PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

MAY 30, 2007

INFORMATION CONCERNING SOLICITATION AND VOTING

The following information is provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of BJ's Restaurants, Inc. (the Company) in connection with the Annual Meeting of Shareholders of the Company (the Annual Meeting) and adjournments or postponements thereof to be held on May 30, 2007 at the Company's BJ's Restaurant & Brewhouse located at 13130 Jamboree Road, Irvine, California 92602, at 9:00 a.m., Pacific Daylight Time for the purposes stated in the Notice of Annual Meeting of Shareholders preceding this Proxy Statement.

SOLICITATION AND REVOCATION OF PROXIES

A form of proxy is being furnished herewith by the Company to each shareholder and in each case is solicited on behalf of the Board of Directors of the Company for use at the Meeting. We made copies of this Proxy Statement available to shareholders beginning on April 30, 2007. The Company will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others forwarding the solicitation material to beneficial owners of stock. The Company may reimburse persons holding shares in their names or the names of their nominees for the benefit of others, such as brokerage firms, banks, depositaries, and other fiduciaries, for costs incurred in forwarding soliciting materials to their principals. The costs of such solicitation are not expected to exceed \$5,000. Directors, officers and regular administrative employees of the Company may solicit proxies personally, by telephone or telegraph but will not be separately compensated for such solicitation services.

Shareholders are requested to complete, date and sign the accompanying proxy and return it promptly to the Company. Any proxy given may be revoked by a shareholder at any time before it is voted at the Annual Meeting and all adjournments thereof by filing with the Secretary of the Company a notice in writing revoking it, or by duly executing and submitting a proxy bearing a later date. Proxies may also be revoked by any shareholder present at the Annual Meeting who expresses a desire to vote such shares in person. Subject to such revocation, all proxies duly

Edgar Filing: BJ's RESTAURANTS INC - Form DEF 14A

executed and received prior to, or at the time of, the Annual Meeting will be voted FOR the election of all nine of the nominee-directors specified herein, and FOR the ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2007, unless a contrary choice is specified in the proxy. Where a specification is indicated as provided in the proxy, the shares represented by the proxy will be voted and cast in accordance with the specification made therein. As to other matters, if any, to be voted upon, the persons designated as proxies will take such actions as they, in their discretion, may deem advisable. The persons named as proxies were selected by the Board of Directors of the Company and each of them is a Director of the Company.

Your execution of the enclosed proxy will not affect your right as a shareholder to attend the Annual Meeting and to vote in person.

Under the Company's bylaws and California law, shares represented by proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger proportion of votes. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) with respect to ratification of the selection of Ernst & Young LLP will have the same effect as votes against such proposal. Broker non-votes will be treated as unvoted for purposes of determining approval of any such proposal and will not be counted as votes for or against such proposal.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers, and other nominee record holders may participate in the practice of householding proxy statements and annual reports. This means that only one copy of this Notice of Annual Meeting and Proxy Statement and the 2006 Annual Report may have been sent to multiple stockholders in your household. If you would like to obtain another copy of either document, please contact our Investor Relations Department at 7755 Center Avenue, Suite 300, Huntington Beach, California 92647, telephone (714) 500-2400. If you want to receive separate copies of the proxy statement and annual report in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address or telephone number.

SHAREHOLDERS' VOTING RIGHTS

Only holders of record of the Company's Common Stock, no par value (Common Stock), at the close of business on April 16, 2007 (the Record Date) will be entitled to notice of, and to vote at, the Annual Meeting. On such date, there were 26,087,014 shares of Common Stock outstanding, with one vote per share, held by approximately 132 shareholders or record. We estimate that there were approximately 2,554 beneficial shareholders.

With respect to election of directors, assuming a quorum is present, the nine candidates receiving the highest number of votes are elected. See Nomination and Election of Directors. To ratify the appointment of Ernst & Young LLP, assuming a quorum is present, the affirmative vote of shareholders holding a majority of the voting power represented and voting at the meeting (which shares voting affirmatively also constitute at least a majority of the required quorum) is required. A quorum is the presence in person or by proxy of shares representing a majority of the voting power of the Common Stock.

NOMINATION AND ELECTION OF DIRECTORS
(PROPOSAL NO. 1 ON PROXY CARD)

The Company's directors are to be elected at each annual meeting of shareholders. At this Annual Meeting, nine directors are to be elected to serve until the next annual meeting of shareholders and until their successors are elected and qualify. The nominees for election as directors at this Annual Meeting set forth in the table below are all recommended by the Board of Directors of the Company. In the event that any of the nominees for director should become unable to serve if elected, it is intended that shares represented by proxies which are executed and returned will be voted for such substitute nominee(s) as may be recommended by the Company's existing Board of Directors.

The nine nominee-directors receiving the highest number of votes cast at the Annual Meeting will be elected as the Company's directors. Subject to certain exceptions specified below, shareholders of record on the Record Date are entitled to cumulate their votes in the election of the Company's directors (i.e., they are entitled to the number of votes determined by multiplying the number of shares held by them times the number of directors to be elected) and may cast all of their votes so determined for one person, or spread their votes among two or more persons as they see fit. No shareholder shall be entitled to cumulate votes for a given candidate for director unless such candidate's name has been placed in nomination prior to the vote and the shareholder has given notice at the Annual Meeting, prior to the voting, of the shareholder's intention to cumulate his or her votes. If any one shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination. Discretionary authority to cumulate votes is hereby solicited by the Board of Directors if any shareholder gives notice of his or her intention to exercise the right to cumulative voting. In that event, the Board of Directors will instruct the proxy holders to vote all shares represented by proxies in a manner that will result in the approval of the maximum number of directors from the nominees selected by the Board of Directors that may be elected with the votes held by the proxy holders.

