HONDA MOTOR CO., LTD. REPORTS

CONSOLIDATED FINANCIAL RESULTS

FOR THE FISCAL FIRST QUARTER ENDED JUNE 30, 2011

Tokyo, August 1, 2011 Honda Motor Co., Ltd. today announced its consolidated financial results for the fiscal first quarter ended June 30, 2011.

First Quarter Results

Honda's consolidated net income attributable to Honda Motor Co., Ltd. for the fiscal first quarter ended June 30, 2011 totaled JPY 31.7 billion (USD 394 million), a decrease of 88.3% from the same period last year. Basic net income attributable to Honda Motor Co., Ltd. per common share for the quarter amounted to JPY 17.64 (USD 0.22), a decrease of JPY 132.63 from JPY 150.27 for the corresponding period last year. One Honda American Depository Share represents one common share.

Consolidated net sales and other operating revenue (herein referred to as revenue) for the quarter amounted to JPY 1,714.5 billion (USD 21,239 million), a decrease of 27.4% from the same period last year, due primarily to decreased revenue in the automobile business mainly caused by the impact of the Great East Japan Earthquake occurred on March 11, 2011 (the Earthquake) and the unfavorable foreign currency translation effects, despite increased revenue in the motorcycle business. Honda estimates that if calculated at the same exchange rate as the corresponding period last year, revenue for the quarter would have decreased by approximately 22.7%.

Consolidated operating income for the quarter amounted to JPY 22.5 billion (USD 280 million), a decrease of 90.4% from the same period last year, due primarily to decreased sales volume and model mix, increase in fixed cost per unit as production output has reduced and the unfavorable foreign currency effect, despite decreased SG&A expenses.

Consolidated income before income taxes and equity in income of affiliates for the quarter totaled JPY 29.2 billion (USD 363 million), a decrease of 88.6% from the same period last year.

Equity in income of affiliates amounted to JPY 28.6 billion (USD 355 million) for the quarter, a decrease of 19.8% from the corresponding period last year.

Business Segment

With respect to Honda's sales for the fiscal first quarter by business segment, motorcycle unit sales totaled 2,751 thousand units, a decrease of 4.7% from the same period last year* due mainly to the exclusion of unit sales after the dissolution of a joint venture in Asia, a late of shipment, and decreased sales in North America, despite increased unit sales in other regions including South America. Unit sales excluding the shipment of parts for overseas production increased approximately 200 thousands units. Revenue from sales to external customers increased 3.2%, to JPY 330.3 billion (USD 4,092 million), from the same period last year, due mainly to increased unit sales excluding the sales of parts for overseas production, despite the unfavorable currency translation effects. Operating income totaled to JPY 44.9 billion (USD 557 million), an increase of 43.5% from the same period last year, due primarily to increased revenue, despite increased SG&A expenses and the unfavorable foreign currency effects.

* Of the net sales of Honda-brand motorcycle products that are manufactured and sold by overseas affiliates accounted for under the equity method, those with respect to which parts for manufacturing were not supplied from Honda or its subsidiaries are not included in net sales and other operating revenue, in conformity with U.S. generally accepted accounting principles. Accordingly, these unit sales are not included in the financial results. Sales of such products amounted to approximately 630 thousand units for the period.

Honda's automobile unit sales totaled 547 thousand units**, a decrease of 39.2% from the same period last year due to production disruptions in all regions from the Earthquake. Revenue from sales to external customers decreased 35.1%, to JPY 1,176.9 billion (USD 14,578 million), from the same period last year due mainly to decreased unit sales and unfavorable currency translation effects. Honda reported an operating loss of JPY 76.2 billion (USD 944 million), a deterioration of JPY 225.1 billion from the same period last year, due primarily to decreased unit sales and increase in fixed cost per unit, despite decreased SG&A expenses.

** Certain sales of automobiles that are financed with residual value type auto loans by our domestic finance subsidiaries are accounted for as operating leases in conformity with U.S. generally accepted accounting principles. As a result, they are not included in total sales of our automobile segment or in our measure of unit sales.

Table of Contents

Revenue from customers in the financial services business decreased 9.1%, to JPY 135.8 billion (USD 1,682 million) from the same period last year due mainly to the unfavorable foreign currency translation effects. Operating income decreased 1.9% to JPY 53.6 billion (USD 664 million) from the same period last year due mainly to the unfavorable foreign currency effects, despite the decreased allowance for losses on credit and lease residual values.

Honda's power product unit sales totaled 1,512 thousand units, an increase of 5.0% from the same period last year due to an increase of unit sales in Europe, Asia and Japan, despite a decrease of unit sales in North America. Revenue from sales to external customers in power product and other businesses decreased 3.6%, to JPY 71.4 billion (USD 886 million), from the same period last year, due mainly to the unfavorable currency translation effects, despite increased unit sales in power products. Operating income totaled JPY 0.2 billion (USD 3 million), an increase of JPY 0.8 billion from the same period last year due mainly to an increase of unit sales in power products.

Geographical Information

With respect to Honda's sales for the fiscal first quarter by geographic area, in Japan, revenue from domestic and exports sales amounted to JPY 625.3 billion (USD 7,747 million), a decrease of 32.1% from the same period last year due mainly to decreased revenue in the automobile business mainly caused by the impact of the Earthquake. Honda reported an operating loss of JPY 45.8 billion (USD 569 million), a decrease of JPY 99.0 billion from the same period last year due mainly to the decreased production and sales and the unfavorable foreign currency effects, despite decreased SG&A expenses.

In North America, revenue decreased by 35.5%, to JPY 733.9 billion (USD 9,091 million), from the same period last year due mainly to decreased revenue from the automobile business mainly caused by the impact of the Earthquake and the unfavorable foreign currency translation effects. Operating income totaled JPY 18.5 billion (USD 229 million), a decrease of 83.3% from the corresponding period last year.

In Europe, revenue decreased by 20.5%, to JPY 150.9 billion (USD 1,869 million), from the same period last year as revenue from the automobile business decreased mainly caused by the impact of the Earthquake and the unfavorable currency translation effects, despite increased revenue from the power product and other businesses. Honda reported an operating loss of JPY 6.1 billion (USD 76 million), a decrease of JPY 10.1 billion from the same period last year.

In Asia, revenue decreased by 20.6%, to JPY 373.4 billion (USD 4,624 million), from the same period last year as revenue from the automobile business decreased mainly caused by the impact of the Earthquake and the unfavorable foreign currency translation effects, despite increased revenue in the motorcycle business. Operating income decreased by 43.5%, to JPY 25.1 billion (USD 311 million), from the corresponding period last year due mainly to the decreased production and sales in automobile business and the unfavorable foreign currency effects.

In Asia, in addition to subsidiaries, many affiliates accounted for under the equity method manufacture and sell Honda-brand products. Operating income does not include income from these affiliates. Income from these affiliates is recorded as equity in income of affiliates and reflected in net income. Accounting terms of some of the affiliates differ from the Company's.

Table of Contents

In Other regions including South America, the Middle East, Africa and Oceania, despite increased sales in the motorcycle business, revenue decreased by 2.7%, to JPY 229.9 billion (USD 2,848 billion) from the same period last year due mainly to decreased sales in the automobile business mainly caused by the impact of the Earthquake and the unfavorable foreign currency translation effects. Operating income totaled JPY 15.7 billion (USD 195 million), a decrease of 22.3% from the same period last year.

Consolidated Statements of Cash Flows for the Fiscal First Quarter

Consolidated cash and cash equivalents at June 30, 2011 decreased by JPY 17.6 billion (USD 219 million) from March 31, 2011, to JPY 1,261.3 billion (USD 15,624 million). The reasons for the increases or decreases for each cash flow activity compared with the previous fiscal year are as follows.

Cash flows from operating activities

Net cash provided by operating activities amounted to JPY 201.6 billion (USD 2,498 million) of cash inflows for the fiscal three months ended June 30, 2011. Cash inflows from operating activities decreased by JPY 136.2 billion (USD 1,688 million) compared with the previous fiscal year due mainly to a decrease in cash received from customers primarily caused by decreased unit sales in the automobile business, despite decreased payments for parts and raw materials primarily caused by a decrease in automobile production.

Cash flows from investing activities

Net cash used in investing activities amounted to JPY 179.8 billion (USD 2,228 million) of cash outflows. Cash outflows from investing activities increased by JPY 3.6 billion (USD 45 million) compared with the previous fiscal year, due mainly to a decrease in collections of finance subsidiaries-receivables and an increase in capital expenditure, despite a decrease in acquisitions of finance subsidiaries-receivables and a decrease in purchase of operating lease assets.

Cash flows from financing activities

Net cash used in financing activities amounted to JPY 33.0 billion (USD 410 million) of cash outflows. Cash outflows from financing activities decreased by JPY 1.5 billion (USD 19 million), compared with the previous fiscal year.

[7] Income Taxes

Proportion of adjustments for unrecognized tax benefits to income before income taxes and equity in income of affiliates increases for the three months ended June 30, 2011. Due primarily to the item, the effective tax rate of Honda for the three months ended June 30, 2011 differs from Honda's statutory income tax rate, which is 40% for the fiscal year ending March 31, 2012.

[8] Out-of-period adjustments

During the three months ended December 31, 2010, certain overstatements were found in trade accounts and notes receivable, inventories, net sales and other operating revenue, and cost of sales in previously issued consolidated financial statements, pertaining to the Company's inventory management trading activities at a domestic subsidiary. This domestic subsidiary temporarily purchases sea food products from seafood companies with the promise that they will buy back such products after certain period, in order to bridge the gap between the purchasing period (the fishing season) and the sales period for sea food products. In the Company's consolidated statements of income for the three months ended December 31, 2010, the Company adjusted net sales and other operating revenue amounted to JPY 4,529 million and operating income amounted to JPY 128 million overstated in the Company's consolidated statements of income for the three months ended June 30, 2010, in conjunction with the overstatements for the three months ended September 30, 2010 and the related cumulative loss amounted to JPY 14,123 million as of March 31, 2010. Honda believes that these overstatements are immaterial to the Company's consolidated financial statements or results of operations in prior periods.
