, in our opinion, the financial statement schedule, when considered in relation to the basic financial statements taken as a whole, presents fairly in all material respects the information set forth therein.

As discussed in Note 1 to the financial statements, effective January 1, 2002, the Company adopted Statement of Financial Accounting Standards No. 142, *Goodwill and Other Intangible Assets*.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the effectiveness of the Company's internal control over financial reporting as of December 31, 2004, based on criteria established in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission and our report dated March 14, 2005 expressed an unqualified opinion thereon.