The following table sets forth certain information concerning the nominees for election as directors:

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR ALL OF THE NOMINEES ABOVE.

Determination of Director Independence

In March 2007, the Board undertook its annual review of director independence. During this review, the Board considered transactions and relationships between each director or any member of his immediate family and the Company and its subsidiaries and affiliates, including those reported under Certain Relationships and Related Transactions. The Board also examined transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent under the definition of independence set forth in Rule 4200(a)(15) of the National Association of Securities Dealers (the NASD Independence Standards).

As a result of this review, the Board affirmatively determined that all of the directors nominated for election at the annual meeting are independent of the Company and its management under the NASD Independence Standards, with the exception of Paul A. Motenko, Jeremiah J. Hennessy, Gerald W. Deitchle and James A. Dal Pozzo. Messrs. Motenko, Hennessy and Deitchle are considered inside directors because of their employment as senior executives of the Company. Mr. Dal Pozzo is considered a non-independent outside director because of the amount of food products purchased by the Company from The Jacmar Companies, which employs Mr. Dal Pozzo as President.

Board Meetings

The Board met five times during fiscal 2006. Each of the directors of the Company attended 75% or more of the aggregate of the total number of meetings of the Board of Directors held during the period in which he was a

director. All Directors attended the Company's annual shareholders' meeting in June 2006. Each Director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his or her duties, including by attending meetings of the shareholders of the Company, the Board and Committees of which he is a member.

INFORMATION CONCERNING THE BOARD OF DIRECTORS

AND CERTAIN COMMITTEES THEREOF

The business of the Company's Board of Directors is conducted through full meetings of the Board of Directors, as well as through meetings of its committees. The following provides certain information regarding the committees of the Board of Directors.

Audit Committee

The Company maintains an Audit Committee which reviews and reports to the Board on various auditing and accounting matters, including the annual audit report from the Company's independent public accountants. Throughout fiscal 2006, the Audit Committee consisted of Mr. Grundhofer (Chairman), Mr. Bouts and Mr. Bassi, all of whom are independent directors. The Audit Committee held seven meetings during the last fiscal year. See "Report of the Audit Committee" for a further description of the functions performed by the Audit Committee. The charter for the Audit Committee is available on the Company's website (www.bjsrestaurants.com)

Compensation Committee

The Compensation Committee determines executive compensation policies, administers compensation plans, reviews programs and policies and monitors the performance and compensation of certain officers and other employees. The Compensation Committee determines appropriate awards under the Company's 1996 Stock Option Plan and its 2005 Equity Incentive Plan. The Compensation Committee consisted of Messrs. J. Roger King, Peter Bassi and Shann Brassfield during the fiscal year 2006, all of whom are independent directors. Mr. King is the Chairman of the Compensation Committee. The Compensation Committee held three meetings during the last fiscal year. See "Compensation Discussion and Analysis" for a further description of the functions performed by the Compensation Committee. The charter for the Compensation Committee is available on the Company's website (www.bjsrestaurants.com).

Governance and Nomination Committee

The Company also maintains a Governance and Nomination Committee that is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of the Company's corporate governance. The Governance and Nomination Committee in connection with management implements the Company's Code of Business Conduct to promote honest and ethical conduct of the Company's business. The Code of Business Conduct covers all officers, directors and employees. In addition, the Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Committee also prepares and supervises the Board's annual review of directors' independence and the Board's performance self-evaluation. The charter of the Governance and Nomination Committee is available on the Company's website (www.bjsrestaurants.com). The Governance and Nominating Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and shareholders. A shareholder who wishes to recommend a prospective nominee for the Board should notify any member of the Governance and Nominating Committee in writing with whatever supporting material the shareholder considers appropriate. The Governance and Nominating Committee will also consider whether to nominate any person nominated by a shareholder pursuant to the

provisions of the Company's bylaws relating to shareholder nominations.

Once the Governance and Nominating Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the Committee determines, in consultation with the Co-Chairmen of the Board and other Board members, as appropriate, that additional consideration is warranted, it may request a third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the Committee. The Committee then evaluates the prospective nominee against the following standards and qualifications:

the ability of the prospective nominee to represent the interests of all the shareholders of the Company;

the prospective nominee's standards of integrity, commitment and independence of thought and judgment;

the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;

the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board;

the extent to which the prospective nominee helps the Board reflect the diversity of the Company's shareholders, employees, customers, guests and communities.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors and the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

The Governance and Nomination Committee was established in March 2004 and consists of Mr. Grundhofer, Mr. Brassfield and Mr. King, all of whom are independent directors. Mr. Grundhofer serves as Chairman of the Governance and Nomination Committee. The Governance and Nomination Committee conducted its business within the context of regularly scheduled Board meetings and held no separate meetings during the last fiscal year.

Any shareholder who wishes to communicate directly with the Board of Directors or one or more specific directors, may send a letter addressed to the Board of Directors or to the specific directors intended to be addressed to the Company's corporate headquarters. The Company will forward all communications to the Board of Directors or to the specific directors identified by the shareholder. The Company's current policy is to send every shareholder's communication addressed to the Board of Directors or to one or more specific directors to the identified directors.

REPORT OF AUDIT COMMITTEE

The following Audit Committee report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended, except to the extent the

Company specifically incorporates this Audit Committee report by reference therein.

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in overseeing and monitoring the Company's financial reporting practices. The members of the Audit Committee are independent (as such term is defined in NASD Rule 4200(a)(15) which are applicable to the Company as a result of the listing of its Common Stock on the NASDAQ Global Select Market). In addition, all members of the Audit Committee have been designated as audit committee financial experts (as such term is defined by Item 407(d)(5)(ii) of Regulation S-K).

