Item 4.01. Changes in Registrant's Certifying Accountant.

Effective August 15, 2007, the Company notified its principal independent auditor, BDO Seidman, LLP of Los Angeles, California (the Former Accountant) of its decision to change principal independent auditors.

In the Former Accountant's principal accountant's report on the Company's financial statements for each of the past two years, except for an adverse opinion on the effectiveness of the Company's internal controls over financial reporting as of December 31, 2005, no adverse opinion or disclaimer of opinion was issued and no opinion of the Former Accountant was modified as to audit scope or accounting principles. Our Former Accountant's report on the Company's financial statements for the year ended December 31, 2006, as reported in the registrant's Form 10-K (10-K/A) filed with the Securities and Exchange Commission on April 30, 2007, contained a paragraph concerning uncertainty as to the Company's ability to continue as a going concern. The financial statements did not include any adjustments that might have resulted from the outcome of this uncertainty.

The change in auditor was recommended and approved by the registrant's Audit Committee.

During the Company's two most recent fiscal years and subsequent interim periods preceding this change of independent auditors, the Company is not aware of any disagreements with the Former Accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

During the Company's two most recent fiscal years and subsequent interim periods preceding the dismissal of the Former Accountant, the Company was not advised by the Former Accountant of any of the reportable events described in Item 304(a)(1)(v) of Regulation S-K.

The registrant intends to engage Singer Lewak Greenbaum & Goldstein LLP (the New Accountant), as its new independent registered public accounting firm effective as soon as practical and prior to the end of the Company's third fiscal quarter. During the two most recent fiscal years and subsequent interim periods preceding the appointment of the New Accountant, the Company has not consulted with the New Accountant regarding any matter.
