State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As previously disclosed, a Special Committee of the Board of Directors of Embarcadero Technologies, Inc. (the Company) is currently reviewing the Company's historical stock option grant practices. Also as previously disclosed, the Company anticipates that this review will result in the restatement of certain of the Company's historical financial statements. The review is ongoing and the Company is delaying the filing of its Annual Report on Form 10-K for the fiscal year ended December 31, 2006 (the Form 10-K) until the review is concluded and the restated financial statements are completed. In addition, the Company is evaluating Management's Report on Internal Control over Financial Reporting as at December 31, 2005 and 2006. Although the Company has not yet completed its analysis, the results of the investigation may indicate that the Company had a material weakness in internal control at one or both of those dates.

The Company plans to file the Form 10-K as soon as practicable, but does not expect that it will be filed on or before the fifteenth calendar day following the required filing date as prescribed in Rule 12b-25.
