Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On December 21, 2011, ARCA biopharma, Inc. (ARCA), entered into separate Subscription Agreements (the Purchase Agreements) with various institutional investors in connection with a private placement of its common stock and warrants. Pursuant to the Purchase Agreements, ARCA agreed to sell and issue an aggregate of 1,666,666 shares of its common stock and warrants to purchase up to an additional 1,250,000 shares of its common stock at a total purchase price of \$1.05 per unit. The investors in the private placement will receive warrants to purchase 0.75 shares of common stock for each share of common stock purchased.

The warrants to be issued pursuant to the Purchase Agreements (the Warrants) will be exercisable for a period of five years from the six month anniversary of the closing date of the private placement and have an exercise price of \$1.435 per share, equal to 110% of the closing sales price of ARCA's common stock on the NASDAQ Capital Market on December 21, 2011.

ARCA anticipates raising gross proceeds of approximately \$1.75 million in connection with the private placement. The net proceeds, after deducting the payment of a fee of approximately \$100,000 to Roth Capital Partners, as placement agent, and other offering expenses, are expected to be approximately \$1.5 million. ARCA agreed to use the net proceeds from the private placement solely for general working capital purposes. The closing of the private placement is expected to occur later today, subject to the satisfaction of customary closing conditions.

Pursuant to the terms of a Registration Rights Agreement (the Rights Agreement) to be entered into at the closing of the transactions, ARCA will grant to the investors certain registration rights related to the shares of common stock to be sold in the private placement and the shares of common stock underlying the Warrants to be issued. ARCA will be required to use its commercially reasonable efforts to file a registration statement for the resale of the shares of common stock to be issued pursuant to the Purchase Agreements and the shares of common stock underlying the Warrants to be issued within 21 days following the closing date of the private placement and use its commercially reasonable efforts to cause such registration statement to be declared effective not later than 75 calendar days following the closing date (or the 105th calendar day after the Closing Date in the event that such registration statement is subject to review by the SEC. ARCA may incur registration delay payments of 2.0% of the aggregate purchase price for each 30 day period in which it does not meet its registration obligations under the Rights Agreement. ARCA will also agree to other customary obligations regarding registration, including indemnification and maintenance of the registration statement.

The foregoing is only a brief description of the material terms of the Purchase Agreements, the Rights Agreement and the Warrants and does not purport to be a complete description of the rights and obligations of the parties thereunder. The foregoing is qualified in its entirety by reference to the form of Purchase Agreement, the form of Rights Agreement and form of Warrants, which are filed as Exhibits 10.1, 10.2 and 4.1, respectively, to this Current Report on Form 8-K, which are incorporated by reference herein.