As more fully described in its charter, the Audit Committee oversees the Company's financial reporting and internal control processes on behalf of the Board of Directors, as well as the independent audit of the Company's consolidated financial statements by the Company's independent auditors. The Audit Committee appointed and the shareholders ratified Ernst & Young LLP (E&Y) as the Company's independent auditors for fiscal year 2006. Management has the primary responsibility for the Company's financial statements and the financial reporting process, including the Company's system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the Company's audited financial statements for fiscal 2006 with management and E&Y. Management and E&Y have represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States, including matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. In addition, the independent auditors have provided the Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, as amended, Independence Discussions with Audit Committee, and the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the compatibility of non audit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors and the Board has approved that the Company's audited financial statements be included in the Annual Report on Form 10-K for the year ended January 2, 2007 for filing with the Securities and Exchange Commission. The Committee and the Board have also appointed Ernst & Young LLP as the Company's independent auditors for its fiscal year 2007.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS
(PROPOSAL NO. 2 ON PROXY CARD)

The Audit Committee has appointed Ernst & Young LLP as the Company's independent auditors for the fiscal year ending January 1, 2008, and the Board is recommending shareholders ratify that appointment at the Annual Meeting. Ernst & Young LLP does not have, and has not had at any time, any direct or indirect financial interest in the Company or any of its subsidiaries and does not have, and has not had at any time, any relationship with the Company or any of its subsidiaries in the capacity of promoter, underwriter, voting trustee, director, officer, or employee. Neither the Company nor any officer or director of the Company has or has had any interest in Ernst & Young LLP.

As a matter of good corporate governance, the Board has determined to submit the appointment of Ernst & Young LLP to the shareholders for ratification. Representatives of Ernst & Young LLP will be present at the Annual Meeting, will have an opportunity to make statements if they so desire, and will be available to respond to appropriate questions.

Notwithstanding the ratification by shareholders of the appointment of Ernst & Young LLP, the Board of Directors or the Audit Committee may, if the circumstances dictate, appoint other independent auditors.

COMPENSATION DISCUSSION AND ANALYSIS

Role of the Compensation Committee

The Compensation Committee is comprised entirely of independent directors who are also non-employee directors as defined in Rule 16b-3 under the Securities Exchange Act of 1934 (Rule 16b-3) and outside directors as defined under Section 162(m) of the Internal Revenue Code (Section 162(m)). The Compensation Committee reviews the performance of the Company's officers and key employees and reports to the Board of Directors. In such capacity, the Committee administers the Company's executive compensation plans, reviews the Company's general compensation and benefit programs and policies, and monitors the performance and compensation of executive officers and other key employees, except for Mr. Motenko, Mr. Hennessy and Mr. Deitchle, whose compensation is established under Employment Agreements previously approved by the Compensation Committee and the Board of Directors and described elsewhere in this Proxy Statement. See Compensation of the Chief Executive Officer and Co-Chairmen. The Committee makes recommendations regarding equity awards to executive officers and other employees pursuant to the Company's equity compensation plans, including the 2005 Equity Incentive Plan.

The Committee's charter establishes the various responsibilities of the Committee including those described above. The Committee periodically reviews and revises the charter. In addition, the Committee regularly receives reports and recommendations from management and, as appropriate, consults with legal, accounting or other advisors in accordance with the authority granted to the Committee in its charter.

Three independent directors, J. Roger King, Shann M. Brassfield, and Peter A. Bassi currently serve on the Committee and served as Committee members during all of fiscal 2006. Each member of the Committee meets the independence requirements specified by NASDAQ and by Section 162(m) of the Code, as determined annually by the Board. The Chairman of the Compensation Committee reports the Committee's actions and recommendations to the Board of Directors following each Committee meeting. The Committee held three formal meetings during fiscal 2006.

Role of Executive Officers in Compensation Decisions

The Committee makes all decisions regarding the compensation of executive officers, including cash-based and equity-based incentive compensation programs. The Committee and the Chief Executive Officer annually review the performance of the other executive officers. The Committee reviews the performance of the Chief Executive Officer.

Overview of Compensation Philosophy and Program

The Committee believes that executive compensation should be closely aligned with the performance of the Company on both a short-term and a long-term basis. In addition, the Committee believes that compensation should be designed to assist the Company in attracting and retaining the management personnel that are critical to its long-term success. To that end, the Committee believes that executive compensation should be comprised of three principal components:

annual base salary;

Edgar Filing: BJs RESTAURANTS INC - Form DEF 14A

performance-based incentive bonuses, which are dependent on the Company's performance and, for most executives, individual performance; and

long-term incentive compensation in the form of stock options or other equity-based awards and that are designed to align executive officers' interests with those of shareholders by rewarding outstanding performance and providing long-term incentives.

The Compensation Committee considers a variety of factors when it establishes the amount of total compensation to award to executive officers each year. Among these factors are:

the amount of total compensation paid to the Company's executives compared to amounts paid to similar executives at targeted peer group companies both for the prior year and over a multi-year period;

the value of equity-based compensation awarded in prior years;

internal pay equity considerations; and

broad trends in executive compensation generally and within the restaurant industry.

Determining Executive Compensation

The Company has structured its annual and long-term incentive-based cash and non-cash executive compensation programs to motivate executives to achieve the business goals of the Company and reward them for achieving these goals. The Committee determines relevant market data and alternatives to consider when making compensation decisions regarding the executive officers.

