ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Contango Oil & Gas Company (AMEX: MCF) announced today that it has completed the arrangement of a \$30 million secured term loan facility with a private investment firm. Of this \$30 million, only \$10 million is currently available. The availability of the remaining \$20 million is contingent upon meeting certain production levels for the Eugene Island 10 # 1 well, which we expect to meet by the end of February 2007. The proceeds of the loan will be used to continue to fund the Company's Arkansas Fayetteville Shale play and offshore Gulf of Mexico exploration and development activities.

The Company has borrowed the first \$10 million under the secured term loan facility. Borrowings under the facility bear interest at LIBOR plus 5.0%. Accrued interest is due monthly. The principal is due December 31, 2008, and may be prepaid at any time with no prepayment penalty. An arrangement fee of 1%, or \$300,000, was paid in connection with the facility.

The Agreement contains affirmative covenants, including reporting requirements, covenants regarding conduct of business, payment of obligations, maintenance of properties and insurance, inspection rights, compliance with applicable law and maintenance of collateral. Further, the Agreement contains negative covenants limiting the ability of Contango and/or Subsidiaries to, among other things, incur indebtedness, grant liens, enter into mergers, sell assets, make investments, make restricted payments, enter into transactions with affiliates, enter into restrictive agreements, make certain acquisitions, change their business, or amend certain documents relating to Freeport. The Agreement contains customary events of default including nonpayment of principal, interest or other amounts, inaccuracy of representations and warranties, violation of covenants, default under other indebtedness, occurrence of bankruptcy and other insolvency events, change of control and certain ERISA events.

The above description is a summary and is qualified in its entirety by the terms of the Agreement filed as Exhibit 2.1 to this Current Report on Form 8K.

ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT
