- dividend, stock split, recapitalization or other similar transaction.
- (2) Represents (i) 330,911 shares of Common Stock that were automatically added to the shares authorized for issuance under the CryoCor, Inc. 2005 Equity Incentive Plan (the 2005 EIP) on January 1, 2007 pursuant to an evergreen provision contained in the 2005 EIP, and (ii) 164,030 shares of Common Stock that were automatically added to the shares authorized for issuance under the 2005 EIP as a result of shares that would have reverted to the share reserve of the CryoCor, Inc. 2000 Stock Option Plan (the 2000 Plan), but instead revert into the share reserve for the 2005 EIP. The 2005 EIP provides that an additional number of shares will automatically be added annually to the shares authorized for issuance under the 2005 EIP on the first day of the Registrant s fiscal year, from 2006 until 2015. The number of shares added each year will be equal to the lesser of: three percent of the fully-diluted shares of Common Stock outstanding on December 31 of the preceding fiscal year; 806,451 shares of Common Stock; or a lesser number of shares of Common Stock that may be determined each year by the Registrant s board of directors. In addition, the 2005 EIP provides that the number of shares reserved for issuance under the 2005 EIP shall be increased from time to time by a number of shares equal to the number of shares of Common Stock that (i) are or become issuable pursuant to options outstanding under the 2000 Plan, or were previously or become issued but remain subject to CryoCor s repurchase right under the terms of the 2000 Plan, and (ii) but for the amendment to the 2000 Plan as of the effective date of the 2005 EIP, would otherwise have reverted to the share reserve of the 2000 Plan pursuant to the terms thereof.
 - (3) Represents 52,416 shares of Common Stock that were automatically added to the shares authorized for issuance under the CryoCor, Inc. 2005 Non-Employee Directors Stock Option Plan (the 2005 NEDSOP) on January 1, 2007, pursuant to an evergreen provision contained in the 2005 NEDSOP. The NEDSOP provides that an additional number of shares will automatically be added annually to the shares authorized for issuance under the 2005 NEDSOP on the first day of the Registrant s fiscal year, from 2006 until 2015. The number of shares added each year will be equal to the lesser of: the aggregate number of shares subject to options granted under the 2005 NEDSOP during the immediately preceding fiscal year; or a lesser number of shares of Common Stock that may be determined each year by the Registrant s board of directors.
 - (4) This estimate is made pursuant to Rule 457(c) and Rule 457(h)(1) of the Securities Act solely for purposes of calculating the registration fee, and is based on the average of the high and low prices of Registrant s Common Stock on May 10, 2007, as reported on the Nasdaq Global Market.

ITEM 9. UNDERTAKINGS.

The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended, or the Act;

- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (i) and (ii) of this section do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Securities and Exchange Act of 1934, as amended, or the Exchange Act, that are

incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of this offering.
- (4) That, for the purpose of determining liability of the Registrant under the Act to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.
- (5) That, for purposes of determining any liability under the Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of San Diego, State of California, on May 15, 2007.