The Committee compares each element of total compensation against industry data provided by Mercer Human Resource Consulting and HVS International's HCE Hospitality Exchange compensation information. The Committee believes that this information represents industry related compensation elements for which the Company competes for talent and shareholder investment. A comparison of total compensation levels against the HCE Hospitality Exchange compensation data for similarly situated executive officers for Company's with similar size revenues revealed that the Company's total compensation for its executives was in the 50th percentile. The Company does not set a specific compensation percentile, instead the Compensation Committee uses this information and the executive's level of responsibility and experience as well as the executive's success in achieving business results and leadership in determining the executive's compensation. The Committee believes that this approach allows for the Committee to take into consideration the executive's overall contribution to the Company in determining executive compensation rather than relying solely on specific peer group targets.

A significant percentage of total compensation is allocated to incentives as a result of the philosophy mentioned above. There is no pre-established policy or target for the allocation between either cash and non-cash or short-term and long-term incentive compensation. The Committee gathers and reviews data from Mercer Human Resource Consulting and the HCE Hospitality Exchange as well as relevant information from industry sources, SEC filings and other publicly available sources to determine the appropriate level and mix of incentive compensation. Income from such incentive compensation is realized as a result of the performance of the Company or the individual, depending on the type of award, compared to established goals.

Elements of Executive Compensation

Base Salary. Base salaries for executive officers are reviewed on an annual basis and at the time of promotion or other change in responsibilities. Increases in salary are based on subjective evaluation of such factors as the level of responsibility, individual performance, level of pay both of the executive in question and other similarly situated executives, and the comparator group companies' pay levels.

Annual Incentive Bonus. Each executive officer participates in the Company's Annual Performance Incentive Plan (PIP). Bonuses paid in accordance with the PIP program are generally determined based on a percentage of each executive officer's base salary, which for 2006 ranged from 25% to 35%. The Committee approves and recommends to the Board of Directors the objective performance measure or measures, bonus target percentages and other terms and conditions of awards of bonus compensation included in the PIP program.

For fiscal 2006, a consolidated pre-tax income target was the objective performance measure upon which the objective performance goal was based. After the end of the fiscal year, the Committee with the Chief Executive Officer reviews the extent to which the performance goals were achieved and approved and recommended to the Board of Directors the amount of the award to be paid to each officer.

Under the PIP plan as in effect during fiscal 2006, 80% of the executives' incentive bonus was based on achievement of the specified objective performance goal as approved by the Committee and Board of Directors for the fiscal year (other than the Chief Executive Officer, for whom 100% of the target was based on the objective performance goal). The terms of the objective performance goal for 2006 permit bonus payouts of up to 120% of the target bonus in situations where the Company exceeded its objective performance goal. Twenty percent of the target bonus for each executive officer other than the Chief Executive Officer was based on the specific individual performance goals, which change each year based on the Company's strategic plan initiatives and responsibilities of the positions. For fiscal 2007, 66% of the executives' bonus will be based on achievement of the specified objective performance goal and 34% will be based on the specific individual performance goals.

Long-Term Equity Compensation. Long-term performance-based compensation of executive officers has traditionally taken the form of stock option awards. The Committee believes that equity ownership for all executive officers and for certain of its key employees, is important for incentive, retention and alignment with shareholders interest. In 2005 the Company proposed and shareholders approved a new equity incentive plan that permits a variety of equity award vehicles. The Committee believes the plan enables the Company to achieve a balance between providing equity-based compensation for key employees and creating and maintaining long-term shareholder value. Beginning in 2007 all of the Company's general managers, executive kitchen managers, culinary training managers and area and regional directors are eligible for the Gold Standard Stock Ownership Program under the Company's 2005 Equity Incentive Plan. This program is a long term wealth building program based on restricted stock units of the Company that is dependent on the participant's extended service with the Company in their respective positions (generally 5 years) and their achievement of certain agreed upon performance objectives during that service period.

In determining the size of stock option grants to executive officers, the Committee bases its determinations and recommendations to the Board of Directors on such considerations as the value of total direct compensation for comparable positions in comparator group companies, Company and individual performance against the strategic plan for the prior fiscal year, the number and value of stock options previously granted to the executive officer, the allocation of overall share usage attributed to executive officers and the relative proportion of long-term incentives within the total compensation mix. All stock options granted by the Company during fiscal 2006 were granted as nonqualified stock options with an exercise price equal to the closing price of the Common Stock on the date of grant and, accordingly, will have value only if the market price of the Common Stock increases after that date. Other than the stock options granted to Messrs. Motenko, Hennessy and Deitchle discussed elsewhere in this proxy, stock options granted to the executive officers of the Company generally vest in five equal annual installments.

Executive Benefit and Perquisites. Pursuant to their employment agreements with the Company, each of Mr. Motenko and Mr. Hennessy are entitled to certain fringe benefits including use of a Company automobile or automobile allowance of \$1,000 per month, a \$1,000,000 life insurance policy (premiums for which shall not exceed \$7,500 per year) on the life of Mr. Motenko and Mr. Hennessy, as the case may be, with the beneficiaries designated by Mr. Motenko or Mr. Hennessy. In addition, they are entitled to receive customary vacation benefits, family health insurance and the right to participate in the Company's customary executive benefit plans. In addition, pursuant to his employment agreement with the Company, Mr. Deitchle is entitled to certain fringe benefits including up to \$3,000 per year for unreimbursed out-of-pocket costs associated with an annual physical examination, use of a Company automobile or automobile allowance, family health insurance and the right to participate in the Company's customary executive benefit plans. Other executive officers are entitled to receive customary vacation benefits, automobile allowances, family health insurance and the right to participate in the Company's customary executive benefit plans.

