Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 15, 2012, Patheon Inc. (the Company) announced the appointment of Stuart Grant as its Executive Vice President, Chief Financial Officer, effective immediately. Mr. Grant, age 57, brings over 30 years of financial management experience to the Company, over 15 of which have been in the pharmaceutical industry. From 2007 to 2011, Mr. Grant served as Senior Vice President and Chief Financial Officer of BioCryst Pharmaceuticals, Inc., a pharmaceutical development company. Prior to that, Mr. Grant progressed through a variety of financial management positions at Serono SA (now Merck Serono), a global pharmaceutical services company, including Chief Financial Officer, USA from 2002 to 2004 and Group Chief Financial Officer from 2004 to 2007. Mr. Grant also spent 15 years in finance at Digital Equipment Company and several years working as a tax consultant and senior auditor for Price Waterhouse in Glasgow, Scotland. Mr. Grant holds a Bachelor of Accountancy from the University of Glasgow, Glasgow, Scotland and is a Chartered Accountant with the Institute of Chartered Accountants of Scotland.

In connection with his employment, Mr. Grant will receive an annual base salary of \$430,000, subject to periodic adjustment as determined by the Compensation and Human Resources Committee (the CHR Committee) of our Board of Directors (the Board). In addition, Mr. Grant will be eligible for an annual target bonus of 45% of his annual base salary, which will be prorated from the date of his employment for the fiscal year ending October 31, 2012. Subject to the approval of the Board, Mr. Grant will receive an initial award of 425,000 stock options under the Company's 2011 Amended and Restated Incentive Stock Option Plan. These options will vest in five equal installments on each of the first five anniversaries of the date of Mr. Grant's appointment and will have a 10 year term. Mr. Grant will also receive relocation benefits pursuant to our executive relocation program and payment for certain supplemental health care premiums during 2012 and will generally be entitled to participate in other employee benefit and bonus programs established by the Company from time to time.

If the Company terminates Mr. Grant's employment without cause or if he terminates his employment for good reason, the Company will be required to pay him severance equal to his annual base salary, plus an amount determined or approved by the CHR Committee in its sole discretion to reflect the annual incentive Mr. Grant would have reasonably been expected to have earned during the fiscal year in which the termination occurs. If such termination occurs within six months following a change in control, Mr. Grant's unvested stock options would also vest and remain exercisable for their original term. To be eligible to receive any post-termination severance benefits, Mr. Grant must execute and not revoke a waiver and release drafted by the Company within a prescribed time following termination of employment.

Mr. Grant's employment is also subject to other customary terms and provisions, including provisions relating to confidentiality, nonsolicitation, noncompetition and invention assignment.

A copy of the press release announcing Mr. Grant's appointment as the Company's Executive Vice President, Chief Financial Officer is attached as Exhibit 99.1 and incorporated herein by reference.
