**Item 2.02 Results of Operations and Financial Condition**

On December 11, 2007, Multimedia Games, Inc. (the "Multimedia") issued a press release announcing its fourth quarter and fiscal year 2007 financial results and on the same date held a conference call to discuss the results. The full text of the press release issued in connection with the announcement and the related conference call transcript are attached to this Current Report on Form 8-K as Exhibits 99.1 and 99.2, respectively.

**Use of Non-GAAP Financial Information**

Multimedia uses the non-GAAP measure of EBITDA in its earnings releases. EBITDA is defined as earnings before interest, taxes, amortization, depreciation, and accretion of contract rights. Although EBITDA is not a measure of performance calculated in accordance with GAAP, Multimedia believes the use of the non-GAAP financial measure EBITDA enhances an overall understanding of Multimedia's past financial performance, and provides useful information to the investor because of its historical use by Multimedia as a performance measure, and the use of EBITDA by other companies in the gaming equipment sector as a measure of performance. However, investors should not consider this measure in isolation or as a substitute for net income, operating income, or any other measure for determining Multimedia's operating performance that is calculated in accordance with GAAP. In addition, because EBITDA is not calculated in accordance with GAAP, it may not necessarily be comparable to similarly titled measures employed by other companies. The non-GAAP financial measure included in the press release has been reconciled to the corresponding GAAP financial measures as required under the rules of the Securities and Exchange Commission regarding the use of non-GAAP financial measures.

The information in this Form 8-K and the Exhibits attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the "Exchange Act") or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as expressly set forth by specific reference in such a filing.