Stock Option Grant Timing Practices

During fiscal 2006, the Committee and the Board adopted guidelines for stock option grant timing practices. The guidelines approved by the Board are as follows:

Regular Annual Stock Option Grant Dates. Annual stock option grants are presented and approved at the meeting of the Compensation Committee held in December of each year, before fiscal year-end earnings are released. The regular annual stock option grant date for all employees, including executive officers, is the first business day of the new fiscal year. The exercise price for the annual grants is determined using the average of the closing price of the Company's common stock for the last five trading days of the fiscal year.

New Hire Grant Dates. Stock option grants to newly-hired employees that fall within parameters previously set by the Committee are approved by written action by the Chief Executive Officer. Beginning in 2007, all new hire grants will be approved by the Committee. These grants occur on the first day of employment as stated in the offer letters for new employees. The option exercise price is generally the closing price of the Company's common stock on the date of grant.

Participants in the Company's Gold Standard Stock Ownership (GSSOP) Program. Beginning in 2007 all of the Company's general managers, executive kitchen managers, culinary training managers and area and regional directors are eligible for the Gold Standard Stock Ownership Program under the Company's 2005 Equity Incentive Plan. The initial grant of restricted stock units for each participant in the GSSOP was the first business day of the new fiscal year. New participants will receive their grants on the first day of each month subsequent to their acceptance into the program in accordance with the GSSOP documentation.

All Other Grants. The Company's general practice is to issue stock option grants annually or upon new employment as described above. In those instances when stock option grants occur during the year due to promotion or other factors, the stock option grants are approved by the Committee and a future effective date is selected by the Committee.

Stock Option Grants for Non Employee Directors. Initial stock options granted to newly-elected non-employee members of the Board are granted as of the date of election to the board. Annual grants to non-employee directors are generally made on January 15th of each year.

Compensation of the Chief Executive Officer and the Co-Chairmen

Gerald W. Deitchle Employment Agreement

On January 19, 2005, the Company announced that Gerald W. (Jerry) Deitchle had been named President and CEO of the Company and his employment commenced February 1, 2005. Under the terms of Mr. Deitchle's employment contract, he is entitled to receive annual cash compensation of \$300,000, subject to escalation annually in accordance with the Consumer Price Index (CPI). In addition, Mr. Deitchle was entitled to receive a cash bonus of \$125,000 if fiscal 2005 earnings before interest, amortization, depreciation and income taxes (EBITDA) equaled or exceeded \$16,000,000 and an additional \$25,000 if fiscal 2005 EBITDA equaled or exceeded \$18,000,000. Mr. Deitchle received a cash bonus of \$150,000 for fiscal 2005 as a result of this incentive plan. All bonuses thereafter, as well as increases in compensation above the minimum CPI escalation rate stated above, shall be determined by the Board in its sole discretion. For fiscal 2006, Mr. Deitchle's base salary was \$330,000 and he earned a cash bonus of \$165,000 based on the Company's performance. This was the maximum amount allowed under his

Edgar Filing: BJ's RESTAURANTS INC - Form DEF 14A

contract. Mr. Deitchle's employment agreement with the Company expires on December 1, 2009.

Mr. Deitchle is entitled to certain other fringe benefits including up to \$3,000 per year for unreimbursed out-of-pocket costs associated with an annual physical examination, use of a Company automobile or automobile allowance, family health insurance and the right to participate in the Company's customary executive benefit plans.

Mr. Deitchle received an initial grant of stock options to purchase 275,000 shares of the Company's common stock under the Company's existing stock option plan, of which 100,000 options vested on the date of grant and 87,500 vest on each of the second and third anniversaries of the date of grant. Additionally, Mr. Deitchle received a stock option grant of 25,000 shares upon joining the Company's Board of Directors in November 2004, of which 12,500 options vested on each of the first and second anniversaries of the date of grant. Mr. Deitchle shall be entitled to additional stock options or other equity-based compensation from time to time as determined by the Board of Directors of the Company.

Pursuant to the terms of his employment agreement, the Company has agreed to take all reasonable action within its control to cause Mr. Deitchle to continue to be appointed or elected to the Board of Directors during the term of his agreement. The Company may terminate Mr. Deitchle's employment at any time. If the termination is by the Company for Cause (as defined below), as a result of the death or Disability (as defined below) of Mr. Deitchle, or by Mr. Deitchle for other than Good Reason (as defined below), Mr. Deitchle will be entitled to receive all amounts payable by the Company under his employment agreement to the date of termination (including a prorated portion of any accrued bonuses). In addition, if the termination is by the Company or Mr. Deitchle as a result of Disability, to the extent that Mr. Deitchle is not covered by any other comprehensive insurance that provides a comparable level of benefits, the Company will pay Mr. Deitchle an amount equivalent to his COBRA payments for up to 18 months following the termination or the maximum term allowable by then applicable law for coverage of Mr. Deitchle and his eligible dependents. For purposes hereof, Disability shall mean incapacity due to physical or mental illness which results in Mr. Deitchle being absent from the full-time performance of substantially all of his material duties with the Company for 90 consecutive days or 180 days in any 12 month period.

In the event of termination of employment by the Company without Cause or by Mr. Deitchle for Good Reason, Mr. Deitchle shall be entitled to receive the following: (i) such Base Salary, vacation, prorated bonus and other benefits as have been earned through the date of termination and, to the extent that Mr. Deitchle is not covered by any other comprehensive insurance that provides a comparable level of benefits, the Company will pay Mr. Deitchle an amount equivalent to his COBRA payments for up to 18 months following the termination or the maximum term allowable by then applicable law for coverage of Mr. Deitchle and his eligible dependents, (ii) a lump sum severance equal to the greater of (a) one year's then current base salary, or (b) fifty percent (50%) of the base salary that would be due to him (including annual increases) between the date of termination and the end of the remaining term of his employment contract.

