**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On December 30, 2011, we notified Real Goods Solar, Inc. ( Real Goods Solar ) that we were irrevocably electing to convert our Class B common shares of Real Goods Solar, which have ten votes per share, to Class A common shares of Real Goods Solar, which have one vote per share, effective December 31, 2011. We agreed to effect the conversion in connection with Real Goods Solar's recent acquisition of Alteris Renewables. As a result of the conversion, our voting ownership will decrease to approximately 37.5% and, thus, we will no longer have financial control of Real Goods Solar, but will retain significant financial influence. Accordingly, effective December 31, 2011, we will deconsolidate Real Goods Solar and will report it as an equity investment on our consolidated balance sheet at December 31, 2011.

Our unaudited pro forma condensed consolidated financial statements and related descriptions of pro forma adjustments and notes reflecting the deconsolidation of Real Goods Solar are attached as Exhibit 99.1. This pro forma information is presented for informational purposes only, as an aid to understanding Gaiaam's historical financial results as if adjusted by the deconsolidation of Real Goods Solar.
