Item 1.01. Entry into a Material Definitive Agreement

On April 5, 2007, NightHawk Radiology Holdings, Inc. (the Company), as Borrower, and Morgan Stanley Senior Funding, Inc., as Administrative Agent, entered into a Credit Agreement relating to a term loan in an amount of \$53,000,000, with an option for the Company to request that the lenders advance up to an additional \$97,000,000 in term loans for a total credit facility of up to \$150,000,000 (the Credit Facility). The Company used the proceeds from the Credit Facility to acquire The Radlinx Group, to pay off certain indebtedness in connection with the acquisition and to pay fees and expenses incurred in connection with the acquisition. The additional funds available under the Credit Agreement may be used by the Company for financing certain acquisitions and for certain corporate purposes, including the repurchase of the Company's common stock. Interest under the Credit Facility is based on either: (i) a floating per annum rate based on the Administrative Agent's prime rate plus a margin of 1.25% or (ii) upon syndication, and at the option of the Company, a floating per annum rate (based upon one, two, three or six-month interest periods) based on LIBOR plus a margin of 2.25%. The term loan will be repaid in quarterly installments, with principal being amortized at an annual rate of 1%, and the remaining balance will be paid on the maturity date of March 31, 2014. The term loan is subject to mandatory prepayment under certain circumstances, including in connection with the Company's receipt of proceeds from certain issuances of equity or debt, sales of assets and casualty events and from the Company's excess cash flow. The term loan may be voluntarily prepaid without premium or penalty.

The Credit Facility is guaranteed by certain of the Company's wholly owned operating subsidiaries, including Nighthawk Radiology Services, LLC, the Company's primary operating entity. Concurrent with the execution of the Credit Agreement, the Company, each subsidiary that guaranteed the Credit Facility, and Morgan Stanley & Co., Incorporated, as Collateral Agent, entered into a Guaranty and Collateral Agreement, pursuant to which the Company and the guarantors, including Nighthawk Radiology Services, LLC, granted to the lenders under the Credit Agreement a security interest in substantially all of the Company's and each guarantor's assets as collateral for the amounts borrowed by the Company under the Credit Agreement, and for the amounts guaranteed by each guarantor.

The Credit Agreement contains customary affirmative, negative and financial covenants, including, among other requirements, negative covenants that restrict the Company's ability to create liens, enter into mergers and acquisitions, pay dividends, repurchase stock, incur indebtedness, make investments and make capital expenditures, and financial covenants that establish applicable interest coverage ratios and limit the maximum leverage the Company can maintain at any one time.

The Credit Agreement contains events of default that include, among others, non-payment of principal, interest or fees, inaccuracy of representations and warranties, violation of covenants, cross defaults to certain other indebtedness, bankruptcy and insolvency events, material judgments, and events constituting a change of control. The occurrence of an event of default could result in an increased interest rate, the acceleration of the Company's obligations under the Credit Facility and an obligation of the Company or any guarantor to repay the full amount of the Company's borrowings under the Credit Facility.

A copy of the Credit Agreement is attached to this Current Report as Exhibit 10.34. A copy of the Guaranty and Collateral Agreement is attached to this Current Report as Exhibit 10.35.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On April 5, 2007, the Company completed the acquisition of all of the outstanding equity interests of The Radlinx Group, Ltd., a privately held radiology services company (Radlinx), pursuant to a Stock and Partnership Interest Purchase Agreement dated April 5, 2007 with the owners of Radlinx (the Purchase Agreement).

In accordance with the terms of the Purchase Agreement, the Company has acquired all of the outstanding capital of Radlinx for a total consideration consisting of the following: (1) \$53 million in cash at closing plus (2) additional cash consideration to be paid as an earnout within 45 days of the one-year anniversary of the closing, which amount will be calculated as 25% of the revenues generated by the Radlinx customers during that period.

Of the amount paid at closing, an aggregate of \$5.3 million was placed in an escrow account to satisfy the indemnification obligations of the owners of Radlinx for breaches or inaccuracies of certain representations, warranties and covenants made by Radlinx and its owners.

A press release announcing the Company's acquisition of Radlinx was issued on April 9, 2007, a copy of which is being filed as Exhibit 99.1 to this Form 8-K and which is incorporated herein by reference in its entirety. A copy of the Purchase Agreement is attached to this Current Report as Exhibit 10.36.