For purposes of Mr. Deitchle's employment agreement, Cause means (i) an act or acts of dishonesty undertaken by Mr. Deitchle and intended to result in material personal gain or enrichment of him or others at the expense of the Company; (ii) gross misconduct that is willful or deliberate on Mr. Deitchle's part and that, in either event, is materially injurious to the Company, (iii) the conviction of Mr. Deitchle of a felony; or (iv) the material breach of any terms and conditions of his employment agreement by Mr. Deitchle, which breach has not been cured within 30 days after written notice thereof from the Company. The cessation of employment by Mr. Deitchle shall not be deemed to be for Cause unless and until there shall have been delivered to Mr. Deitchle a copy of a resolution, duly adopted by the affirmative vote of not less than a majority of the entire membership of the Board (not including Mr. Deitchle) at a meeting of the Board called and held for such purpose (after reasonable notice to Mr. Deitchle and an opportunity for him, together with his counsel, to be heard before the Board), finding that, in the good faith opinion of the Board, one or more causes for termination exist and specifying the particulars thereof in detail.

For purposes of Mr. Deitchle's employment agreement, Good Reason means (i) any removal of Mr. Deitchle from, or any failure to nominate or re-elect Mr. Deitchle to, his current office and/or the Board, except in connection with termination of Mr. Deitchle's employment for death, Disability or Cause, (ii) the failure of the Company to obtain the assumption of this Agreement by any successor to the Company, as provided in this Agreement, (iii) the material breach by the Company of any terms and conditions of Mr. Deitchle's employment agreement, which breach has not been cured by the Company within thirty (30) days

after written notice thereof to the Company from Mr. Deitchle, or (iv) in the event of certain events constituting a change in control of the Company (a) (1) any reduction in Mr. Deitchle's then-current base salary or any material reduction in Mr. Deitchle's comprehensive benefit package (other than changes, if any, required by group insurance carriers applicable to all persons covered under such plans or changes required under applicable law), (2) the assignment to Mr. Deitchle of duties that represent or constitute a material adverse change in Mr. Deitchle's position, duties, responsibilities and status with the Company immediately prior to a change in control, or (3) a material adverse change in Mr. Deitchle's reporting responsibilities, titles, offices, or any removal of Mr. Deitchle from, or any failure to re-elect Mr. Deitchle to, any of such positions; except in connection with the termination of Mr. Deitchle's employment for Cause, upon the Disability or death of Mr. Deitchle, or upon the voluntary termination by Mr. Deitchle; (b) the relocation of Mr. Deitchle's place of employment from the location at which Mr. Deitchle was principally employed immediately prior to the date of the change in control to a location more than 50 miles from such location; or (c) the failure of any successor to the Company to assume and agree to perform its obligations under Mr. Deitchle's employment agreement.

Paul Motenko and Jeremiah Hennessy Employment Agreements

On June 27, 2005, the Company entered into Amended and Restated Employment Agreements with each of Paul Motenko and Jeremiah Hennessy. The forms of employment agreements were substantially identical except that the agreement provides that Mr. Motenko will serve as the Co-Chairman, Secretary and as a Vice President of the Company whereas Mr. Hennessy's employment agreement provides that he will serve only as the Co-Chairman.

Unless earlier terminated, the term of Mr. Motenko and Mr. Hennessy's employment shall end on December 31, 2009; provided, however, that his employment term shall be extended for additional one year periods unless and until the Company or Mr. Motenko or Mr. Hennessy, as the case may be, gives notice of its or his intention not to renew.

Pursuant to the terms of their employment agreements, Mr. Motenko serves as the Co-Chairman of the Company as well as a Vice President and Secretary. Mr. Hennessy serves as Co-Chairman of the Company. The employment agreements provide that the position of Co-Chairman shall be an executive office of the Company. During the term of the Agreement, the Company (and its Board of Directors) are obligated to take such reasonable actions within their control to cause Mr. Motenko and Mr. Hennessy to continue to be appointed or elected to the Board of Directors. In addition, should Gerald Deitchle, the Company's President and Chief Executive Officer, resign or be terminated, the Company has agreed to use its best efforts to cause Mr. Motenko and Mr. Hennessy to each be reinstated as Co-Chief Executive Officers of the Company.

Each of Mr. Motenko and Mr. Hennessy is entitled to receive annual cash compensation of \$300,000, subject to escalation annually in accordance with the consumer price index. In addition, each of Mr. Motenko and Mr. Hennessy received a lump sum payment equal to the amount by which the base salary paid to them from January 1, 2005 through the effective date of their employment agreements was less than the base salary that would have been paid to them under the employment agreements had they been in effect on January 1, 2005. Bonuses shall be determined by the Board in its sole discretion. For fiscal 2006, Mr. Motenko and Mr. Hennessy did not receive a cash bonus.

Each of Mr. Motenko and Mr. Hennessy is entitled to certain fringe benefits including use of a Company automobile or automobile allowance of \$1,000 per month, a \$1,000,000 life insurance policy (premiums for which shall not exceed \$7,500 per year) on the life of Mr. Motenko and Mr. Hennessy, as the case may be, with the beneficiaries designated by Mr. Motenko or Mr. Hennessy. In addition, they are entitled to receive customary vacation benefits, family health insurance and the right to participate in the Company's customary executive benefit plans.

Pursuant to the terms of their employment agreements, each of Mr. Motenko and Mr. Hennessy received an initial grant of stock options to purchase 85,000 shares of the Company's common stock under the Company's

2005 Equity Incentive Plan. Each of these options vests as follows: (i) 34,000 shares vested upon grant, (ii) 17,000 shares vest on December 31, 2007, (iii) 17,000 shares vest on December 31, 2008 and (iv) 17,000 shares vest on December 31, 2009. The option exercise price was the closing price of the Company's common stock on the date of grant.

