document
has
been

prepared by BHP Billiton Ltd and **BHP** Billiton Plc (BHP Billiton") and comprises the written materials/slides for presentation concerning BHP Billiton's offer for Rio Tinto Ltd and Rio Tinto plc (Rio Tinto). By reviewing/attending this presentation you agree to be bound by the following conditions. The directors of BHP

Billiton accept responsibility for the information contained in this presentation. Having taken all reasonable care to ensure that such is the case, the information contained in this presentation is, to the best of the knowledge and belief of the directors of BHP Billiton, in accordance with the facts and contains

no omission likely to affect its import. Subject to the above, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person makes any representation warranty, express or implied, as to, and accordingly no reliance

should be placed on, the fairness, accuracy or

completeness

of the information contained in the presentation or of the views given or implied. To the extent permitted by law, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person shall have any liability whatsoever for any errors or omissions

or any loss

howsoever

arising, directly indirectly, from any use of this information or its contents or otherwise arising in connection therewith. This presentation is for information purposes only and does not constitute or form part of any offer or invitation acquire, sell or otherwise dispose of, or issue, or any solicitation

of any offer to sell or otherwise dispose of, purchase or subscribe for, any securities, nor does it constitute investment advice, nor shall it or any part of it nor the fact of its distribution form the basis of, or be relied on

in

connection with, any contract or

investment

does it constitute proposal to make a takeover bid or the solicitation of any vote or approval in any jurisdiction, nor shall there be any sale of securities in any jurisdiction which such offer, solicitation or sale would be unlawful prior to registration qualification under

decision, nor

the securities laws of any such jurisdiction (or under an exemption from such requirements). No offering of securities shall be made into the United States except pursuant to registration under the US Securities Act of 1933, as amended, or an exemption therefrom. Neither this presentation nor any

copy of it

may be taken or transmitted or distributed or redistributed (directly or indirectly) in Japan. The distribution of this document in other jurisdictions may be restricted by law and persons into whose possession this document comes should inform themselves about, and observe, any such restrictions. This presentation is

directed only at

persons who (i) are persons falling within Article 49(2)(a)to (d) ("high net worth companies, unincorporated associations etc.") of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended) (the "Order") or (ii) have professional experience in matters relating investments falling within Article 19(5) of

the

Order or (iii) are outside the United Kingdom (all such persons being referred to as "relevant persons"). This presentation must not be acted on or relied on by persons who are not relevant persons. Certain statements in this presentation are forward-looking statements. The forward-looking statements include statements include

statements regarding

contribution synergies, future cost savings, the cost and timing of development projects, future production volumes, increases in production and infrastructure capacity, the identification of additional mineral Reserves and Resources and project lives and, without limitation, other statements typically containing words such as "intends", "expects", "anticipates", "targets",

"plans",
"estimates"

and words

These forward-looking statements speak only as at the date of this presentation. These statements are based on current expectations and beliefs and, by their nature, are subject to a number of known and unknown risks and uncertainties that could cause actual results, performance and achievements to differ

of similar import.

materially from any expected future results, performance or achievements expressed or implied by such forward-looking statements. The forward-looking statements are based on numerous assumptions regarding BHP Billiton's present and future business strategies and the environments in which **BHP** Billiton and Rio Tinto will operate in the future and such assumptions

may or may not prove to be correct. There are a number of factors that could cause actual results or performance to differ materially from those expressed or implied in the forward-looking statements. Factors that

could

cause

actual

results

or

performance

to

differ

materially

from

those

described

in

the

forward-looking

statements include, but are not limited to, BHP Billiton's ability to successfully combine the businesses of BHP Billiton and Rio Tinto and to realise expected synergies fromthat combination, the presence of competitive proposal in relation to Rio Tinto, satisfaction of any conditions to any proposed transaction,

including the

receipt of required regulatory and anti-trust approvals, Rio Tinto s willingness enter into any proposed transaction, the successful completion of any transaction, as well as additional factors such as changes in global, political, economic, business, competitive, market or regulatory forces, future exchange and interest rates,

changes in tax rates, future

combinations dispositions and the outcome of litigation $\quad \text{and} \quad$ government actions. Additional risks and factors that could cause BHP Billiton results to differ materially from those described in the forward-looking statements can be found in **BHP** Billiton's filings with the US Securities and Exchange Commission ("SEC"), including BHP Billiton's

business

Annual Report on Form 20-F for the fiscal year-ended June 30, 2007, and Rio Tinto s and Alcan's filings with the SEC, including Rio Tinto s Annual Report on Form 20-F for the fiscal year-ended December 31, 2006 and Alcan s Annual Report on Form 20-F for the fiscal year-ended

December

31, 2006,

which are available at the SEC's website (http://www.sec.gov). Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Injury rates

our 12 month rolling Total Recordable Injury Rate improved by 13% to 6.4

Our statistical measures are showing an improving trend but as we know improving statistics do not prevent fatalities.

Our focus remains on the elimination of fatalities and Zero Harm

We are implementing various initiatives to strengthen safety focus (Safety Week, Operating and Safety Capability Review)

Preliminary Results -Employee Briefing Highlights Half year ended December 2007

Strong operating and financial results

Cost control focus is yielding excellent results

Project delivery

first production from seven new projects

Healthy volume growth from new production expected in FY 2008

A further four projects approved

Interim dividend increased 45% to 29 US cents per share

Longer term fundamentals remain strong

Preliminary Results -Employee Briefing BHP Billiton offer for Rio Tinto

Today the Board announced a formal offer by BHP Billiton for Rio Tinto.

We continue to believe that the combination of the two companies would offer an unparalleled strategic fit in terms of asset mix and quality, and unlock significant additional value for all shareholders.

Our announcement today offers each Rio Tinto shareholder 3.4 BHP Billiton shares for every one Rio Tinto share.

The offer represents a compelling value proposition for shareholders of both Rio Tinto and BHP Billiton.

It is imperative that we continue to run our operations and conduct our day to day work in the same safe and professional manner as always.

Preliminary Results -Employee Briefing Summary

Continued excellent operating and financial results

Unique portfolio balance provides stability

Project pipeline and global footprint to support future growth

Longer term outlook for global growth remains robust