The Company may terminate Mr. Motenko and/or Mr. Hennessy's employment at any time. If the termination is by the Company for Cause (as defined below), as a result of the death or Disability (as defined below) of Mr. Motenko or Mr. Hennessy, or by Mr. Motenko or Mr. Hennessy for reasons other than Good Reason (as defined below), Mr. Motenko and Mr. Hennessy, as the case may be, will be entitled to receive all amounts payable by the Company under his employment agreement to the date of termination (including a prorated portion of any accrued bonuses). In addition, if the termination is by the Company or Mr. Motenko or Hennessy, as the case may be, as a result of Disability, to the extent that Mr. Motenko or Hennessy is not covered by any other comprehensive insurance that provides a comparable level of benefits, the Company will pay an amount equivalent to the terminated executive's COBRA payments for up to 18 months following the termination or the maximum term allowable by then applicable law for coverage. For purposes hereof, Disability shall mean incapacity due to physical or mental illness which results in the executive being absent from the full-time performance of substantially all of his material duties with the Company for 90 consecutive days or 180 days in any 12 month period.

In the event of termination of employment by the Company without Cause or by Mr. Motenko or Mr. Hennessy for Good Reason, Mr. Motenko or Mr. Hennessy, as the case may be, shall be entitled to receive the following: (i) such Base Salary, vacation, prorated bonus and other benefits as have been earned through the date of termination and, to the extent that the executive is not covered by any other comprehensive insurance that provides a comparable level of benefits, the Company will pay the executive an amount equivalent to his COBRA payments for up to 18 months following the termination or the maximum term allowable by then applicable law for coverage of the executive and his eligible dependents, (ii) a severance equal to the greater of (a) one year's then current base salary, or (b) one hundred percent (100%) of the base salary that would be due to him (including annual increases) between the date of termination and the end of the remaining term of his employment, payable in accordance with the Company's ordinary payroll practices. In addition, in the event of a termination without Cause or for Good Reason, the Options (as described and defined below) shall continue to vest and remain exercisable through the end of the remaining term of the employment agreement. In addition, in the event there is a Change of Control within 12 months following a termination by the Company without Cause, executive shall be entitled to a cash payment equal to the amount, if any, by which the aggregate fair market value of the shares subject to any unvested Options or subsequent stock options exceeds the aggregate exercise price of such options on the effective date of termination.

For purposes of these employment agreements, Cause means (i) an act or acts of dishonesty undertaken by the executive and intended to result in material personal gain or enrichment of him or others at the expense of the Company; (ii) gross misconduct that is willful or deliberate on the executive's part and that, in either event, is materially injurious to the Company, (iii) the conviction of the executive of a felony; or (iv) the material breach of any terms and conditions of his employment agreement by the executive, which breach has not been cured within 30 days after written notice thereof from the Company. The cessation of employment by Mr. Motenko or Mr. Hennessy, as the case may be, shall not be deemed to be for Cause unless and until there shall have been delivered to the executive in question, a copy of a resolution, duly adopted by the affirmative vote of not less than a majority of the entire membership of the Board (not including the executive in question) at a meeting of the Board called and held for such purpose (after reasonable notice to the executive and an opportunity for him, together with his counsel, to be heard before the Board), finding that, in the good faith opinion of the Board, one or more causes for termination exist and specifying the particulars thereof in detail.

For purposes of Mr. Motenko and Mr. Hennessy's employment agreements, Good Reason means:

(i) any removal of the executive from, or any failure to nominate or re-elect the executive to, his current office and/or the Board, except in connection with termination of executive's employment for death, Disability or Cause,

(ii) the failure of the Company to obtain the assumption of the employment agreement by any successor to the Company, as provided in the employment agreement,

(iii) the material breach by the Company of any terms and conditions of the employment agreement, which breach has not been cured by the Company within thirty (30) days after written notice thereof to the Company from the executive,

(iv) the assignment to the executive of duties that represent or constitute a material adverse change in the executive's position, duties, responsibilities or status with the Company;

(v) the appointment of any person other than Gerald W. Deitchle as Chief Executive Officer of the Company (or an office having substantially the same responsibilities); or

(vi) in the event of certain events constituting a change in control of the Company:

(a)(1) any reduction in the executive's then-current base salary or any material reduction in Mr. Motenko or Mr. Hennessy's, as the case may be, comprehensive benefit package (other than changes, if any, required by group insurance carriers applicable to all persons covered under such plans or changes required under applicable law), (2) the assignment to the executive of duties that represent or constitute a material adverse change in such executive's position, duties, responsibilities and status with the Company immediately prior to a change in control, or (3) a material adverse change in the executive's reporting responsibilities, titles, offices, or any removal of such executive from, or any failure to re-elect the executive to, any of such positions; except in connection with the termination of executive's employment for Cause, upon his Disability or death, or upon the voluntary termination by the executive;

(b) the relocation of Mr. Motenko or Mr. Hennessy's, as the case may be, place of employment from the location at which he was principally employed immediately prior to the date of the change in control to a location more than 50 miles from such location; or

(c) the failure of any successor to the Company to assume and agree to perform its obligations under the executive's employment agreement.

Compensation Committee Interlocks and Insider Participation

During fiscal 2006, Messrs. King, Brassfield and Bassi served on the Compensation Committee. No member of the Compensation Committee was, during fiscal 2006, an officer or employee of the Company, a former officer of the Company or any of its subsidiaries or had a relationship requiring disclosure by the Company under Item 404 of Regulation S-K. No executive officer of the Company has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers who served as a member of the Company's Board of Directors or the Compensation Committee during fiscal 2006.

Certain of the members of the Company's Board of Directors or their affiliates have entered into transactions or arrangements with the Company during the past fiscal year which transactions and arrangements are described in "Certain Relationships and Related Transactions" below.

Review of All Components of Executive Compensation

The Committee and the Board of Directors have reviewed information about all components of the compensation provided to the Company's executive officers, including base salary, annual bonus, equity compensation (including realized gains and accumulated unrealized values on stock options), perquisites and other personal benefits and the effect of retirement and change in control of the Company on stock option vesting. A summary of the Company's compensation programs, practices and internal controls, and tables quantifying the estimated values of these components for each executive, were presented to and reviewed by the Committee.

Tax and Accounting Implications

Section 162(m) disallows a federal income tax deduction to publicly held companies for certain compensation paid to the company's chief executive officer and four other most highly compensated executive officers to the extent that compensation exceeds \$1 million per executive officer covered by Section 162(m) in any fiscal year. The limitation applies only to compensation that is not considered "performance-based" as defined in the Section 162(m) rules.

In designing the Company's compensation programs, the Committee considers the effect of Section 162(m) together with other factors relevant to the Company's business needs. The Company has historically taken, and intends to continue taking, appropriate actions, to the extent it believes desirable, to preserve the deductibility of annual incentive and long-term performance awards. However, the Committee has not adopted a policy that all compensation paid must be tax-deductible and qualified under Section 162(m).

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussion, the Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Generally, the full grant date fair value is the amount that the Company would expense in its financial statements over the vesting schedule of the shares underlying the options. The fair value of options granted was estimated at the date of grant using a Black-Scholes option pricing model. The fair value shown for stock awards and option awards are accounted for in accordance with SFAS 123R. These amounts reflect the Company's accounting expense, and do not correspond to the actual value that will be recognized by the named executives. The actual value, if any that a named executive officer may realize upon exercise of the options will depend on the excess of the stock price over the base value on the date.

Potential Payments upon Termination or Change in Control

The employment agreements with Messrs Motenko, Hennessy and Deitchle discussed elsewhere in this proxy contain severance arrangements providing for the payment of certain benefits if the employment of these officers is terminated, including termination following a change in control. In addition, in the event the Company terminates the employment of Mr. Levin without cause he will be eligible to receive a severance payment of six months salary. Further, in the event the Company terminates the employment of Mr. Lynds without cause (including in connection with a change in control), he will be eligible to receive a severance payment of six months salary plus an additional month for every year he was employed by the Company (not to exceed an aggregate of 12 months).

The Company also has additional severance arrangements with certain other executive officers, pursuant to which the officer is eligible to receive a severance payment of no more than six months salary in the event the Company terminates the officer's employment without cause. In addition, stock option awards granted to all employees generally provide for accelerated vesting or lapse of restrictions on awards if an employee's employment is terminated within a year after a change in control, the acquiring company does not assume outstanding awards or substitute equivalent awards and other conditions in the 2005 Equity Incentive Plan are satisfied.

The following table describes the potential payments upon termination without cause or, after a change in control of the Company, termination without cause or termination for good reason for each named executive officer:

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Agreements with Related Parties

As of January 2, 2007, Jacmar Companies and their affiliates (collectively referred to herein as "Jacmar") owned approximately 16.9% of our outstanding common stock. James Dal Pozzo, a member of our Board of Directors, is the President of Jacmar. Jacmar, through its specialty wholesale food distributorship, is currently the Company's largest supplier of food, beverage and paper products. In 2004, Jacmar also acquired ownership of the Shakey's pizza parlor chain. In July 2006, after an extensive competitive bidding process, the Company entered into a three-year agreement with a national foodservice distribution system whose shareholders are prominent regional foodservice distributors, of which Jacmar is one. Jacmar will continue to service the Company's restaurants in California, while other system distributors will service our restaurants in all other states. Jacmar sells products to us at prices comparable to those offered by unrelated third parties. Jacmar supplied us with \$27.1 million, \$24.8 million and \$19.3 million of food, beverage and paper products for fiscal 2006, 2005 and 2004, respectively, which represent 44.2%, 54.6% and 57.1% of our total costs for these products, respectively. We had trade payables due to Jacmar related to these products of \$1.1 million, \$2.3 and \$2.2 million at January 2, 2007, January 3, 2006 and January 2, 2005, respectively. The Board of Directors has reviewed the terms of the agreements relating to pricing between Jacmar and the Company, and believes that the terms are at least as favorable or more favorable than the Company could obtain from another third party offering comparable goods and services.

Procedures for Approval of Related Party Transactions

The Company has a written policy concerning the review and approval of related party transactions. Potential related party transactions are identified through an internal review process that includes a review of payments made in connection with transactions in which related persons may have had a direct or indirect material interest. Those transactions that are determined to be related party transactions under Item 404 of

Regulation S-K issued by the Securities and Exchange Commission are submitted for review by the Board of Directors for approval and to conduct a conflicts-of-interest analysis. The individual identified as the related party may not participate in any review or analysis of the related party transaction.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16 of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers and persons who own more than 10% of a registered class of the Company's equity securities to file various reports with the Securities and Exchange Commission concerning their holdings of, and transactions in, securities of the Company. Copies of these filings must be furnished to the Company.

To the Company's knowledge, based solely on a review of the copies of such forms furnished to the Company and written representations from the Company's executive officers and directors, the Company believes all filings required to be made by executive officers, directors and greater than 10% beneficial owners of the Company under Section 16 of the Securities Exchange Act of 1934 were made on a timely basis.
